PROPOSAL FOR BOARD ACTION: CONSENT AGENDA

Public School Academy Board of Directors: Method of Selection, Appointment, and Removal

Project Description:

After reviewing the exigent appointment process, the Center for Charter Schools believes that this process cannot adequately protect the University Board from a situation where an academy governing board and the educational service provider simultaneously resign. The challenges in recruiting, interviewing and appointing a new board (or at least three members who could meet as a quorum), and have the new board contract with a new educational service provider, is time consuming and cannot be accomplished quickly. Accordingly, the Center recommends that the University Board charter contracts include a revision to a provision regarding the appointment of a conservator/manager on a temporary basis to address situations such as the en masse resignation of an academy governing board.

The conservator/manager would have all the powers and duties of the academy's governing board and would function in the board's place upon appointment. The conservator/manager would be designated by the University President or his or her designee upon consultation with the University Board Chair. The current conservator/manager provision required the action of the full University Board to appoint a conservator/manager. In order for this change to occur, the University Board's Method of Selection, Appointment and Removal Policy must be amended.

PROPOSED RESOLUTION: CONSENT AGENDA

Public School Academy Board of Directors: Method of Selection, Appointment, and Removal

RESOLVED, That these provisions shall be implemented with new charter contracts and shall be phased in as existing charter contracts are reissued. This applies to new and existing charter contracts issued under Part 6A, Part 6E or MCL 380.1311b to MCL 380.1311m of the Revised School Code. The charter schools office is authorized to negotiate changes in the terms and conditions of charter contracts to fully implement these provisions.

Public School Academy Board of Directors: Method of Selection, Appointment and Removal

The Central Michigan University Board of Trustees declares that the method of selection, length of term, and number of board members shall be as follows.

Method of Selection and Appointment

The Central Michigan University Board of Trustees ("University Board") shall prescribe the method of appointment for members of an academy's board of directors. The director of the charter schools office is authorized to develop and administer an academy board selection and appointment process that includes an *Application for Public School Academy Board Appointment* and is in accord with these policies:

- a. The University Board shall appoint the initial and subsequent academy board of directors by resolution, except as prescribed by subparagraphs d and e. The director of the charter schools office shall recommend qualified individuals to the University Board, and ensure that the board of directors includes representation from the local community where the academy is located.
- b. The academy board of directors, by resolution and majority vote, shall nominate its subsequent members, except as provided otherwise. The academy board of directors shall recommend to the director of the charter schools office at least one nominee for each vacancy. Nominees shall submit the *Application for Public School Academy Board Appointment* for review by the charter schools office. The director of the charter schools office may or may not recommend the appointment of a nominee submitted by the academy board. If the director of the charter schools office does not recommend the appointment of a nominee submitted by the academy board, he/she may select and recommend another nominee or may request the academy board submit a new nominee for consideration.
- c. An individual appointed to fill a vacancy created other than by the expiration of a term shall be appointed for the unexpired term of that vacant position.
- d. Under exigent conditions, and with the approval of the University Board's chair and the president, the director of the charter schools office may appoint a qualified individual to an academy's board of directors. All appointments made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any appointments made under this provision.
- e. In the event that the health, safety and welfare of an academy's students, property or funds are at risk, the president, after consulting with the University Board's chair, may appoint a person to serve as a conservator for the academy. Upon appointment, the conservator shall have all the powers of the academy's board of directors and shall act in the place and stead of the academy's board of directors. After the President appoints a conservator, the full Board of Trustees shall receive notice of the appointment as soon as possible. The president shall appoint the conservator for a definite term which may be extended in writing. During the conservator's appointment, the academy's board of directors, and all powers of the academy's board of directors, are suspended. The charter contract shall set forth any additional powers granted to the conservator during their appointment. All appointments made under this

provision must be presented to the University Board for final determination at its next regularly scheduled meeting.

Length of Term

The director of an academy board shall serve at the pleasure of the University Board. Terms of the initial positions of the academy board of directors shall be staggered in accordance with *The Academy Board of Directors Table of Staggered Terms and Appointments* established and administered by the director of the charter schools office. Subsequent appointments shall be for a term of office not to exceed four (4) years, except as prescribed by *The Academy Board of Directors Table of Staggered Terms and Appointments*.

Removal and Suspension

If the University Board determines that an academy board member's service in office is no longer necessary, then the University Board may remove an academy board member with or without cause and shall specify the date when the academy board member's service ends. An academy board member may also be removed as part of a reconstitution under the charter contract or from office by a two-thirds (2/3) vote of the academy's board of directors for cause.

With the approval of the University Board's chair and the president, the director of the charter schools office may suspend an academy board member's service, if in his/her judgment the person's continued presence would constitute a risk to persons or property, or would seriously impair the operation of the academy. Any suspension made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any suspensions made under this provision.

Number of Directors

The number of members of the academy board of directors shall not be less than five (5) nor more than nine (9). If the academy board of directors fails to maintain its full membership by making appropriate and timely nominations, the University Board or its designee may deem that failure an exigent condition.

Qualifications of Academy Board Members

To be qualified to serve on an academy's board of directors, a person shall, among other things: (a) be a citizen of the United States; (b) be a resident of the State of Michigan; (c) submit all materials requested by the charter schools office including, but not limited to, the *Application for Public School Academy Board Appointment* which must include authorization to process a criminal background check; and (d) annually submit a conflict of interest disclosure as prescribed by the charter schools office.

If the University Board approves the Economic Hardship Termination recommendation, then this Contract shall terminate at the end of the current school year without any further action of the parties.

Following University Board approval, the Center Director shall provide notice of the termination to the Academy. If during the period between the University Board action to terminate and the effective date of termination, the Academy has violated the Contract or Applicable Law, the Contract may be revoked or suspended sooner pursuant to this Article X. If this Contract is terminated pursuant to this Section 10.5, the revocation procedures in Section 10.6 shall not apply.

If the Academy's response includes a denial of non-compliance with the Contract or Applicable Law, the Academy's response shall include sufficient documentation or other evidence to support a denial of non-compliance with the Contract or Applicable Law. A response not in compliance with this Section shall be deemed to be non-responsive. As part of its response, the Academy Board may request that a meeting be scheduled with the Center Director prior to a review of the Academy Board's response.

- (c) Plan of Correction. Within fifteen (15) days of receipt of the Academy Board's response or after a meeting with Academy Board representatives, the Center Director shall review the Academy Board's response and determine whether a reasonable plan for correcting the deficiencies can be formulated. If the Center Director determines that a reasonable plan for correcting the deficiencies set forth in the Notice of Intent to Revoke can be formulated, the Center Director shall develop a plan for correcting the non-compliance ("Plan of Correction") which may include Reconstitution pursuant to 10.6(d) of these Terms and Conditions. In developing a Plan of Correction, the Center Director is permitted to adopt, modify or reject some or all of the Academy Board's response for correcting the deficiencies outlined in the Notice of Intent to Revoke. The Notice of Intent to Revoke shall be closed if the Center Director determines any of the following: (i) the Academy Board's denial of non-compliance is persuasive; (ii) the non-compliance set forth in the Notice of Intent to Revoke has been corrected by the Academy Board; or (iii) the Academy Board has successfully completed the Plan of Correction.

Except as otherwise provided in this subsection, reconstitution of the Academy does not prohibit the Department from issuing an order under section 507 of the Code, MCL 380.507, directing the automatic closure of the Academy's site(s).

- (e) Request for Revocation Hearing. The Center Director may initiate a revocation hearing before the University Charter Schools Hearing Panel if the Center Director determines that any of the following has occurred:

 - (iv) the Academy Board's response contains denials that are not supported by sufficient documentation or other evidence showing compliance with the Contract or Applicable Law;
 - (v) the Academy Board has not complied with part or all of a Plan of Correction established in Section 10.6(c);
 - (vi) the Academy Board has engaged in actions that jeopardize the financial or educational integrity of the Academy; or
 - (vii) the Academy Board has been issued multiple or repeated Notices of Intent to Revoke.

The Center Director shall send a copy of the request for revocation hearing to the Academy Board at the same time the request is sent to the Hearing Panel. The request for revocation shall identify the reasons for revoking the Contract.

The Hearing Panel shall provide a copy of the notice of hearing to the Center and the Academy Board at least ten (10) days before the hearing. The purpose of the Hearing Panel is to gather facts surrounding the Center Director's request for Contract revocation, and to make a recommendation to the University Board on whether the Contract should be revoked. The revocation hearing shall be held at a location, date and time as determined by the Center Director and shall not last more than three hours. The hearing shall be transcribed and the cost shall be divided equally between the University and the Academy. The Center Director or his or her designee, and the Academy Board or its designee, shall each have equal time to make their presentation to the Hearing Panel. Although each party is permitted to submit affidavits and exhibits in support of their positions, the Hearing Panel will not hear testimony from any witnesses for either side. The Hearing Panel may, however, question the Center Director and the Academy Board. Within thirty (30) days of the revocation hearing, the Hearing Panel shall make a recommendation to the University Board concerning the revocation of the Contract. If the Hearing Panel's recommendation is submitted to the University Board at least fourteen (14) days before the University Board's next regular meeting, the University Board shall consider the Hearing Panel's recommendation at its next regular meeting and vote on whether to revoke the Contract. The University Board reserves the right to modify, reject or approve all or any part of the Hearing Panel's recommendation. The University Board shall have available to it copies of the Hearing Panel's recommendation and the transcript from the hearing. The University Board may waive the fourteen (14) day submission requirement or hold a special board meeting to consider the Hearing Panel's recommendation. A copy of the University Board's decision shall be provided to the Center, the Academy Board and the Department.
- (h) Effective Date of Revocation. If the University Board votes to revoke the Contract, the revocation shall be effective on the date of the University Board's act of revocation, or at a later date as determined by the University Board.

Notwithstanding any other provision of the Contract, any state school aid funds received by the University Board after a recommendation is made by the Hearing Panel to revoke the Contract, or a decision by the University Board to revoke the Contract, may be withheld by the University Board or returned to the Michigan Department of Treasury upon request. The University Board may also direct that a portion of the Academy's state school aid funds be directed to fund the Academy's Dissolution account established under Section 10.9 of these Terms and Conditions.

Section 10.7. Contract Suspension. The University Board's process for suspending the Contract is as follows:

- (a) The Center Director Action. If the Center Director determines, in his or her sole discretion, that certain conditions or circumstances exist such that the Academy Board:
 - (i) has placed staff or students at risk;
 - (ii) is not properly exercising its fiduciary obligations to protect and preserve the Academy's public funds and property;

- (iii) has lost its right to occupancy of the physical facilities described in Schedule 6, and cannot find another suitable physical facility for the Academy prior to the expiration or termination of its right to occupy its existing physical facilities;
- (iv) has failed to secure or has lost the necessary fire, health, and safety approvals as required by Schedule 6;
- (v) has willfully or intentionally violated this Contract or Applicable Law; or
- (vi) has violated Section 10.2(g) or (h), then the Center Director may immediately suspend the Contract, pending completion of the procedures set forth in Section 10.6.

A copy of the suspension notice, setting forth the grounds for suspension, shall be sent to the Academy Board and to the Hearing Panel. If this subsection is implemented, the notice and hearing procedures set forth in Section 10.6 shall be expedited as much as possible.

- (b) Disposition of State School Aid Funds. Notwithstanding any other provision of the Contract, any state school aid funds received by the University Board after a decision by the Center Director to suspend the Contract, shall be retained by the University Board for the Academy until the Contract is reinstated, or shall be returned to the Michigan Department of Treasury upon the State's request.
- (c) Immediate Revocation Proceeding. If the Academy Board, after receiving a notice of Contract suspension from the Center Director, continues to engage in conduct or activities that are covered by the suspension notice, the Hearing Panel may immediately convene a revocation hearing in accordance with the procedures set forth in section 10.6(e) of this Contract. The Hearing Panel has the authority to accelerate the time line for revoking the Contract, provided that notice of the revocation hearing shall be provided to the Center and the Academy Board at least five (5) days before the hearing. If the Hearing Panel determines that the Academy Board has continued to engage in conduct or activities that are covered by the suspension notice, the Hearing Panel may recommend revocation of the Contract. The University Board shall proceed to consider the Hearing Panel's recommendation in accordance with sections 10.6(f) through (h).

