PROPOSAL FOR BOARD ACTION: CONSENT AGENDA

Public School Academy Board of Directors: Method of Selection, Appointment, and Removal

Project Description:

After reviewing the exigent appointment process, the Center for Charter Schools believes that this process cannot adequately protect the University Board from a situation where an academy governing board and the educational service provider simultaneously resign. The challenges in recruiting, interviewing and appointing a new board (or at least three members who could meet as a quorum), and have the new board contract with a new educational service provider, is time consuming and cannot be accomplished quickly. Accordingly, the Center recommends that the University Board charter contracts include a revision to a provision regarding the appointment of a conservator/manager on a temporary basis to address situations such as the en masse resignation of an academy governing board.

The conservator/manager would have all the powers and duties of the academy’s governing board and would function in the board’s place upon appointment. The conservator/manager would be designated by the University President or his or her designee upon consultation with the University Board Chair. The current conservator/manager provision required the action of the full University Board to appoint a conservator/manager. In order for this change to occur, the University Board’s Method of Selection, Appointment and Removal Policy must be amended.

Public School Academy Board of Directors: Method of Selection, Appointment and Removal

The Central Michigan University Board of Trustees declares that the method of selection, length of term, and number of board members shall be as follows.

Method of Selection and Appointment

The Central Michigan University Board of Trustees ("University Board") shall prescribe the method of appointment for members of an academy's board of directors. The director of the charter schools office is authorized to develop and administer an academy board selection and appointment process that includes an *Application for Public School Academy Board Appointment* and is in accord with these policies:

- a. The University Board shall appoint the initial and subsequent academy board of directors by resolution, except as prescribed by subparagraphs d and e. The director of the charter schools office shall recommend qualified individuals to the University Board, and ensure that the board of directors includes representation from the local community where the academy is located.
- b. The academy board of directors, by resolution and majority vote, shall nominate its subsequent members, except as provided otherwise. The academy board of directors shall recommend to the director of the charter schools office at least one nominee for each vacancy. Nominees shall submit the *Application for Public School Academy Board Appointment* for review by the charter schools office. The director of the charter schools office may or may not recommend the appointment of a nominee submitted by the academy board. If the director of the charter schools office does not recommend the appointment of a nominee submitted by the academy board, he/she may select and recommend another nominee or may request the academy board submit a new nominee for consideration.
- c. An individual appointed to fill a vacancy created other than by the expiration of a term shall be appointed for the unexpired term of that vacant position.
- d. Under exigent conditions, and with the approval of the University Board's chair and the president, the director of the charter schools office may appoint a qualified individual to an academy's board of directors. All appointments made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any appointments made under this provision.
- e. In the event that the health, safety and welfare of an academy's students, property or funds are at risk, the president, after consulting with the University Board's chair, may appoint a person to serve as a conservator for the academy. Upon appointment, the conservator shall have all the powers of the academy's board of directors and shall act in the place and stead of the academy's board of directors. After the President appoints a conservator, the full Board of Trustees shall receive notice of the appointment as soon as possible. The president shall appoint the conservator for a definite term which may be extended in writing. During the conservator's appointment, the academy's board of directors, and all powers of the academy's board of directors, are suspended. The charter contract shall set forth any additional powers granted to the conservator during their appointment. All appointments made under this

provision must be presented to the University Board for final determination at its next regularly scheduled meeting.

Length of Term

The director of an academy board shall serve at the pleasure of the University Board. Terms of the initial positions of the academy board of directors shall be staggered in accordance with *The Academy Board of Directors Table of Staggered Terms and Appointments* established and administered by the director of the charter schools office. Subsequent appointments shall be for a term of office not to exceed four (4) years, except as prescribed by *The Academy Board of Directors Table of Staggered Terms and Appointments*.

Removal and Suspension

If the University Board determines that an academy board member's service in office is no longer necessary, then the University Board may remove an academy board member with or without cause and shall specify the date when the academy board member's service ends. An academy board member may also be removed as part of a reconstitution under the charter contract or from office by a two-thirds (2/3) vote of the academy's board of directors for cause.