Section 10.8. Conservator; Appointment By University President. Notwithstanding any other provision of the Contract, in the event that the University President, in his or her sole discretion, determines that the health, safety and welfare of Academy students, property or funds are at risk, the University President, after consulting with the University Board Chairperson, may appoint a person to serve as the Conservator of the Academy. Upon appointment, the Conservator shall have all the powers and authority of the Academy Board under this Contract and Applicable Law and shall act in the place and stead of the Academy Board. The University President shall appoint the Conservator for a definite term which may be extended in writing at his or her sole discretion. During the appointment, the Academy Board members and their terms in office are suspended and all powers of the Academy Board are suspended. All appointments made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. During their appointment, the Conservator shall have the following powers:

- (a) take into his or her possession all Academy property and records, including financial, board, employment and student records;
- (b) institute and defend actions by or on behalf of the Academy;
- (c) continue the business of the Academy including entering into contracts, borrowing money, and pledging, mortgaging, or otherwise encumbering the property of the Academy as security for the repayment of loans. However, the power shall be subject to any provisions and restrictions in any existing credit documents;

- (d) hire, fire, evaluate and discipline employees of the Academy;
- (e) settle or compromise with any debtor or creditor of the Academy, including any governmental or taxing authority;
- (f) review all outstanding agreements to which the Academy is a party and to take those actions which the Academy Board may have exercised to pay, extend, rescind, renegotiate or settle such agreements as needed; and
- (g) perform all acts necessary and appropriate to fulfill the Academy's purposes as set forth under this Contract or Applicable Law.

Section 10.9. Academy Dissolution Account. If the University Board terminates, revokes or fails to issue a new Contract to the Academy, the Center Director shall notify the Academy that, beginning thirty (30) days after notification of the University Board's decision, the University Board may direct up to \$10,000 from each subsequent State School Aid Fund payment, not to exceed a combined total of \$30,000, to a separate Academy account ("Academy Dissolution Account") to be used exclusively to pay the costs associated with the wind-up and dissolution responsibilities of the Academy. Within five (5) business days of the Center Director's notice, the Academy Board Treasurer shall provide the Center Director, in a form and manner determined by the Center, with account detail information and authorization to direct such funds to the Academy Dissolution Account. The Academy Dissolution Account shall be under the sole care, custody and control of the Academy Board, and such funds shall not be used by the Academy to pay any other Academy debt or obligation until such time as all the wind-up and dissolution expenses have been satisfied. An intercept agreement entered into by the Academy and a third-party lender or trustee shall include language that the third party lender or trustee acknowledges and consents to the funding of the Academy's dissolution account in accordance with this Contract. Any unspent funds remaining in the Academy's dissolution account after payment of all wind-up and dissolution expenses shall be returned to the Academy.

Other insurance policies and higher minimums may be required depending upon academic offerings and program requirements.

Pursuant to Section 3.6 of these Terms and Conditions, the University requires that any Educational Service Provider or employee leasing company that enters into a contract with the Academy must obtain insurance coverage similar to the insurance coverage that is currently required for the Academy. Section 11.10. Deposit of Public Funds by the Academy. Prior to providing instruction, the Academy Board shall ensure that the Academy has sufficient documentation to qualify for part-time pupil funding under the State School Aid Act. BOARD OF DIRECTORS**

Section 1. General Powers. The business, property and affairs of the Academy shall be managed by the Academy Board of Directors ("Academy Board"). The Academy Board may exercise any and all of the powers granted to it under the Michigan Non-Profit Corporation Act or pursuant to Part 6A of the Revised School Code ("Code"). The Academy Board may delegate such powers to the officers and committees of the Academy Board as it deems necessary, so long as such delegation is consistent with the Articles, these Bylaws, the Contract and Applicable Law.

Section 2. Method of Selection and Appointment. The Central Michigan University Board of Trustees ("University Board") shall prescribe the method of appointment for members of an Academy's Board of Directors. The Center Director is authorized to develop and administer an academy board selection and appointment process that includes an *Application for Public School Academy Board Appointment* and is in accord with these policies:

- a. The University Board shall appoint the initial and subsequent Academy Board of Directors by resolution, except as prescribed by subparagraph d. The Center Director shall recommend qualified individuals to the University Board.
- b. The Academy Board of Directors, by resolution and majority vote, shall nominate its subsequent members, except as provided otherwise. The Academy Board of Directors shall recommend to the Center Director at least one nominee for each vacancy. Nominees shall

submit the *Application for Public School Academy Board Appointment* for review by the Center. The Center Director may or may not recommend the appointment of a nominee submitted by the Academy board. If the Center Director does not recommend the appointment of a nominee submitted by the Academy Board, he/she may select and recommend another nominee or may request the Academy Board submit a new nominee for consideration.

- c. An individual appointed to fill a vacancy created other than by the expiration of a term shall be appointed for the unexpired term of that vacant position.
- d. Under exigent conditions, and with the approval of the University Board's chair and the president, the Center Director may appoint a qualified individual to an Academy's board of directors. All appointments made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any appointments made under this provision.

Section 3. Length of Term. The Director of an Academy Board shall serve at the pleasure of the University Board. Terms of the initial positions of the Academy Board of Directors shall be staggered in accordance with *The Academy Board of Directors Table of Staggered Terms and Appointments* established and administered by the Center Director. Section 4. Number of Director Positions. The number of director positions on the Academy Board shall not be less than five (5) nor more than nine (9) as determined by the University Board. If the Academy Board fails to maintain its full membership by making appropriate and timely nominations, the Center Director may deem that failure an exigent condition.

Section 5. Qualifications of Academy Board Members. To be qualified to serve on an Academy's Board of Directors, a person shall, among other things: (a) be a citizen of the United States; (b) be a resident of the State of Michigan; (c) submit all materials requested by the Center including, but not limited to, the *Application for Public School Academy Board Appointment* which must include authorization to process a criminal background check; and (d) annually submit a conflict of interest disclosure as prescribed by the Center.

An Academy Board member may also be removed from office for cause by a two-thirds (2/3) vote of the Academy's Board.

With the approval of the University Board's chair and the University President, the Center Director may suspend an Academy Board member's service, if in his/her judgment the person's continued presence would constitute a risk to persons or property, or would seriously impair the operation of the Academy. Any suspension made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any suspensions made under this provision.

Section 9. Resignation. Any Director may resign at any time by providing written notice to the corporation or by communicating such intention (orally or in writing) to the Center. Notice of resignation will be effective upon receipt or at a subsequent time if designated in a written notice. A successor shall be appointed as provided in Section 2 of this Article.

The Academy Board may authorize any officer or officers, agent or agents, to enter into any contract, to execute and deliver any instrument, or to acknowledge any instrument required by law to be acknowledged in the name of and on behalf of the corporation. Such authority may be general or confined to specific instances, but the appointment of any person other than an officer to acknowledge an instrument required by law to be acknowledged should be made by instrument in writing. When the Academy Board authorizes the execution of a contract or of any other instrument in the name of and on behalf of the corporation, without specifying the executing officers, the President or Vice-President, and the Secretary or Treasurer may execute the same and may affix the corporate seal thereto. No loan, advance, overdraft or withdrawal by an officer or Director of the corporation, shall be made or permitted unless approved by the Academy Board. No loan entered into, by or on behalf of the Academy Board, shall in any way be considered a debt or obligation of Central Michigan University or impose any liability on Central Michigan University, its trustees, officers, employees or agents.

Section 3. Checks, Drafts, etc. All checks, drafts or other orders for the payment of money, notes or other evidences of indebtedness issued in the name of the Academy, shall be signed by Academy Board members or Academy Board employees, which shall not include employees of the Academy Board's Educational Service Provider, and in such manner as shall from time to time be determined by resolution of the Academy Board.

Absent compelling circumstances, however, the Academy Board shall give KG and the Administrator six (6) months to correct the basis for the Academy Board's reasonable dissatisfaction. The parties agree that the purpose of the above provisions is not to deny the Administrator the opportunity for growth and/or promotion within KG. Notwithstanding any of the foregoing, the placement of the initial Administrator for the Academy in its first year of operation shall be made by KG. As the employer, KG shall be solely responsible for evaluating the performance of the Administrator. KG shall seek feedback from the Academy Board prior to completing the Administrator's annual performance evaluation.

KG and the Academy Board acknowledge that operating costs include the administrative fee payable to the Authorizer as set forth in the Charter Contract. Payment of the Fee shall be made on the same frequency that the Academy receives its Revenues. KG shall be entitled to retain as compensation for the Services the difference, if any, between the Fee and the amount actually expended by KG in operation and/or management of the Academy during the Academy's fiscal year. KG agrees not to add any fees or charges to the cost of equipment, materials or supplies purchased by KG at the request of or on behalf of the Academy.

G. No Loans. KG shall not make or extend loans to the Academy Board.

H. Other Schools. The Academy acknowledges that KG may enter into similar services agreements with other schools or entities. KG shall maintain separate accounts for expenses incurred in the operation of the Academy and other schools or entities assisted by KG and shall reflect in the Academy's financial records only those expenses incurred in the operation of the Academy. If KG incurs expenses that are for both the benefit of the Academy and other schools or entities assisted by KG, then KG shall allocate, to the extent permitted by law, such expenses among all such affected schools or entities, including the Academy, on a prorated basis upon the number of enrolled students, the number of classrooms, or the number of teachers at the affected schools, or on such other equitable basis as is reasonably determined by KG. 3. The Academy shall not be legally obligated to repay KG for the Start-Up Funds or the Contributions. KG's agreement to make such Contributions shall not be deemed to negate or mitigate the need for the Academy to apply for or solicit state or federal start-up funds, grants, or sub-grants which the Academy, as a public school, may be eligible to receive.

ARTICLE VI

SOLICITATION AND USE OF PRIVATE FUNDS

KG shall seek the Academy Board's approval prior to soliciting any non-governmental grants, donations, or contributions on behalf of the Academy that are designated for the Academy use. Tenant’s taking possession of the Subleased Premises shall constitute Tenant’s acceptance of the Subleased Premises in their “as is” condition, subject to the other terms and conditions of this Sublease. Notwithstanding the termination provisions above, if the Tenant’s Charter Contract issued by the Central Michigan University Board of Trustees is revoked, terminated, or a new charter contract is not issued to the Tenant after expiration of the Tenant’s Contract, this Lease Agreement shall automatically terminate on the same day as the Tenant’s Contract is revoked, terminated, or expires without further action of the parties and without penalty for early termination.

4. **Rent.** Rent shall be payable on the first day of each month. Tenant’s monthly rent will be \$10,000.

5. **Late Fee.** In the event any payment required under this Sublease is not received by Landlord within fifteen (15) days after it is due, a late payment fee equal to five percent (5%) of the late payment shall be immediately due from Tenant to Landlord.

6. **Security Deposit.** No security deposit will be required.

7. **Closure or Reconstitution Under Section 507.** In the event that the Tenant is required (i) to close an Academy site pursuant to a notice issued by the Michigan Department of Education under Section 507 of the Revised School Code, MCL 380.507; or, (ii) to undergo a reconstitution pursuant to Section 507 of the Revised School Code and the Charter Contract, and such closure of an Academy site or reconstitution causes an amendment to or termination of this Lease Agreement, the parties agree that this

Lease Agreement shall be amended or terminated to implement the Academy site closure or reconstitution, with no cost or penalty to the Tenant, and the Landlord shall have no recourse against the Tenant or the University Board for implementing such site closure or reconstitution.

8. **Covenants.** Tenant and Landlord agree the below items are inclusive of, but not limited to additional items included in the monthly rent fee as described above. The total monthly fee will not exceed the rental fee described above.

(a) **Telephone and Fax.** Landlord shall pay for all telephone, internet and facsimile services, but Tenant shall reimburse Landlord for its allocable share of these expenses, which has been determined to be 21% ("Allocable Share"). (d) **Dangerous Materials.** Tenant shall not keep, have or dispose on the Subleased Premises any article or thing of a dangerous, hazardous, inflammable, or explosive character that might unreasonably increase the danger of fire on the Subleased Premises or that might be considered hazardous under any state or federal environmental laws or regulations.

9. **Alterations and Improvements.** Tenant, without the written consent of the Landlord, shall make no alterations or improvements in the Subleased Premises and shall not remove any of the fixtures and appliances from the Subleased Premises.

LEASE AGREEMENT

THIS **LEASE AGREEMENT** (the "Agreement") is made this 4th day of August, 2020 by and between **CONSUMERS INVESTMENT CO., L.L.C.**, a Michigan limited liability company, with its offices located at 355-D Gray Street, Benton Harbor, Michigan 49022 ("Lessor") and **BERRIEN-CASS-VAN BUREN WORKFORCE DEVELOPMENT BOARD, INC.**, a Michigan nonprofit corporation, D/B/A "Michigan Works Berrien Cass Van Buren", and D/B/A "Kinexus Group", with an address located at 499 West Main Street, Benton Harbor, Michigan 49022 ("Lessee").

WITNESSETH

1. Premises. Lessor hereby leases to Lessee, and Lessee hereby leases from Lessor the premises situated in the City of Benton Harbor, Michigan, described as follows:

The building presently occupied by Lessee and located at 499 West Main Street in that City (the "Building"), totaling approximately 30,000 square feet, and including rights in common with Lessor's other tenants of the Building (if any) to the use of the driveways, parking and yard areas, it being understood in this regard that any conflicts in common usage shall be resolved by Lessor, who is authorized to promulgate reasonable rules as to usage of outside areas, should this become necessary.

2. Term. The term of this Lease shall be for a period of Five (5) years, commencing on September 1, 2020 and ending on August 31, 2025 (the "Term").

2A. Early Termination by Lessee. Lessee receives its primary funding from appropriations by the Federal government and the State of Michigan. Recognizing that this funding may be decreased at any time, the parties agree that in the event the Michigan Legislature or the federal government fails to provide or terminates funding in an amount necessary to cover the amounts due under this lease, Tenant may cancel the lease by providing written notice to Lessor 60 days prior to the date of cancellation provided, however, that in the event the action of the Michigan Legislature or federal government results in an immediate absence or termination of funding, cancellation may be made effective immediately upon delivery of written notification to Lessor.

3. Rent. Lessee agrees to pay Lessor as rent for the leased premises during the Term Twenty-four Thousand Five Hundred Dollars (\$24,500.00) per month, plus any Additional Rent, if applicable, as provided in Section 3A, to be paid in advance on the first day of each month of the Term at the address of Lessor stated above, or elsewhere as Lessor may in writing direct. It is the intention of Lessor and Lessee that the rent shall be net to the Lessor in each year during the Term, that all costs, expenses and obligations of every kind relating to the leased premises (except as otherwise specifically provided in this Lease) which may arise or become due during the Term shall be paid by Lessee.

3A. Additional Rent: Real Estate Taxes. If in any real estate fiscal tax year starting with the real estate tax year beginning January 1, 2020, the real estate taxes on the Leased Premises (which specifically includes both the land and the building), are in excess of the amount of such taxes for the 2019 tax year, it being assumed that all taxes cover the calendar year in which first billed, then Tenant agrees to pay to Lessor, as additional rent, when billed by Lessor, One Hundred percent (100%) of such excess that may occur in each year of the Term of this Lease, apportioned for any fraction of a tax year in which the Term of this Lease begins or ends.

4. Use of the Leased Premises. The leased premises shall be used by Lessee for Lessee's office, meetings, storage, promotional, educational and training purposes and any related lawful purposes, provided, however, that Lessee's use shall be in a careful, safe and proper manner and shall at all times comply with any and all reasonable rules, regulations and/or directives applicable to the leased premises issued by insurance rating bureaus and/or insurance companies writing policies for Lessor which cover the premises. Lessee further agrees that its use of the premises shall not be in violation of any law, ordinance or regulation and that no use will occur which would disturb the quiet enjoyment of any other tenant in the Building.

4A Hazardous Materials. Lessee shall not cause or permit any Hazardous Material to be brought upon, kept or used in or about the premises during the term of this Lease, including any extensions or renewals, and including also any period after the expiration of the Term when Lessee or those holding under or through Lessee continue in possession of the premises, except that Lessee may bring Hazardous Materials onto the premises to the extent they are incidental to normal office use and other permitted uses of the premises, such as gas and oil associated with normal vehicle usage, office supplies and products and similar items. As used herein, "Hazardous Material" includes: (a) petroleum, (b) asbestos, and (c) without limitation, any material or substance that is designated or defined as a "hazardous or toxic waste" or "hazardous material" under applicable federal, state or local law or regulation. Lessee agrees to indemnify and save Lessor harmless from all liability, damage, and costs, including reasonable attorneys' fees, arising out of any violations of this provision, and this obligation shall survive termination of the Lease.

5. Repairs and Maintenance.

a. Lessor shall keep the exterior of the Building, (including the roof, exterior walls, foundation and structural supports of the Building, including windows and doors (except for card readers or other security features installed by Lessee which shall be the responsibility of Lessee) and the parking lot in a proper state of repair. Lessor agrees to provide snow removal for the driveways, sidewalks, entry ways and the parking lot. Lessor shall also be responsible for all repairs and routine maintenance to the heating and air conditioning systems and electrical system serving the leased premises. Lessor shall also be responsible for the replacement of all light bulbs and ballasts in ceiling fixtures, and for replacement of any ceiling tiles damaged by roof leaks or leaks in the HVAC system.

b. Lessee shall keep and maintain that portion of the interior of the Building

leased by it in a proper state of repair, including custodial upkeep. Except as provided in subsection a above, Lessee shall be responsible for keeping the grounds in a neat and clean condition. Notwithstanding anything agreed to the contrary, Lessee shall be responsible for all repairs occasioned by the negligence of its agents, employees, customers, invitees and persons doing business with it, to the extent that such repairs are not compensated by Lessor's insurance.

6. Alterations. Lessee shall not make any alterations to the leased premises without first obtaining the prior written consent of Lessor, which consent shall not be unreasonably withheld. Any alterations so performed shall be done in a good and workmanlike manner and at the sole expense of Lessee and in compliance with all applicable laws, rules and regulations, including, without limitation, all applicable building and zoning codes, and shall at the expiration of the lease term become the property of Lessor, provided, however, that at Lessor's option, such alterations or such portion of them as Lessor shall elect, shall be removed by Lessee at its expense and the premises restored to substantially the same condition as would have existed had such alterations not been made. Lessor shall have the right to inspect, but shall not thereby have responsibility with respect to, any such alternations or improvements. Lessee shall indemnify and hold Lessor harmless from any and all construction liens filed against the premises by virtue of labor or materials supplied to or through Lessee.

7. Installation of Trade Fixtures and Equipment. Lessee may at any time during the Term install trade fixtures and equipment in the leased premises and shall remove them at the expiration of the Term, provided, however, that in removing them Lessee shall at its expense repair any damage caused by such removal in a manner such as to restore the area so affected to substantially the same condition as would have existed had such trade fixtures and equipment not been installed, including the closing up of openings in a good and workmanlike manner. If Lessee prefers to avoid the expense of removing such trade fixtures and equipment it shall obtain Lessor's consent to leave them, which consent shall not be unreasonably withheld. The foregoing provisions regarding removal shall not apply to any electrical systems including lighting (both exterior and interior) or to heating, air conditioning and ventilating systems, which upon installation shall become and remain a part of the real estate.

8. Exterior Signs. Any exterior signs installed on the leased premises shall require the prior written consent of Lessor, which consent shall not be unreasonably withheld. At the expiration of the Term Lessee shall at its expense remove any signs installed by it including the painting out of same, and shall make any necessary repairs caused by such removal so that the premises are restored to substantially the same condition as would have existed had no such sign or signs ever been installed.

9. Utilities. Lessee shall be responsible for all utility charges incurred in serving the leased premises.

10. Insurance. Lessor agrees to keep the Building in which the leased premises are located insured on an all risk basis. Lessee shall insure the contents, whether owned by Lessee or third parties, to the full value of those contents; such insurance to be written on an all-risk basis.

11. Waiver of Subrogation Rights. Each party covenants and agrees that the other party shall not be liable to it, or those holding by, through or under it, by subrogation or otherwise, on account of any loss of or damage to the premises or their contents caused by fire, or other risks enumerated in standard all risk insurance, including any such loss or damage resulting in whole or in part from the negligence of the other party, its employees, agents and representatives. The above waivers shall be endorsed upon the policies insuring the premises and their contents. This condition may likewise be satisfied by procuring insurance which states that the insured may waive subrogation rights if done so in writing prior to the happening of any loss, in which event this section shall be construed as constituting such waiver.

12. Subleasing and Assignment. Except to the extent inconsistent with the provisions of the One Stop Delivery System described in 20 C.F. R. 662 *et. seq.*, Lessee may not assign this Lease and may not sublet all or any portion of the leased premises without first obtaining the prior written consent of Lessor, which consent may be withheld by Lessor in its absolute discretion, and provided further, however that in any event any such sublessee or assignee shall be bound by all of the provisions of this Lease, including, without limitation, Sections 4, 5 and 6, and Lessee shall in all events continue to remain liable on this Lease.

13. Liability. Lessor assumes no responsibility for loss or damage to property located on the leased premises, it being the express understanding of the parties that the Lessee upon continuing in possession of the premises accepts them in their then existing condition, and that the cost of insuring against such risk of loss, whether it be personal injury, loss to contents, business interruption, or losses of any other kind or nature, is not reflected in the rental called for in this Lease, and is accordingly being borne by Lessee. Lessee agrees to indemnify and save Lessor harmless from any liability for damages to any person or property arising out of the use, occupancy and control of the leased premises, and further agrees to continue to maintain in effect, public liability insurance insuring against both personal injury and property damage in the minimum single limit amount of One Million Dollars (\$1,000,000.00) and shall continue to cause Lessor's name to be endorsed on said policy as an additional named insured, and shall keep such insurance in force during the Term and any renewals or extensions. Said insurance shall be issued by financially responsible insurance companies reasonably acceptable to Lessor and appropriate certificates of coverage shall be delivered to Lessor, such that Lessor at all times has evidence of the continued required coverages. Such certificates shall contain a provision prohibiting cancellation or non-renewal, except on the giving of not less than thirty (30) days prior written notice to Lessor.

14. Right to Enter. Lessor shall have the right to enter the leased premises during reasonable hours for the purpose of inspecting the same, making repairs, and during the last six (6) months of the lease term, for the purpose of showing the premises to prospective tenants. Lessor shall exercise its access rights in a manner so as not to unreasonably interfere with Lessee's use of the premises and in all instances Lessor shall make a reasonable effort to contact Lessee by telephone before exercising its right of entry.

15. Lessor's Right to Mortgage and/or Assign Lease for Security Purposes. Lessor shall continue to have the right to now or at any time during the Term, mortgage the premises

and/or assign this Lease for security purposes, and Lessee agrees to join therein in the execution of any and all documents necessary or convenient in connection with such mortgaging of the premises and/or assigning of this Lease, provided, however, that all such mortgages and/or assignments shall expressly be made subject to the lease rights of Lessee.

16. Fire or Other Casualty. In the event that the leased premises shall be damaged by fire or other casualty, it shall be promptly repaired and restored by Lessor and the rent abated by an amount in proportion with the time during which and the extent to which the leased premises cannot reasonably be used by Lessee. In the event the Building is so substantially damaged by fire or other casualty that it shall appear unlikely under then existing conditions that such damage could be repaired within one hundred twenty (120) days after such damage, or in the event the loss to the Building is forty percent (40%) or more, then Lessee's obligation to pay rent shall immediately be abated until the premises can reasonably be used by Lessee, and further, this Lease may be terminated at the option of either of the parties by giving notice in writing of cancellation to the other party, and upon cancellation the respective obligations of the parties shall be terminated and any rent which shall have been paid for the time during which the premises cannot be used shall be refunded by Lessor to Lessee. Such notice shall be given within thirty (30) days of the happening of such occurrence.

17. Default.

a. In the event any rent shall be due and unpaid, or if there is a default by Lessee in any of its covenants contained in this Lease, or if the leased premises shall be abandoned or deserted, then upon failure to cure such default within fifteen (15) days after written notice of such default given by Lessor to Lessee, it shall be lawful for Lessor, its certain attorney, representatives and assigns to do any of the following:

i. Elect to terminate this Lease, whereupon it shall be lawful for Lessor to re-enter and repossess the premises and the Lessee and each and every occupant to remove and put out. This right shall include the right to remove Lessee's signs and any other property on the premises belonging to Lessee or third parties. Lessee agrees to pay to Lessor all expenses incurred in obtaining the premises, including reasonable attorney fees and also all loss or damage suffered or to be suffered by Lessor because of the breach by Lessee of any covenant, or condition of this Lease on Lessee's part to be paid or performed before to the date of such re-entry including the obligation to make repairs as called for in this Lease, to keep the leased premises in a neat, clean and orderly manner and to surrender the premises in such state, or,

ii. Elect to treat this Lease as continuing and re-enter and relet the premises or any part of them as agent for Lessee for the best rent reasonably obtainable under the circumstances for all or any part of the remaining period of the Term. This right shall include the right to remove Lessee's signs. The rents so received by Lessor shall be used first for the expenses of re-entry and reletting, including reasonable attorneys' fees, costs of sign removal, repair and cleanup of the premises together with all commissions and other expenses incurred in such

reletting, with the balance of the rent being then applied to the rent due from Lessee. In such event Lessee shall be and remain liable for any deficiency in rental, said deficiency to be computed by first deducting those costs and expenses and then deducting the net rental received from any rental called for by this Lease. Any excess of such rentals over the amounts called for by this Lease shall be paid to Lessee and Lessee shall continue nevertheless to remain liable under the terms of this Lease. Lessor may at any time upon ten (10) days prior written notice, and a failure on the part of Lessee during such ten (10) day period to cure any of the defaults then existing, terminate the agency which Lessor has assumed pursuant to the terms of this section and may thereupon elect to exercise its right under the preceding section relative to re-entry and termination of this Lease, or

iii. Permit Lessee to remain in possession under this Lease and bring an action or successive actions for the damages suffered by Lessor because of any breach or breaches of any covenant or condition without prejudice to the rights of Lessor to pursue any subsequent actions for any future breach or breaches of any covenant or condition contained in this Lease, or

iv. Avail itself of any other remedy permitted by Michigan law.

b. In the event of a default by Lessor, Lessee may avail itself of any remedy permitted by Michigan law.

c. In every instance, all remedies are cumulative and the election of one does not in and of itself prohibit any other.