With the approval of the University Board's chair and the president, the director of the charter schools office may suspend an academy board member's service, if in his/her judgment the person's continued presence would constitute a risk to persons or property, or would seriously impair the operation of the academy. Any suspension made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any suspensions made under this provision.

Number of Directors

The number of members of the academy board of directors shall not be less than five (5) nor more than nine (9). If the academy board of directors fails to maintain its full membership by making appropriate and timely nominations, the University Board or its designee may deem that failure an exigent condition.

Qualifications of Academy Board Members

To be qualified to serve on an academy's board of directors, a person shall, among other things: (a) be a citizen of the United States; (b) be a resident of the State of Michigan; (c) submit all materials requested by the charter schools office including, but not limited to, the *Application for Public School Academy Board Appointment* which must include authorization to process a criminal background check; and (d) annually submit a conflict of interest disclosure as prescribed by the charter schools office.

Section 9.1. Amendments. The University Board and the Academy acknowledge that the operation and administration of a public school academy and the improvement of educational outcomes over time will require appropriate amendment of this Contract. In order to assure a proper balance between the need for independent development of the Academy and the statutory responsibilities of the University Board as an authorizing body, the parties have established a flexible process for amending this Contract.

Section 9.2. Process for Amendment Initiated by the Academy. The Academy, by a majority vote of its Board of Directors, may, at any time, propose specific changes in this Contract or may propose a meeting to discuss potential revision of this Contract. The proposal will be made to the University Board through its designee. The University Board delegates to the Center Director the review and approval of changes or amendments to this Contract. Upon the determination that an emergency situation exists, the University President may temporarily take action on behalf of the University Board with regard to the Academy or the Contract, so long as such action is in the best interest of the University Board and the University President consults with the University Board Chairperson prior to taking the intended actions. When acting during an emergency situation, the University President shall have the authority to act in place of the University Board, and such emergency action shall only be effective in the interim before the earlier of (a) rejection of the emergency action by the Chairperson of the University Board; or (b) the next meeting of the University Board. The University President shall immediately report such action to the University Board for confirmation at the next meeting so that the emergency action continues or, upon confirmation by the University Board, becomes permanent.

ARTICLE X CONTRACT REVOCATION, TERMINATION, AND SUSPENSION

Section 10.1. Statutory Grounds for Revocation. In addition to the other grounds for revocation in Section 10.2 and the automatic revocation in Section 10.3 of these Terms and Conditions, the University Board may revoke this Contract, pursuant to the procedures set forth in Section 10.6, upon a determination that one or more of the following has occurred:

- (a) Failure of the Academy to demonstrate improved pupil academic achievement for all groups of pupils or abide by and meet the educational goal and related measures set forth in this Contract;
- (b) Failure of the Academy to comply with all Applicable Law;
- (c) Failure of the Academy to meet generally accepted public sector accounting principles and to demonstrate sound fiscal stewardship; or
- (d) The existence of one or more other grounds for revocation as specified in this Contract.

Section 10.2. Other Grounds for Revocation. In addition to the statutory grounds for revocation set forth in Section 10.1 and the grounds for an automatic revocation set forth in Section 10.3, the University

Board may revoke this Contract, pursuant to the procedures set forth in Section 10.6, upon a determination that one or more of the following has occurred:

- (a) The Academy fails to achieve or demonstrate measurable progress toward achieving the educational goal and related measures identified in this Contract;