18. Waiver of Jury Trial. Lessor and Lessee both expressly waive their right to a jury trial of any issue or dispute arising under or from this Lease.

19. Lessee's Insolvency or Bankruptcy. If Lessee shall at any time during the Term become insolvent, or if proceedings in bankruptcy or for an arrangement shall be instituted by or against it, or if Lessee shall make any assignment for the benefit of creditors, or if a receiver or trustee be appointed for it, then Lessor at its option may at any time thereafter and without further notice, avail itself of the remedies identified in the "Default" section above.

20. Covenant of Quiet Enjoyment. Lessor warrants that Lessor is the sole owner of the leased premises, that it has full authority to execute this Lease and that Lessee, upon paying the rent and performing the covenants of this Lease, shall and may quietly have, hold and enjoy the leased premises during the Term.

21. Surrender of the Premises. Upon termination of this Lease, the Lessee shall surrender and yield the leased premises in a proper state of repair (to the extent repairs are required in this Lease by Lessee) and in a clean and orderly condition, damage by casualty insured against, excepted. In the event of any holding over Lessee shall be liable to Lessor for liquidated damages in the amount of one-thirtieth (1/30) of the monthly rental and all other amounts herein called for, for each day of said holding over, provided, however, that if Lessor is

unable to deliver possession of the Premises to a new tenant, or to perform improvements for a new tenant, as a result of Lessee's holdover and Lessee fails to vacate the leased premises within 10 days after Lessor notifies Lessee of Lessor's inability to deliver possession, or perform improvements, Lessee shall be liable to Lessor for all damages, including, without limitation, consequential damages, that Lessor suffers from the holdover. Any such holding over shall be construed as a tenancy from day to day, and not for any longer period.

22. Waiver. No waiver of any right, term or condition of this Lease by either party shall be deemed to imply or constitute a further waiver of any other right, term or condition of this Lease, nor shall the same imply or constitute a subsequent waiver of the same right, term or condition.

23. Notices. All notices under this Lease will be in writing and will be given: (a) by hand, with written acknowledgement of receipt, (b) by Federal Express, Express Mail or other nationally recognized overnight delivery service which provides verification of delivery, charges prepaid, or (c) by United States certified mail, postage prepaid, return receipt requested, in each case addressed to Lessor or Lessee, as follows:

GOVERNANCE STRUCTURE

The People of Michigan through their Constitution have provided that schools and the means of education shall forever be encouraged and have authorized the Legislature to maintain and support a system of free public elementary and secondary schools. All public schools are subject to the leadership and general supervision of the State Board of Education and the Legislature has authorized an alternative form of public school designated a "public school academy" to be created to serve the educational needs of pupils and has provided that pupils attending these schools shall be eligible for support from the State School Aid Fund. The Legislature has delegated to the governing boards of state public universities, community college boards, intermediate school district boards and local school district boards, the responsibility for authorizing the establishment of public school academies. The University Board has approved the issuance of a contract conferring certain rights, franchises, privileges, and obligations of a public school academy to the Academy Board.

The Academy is incorporated as a Michigan nonprofit corporation, organized on a non-stock, directorship basis for the purpose of operating as a Michigan public school academy. The Academy shall conduct its affairs as a governmental entity exempt from federal income taxes under Section 115 of the United States Internal Revenue Code or any successor law. The Academy is a body corporate and is not a division or part of Central Michigan University. The Academy Board shall have at least five (5), but no more than nine (9) members, as determined by the University Board. Academy Board members shall be appointed according to the terms of the Method of Selection, Appointment and Removal Resolution adopted by the University Board. The Academy Board has all the powers and duties permitted by law to manage the business, property and affairs of the Academy and for adopting policies by which the Academy shall be governed. The Academy Board shall ensure compliance with Applicable Law relating to conflicts of interest and prohibited familial relationships, including Article IV, Sections 4.4 and 4.5 of the Terms and Conditions of this Contract.

Pursuant to applicable law and the Terms and Conditions of this Contract, including Article III, Section 3.6, the Academy Board may employ or contract for personnel according to the position information outlined in Schedule 5. Before entering into an agreement with an Educational Service Provider or an employee leasing company to provide services or to provide personnel to perform services or work at the Academy, the Academy Board must first comply with the Educational Service Provider Policies issued by the Center.

SECTION B

EDUCATIONAL GOAL AND RELATED MEASURES

EDUCATIONAL GOAL AND RELATED MEASURES

Pursuant to Applicable Law and the Terms and Conditions of this Contract, including Article VI, Section 6.2, the Academy shall achieve or demonstrate measurable progress for all groups of pupils toward the achievement of the educational goal identified in this schedule. Although an increase in academic achievement for all groups of pupils as measured by assessments and other objective criteria is the most important factor in determining the Academy's progress toward the achievement of the educational goal, the Center also considers other factors. Upon request, the Academy shall provide the Center with a written report, along with supporting data, assessing the Academy's progress toward achieving this goal. In addition, the University expects the Academy will meet the State of Michigan's accreditation standards pursuant to state and federal law.

Educational Goal to be Achieved

Prepare students academically for success in college, work and life.

Measures to Assist In Determining Measurable Progress Toward Goal Achievement

To assist in determining whether the Academy is achieving measurable progress toward the achievement of this goal, the Center will annually assess the Academy's performance using the following measures.

Measure 1: Post-Secondary Readiness: Grades 9-11

The 'on-track' towards college readiness rates of all students in grades 9-11 will be assessed using the following measures and targets.

Sub Indicator	Measure	Metric	Target
Against a Standard:	The percentage of students meeting or surpassing grade-level college readiness benchmarks on the PSAT (grades 9 and 10) and SAT (grade 11) in Evidence-Based Reading and Writing (EBRW) and Math.	For EBRW, distribution (which will be in the form of percentages): Exceeds $\geq 70.0\%$ Meets $\geq 60.0\%$ Approaching $\geq 50.0\%$ Does not meet $< 50.0\%$ For Math, distribution (which will be in the form of percentages): Exceeds $\geq 50.0\%$ Meets $\geq 40.0\%$ Approaching $\geq 30.0\%$ Does not meet $< 30.0\%$	PSAT 9 EBRW: 60% Math: 40%
			PSAT 10 EBRW: 60% Math: 40%
			SAT 11 EBRW: 60% Math: 40%
In the event that performance against the standard falls below these required expectations, “measurable progress towards the achievement of this goal” will be defined using the following measures and targets:			
Over Time:	The percentage of students meeting or surpassing grade-level college readiness benchmarks on the PSAT (grades 9 and 10) and SAT (grade 11) over time (CY-AVG(PY1+PY2+PY3)).	Trend score (which will be in the form of $-x$ to $+x$): Exceeds $\geq 6.0\%$ Meets $\geq 3.0\%$ Approaching $\geq 1.0\%$ Does not meet $< 1.0\%$	3.0%
Comparison Measure:	The percentage of students meeting or surpassing grade-level college readiness benchmarks on the SAT (grade 11) will surpass the school’s Composite Resident District percentage.	Portfolio Distribution (which will be in the form of $-x$ to $+x$): Exceeds $\geq 10.0\%$ Meets $\geq 5.0\%$ Approaching $\geq 0.0\%$ Does not meet $< 0.0\%$	5.0%

Grade	College Readiness Benchmarks		
	TEST	EBRW	MATH
9	PSAT	410	450
10	PSAT	430	480
11	SAT	460	510

SECTION C

EDUCATIONAL PROGRAMS

EDUCATIONAL PROGRAMS

Pursuant to Applicable Law and the Terms and Conditions of this Contract, including Article VI, Section 6.3, the Academy shall implement, deliver and support the educational programs identified in this schedule.

The Bridge Academy of Southwest Michigan's ("Academy") mission is to provide students an environment for new beginnings and positive educational experiences focused on career exploration and preparation. The Academy's vision is that all students have a clear path for job readiness and life stability. The Academy welcomes every student into a place where meaningful learning begins with understanding the student as a "whole." Our core values of *integrity*, *opportunity* and *purpose* lay a clear foundation for students to own their future.

Our model is focused on meeting individual needs with a structure that allows for the following:

- A comfortable, flexible and no-nonsense approach to high school.
- Meeting student needs for delivery of an organized, efficient, safe and meaningful educational option for high school completion and career exploration.

Bridge Academy can be many things to many students without sacrificing quality in the fulfillment of the Michigan Merit Curriculum ("MMC") and post-secondary options. At the Academy, there is a less-restrictive environment which allows for students to flourish academically and be inspired by career exploration leading to sustainable employment after graduation. Upon enrollment, each student meets with a member of the Academy team to discuss his/her academic history, to map credits and courses for graduation, and to develop an individual schedule encompassing onsite and online learning. Each new student also completes a barrier survey to identify what, if any, barriers could impede success. The student is introduced to the Academy's philosophy and asked to commit to the core values of integrity, opportunity and purpose. Students are provided with a program description that includes expectations for work in and out of school, requirements for satisfactory completion of credits, as well as the process of earning competencies leading to work experiences and graduation requirements. At the conclusion of the enrollment process, students are equipped with a Student Success Plan ("SSP") that includes pathways to vocation, employment and/or postsecondary education.

Program Delivery

Virtual Learning Platform

Edgenuity® Courseware offers standards-aligned, competency- based online courses for grades 6-12. Courses are customizable with a suite of traditional online credit courses as well as credit-recovery courses aligned to MMC. Each course is equipped with interactive lectures, projects and labs to increase students' understanding. Edgenuity's communication portal provides students and staff with a secure and reliable platform, enabling them to easily remain connected regarding academic pace and progress, gaining assistance and accessing final exams.

Flexible Work Options

The Academy understands that students and families desire a non-traditional approach towards a high-quality education. As the landscape of remote work and online curriculum become more appealing and common in society, the Academy provides an accessible and sustainable option for students and families. Traditional K-12 scheduling allows for minimal flexibility for life, work and family dynamics and leaves many students disengaged and feeling lost. The Academy provides a quality virtual learning platform, while also creating a warm, welcoming onsite center for student use. There is no substitute for human interaction, and the Academy's dedicated and talented staff of teachers and success coaches invite students to access the onsite facility to engage and continue to learn and grow. Some students may benefit from remote work options and choose to complete their diploma entirely online while checking in with staff via the learning platform; other students may seek social interaction, staff support and the guidance of a teacher in real time where physical attendance onsite is the best option.

One-on-One Academic Support

Personal attention and relationships are critical to successfully serving the Academy's high needs population. Students receive one-on-one instructional support from staff based on progress monitoring from the teaching staff. Edgenuity MyPath™ data identifies students' learning gaps and informs staff of the need for differentiated instruction. Students struggling with remote learning receive onsite individualized instruction in a comfortable, safe environment. This plays a significant role in the individualized and nuanced needs of the student population.

Instructional Communication and Support

Staff use Pulse, which is directly linked to Edgenuity, for constant and real-time view of students' progress within the individualized plan of action. Staff can view students' goals as well as daily, weekly and quarterly progress within a specific course, while also tracking their transcript and remaining courses required for graduation. The Academy culture ensures students see, hear and feel encouragement as they work toward their goals. In-person communication and tools such as Pulse help staff to constantly engage with students in a meaningful way, sending the message that staff are here to foster and promote educational and personal growth for each student. Contact between staff and student occurs once per week, at a minimum, and is tracked within Pulse for fall and spring pupil counts.

Course Work Plan

Staff members audit incoming student transcripts to verify earned credits that meet the MMC graduation requirements. The Academy develops a Coursework Plan of Action through the identification of Edgenuity courses that align to College and Career Readiness ("CCR") standards and address learning gaps. Students' plans, established in the Edgenuity platform, allow continued work on one course at a time, focusing on a specific subject. The expectation is for students to complete one course every three weeks. Staff determine activity milestones (minimum of 60 activities over the course of one week) that ensure students are on track to complete a course within a three-week period. This pace, when consistently maintained, enables students to earn six credits per school year. The Academy implements an academic intervention procedure if a student falls behind in coursework. To encourage successful student outcomes, the Academy uses a Positive Behavior Intervention System ("PBIS") in which students earn tickets for positive behaviors,

including assignment and course completion. PBIS tickets can be used as currency in the school store as a tangible achievement for positive choices.