- (c) The Academy is insolvent, has been adjudged bankrupt, or has operated for two or more school fiscal years with a Fund Balance Deficit;
- (d) The Academy has insufficient enrollment to successfully operate a public school academy, or the Academy has lost more than fifty percent (50%) of its student enrollment from the previous school year;
- (e) The Academy fails to fulfill the compliance and reporting requirements or defaults in any of the terms, conditions, promises or representations contained in or incorporated into this Contract or, during the term of this Contract, it is discovered by the Center that the Academy failed to fulfill the compliance and reporting requirements or there was a violation of a prior Contract issued by the University Board;
- (f) The Academy files amendments to its Articles of Incorporation with the Michigan Department of Licensing and Regulatory Affairs, without first obtaining the Center's approval;
- (g) The Center Director discovers grossly negligent, fraudulent or criminal conduct by the Academy's applicant(s), directors, officers, employees or agents in relation to their performance under this Contract; or
- (h) The Academy's applicant(s), directors, officers, employees or agents have provided false or misleading information or documentation to the Center in connection with the University Board's approval of the Application, the issuance of this Contract, or the Academy's reporting requirements under this Contract or Applicable Law.

Section 10.3. Automatic Amendment Of Contract; Automatic Termination of Contract If All Academy Sites Closed; Economic Hardship Termination. Except as otherwise provided in this Section 10.3, if the University Board is notified by the Department that an Academy site is subject to closure under section 507 of the Code, MCL 380.507 ("State's Automatic Closure Notice"), then this Contract shall automatically be amended to eliminate the Academy's authority to operate certain age and grade levels at the site or sites identified in the State's Automatic Closure Notice. If the State's Automatic Closure Notice includes all of the Academy's existing sites, then this Contract shall automatically be terminated at the end of the current school year in which either the State's Automatic Closure Notice is received without any further action of the University Board or the Academy.

Following receipt of the State's Automatic Closure Notice, the Center Director shall forward a copy of the notice to the Academy Board and request a meeting with the Academy Board representatives to discuss the Academy's plans and procedures for the elimination of certain age or grade levels at the identified site or sites, or if all of the Academy's existing sites are included in that notice, then wind-up and dissolution of the Academy corporation at the end of the current school year. All Academy inquiries and requests for reconsideration of the State's Automatic Closure Notice, including the granting of any hardship exemption by the Department rescinding the State's Automatic Closure Notice ("Pupil Hardship

Exemption”), shall be directed to the Department, in a form and manner determined by the Department. If the Department rescinds the State’s Automatic Closure Notice for an Academy site or sites by granting a Pupil Hardship Exemption, the Academy is not required to close the identified site(s), but shall present to the Center a proposed Contract amendment incorporating the Department’s school improvement plan, if applicable, for the identified site(s).

If the Department elects not to issue a Pupil Hardship Exemption and the Center Director determines, in his or her discretion, that the closure of one or more sites as directed by the Department creates a significant economic hardship for the Academy as a going concern or the possibility of a mid-year school closure, then the Center Director may recommend to the University Board that the Contract be terminated at the end of the current school year (hereinafter “Economic Hardship Termination”). If the University Board approves the Economic Hardship Termination recommendation, then this Contract shall terminate at the end of the current school year without any further action of the parties.

The University Board’s revocation procedures set forth in Section 10.6 do not apply to an automatic termination initiated by the State’s Automatic Closure Notice or an Economic Hardship Termination under this Section 10.3.

Section 10.4. Grounds and Procedures for Academy Termination of Contract. The Academy Board, by majority vote of its Directors, may, at any time and for any reason, request termination of this Contract. The Academy Board’s request for termination shall be made to the Center Director not less than six (6) calendar months in advance of the Academy’s proposed effective date of termination. Upon receipt of an Academy request for termination, the Center Director shall present the Academy Board’s request for termination to the University Board. A copy of the Academy Board’s resolution approving of the Contract termination, including a summary of the reasons for terminating the Contract, shall be included with the Academy Board’s request for termination. Upon receipt of the Academy Board’s request for termination, the University Board shall consider and vote on the proposed termination request. The University Board may, in its sole discretion, waive the six (6) month advance notice requirement for terminating this Contract.