Evidence-Based Instruction

Virtual learning and facilitating of online learning are based on relationship development and leading students towards both internal and external motivations and goal setting¹. Courses align to state standards and are selected based upon individual needs towards meeting MMC requirements. In support of student success, the Academy utilizes evidence-based strategies such as clear expectations, manageable instructional segments, scaffolded practice, frequent assessment, deeper thinking, engagement with content, and hypothesis generation and testing.²

Instructional Staff

Certified teachers are responsible for implementing curriculum, developing assessments, compliance of reporting, and monitoring student progress based on State and school board requirements.

Non-Instructional Staff

Staff support the Academy's pursuit of its mission, vision, and educational goals.

- *Vocational Success Manager*: responsible for vocational curriculum design; delivery of job-readiness and vocational trainings; employer engagement to create real-world job shadows, experiences, and job placements.
- *Success Coach*: responsible for case management; barrier removal; job readiness; vocational training, emotional support.

Academic Expectations and Student Pace

Staff communicate clear, high expectations for learning³. Students are expected to successfully complete one course every three weeks to maximize their capacity to earn six credits per school year. Interventions and support are provided to students struggling to complete courses on time. SSPs and weekly staff support meetings preserve a focus on career preparation goals that are closely intertwined within academic output and success.

Career Preparation

Job Readiness and Vocational Curriculum

The Academy's vocational curriculum is 1) developed and based on the students' need for basic educational curriculum; 2) aligned with work-readiness standards utilizing Jobs for Michigan's Graduates competency model; 3) aligned to social emotional learning; and 4) connected to work experiences through collaboration with staff at Berrien-Cass-Van Buren Michigan Works! who engage with hundreds of employers in the tri-county area.

Staff use the Jobs for Michigan's Graduate model that focuses on career preparation and thirty-five competencies. Areas of focus include competency attainment in 1) leadership and self-development; 2) workplace; 3) economic empowerment; and 4) job survival. Career preparation goals are also monitored using the SSP developed upon enrollment for each individual student.

Vocational Program

The primary goal of the vocational success program is to increase students' vocational, employment seeking and employment retention skills, while helping students recognize the relationship between character, citizenship, education and success.

Students participate in a diverse array of evidence-based activities that evoke higher thinking skills, provide engaging enrichment opportunities which foster personal growth and build character, responsibility, interpersonal skills, communication skills, interview and resume building skills, basic employment etiquette, and begin students on a clear path toward career goals. These activities are designed to support and complement the individual needs of participating students.

The Academy's skilled staff and community partners provide the components of the vocational program. The Academy schedules regular workshops and speakers which include employees from throughout the Kinexus organization. Participation in career fairs and off-site trips to businesses and educational facilities will also be a regular part of our vocational curriculum. As a participant in the program, students are eligible for mentoring, internships, and job placement opportunities.

Student Support

Academic Intervention and Probation

Academic Intervention and Probation at the Academy is a period in which a student is given time to redeem failing grades due to lack of completion of required academic activities. The student will be monitored closely by Academy academic and student success teams for changes in activity completion rates. Academic probation occurs when a student's academic performance is unsatisfactory and the student has not completed 60 activities in any calendar week. A variety of factors can be at play when a student displays difficulty engaging in academic courses. This system of routine allows for a student to express what distractions may be making coursework difficult to complete to a trusted teacher and/or success coach. Staff then work with the student and the family to identify wraparound services that allow the student to be inspired by support, as opposed to defeated by the daunting task of catch-up.

Instructional Resources

While the Edgenuity platform supports robust course offerings, the Academy also offers additional or supplemental instructional resources to reinforce academic concepts. These supports are used onsite in a small group or one-on-one setting with a subject matter teacher. The Academy uses a variety of instructional resources to support instruction such as:

- Edgenuity, an online curriculum platform
- Lesson plans
- Guided Notes
- Khan Academy

- Google Classroom
- YouTube
- Textbooks
- Graphic organizers
- ONET – My Next Move
- CareerOneStop
- Career navigation services through Workforce Strategies at the Aspen Institute
- Journals
- Instructional coaching through Berrien RESA
- Technology
- Facilities

Curriculum Development

The Academy utilizes online curriculum through Edgenuity, which allows for flexibility while preserving rigor to ensure implementation of state standards. Edgenuity courses include systematic and explicit instruction in each course. This curriculum is developed based on Michigan Academic Standards (“MAS”) and fits within MMC to ensure students are prepared for career and post-secondary opportunities. Curriculum is selected based on accessibility and equity for all learners—especially those who may be under-credit and over-aged.

Humanistic Approach

Staff seek to understand the background of every student. They get to know each student and communicate regularly, motivating students to continue pursuit of established educational goals.⁴ Open communication with teachers and meetings with the Student Success Team keep students engaged in furthering their education. Contact between staff and student occurs once per week, at a minimum, and is tracked within Pulse for fall and spring pupil counts. Student check-ins happen regardless of a student’s choice to work remotely or onsite, as staff are available for weekly onsite appointments or virtual meetings/phone calls as needed. The Academy employs restorative practices to empower youth who have experienced trauma as it relates to poverty and other Adverse Childhood Experiences (“ACEs”) which have a direct effect on a student’s ability to be successful at school or work. Social-emotional training is embedded into the Academy’s vocational training curriculum to help highly barriered students develop behavioral and cognitive tools to process stress and increase success indicators in adulthood.⁵

The Academy has experience serving students with educational and socio-economic trauma and identified as highly barriered, which puts these students at a significant disadvantage for academic and vocational success. Throughout our existence, a hallmark of the Academy program is the respect for each student and the development of strong and caring adult relationships. The Academy approaches each student with an adult demeanor that replicates the experience in a place of employment. Discipline is treated much like an employer-employee relationship with the understanding the teaching of both hard and soft skills that expect students to learn proper workplace behavior is incorporated. Academy culture encourages students to learn from mistakes.

Methods used to serve the students' needs include:

- Providing equitable access to technology
- Addressing student's basic needs
- Serving free, daily breakfast and lunch to students who are on-site; at-home students may request food assistance or weekly food deliveries or referrals to local food banks
- Providing weekend food bags for students who experience food insecurity at home
- Establishing community partnerships and resources
- Supporting, encouraging, and assisting students through the use of Pulse

The School Leader is responsible for the execution and oversight of educational services. This administrator monitors services to ensure access to and participation in the Academy is not limited due to gender, race, national origin, color, disability or age. Staff monitor equal access as they review components including, but not limited to, programs, services, transportation, equipment and technology. Staff receive training on equal access and equal opportunity policies. Kinexus Group, a community workforce partner, has a process that oversees equal opportunity and includes a grievance and complaint procedure for staff, families and individuals. The Academy certifies research-based approaches to ensure the provision of high-quality services to all student populations include the following:

Special Education

Staff adheres to State and Federal guidelines regarding Special Education and Individuals with Disabilities Education Improvement Act ("IDEIA"). Incoming students with Individualized Education Plans ("IEP") are evaluated and offered a Free Appropriate Public Education ("FAPE"). When appropriate, the Academy offers personalized curricula in accordance with the Michigan Department of Education guidelines and upon written consent of the parent/guardian.

English Language ("EL") Services

For cost effectiveness, the Academy will continue to participate in the Berrien Springs Public Schools Consortium for testing and delivery of services for students who qualify for EL services. This practice is consistent among schools across Berrien County who serve a low number of limited English proficient students.

Parent Participation

For students under 18 years of age, parents must attend the initial enrollment interview and sign a contract agreeing to be part of the Academy's educational process. The Academy conducts regular communication with parents through phone, email and social media. For students 18 years of age or older, staff work with connected adults who are significant in the student's life to provide a network of support as the student progresses in the educational journey. For students who are homeless or emancipated, staff identify individuals who have significant connections to help with support.

Community Involvement

Methods to ensure community immersion that support the Academy's efforts may include:

- Expanding existing initiatives in partnership with Spectrum Lakeland Health, the county's

healthcare organization and leading employer, on learning opportunities such as photovoice projects and Black Lives Matter to Us initiative;

- Continuing mock interviewing in collaboration with Whirlpool Corporation, headquartered in Benton Harbor;
- Partnering with the Boys & Girls Club of Benton Harbor on volunteering opportunities and program participation;
- Educating teachers on the importance of community involvement efforts;
- Offering financial literacy training in collaboration with credit unions and/or banks;
- Connecting with employers through the Michigan Works! Service Center;
- Inviting local foundation representatives to tour the facility and gain knowledge on the Academy's educational offerings;
- Continuing its partnership with the Educational Opportunity Center on Free Application for Student Aid ("FAFSA") completion and college application assistance;
- Encouraging students to attend job fairs hosted by Michigan Works!; and
- Utilizing social media to promote student voices and successes.

Progress Monitoring

The SSP is a guiding document that allows for short and long-term goal setting for each student. The SSP aligns academic, behavioral and overall career preparation goals and includes achievable steps toward meeting those goals. The Student Success Team meets with each student to develop and adjust his/her SSP on a weekly basis. Through strong interpersonal relationships, staff use the SSP to guide conversations about what the student is facing. During these conversations, staff track and discuss goals, barriers, employment and Jobs for America's Graduates/Jobs for Michigan's Graduates ("JAG/JMG") competency mastery with action steps given to work toward until the next SSP meeting. The establishment of short and long-term career preparation goals keep students focused and on track. Additional tools such as Northwest Evaluation Association™ ("NWEA™"), Bridge Academy Barriers Survey and O*NET results factor into the creation and direction of the SSP for each student. The blended and competency-based instructional approach is responsive to the needs of all students. The combination of virtual learning and one-on-one instructional support allows the teacher to focus on differentiated instruction for students with disabilities and English learners as well as high-performing and/or gifted students.

A core program element, Edgenuity MyPath, provides data-driven, personalized intervention so students can catch up, keep up or get ahead. Instructors have the flexibility to provide academic enrichment activities when appropriate. Edgenuity serves EL students with vocabulary exposure, explicit instruction, strong emphasis on activating background knowledge, modeling metacognition and instruction of close reading strategies to engage learning for all students. Students with disabilities are exposed to explicit instruction, appropriate feedback, tools to support learning and capitalization on technology resources to support growth using the Edgenuity platform.⁶

The virtual platform provides high-functioning students with the opportunity to work at their own pace. Students have continual access to digital learning resources and standards-based content such as online tutoring and guided courses, information management and two-way communication

⁶ <https://www.edgenuity.com/wp-content/uploads/2017/01/Edgenuity-English-Language-Learner-Issue-Brief-1.pdf>

tools. The Academy utilizes learning resources with adaptive content, interactive technologies, and blended learning methods including teacher instruction to meet the diverse learning needs of all students.

Detailed assignment records are kept for each student, enabling staff to continually monitor progress. Teachers and success coaches use Pulse software to track course completion, earned credits and needed credits and share results via Salesforce, a tracking software used internally across teams. As required, students check-in with the Student Success Team weekly to discuss progress within the SSP. These meetings involve discussion on topics such as emotional well-being, academic pace, vocational class engagement, attendance, behavior, habits and overall program experience. At the conclusion of the program, students have accomplished one or more of the following: 1) attainment of a high school diploma; 2) job placement; 3) work experience; and 4) post-secondary placement (internship or apprenticeship).

Instructional Schedule

The Academy's school day (Monday through Friday for all grade levels) encompasses time for academics and vocational training. Given the virtual platform, the Academy schedules daily times for students to work online, with instructors available to help students and monitor progress. The Academy places academics in the context of job preparation and employability skills which establishes meaning and context to the student's work. In addition to coursework, a portion of each day is set aside for employability skills training utilizing JAG/JMG curriculum. Students also have access to specific job certification courses and work experience opportunities. The Student Success Team works with students to address obstacles that effect their ability to get and keep a job.

Vocational training offerings may include: OSHA-10 certification, Pre-Apprentice Construction Training certification ("PACT"), CPR certification, National Retail Federation ("NRF") Certification, ServSafe Certification, and Certified Nursing Assistant certification. These offerings vary depending on students' interests.

The Academy offers work experience opportunities to students throughout the year in public, non-profit and private for-profit sectors with a focus on in-demand industries. These work experiences provide students with career exploration and skill development and may include: 1) summer employment; 2) pre-apprenticeship programs; 3) internships and job shadowing; and 4) on-the-job-training.

Proposed School Calendar

The Academy's school calendar follows the Berrien RESA county-wide school calendar which includes typical holidays e.g., a winter and spring break.

Special Education

The Academy contracts with a Special Education Service Provider to ensure compliance with all laws regarding students who need special education services.

When making educational placement decisions for students with disabilities, the Academy will ensure that parents are contributing members of the IEP team and together the team will make decisions that are subject to requirements regarding provision of the least-restrictive environment.