Section 10.5. Grounds and Procedures for University Termination of Contract. The University Board, in its sole discretion, reserves the right to terminate the Contract (i) for any reason or for no reason provided that such termination shall not take place less than six (6) months from the date of the University Board’s action; or (ii) if there is a change in Applicable Law that the University Board, in its sole discretion, determines impairs its rights and obligations under the Contract or requires the University Board to make changes in the Contract that are not in the best interest of the University Board or the University, then such termination shall take effect at the end of the current Academy fiscal year. Following University Board approval, the Center Director shall provide notice of the termination to the Academy. If during the period between the University Board action to terminate and the effective date of termination, the Academy has violated the Contract or Applicable Law, the Contract may be revoked or suspended sooner pursuant to this Article X. If this Contract is terminated pursuant to this Section 10.5, the revocation procedures in Section 10.6 shall not apply.

Section 10.6. University Board Procedures for Revoking Contract. Except for the automatic revocation and procedures initiated by the State of Michigan set forth in Section 10.3, the University Board’s process for revoking the Contract is as follows:

- (a) Notice of Intent to Revoke. The Center Director, upon reasonable belief that grounds for revocation of the Contract exist, shall notify the Academy Board of such grounds by issuing the Academy Board a Notice of Intent to Revoke for non-compliance with the Contract or Applicable Law. The Notice of Intent to Revoke shall be in writing and shall set forth in sufficient detail the alleged grounds for revocation.

- (b) Academy Board's Response. Within thirty (30) days of receipt of the Notice of Intent to Revoke, the Academy Board shall respond in writing to the alleged grounds for revocation. The Academy Board's response shall be addressed to the Center Director, and shall either admit or deny the allegations of non-compliance. If the Academy's response includes admissions of non-compliance with the Contract or Applicable Law, the Academy Board's response must also contain a description of the Academy Board's plan and timeline for correcting the non-compliance with the Contract or Applicable Law. If the Academy's response includes a denial of non-compliance with the Contract or Applicable Law, the Academy's response shall include sufficient documentation or other evidence to support a denial of non-compliance with the Contract or Applicable Law. A response not in compliance with this Section shall be deemed to be non-responsive. As part of its response, the Academy Board may request that a meeting be scheduled with the Center Director prior to a review of the Academy Board's response.
- (c) Plan of Correction. Within fifteen (15) days of receipt of the Academy Board's response or after a meeting with Academy Board representatives, the Center Director shall review the Academy Board's response and determine whether a reasonable plan for correcting the deficiencies can be formulated. If the Center Director determines that a reasonable plan for correcting the deficiencies set forth in the Notice of Intent to Revoke can be formulated, the Center Director shall develop a plan for correcting the non-compliance ("Plan of Correction") which may include Reconstitution pursuant to 10.6(d) of these Terms and Conditions. In developing a Plan of Correction, the Center Director is permitted to adopt, modify or reject some or all of the Academy Board's response for correcting the deficiencies outlined in the Notice of Intent to Revoke. The Notice of Intent to Revoke shall be closed if the Center Director determines any of the following: (i) the Academy Board's denial of non-compliance is persuasive; (ii) the non-compliance set forth in the Notice of Intent to Revoke has been corrected by the Academy Board; or (iii) the Academy Board has successfully completed the Plan of Correction.
- (d) University Board's Contract Reconstitution Provision. The Center Director may reconstitute the Academy in an effort to improve student educational performance or to avoid interruption of the educational process. Reconstitution may include, but is not limited to, one of the following actions: (i) removal of 1 or more members of the Academy Board; (ii) termination of at-will board appointments of 1 or more Academy Board members in accordance with the Method of Selection, Appointment and Removal Resolution; (iii) withdrawing approval of a contract under Section 506 of the Code; or (iv) the appointment of a new Academy Board or a Conservator to take over operations of the Academy.

Except as otherwise provided in this subsection, reconstitution of the Academy does not prohibit the Department from issuing an order under section 507 of the Code, MCL 380.507, directing the automatic closure of the Academy's site(s).

- (e) Request for Revocation Hearing. The Center Director may initiate a revocation hearing before the University Charter Schools Hearing Panel if the Center Director determines that any of the following has occurred:
- (i) the Academy Board has failed to respond to the Notice of Intent to Revoke as set forth in Section 10.6(b);
 - (ii) the Academy Board's response to the Notice of Intent to Revoke is non-responsive;
 - (iii) the Academy Board's response admits violations of the Contract or Applicable Law which the Center Director deems cannot be remedied or cannot be remedied in an appropriate

- period of time, or for which the Center Director determines that a Plan of Correction cannot be formulated;
- (iv) the Academy Board's response contains denials that are not supported by sufficient documentation or other evidence showing compliance with the Contract or Applicable Law;
 - (v) the Academy Board has not complied with part or all of a Plan of Correction established in Section 10.6(c);
 - (vi) the Academy Board has engaged in actions that jeopardize the financial or educational integrity of the Academy; or
 - (vii) the Academy Board has been issued multiple or repeated Notices of Intent to Revoke.

The Center Director shall send a copy of the request for revocation hearing to the Academy Board at the same time the request is sent to the Hearing Panel. The request for revocation shall identify the reasons for revoking the Contract.

- (f) Hearing before the University Charter Schools Hearing Panel. Within thirty (30) days of receipt of a request for revocation hearing, the Hearing Panel shall convene a revocation hearing. The Hearing Panel shall provide a copy of the notice of hearing to the Center and the Academy Board at least ten (10) days before the hearing. The purpose of the Hearing Panel is to gather facts surrounding the Center Director's request for Contract revocation, and to make a recommendation to the University Board on whether the Contract should be revoked. The revocation hearing shall be held at a location, date and time as determined by the Center Director and shall not last more than three hours. The hearing shall be transcribed and the cost shall be divided equally between the University and the Academy. The Center Director or his or her designee, and the Academy Board or its designee, shall each have equal time to make their presentation to the Hearing Panel. Although each party is permitted to submit affidavits and exhibits in support of their positions, the Hearing Panel will not hear testimony from any witnesses for either side. The Hearing Panel may, however, question the Center Director and the Academy Board. Within thirty (30) days of the revocation hearing, the Hearing Panel shall make a recommendation to the University Board concerning the revocation of the Contract. For good cause, the Hearing Panel may extend any time deadline set forth in this subsection. A copy of the Hearing Panel's recommendation shall be provided to the Center and the Academy Board at the same time that the recommendation is sent to the University Board.
- (g) University Board Decision. If the Hearing Panel's recommendation is submitted to the University Board at least fourteen (14) days before the University Board's next regular meeting, the University Board shall consider the Hearing Panel's recommendation at its next regular meeting and vote on whether to revoke the Contract. The University Board reserves the right to modify, reject or approve all or any part of the Hearing Panel's recommendation. The University Board shall have available to it copies of the Hearing Panel's recommendation and the transcript from the hearing. The University Board may waive the fourteen (14) day submission requirement or hold a special board meeting to consider the Hearing Panel's recommendation. A copy of the University Board's decision shall be provided to the Center, the Academy Board and the Department.
- (h) Effective Date of Revocation. If the University Board votes to revoke the Contract, the revocation shall be effective on the date of the University Board's act of revocation, or at a later date as determined by the University Board.
- (i) Disposition of State School Aid Funds. Notwithstanding any other provision of the Contract, any state school aid funds received by the University Board after a recommendation is made

by the Hearing Panel to revoke the Contract, or a decision by the University Board to revoke the Contract, may be withheld by the University Board or returned to the Michigan Department of Treasury upon request. The University Board may also direct that a portion of the Academy's state school aid funds be directed to fund the Academy's Dissolution account established under Section 10.9 of these Terms and Conditions.