When determining how services will be delivered to students with disabilities, the Academy will follow all Special Education Rules as issued by the Michigan Department of Education. If a child with a current IEP enrolls in the Academy, the Academy will implement the existing IEP to the extent possible or will provide an interim IEP agreed to by parents until a new IEP can be developed. IEPs will be developed, revised and implemented in accordance with the IDEIA and state law and regulations.

The Academy will fully comply with federal laws and regulations governing students with disabilities as follows:

1. The Academy is responsible for providing a free, appropriate public education to students with disabilities enrolled in the Academy that have been determined through an IEP to require Special Education programs and services.
2. The Academy will ensure that students who are suspected of having disabilities are properly evaluated by a multidisciplinary team, as defined in the Michigan Special Education Rules, and that students who have already been identified are re-evaluated by the multidisciplinary team at least every three years.
3. When a multidisciplinary team determines that a special education student requires Special Education programs and services, the Academy will ensure that the IEP is fully implemented in accordance with IDEIA and reviewed on an annual basis or more frequently as determined by the IEP team.

Assessment

The assessments administered at the Academy comprise the required assessments as well as Academy created or chosen assessments. The Academy employs the NWEA Suite for student assessment. The Academy administers MAP Growth™, an online, adaptive assessment, to measure students' knowledge and enable differentiated learning to meet instructional goals aligned with MAS. Rationale for selecting NWEA primarily included: 1) content aligns to MAS; 2) teachers can use the learning continuum to create personalized learning paths aligned with state standards; 3) it is an adaptive assessment that measures growth across grade levels; and 4) it is used by 60% of school districts across the state.

The Academy recognizes the impact of “over testing” students as research indicates standardized tests can have negative effects on learning, especially for low-income and minority students.⁷

Staff will use assessment data to enhance student achievement in four primary areas.

1. *Career Pathways*: O*NET's My Next Move assessment gives students interest and aptitude profilers that provide options for career exploration. This data is used within the SSPs to ensure students' goals are aligned within their ultimate career pathway.
2. *Guide Instructional Practices*: Assessment data will be used to determine an academic placement and programming for students and to measure growth.

⁷ <https://secure.ncte.org/library/NCTEFiles/Resources/Journals/CC/0242-nov2014/CC0242PolicyStandardized.pdf>

3. *Inform Students and Parents on Educational Level:* The measurement tool will allow the instructional team to identify growth and regression throughout the year.
4. *Identify Training and Professional Development Needs for Staff:* Assessment data is a tool used by teachers and the Academic Services Manager to ensure quality instruction is directly aligned to MMC and MAS for the enrichment and success of Academy students.

Graduation Requirements

The Academy graduation requirements comply with MMC. In addition, the Academy focuses on employability skills and vocational training beyond the 18-credit requirement. Job readiness and vocational trainings are optional, but integral and crucial to the future success of all graduates. While the Academy maintains the importance of accessible graduation requirements, the program has the potential to create for-credit courses to align within MMC (e.g. JAG/ JMG course that could fulfill MMC requirements as English language arts credit). Staff can pursue obtaining approval for students to receive credit for work-based experiences. The Academy aspires to build in optional career preparation credits so students may graduate with an enhanced diploma that encompasses Career Technical Education.

Evaluation

The Academy uses both quantitative and qualitative methods to evaluate the effectiveness of the education delivered to our community. The team analyzes data on student enrollment, demographics, assessment, retention, graduation, employability (JAG/JMG) competencies, vocational certification and postsecondary enrollment to determine areas of success as well as identify areas for improvement. In addition, throughout the year staff will collect and review feedback on supportive services to ensure focus on addressing barrier removal and identified areas for service modifications. Additional resources for continued improvement and community perception will come from students, parents, staff and stakeholder surveys based on framework of What Effective Schools Do⁸:

The Academy shall authorize the Center to have access to the Academy's Student/School Data Applications through the Center for Educational Performance and Information and to the electronic reporting system administered by the Michigan Department of Education to access the Academy's state assessment results, as applicable. The Academy shall ensure that those involved with the administration of these assessments are properly trained and adhere to the ethical standards and testing procedures associated with these assessments.

Academic Assessments to Be Administered:

Assessments as identified in Schedule 7b of this Contract and all state-mandated assessments.

SECTION F

APPLICATION AND ENROLLMENT OF STUDENTS

APPLICATION AND ENROLLMENT OF STUDENTS

Pursuant to Applicable Law and the Terms and Conditions of this Contract, including Article VI, Sections 6.6 and 6.16, the Academy shall comply with the application and enrollment requirements identified in this Schedule.

Enrollment Limits

The Academy will offer ninth through twelfth grade. The maximum building capacity for the space leased by the Academy is 91 students. The Academy's program is delivered utilizing a schedule tailored to each student. This allows for a maximum enrollment of 200 students with not more than 91 students attending at one time. The Academy Board will annually adopt maximum enrollment figures prior to its application and enrollment period.

Requirements

Section 504 of the Code provides that public school academies shall not charge tuition and shall not discriminate in its pupil admissions policies or practices on the basis of intellectual or athletic ability, measures of achievement or aptitude, status as a student with a disability, or any other basis that would be illegal if used by a Michigan school district. However, a public school academy may limit admission to pupils who are within a particular range of age or grade level or on any other basis that would be legal if used by a Michigan school district and may give enrollment priority as provided below.

The Academy may give enrollment priority to one (1) or more of the following:

- A pupil who transfers to the Academy from another public school pursuant to a matriculation agreement between the Academy and other public school that provides for this enrollment priority, if all of the following requirements are met:
 1. Each public school that enters into the matriculation agreement remains a separate and independent public school.
 2. The Academy shall select at least 5% of its pupils for enrollment using a random selection process.
 3. The matriculation agreement allows any pupil who was enrolled at any time during elementary school in a public school that is party to the matriculation agreement and who was not expelled from the public school to enroll in the public school academy giving enrollment priority under the matriculation agreement.

- A child, including an adopted child or legal ward, of a person who is employed by or at the Academy or who is on the Academy Board.

- The Academy shall accept applications all year. If openings occur during the academic year, students shall be enrolled. If openings do not exist, applicants shall be placed on the official waiting list. The waiting list shall cease to exist at the beginning of the Academy's next open enrollment period.
- In the event there are openings in the class for which students have applied, students shall be admitted according to the official waiting list. The position on the waiting list shall be determined by the random selection drawing. If there is no waiting list, students shall be admitted on a first-come, first-served basis.
- The Academy may neither close the application period nor hold a random selection drawing for unauthorized grades prior to receipt of written approval from the Center.

Legal Notice or Advertisement

- The Academy shall provide legal notice or advertisement of the application and enrollment process in a local newspaper of general circulation. A copy of the legal notice or advertisement shall be forwarded to the Center.
- At a minimum, the legal notice or advertisement must include:

 2. The beginning date and the ending date of the application period.
 3. The date, time, and place the random selection drawing(s) will be held, if needed.
- The legal notice or advertisement of the application period shall be designed to inform individuals that are most likely to be interested in attending the Academy.

Re-enrolling Students

- The Academy shall notify parents or guardians of all enrolled students of the deadline for notifying the Academy that they wish to re-enroll their child.
- If the Academy Board has a sibling preference policy, the re-enrollment notice must also request that the parent or guardian indicate whether a sibling(s) seeks to enroll for the upcoming academic year.
- An enrolled student who does not re-enroll by the specified date can only apply to the Academy during the application period for new students.
- An applicant on the waiting list at the time a new application period begins must reapply as a new student.
- After collecting the parent or guardian responses, the Academy must determine the following:
 1. The number of students who have re-enrolled per grade or grouping level.
 2. The number of siblings seeking admission for the upcoming academic year per grade.
 3. If space is unavailable, the Academy must develop a waiting list for siblings of re-enrolled students.
 4. The number of spaces remaining, per grade, after enrollment of current students and siblings.

Random Selection Drawing

- Establish written procedures for conducting a random selection drawing.
- Establish the maximum number of spaces available per grade or age grouping level.
- Establish the date, time, place and person to conduct the random selection drawing.
- Notify the Center of both the application period and the date of the random selection drawing, if needed. The Center may have a representative on-site to monitor the random selection drawing process.

The Academy shall use a credible, impartial individual who is not employed by, under contract with, a member of the Board of, or otherwise affiliated with the Academy to conduct the random selection drawing. Further, the Academy shall:

- Conduct the random selection drawing in a manner that is open to parents, community members and members of the public who want to observe the process.
- Use numbers, letters, or another system that guarantees fairness and does not give an advantage to any applicant.

The Academy shall notify applicants not chosen in the random selection drawing that they were not selected and that their name has been placed on the Academy's official waiting list for openings that may occur during the academic year. EDUCATIONAL GOAL AND RELATED MEASURES

Pursuant to Applicable Law and the Terms and Conditions of this Contract, including Article VI, Section 6.2, the Academy shall achieve or demonstrate measurable progress for all groups of pupils toward the achievement of the educational goal identified in this schedule. Although an increase in academic achievement for all groups of pupils as measured by assessments and other objective criteria is the most important factor in determining the Academy's progress toward the achievement of the educational goal, the Center also considers other factors. Upon request, the Academy shall provide the Center with a written report, along with supporting data, assessing the Academy's progress toward achieving this goal. In addition, the University expects the Academy will meet the State of Michigan's accreditation standards pursuant to state and federal law.

Educational Goal to be Achieved

Prepare students academically for success in college, work and life.

Measures to Assist In Determining Measurable Progress Toward Goal Achievement

To assist in determining whether the Academy is achieving measurable progress toward the achievement of this goal, the Center will annually assess the Academy's performance using the following measures.

Measure 1: Post-Secondary Readiness: Grades 9-11

The 'on-track' towards college readiness rates of all students in grades 9-11 will be assessed using the following measures and targets.

Sub Indicator	Measure	Metric	Target
Against a Standard:	The percentage of students meeting or surpassing the current grade-level college readiness benchmarks on the PSAT (grades 9 and 10) and SAT (grade 11) in Evidence-Based Reading and Writing (EBRW) and Math.	For EBRW, distribution (which will be in the form of percentages): Exceeds $\geq 70.0\%$ Meets $\geq 60.0\%$ Approaching $\geq 50.0\%$ Does not meet $< 50.0\%$ For Math, distribution (which will be in the form of percentages): Exceeds $\geq 50.0\%$ Meets $\geq 40.0\%$ Approaching $\geq 30.0\%$ Does not meet $< 30.0\%$	PSAT 9 EBRW: 60% Math: 40%
			PSAT 10 EBRW: 60% Math: 40%
			SAT 11 EBRW: 60% Math: 40%
In the event that performance against the standard falls below these required expectations, “measurable progress towards the achievement of this goal” will be defined using the following measures and targets:			
Over Time:	The percentage of students meeting or surpassing the current grade-level college readiness benchmarks on the PSAT (grades 9 and 10) and SAT (grade 11) over time (CY-AVG(PY1+PY2+PY3)).	Trend score (which will be in the form of $-x$ to $+x$): Exceeds $\geq 6.0\%$ Meets $\geq 3.0\%$ Approaching $\geq 1.0\%$ Does not meet $< 1.0\%$	3.0%
Comparison Measure:	The percentage of students meeting or surpassing the current grade-level college readiness benchmarks on the SAT (grade 11) will surpass the school’s Composite Resident District percentage.	Portfolio Distribution (which will be in the form of $-x$ to $+x$): Exceeds $\geq 10.0\%$ Meets $\geq 5.0\%$ Approaching $\geq 0.0\%$ Does not meet $< 0.0\%$	5.0%

Measure 2: Course Completion

The “Course Completion” of all students at Bridge Academy of Southwest Michigan will be assessed using the following metrics and targets.

Measure	Metric	Target
The average number of courses completed during the school year by students at Bridge Academy of Southwest Michigan	<p>The average number of courses completed will be calculated in the following manner:</p> <ol style="list-style-type: none">1. Determine whether each student, in each course successfully completed the course (Progress \geq Target Completion).2. Count the number of completed courses for each student.3. Divide the number of courses completed by the total number of students <p>*During the 2021-2022 school year students completed an average of 2 courses.</p>	The Academy shall increase the average number of courses completed by students in each school year.

Notes:

Each summer, Bridge Academy of Southwest Michigan will provide Central Michigan University (CMU) with an official roster of students that includes student and course information such that CMU can calculate the average number of courses completed by students at the Academy. At the Academy’s request, CMU will provide guidance on the required data submission.

Data Submission Deadline: June 30, 2023 – CMU will provide a secure link to upload the data to the CMU intranet.

EDUCATIONAL PROGRAMS

Pursuant to Applicable Law and the Terms and Conditions of this Contract, including Article VI, Section 6.3, the Academy shall implement, deliver and support the educational programs identified in this schedule.