Section 10.7. Contract Suspension. The University Board's process for suspending the Contract is as follows:

- (a) The Center Director Action. If the Center Director determines, in his or her sole discretion, that certain conditions or circumstances exist such that the Academy Board:
- (i) has placed staff or students at risk;
 - (ii) is not properly exercising its fiduciary obligations to protect and preserve the Academy's public funds and property;
 - (iii) has lost its right to occupancy of the physical facilities described in Schedule 6, and cannot find another suitable physical facility for the Academy prior to the expiration or termination of its right to occupy its existing physical facilities;
 - (iv) has failed to secure or has lost the necessary fire, health, and safety approvals as required by Schedule 6;
 - (v) has willfully or intentionally violated this Contract or Applicable Law; or
 - (vi) has violated Section 10.2(g) or (h),

then the Center Director may immediately suspend the Contract, pending completion of the procedures set forth in Section 10.6. A copy of the suspension notice, setting forth the grounds for suspension, shall be sent to the Academy Board and to the Hearing Panel. If this subsection is implemented, the notice and hearing procedures set forth in Section 10.6 shall be expedited as much as possible.

- (b) Disposition of State School Aid Funds. Notwithstanding any other provision of the Contract, any state school aid funds received by the University Board after a decision by the Center Director to suspend the Contract, shall be retained by the University Board for the Academy until the Contract is reinstated, or shall be returned to the Michigan Department of Treasury upon the State's request.
- (c) Immediate Revocation Proceeding. If the Academy Board, after receiving a notice of Contract suspension from the Center Director, continues to engage in conduct or activities that are covered by the suspension notice, the Hearing Panel may immediately convene a revocation hearing in accordance with the procedures set forth in section 10.6(e) of this Contract. The Hearing Panel has the authority to accelerate the timeline for revoking the Contract, provided that notice of the revocation hearing shall be provided to the Center and the Academy Board at least five (5) days before the hearing. If the Hearing Panel determines that the Academy Board has continued to engage in conduct or activities that are covered by the suspension notice, the Hearing Panel may recommend revocation of the Contract. The University Board shall proceed to consider the Hearing Panel's recommendation in accordance with sections 10.6(f) through (h).

Section 10.8. Conservator; Appointment By University President. Notwithstanding any other provision of the Contract, in the event that the University President, in his or her sole discretion, determines that the health, safety and welfare of Academy students, property or funds are at risk, the University President, after consulting with the University Board Chairperson, may appoint a person to serve as the

Conservator of the Academy. Upon appointment, the Conservator shall have all the powers and authority of the Academy Board under this Contract and Applicable Law and shall act in the place and stead of the Academy Board. The University President shall appoint the Conservator for a definite term which may be extended in writing at his or her sole discretion. During the appointment, the Academy Board members and their terms in office are suspended and all powers of the Academy Board are suspended. All appointments made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. During their appointment, the Conservator shall have the following powers:

- (a) take into his or her possession all Academy property and records, including financial, board, employment and student records;
- (b) institute and defend actions by or on behalf of the Academy;

- (e) settle or compromise with any debtor or creditor of the Academy, including any governmental or taxing authority;
- (f) review all outstanding agreements to which the Academy is a party and to take those actions which the Academy Board may have exercised to pay, extend, rescind, renegotiate or settle such agreements as needed; and
- (g) perform all acts necessary and appropriate to fulfill the Academy's purposes as set forth under this Contract or Applicable Law.

Section 10.9. Academy Dissolution Account. If the University Board terminates, revokes or fails to issue a new Contract to the Academy, the Center Director shall notify the Academy that, beginning thirty (30) days after notification of the University Board's decision, the University Board may direct up to \$10,000 from each subsequent State School Aid Fund payment, not to exceed a combined total of \$30,000, to a separate Academy account ("Academy Dissolution Account") to be used exclusively to pay the costs associated with the wind-up and dissolution responsibilities of the Academy. Within five (5) business days of the Center Director's notice, the Academy Board Treasurer shall provide the Center Director, in a form and manner determined by the Center, with account detail information and authorization to direct such funds to the Academy Dissolution Account. The Academy Dissolution Account shall be under the sole care, custody and control of the Academy Board, and such funds shall not be used by the Academy to pay any other Academy debt or obligation until such time as all the wind-up and dissolution expenses have been satisfied. An intercept agreement entered into by the Academy and a third-party lender or trustee shall include language that the third party lender or trustee acknowledges and consents to the funding of the Academy's dissolution account in accordance with this Contract. Any unspent funds remaining in the Academy's dissolution account after payment of all wind-up and dissolution expenses shall be returned to the Academy.