The Bridge Academy of Southwest Michigan's ("Academy") mission is to provide students an environment for new beginnings and positive educational experiences focused on career exploration and preparation. The Academy's vision is that all students have a clear path for job readiness and life stability. The Academy welcomes every student into a place where meaningful learning begins with understanding the student as a "whole." Our core values of *integrity*, *opportunity* and *purpose* lay a clear foundation for students to own their future.

Our model is focused on meeting individual needs with a structure that allows for the following:

- A comfortable, flexible and no-nonsense approach to high school.
- Meeting student needs for delivery of an organized, efficient, safe and meaningful educational option for high school completion and career exploration.

Bridge Academy can be many things to many students without sacrificing quality in the fulfillment of the Michigan Merit Curriculum ("MMC") and post-secondary options. At the Academy, there is a less-restrictive environment which allows for students to flourish academically and be inspired by career exploration leading to sustainable employment after graduation. Upon enrollment, each student meets with a member of the Academy team to discuss his/her academic history, to map credits and courses for graduation, and to develop an individual schedule encompassing onsite and online learning. Each new student also completes a barrier survey to identify what, if any, barriers could impede success. The student is introduced to the Academy's philosophy and asked to commit to the core values of integrity, opportunity and purpose. Students are provided with a program description that includes expectations for work in and out of school, requirements for satisfactory completion of credits, as well as the process of earning competencies leading to work experiences and graduation requirements. At the conclusion of the enrollment process, students are equipped with a Student Success Plan ("SSP") that includes pathways to vocation, employment and/or postsecondary education.

Program Delivery

Virtual Learning Platform

Edgenuity® Courseware offers standards-aligned, competency- based online courses for grades 6-12. Courses are customizable with a suite of traditional online credit courses as well as credit-recovery courses aligned to MMC. Each course is equipped with interactive lectures, projects and labs to increase students' understanding. Edgenuity's communication portal provides students and staff with a secure and reliable platform, enabling them to easily remain connected regarding academic pace and progress, gaining assistance and accessing final exams.

Flexible Work Options

The Academy understands that students and families desire a non-traditional approach towards a high-quality education. As the landscape of remote work and online curriculum become more

appealing and common in society, the Academy provides an accessible and sustainable option for students and families. Traditional K-12 scheduling allows for minimal flexibility for life, work and family dynamics and leaves many students disengaged and feeling lost. The Academy provides a quality virtual learning platform, while also creating a warm, welcoming onsite center for student use. There is no substitute for human interaction, and the Academy's dedicated and talented staff of teachers and success coaches invite students to access the onsite facility to engage and continue to learn and grow. Some students may benefit from remote work options and choose to complete their diploma entirely online while checking in with staff via the learning platform; other students may seek social interaction, staff support and the guidance of a teacher in real time where physical attendance onsite is the best option.

One-on-One Academic Support

Personal attention and relationships are critical to successfully serving the Academy's high needs population. Students receive one-on-one instructional support from staff based on progress monitoring from the teaching staff. Edgenuity MyPath™ data identifies students' learning gaps and informs staff of the need for differentiated instruction. Students struggling with remote learning receive onsite individualized instruction in a comfortable, safe environment. This plays a significant role in the individualized and nuanced needs of the student population.

Instructional Communication and Support

Staff use Pulse, which is directly linked to Edgenuity, for constant and real-time view of students' progress within the individualized plan of action. Staff can view students' goals as well as daily, weekly and quarterly progress within a specific course, while also tracking their transcript and remaining courses required for graduation. The Academy culture ensures students see, hear and feel encouragement as they work toward their goals. In-person communication and tools such as Pulse help staff to constantly engage with students in a meaningful way, sending the message that staff are here to foster and promote educational and personal growth for each student. Contact between staff and student occurs once per week, at a minimum, and is tracked within Pulse for fall and spring pupil counts.

Course Work Plan

Staff members audit incoming student transcripts to verify earned credits that meet the MMC graduation requirements. The Academy develops a Coursework Plan of Action through the identification of Edgenuity courses that align to College and Career Readiness ("CCR") standards and address learning gaps. Students' plans, established in the Edgenuity platform, allow continued work on one course at a time, focusing on a specific subject. The expectation is for students to complete one course every four weeks. Staff determine activity milestones over the course of each week that ensure students are on track to complete a course within a four-week period. This pace, when consistently maintained, enables students to earn five credits per school year. The Academy implements an academic intervention procedure if a student falls behind in coursework. To encourage successful student outcomes, the Academy uses a Positive Behavior Intervention System ("PBIS") in which students earn tickets for positive behaviors, including assignment and course completion. PBIS tickets can be used as currency in the school store as a tangible achievement for positive choices.

Evidence-Based Instruction

Virtual learning and facilitating of online learning are based on relationship development and leading students towards both internal and external motivations and goal setting¹. Courses align to state standards and are selected based upon individual needs towards meeting MMC requirements. In support of student success, the Academy utilizes evidence-based strategies such as clear expectations, manageable instructional segments, scaffolded practice, frequent assessment, deeper thinking, engagement with content, and hypothesis generation and testing.²

Instructional Staff

Certified teachers are responsible for implementing curriculum, developing assessments, compliance of reporting, and monitoring student progress based on State and school board requirements.

Non-Instructional Staff

Staff support the Academy's pursuit of its mission, vision, and educational goals.

- *Vocational Success Manager*: responsible for vocational curriculum design; delivery of job-readiness and vocational trainings; employer engagement to create real-world job shadows, experiences, and job placements.
- *Success Coach*: responsible for case management; barrier removal; job readiness; vocational training, emotional support.

Academic Expectations and Student Pace

Staff communicate clear, high expectations for learning³. Students are expected to successfully complete one course every four weeks to maximize their capacity to earn five credits per school year. Interventions and support are provided to students struggling to complete courses on time. SSPs and weekly staff support meetings preserve a focus on career preparation goals that are closely intertwined within academic output and success.

Career Preparation

Job Readiness and Vocational Curriculum

The Academy's vocational curriculum is 1) developed and based on the students' need for basic educational curriculum; 2) aligned with work-readiness standards utilizing Jobs for Michigan's Graduates competency model; 3) aligned to social emotional learning; and 4) connected to work experiences through collaboration with staff at Berrien-Cass-Van Buren Michigan Works! who engage with hundreds of employers in the tri-county area.

Staff use the Jobs for Michigan's Graduate model that focuses on career preparation and thirty-five competencies. Areas of focus include competency attainment in 1) leadership and self-development; 2) workplace; 3) economic empowerment; and 4) job survival. Career preparation goals are also monitored using the SSP developed upon enrollment for each individual student.

Vocational Program

The primary goal of the vocational success program is to increase students' vocational, employment seeking and employment retention skills, while helping students recognize the relationship between character, citizenship, education and success.

Students participate in a diverse array of evidence-based activities that evoke higher thinking skills, provide engaging enrichment opportunities which foster personal growth and build character, responsibility, interpersonal skills, communication skills, interview and resume building skills, basic employment etiquette, and begin students on a clear path toward career goals. These activities are designed to support and complement the individual needs of participating students.

The Academy's skilled staff and community partners provide the components of the vocational program. The Academy schedules regular workshops and speakers which include employees from throughout the Kinexus organization. Participation in career fairs and off-site trips to businesses and educational facilities will also be a regular part of our vocational curriculum. As a participant in the program, students are eligible for mentoring, internships, and job placement opportunities.

Student Support

Academic Intervention and Probation

Academic Intervention and Probation at the Academy is a period in which a student is given time to redeem failing grades due to lack of completion of required academic activities. The student will be monitored closely by Academy academic and student success teams for changes in activity completion rates. Academic probation occurs when a student's academic performance is unsatisfactory and the student has not completed 60 activities in any calendar week. A variety of factors can be at play when a student displays difficulty engaging in academic courses. This system of routine allows for a student to express what distractions may be making coursework difficult to complete to a trusted teacher and/or success coach. Staff then work with the student and the family to identify wraparound services that allow the student to be inspired by support, as opposed to defeated by the daunting task of catch-up.

Instructional Resources

While the Edgenuity platform supports robust course offerings, the Academy also offers additional or supplemental instructional resources to reinforce academic concepts. These supports are used onsite in a small group or one-on-one setting with a subject matter teacher. The Academy uses a variety of instructional resources to support instruction such as:

- Edgenuity, an online curriculum platform
- Lesson plans
- Guided Notes
- Khan Academy
- Google Classroom
- YouTube
- Textbooks
- Graphic organizers
- ONET – My Next Move
- CareerOneStop

- Career navigation services through Workforce Strategies at the Aspen Institute
- Journals
- Instructional coaching through Berrien RESA
- Technology
- Facilities

Curriculum Development

The Academy utilizes online curriculum through Edgenuity, which allows for flexibility while preserving rigor to ensure implementation of state standards. Edgenuity courses include systematic and explicit instruction in each course. This curriculum is developed based on Michigan Academic Standards (“MAS”) and fits within MMC to ensure students are prepared for career and post-secondary opportunities. Curriculum is selected based on accessibility and equity for all learners—especially those who may be under-credit and over-aged.

Humanistic Approach

Staff seek to understand the background of every student. They get to know each student and communicate regularly, motivating students to continue pursuit of established educational goals.⁴ Open communication with teachers and meetings with the Student Success Team keep students engaged in furthering their education. Contact between staff and student occurs once per week, at a minimum, and is tracked within Pulse for fall and spring pupil counts. Student check-ins happen regardless of a student’s choice to work remotely or onsite, as staff are available for weekly onsite appointments or virtual meetings/phone calls as needed. The Academy employs restorative practices to empower youth who have experienced trauma as it relates to poverty and other Adverse Childhood Experiences (“ACEs”) which have a direct effect on a student’s ability to be successful at school or work. Social-emotional training is embedded into the Academy’s vocational training curriculum to help highly barriered students develop behavioral and cognitive tools to process stress and increase success indicators in adulthood.⁵

The Academy has experience serving students with educational and socio-economic trauma and identified as highly barriered, which puts these students at a significant disadvantage for academic and vocational success. Throughout our existence, a hallmark of the Academy program is the respect for each student and the development of strong and caring adult relationships. The Academy approaches each student with an adult demeanor that replicates the experience in a place of employment. Discipline is treated much like an employer-employee relationship with the understanding the teaching of both hard and soft skills that expect students to learn proper workplace behavior is incorporated. Academy culture encourages students to learn from mistakes.

Methods used to serve the students’ needs include:

- Providing equitable access to technology
- Addressing student’s basic needs
- Serving free, daily breakfast and lunch to students who are on-site; at-home students may request food assistance or weekly food deliveries or referrals to local food banks

⁵ https://www.transformingeducation.org/wp-content/uploads/2019/04/Introduction_to_SEL_4Competencies_CC.pdf

- Providing weekend food bags for students who experience food insecurity at home
- Establishing community partnerships and resources
- Supporting, encouraging, and assisting students through the use of Pulse

The School Leader is responsible for the execution and oversight of educational services. This administrator monitors services to ensure access to and participation in the Academy is not limited due to gender, race, national origin, color, disability or age. Staff monitor equal access as they review components including, but not limited to, programs, services, transportation, equipment and technology. Staff receive training on equal access and equal opportunity policies. Kinexus Group, a community workforce partner, has a process that oversees equal opportunity and includes a grievance and complaint procedure for staff, families and individuals. The Academy certifies research-based approaches to ensure the provision of high-quality services to all student populations include the following:

Special Education

Staff adheres to State and Federal guidelines regarding Special Education and Individuals with Disabilities Education Improvement Act (“IDEIA”). Incoming students with Individualized Education Plans (“IEP”) are evaluated and offered a Free Appropriate Public Education (“FAPE”). When appropriate, the Academy offers personalized curricula in accordance with the Michigan Department of Education guidelines and upon written consent of the parent/guardian.

English Language (“EL”) Services

For cost effectiveness, the Academy will continue to participate in the Berrien Springs Public Schools Consortium for testing and delivery of services for students who qualify for EL services. This practice is consistent among schools across Berrien County who serve a low number of limited English proficient students.

Parent Participation

For students under 18 years of age, parents must attend the initial enrollment interview and sign a contract agreeing to be part of the Academy’s educational process. The Academy conducts regular communication with parents through phone, email and social media. For students 18 years of age or older, staff work with connected adults who are significant in the student’s life to provide a network of support as the student progresses in the educational journey. For students who are homeless or emancipated, staff identify individuals who have significant connections to help with support.

Community Involvement

Methods to ensure community immersion that support the Academy’s efforts may include:

- Expanding existing initiatives in partnership with Spectrum Lakeland Health, the county’s healthcare organization and leading employer, on learning opportunities such as photovoice projects and Black Lives Matter to Us initiative;
- Continuing mock interviewing in collaboration with Whirlpool Corporation, headquartered in Benton Harbor;
- Partnering with the Boys & Girls Club of Benton Harbor on volunteering opportunities and program participation;

- Educating teachers on the importance of community involvement efforts;
- Offering financial literacy training in collaboration with credit unions and/or banks;
- Connecting with employers through the Michigan Works! Service Center;
- Inviting local foundation representatives to tour the facility and gain knowledge on the Academy's educational offerings;
- Continuing its partnership with the Educational Opportunity Center on Free Application for Student Aid ("FAFSA") completion and college application assistance;
- Encouraging students to attend job fairs hosted by Michigan Works!; and
- Utilizing social media to promote student voices and successes.

Progress Monitoring

The SSP is a guiding document that allows for short and long-term goal setting for each student. The SSP aligns academic, behavioral and overall career preparation goals and includes achievable steps toward meeting those goals. The Student Success Team meets with each student to develop and adjust his/her SSP on a weekly basis. Through strong interpersonal relationships, staff use the SSP to guide conversations about what the student is facing. During these conversations, staff track and discuss goals, barriers, employment and Jobs for America's Graduates/Jobs for Michigan's Graduates ("JAG/JMG") competency mastery with action steps given to work toward until the next SSP meeting. The establishment of short and long-term career preparation goals keep students focused and on track. Additional tools such as Northwest Evaluation Association™ ("NWEA™"), Bridge Academy Barriers Survey and O*NET results factor into the creation and direction of the SSP for each student. The blended and competency-based instructional approach is responsive to the needs of all students. The combination of virtual learning and one-on-one instructional support allows the teacher to focus on differentiated instruction for students with disabilities and English learners as well as high-performing and/or gifted students.

A core program element, Edgenuity MyPath, provides data-driven, personalized intervention so students can catch up, keep up or get ahead. Instructors have the flexibility to provide academic enrichment activities when appropriate. Edgenuity serves EL students with vocabulary exposure, explicit instruction, strong emphasis on activating background knowledge, modeling metacognition and instruction of close reading strategies to engage learning for all students. Students with disabilities are exposed to explicit instruction, appropriate feedback, tools to support learning and capitalization on technology resources to support growth using the Edgenuity platform.⁶

The virtual platform provides high-functioning students with the opportunity to work at their own pace. Students have continual access to digital learning resources and standards-based content such as online tutoring and guided courses, information management and two-way communication tools. The Academy utilizes learning resources with adaptive content, interactive technologies, and blended learning methods including teacher instruction to meet the diverse learning needs of all students.

Detailed assignment records are kept for each student, enabling staff to continually monitor progress. Teachers and success coaches use Pulse software to track course completion, earned

credits and needed credits and share results via Salesforce, a tracking software used internally across teams. As required, students check-in with the Student Success Team weekly to discuss progress within the SSP. These meetings involve discussion on topics such as emotional well-being, academic pace, vocational class engagement, attendance, behavior, habits and overall program experience. At the conclusion of the program, students have accomplished one or more of the following: 1) attainment of a high school diploma; 2) job placement; 3) work experience; and 4) post-secondary placement (internship or apprenticeship).

Instructional Schedule

The Academy's school day (Monday through Friday for all grade levels) encompasses time for academics and vocational training. Given the virtual platform, the Academy schedules daily times for students to work online, with instructors available to help students and monitor progress. The Academy places academics in the context of job preparation and employability skills which establishes meaning and context to the student's work. In addition to coursework, a portion of each day is set aside for employability skills training utilizing JAG/JMG curriculum. Students also have access to specific job certification courses and work experience opportunities. The Student Success Team works with students to address obstacles that effect their ability to get and keep a job.

Vocational training offerings may include: OSHA-10 certification, Pre-Apprentice Construction Training certification ("PACT"), CPR certification, National Retail Federation ("NRF") Certification, ServSafe Certification, and Certified Nursing Assistant certification. These offerings vary depending on students' interests.

The Academy offers work experience opportunities to students throughout the year in public, non-profit and private for-profit sectors with a focus on in-demand industries. These work experiences provide students with career exploration and skill development and may include: 1) summer employment; 2) pre-apprenticeship programs; 3) internships and job shadowing; and 4) on-the-job-training.

Proposed School Calendar

The Academy's school calendar follows the Berrien RESA county-wide school calendar which includes typical holidays e.g., a winter and spring break.

Special Education

The Academy contracts with a Special Education Service Provider to ensure compliance with all laws regarding students who need special education services.

When making educational placement decisions for students with disabilities, the Academy will ensure that parents are contributing members of the IEP team and together the team will make decisions that are subject to requirements regarding provision of the least-restrictive environment. When determining how services will be delivered to students with disabilities, the Academy will follow all Special Education Rules as issued by the Michigan Department of Education. If a child with a current IEP enrolls in the Academy, the Academy will implement the existing IEP to the extent possible or will provide an interim IEP agreed to by parents until a new IEP can be developed. IEPs will be developed, revised and implemented in accordance with the IDEIA and state law and regulations.

The Academy will fully comply with federal laws and regulations governing students with disabilities as follows:

1. The Academy is responsible for providing a free, appropriate public education to students with disabilities enrolled in the Academy that have been determined through an IEP to require Special Education programs and services.
2. The Academy will ensure that students who are suspected of having disabilities are properly evaluated by a multidisciplinary team, as defined in the Michigan Special Education Rules, and that students who have already been identified are re-evaluated by the multidisciplinary team at least every three years.
3. When a multidisciplinary team determines that a special education student requires Special Education programs and services, the Academy will ensure that the IEP is fully implemented in accordance with IDEIA and reviewed on an annual basis or more frequently as determined by the IEP team.

Assessment

The assessments administered at the Academy comprise the required assessments as well as Academy created or chosen assessments. The Academy employs the NWEA Suite for student assessment. The Academy administers MAP Growth™, an online, adaptive assessment, to measure students' knowledge and enable differentiated learning to meet instructional goals aligned with MAS. Rationale for selecting NWEA primarily included: 1) content aligns to MAS; 2) teachers can use the learning continuum to create personalized learning paths aligned with state standards; 3) it is an adaptive assessment that measures growth across grade levels; and 4) it is used by 60% of school districts across the state.

The Academy recognizes the impact of “over testing” students as research indicates standardized tests can have negative effects on learning, especially for low-income and minority students.⁷

Staff will use assessment data to enhance student achievement in four primary areas.

1. *Career Pathways*: O*NET's My Next Move assessment gives students interest and aptitude profilers that provide options for career exploration. This data is used within the SSPs to ensure students' goals are aligned within their ultimate career pathway.
2. *Guide Instructional Practices*: Assessment data will be used to determine an academic placement and programming for students and to measure growth.
3. *Inform Students and Parents on Educational Level*: The measurement tool will allow the instructional team to identify growth and regression throughout the year.
4. *Identify Training and Professional Development Needs for Staff*: Assessment data is a tool used by teachers and the Academic Services Manager to ensure quality instruction is directly aligned to MMC and MAS for the enrichment and success of Academy students.

Graduation Requirements

The Academy graduation requirements comply with MMC. In addition, the Academy focuses on employability skills and vocational training beyond the 18-credit requirement. Job readiness and vocational trainings are optional, but integral and crucial to the future success of all graduates. While the Academy maintains the importance of accessible graduation requirements, the program has the potential to create for-credit courses to align within MMC (e.g. JAG/ JMG course that could fulfill MMC requirements as English language arts credit). Staff can pursue obtaining approval for students to receive credit for work-based experiences. The Academy aspires to build in optional career preparation credits so students may graduate with an enhanced diploma that encompasses Career Technical Education.

Evaluation

The Academy uses both quantitative and qualitative methods to evaluate the effectiveness of the education delivered to our community. The team analyzes data on student enrollment, demographics, assessment, retention, graduation, employability (JAG/JMG) competencies, vocational certification and postsecondary enrollment to determine areas of success as well as identify areas for improvement. In addition, throughout the year staff will collect and review feedback on supportive services to ensure focus on addressing barrier removal and identified areas for service modifications. Additional resources for continued improvement and community perception will come from students, parents, staff and stakeholder surveys based on framework of What Effective Schools Do⁸:

- Clear and Focused Mission
- High Expectations
- Instructional Leadership: Frequent Monitoring of Student Success
- Opportunity to Learn/Time on Task
- Safe and Orderly Environment
- Home/School Relationships

EDUCATIONAL GOAL AND RELATED MEASURES

Pursuant to Applicable Law and the Terms and Conditions of this Contract, including Article VI, Section 6.2, the Academy shall achieve or demonstrate measurable progress for all groups of pupils toward the achievement of the educational goal identified in this schedule. Although an increase in academic achievement for all groups of pupils as measured by assessments and other objective criteria is the most important factor in determining the Academy's progress toward the achievement of the educational goal, the Center also considers other factors. Upon request, the Academy shall provide the Center with a written report, along with supporting data, assessing the Academy's progress toward achieving this goal. In addition, the University expects the Academy will meet the State of Michigan's accreditation standards pursuant to state and federal law.

Educational Goal to be Achieved

Prepare students academically for success in college, work and life.

Measures to Assist In Determining Measurable Progress Toward Goal Achievement

To assist in determining whether the Academy is achieving measurable progress toward the achievement of this goal, the Center will annually assess the Academy's performance using the following measures.

Measure 1: Post-Secondary Readiness: Grades 9-11

The 'on-track' towards college readiness rates of all students in grades 9-11 will be assessed using the following measures and targets.

Indicator	Measure	Metric	Target
Career and College Readiness (CCR) Standard:	The percentage of full academic year students meeting or surpassing the current career and college readiness benchmarks on the SAT (grade 11) in Evidence-Based Reading and Writing (EBRW) and Math.	For Math & EBRW, distribution (which will be in the form of percentages): Exceeds: % CCR > state average by 20% or more Meets: School % CCR – State Average $\geq 0\% \leq 20\%$ Approaching: School % CCR – State Average $< 0\% \geq -20\%$ Does Not Meet: School % CCR – State Average $< -20\%$	EBRW: Current State Average Math: Current State Average
In the event that performance against the standard falls below these required expectations, “measurable progress towards the achievement of this goal” will be defined using the following measures and targets:			
Trend Over-Time:	The percentage of full academic year students meeting or surpassing the current career and college readiness benchmarks on the SAT (grade 11) in EBRW and Math over time (CY-AVG(PY1+PY2+PY3)).	Trend score (which will be in the form of -x to +x): Exceeds $\geq 6.0\%$ Meets $\geq 3.0\%$ Approaching $\geq 1.0\%$ Does not meet $< 1.0\%$	3.0%
High School Growth:	The percentage of students meeting or surpassing the expected growth between College Board (PSAT/SAT) assessments from spring to spring.	For Math & EBRW, distribution (which will be in the form of percentages): Exceeds $\geq 70.0\%$ Meets $\geq 50.0\%$ Approaching $\geq 30.0\%$ Does not meet $< 30.0\%$	50%
Comparative Career & College Readiness:	The percentage of students meeting or surpassing the current career & college readiness benchmarks on the SAT (grade 11) will surpass the school's Composite Resident District percentage.	Portfolio Distribution (which will be in the form of -x to +x): Exceeds $\geq 10.0\%$ Meets $\geq 5.0\%$ Approaching $\geq 0.0\%$ Does not meet $< 0.0\%$	+5%
Comparative Graduation Rate:	The 4-year graduation rate for students at the academy will meet or surpass the school's Composite Resident District's 4-year graduation rate.	Portfolio Distribution (which will be in the form of -x to +x): Exceeds $\geq 10.0\%$ Meets $\geq 0.0\%$ Does not meet $< 0.0\%$	0%

Measure 2: Course Completion

The “Course Completion” of all students at Bridge Academy of Southwest Michigan will be assessed using the following metrics and targets.

Measure	Metric	Target
The average number of courses completed during the school year by students at Bridge Academy of Southwest Michigan	<p>The average number of courses completed will be calculated in the following manner:</p> <ol style="list-style-type: none">1. Determine whether each student, in each course successfully completed the course (Progress \geq Target Completion).2. Count the number of completed courses for each student.3. Divide the number of courses completed by the total number of students <p>*During the 2021-2022 school year students completed an average of 2 courses.</p>	The Academy shall increase the average number of courses completed by students in each school year.

Notes:

Each summer, Bridge Academy of Southwest Michigan will provide Central Michigan University (CMU) with an official roster of students that includes student and course information such that CMU can calculate the average number of courses completed by students at the Academy. At the Academy’s request, CMU will provide guidance on the required data submission.

Data Submission Deadline: June 30, 2023 – CMU will provide a secure link to upload the data to the CMU intranet.