Section 11.1. The Academy Budget; Transmittal of Budgetary Assumptions; Budget Deficit; Enhanced Deficit Elimination Plan. The Academy agrees to comply with all of the following:

- (a) The Academy Board is responsible for establishing, approving, and amending an annual budget in accordance with the Uniform Budgeting and Accounting Act, MCL 141.421, et seq. The Academy Board shall submit to the Center a copy of its annual budget for the upcoming fiscal year in accordance with the Master Calendar. The budget must detail budgeted expenditures at the object level as described in the Department's Michigan School Accounting Manual. In addition, the Academy Board is responsible for approving all revisions and amendments to the annual budget. In accordance with the Master Calendar, revisions or amendments to the Academy's budget shall be submitted to the Center following Academy Board approval.
- (b) Unless exempted from transmitting under section 1219 of the Code, MCL 380.1219, the Academy, on or before July 7th of each school fiscal year, shall transmit to the Center for Educational Performance and Information ("CEPI") the budgetary assumptions used when adopting its annual budget pursuant to the Uniform Budgeting and Accounting Act, MCL 141.421 et seq.
- (c) The Academy shall not adopt or operate under a deficit budget, or incur an operating deficit in a fund during any fiscal year. At any time during the term of this Contract, the Academy shall not have an existing deficit fund balance, incur a deficit fund balance, or adopt a current year budget that projects a deficit fund balance. If the Academy has an existing deficit fund balance, incurs a deficit fund balance in the most recently completed school fiscal year, or adopts a current year budget that projects a deficit fund balance, all of the following apply:
 - (i) The Academy shall notify the Superintendent and the State Treasurer immediately upon the occurrence of the circumstance, and provide a copy of the notice to the Center;
 - (ii) Within 30 days after making notification under subdivision (i), the Academy shall submit to the Superintendent in the form and manner prescribed by the Department an amended budget for the current school fiscal year and a deficit elimination plan approved by the Academy Board, with a copy to the State Treasurer. The insurance must be obtained from a licensed mutual, stock, or other responsible company licensed to do business in the State of Michigan. The Academy may join with other public school academies to obtain insurance if the Academy Board finds that such an association provides economic advantages to the Academy, provided that each Academy maintains its identity as first named insured. The Academy shall list the University on the insurance policies as an additional insured as required by the University's insurance carrier. The coverage provided to the University as an additional covered person or organization will be primary and non-contributory with the University's insurance carrier. The Academy shall have a provision included in all policies requiring notice to the University, at least thirty (30) days in advance, upon termination or non-renewal of the policy for any reason other than nonpayment which would require a ten (10) day advance notice to the University. When changing insurance programs or carriers, the Academy must provide copies of the proposed policies to the Center at least thirty (30) days prior to the proposed change. The Academy shall not cancel or change its existing carrier without the prior review of the Center.

The University's insurance carrier periodically reviews the types and amounts of insurance coverage that the Academy must secure in order for the University to maintain insurance coverage for the authorization and oversight of the Academy. In the event that the University's insurance carrier requests additional changes in coverage identified in this Section 11.2, the Academy agrees to comply with any additional changes in the types and amounts of coverage requested by the University's insurance carrier within thirty (30) days after notice of the insurance coverage change.

The Academy may expend funds for payment of the cost of participation in an accident or medical insurance program to insure protection for pupils while attending school or participating in a school program or activity. Other insurance policies and higher minimums may be required depending upon academic offerings and program requirements.

Pursuant to Section 3.6 of these Terms and Conditions, the University requires that any Educational Service Provider or employee leasing company that enters into a contract with the Academy must obtain insurance coverage similar to the insurance coverage that is currently required for the Academy. Accordingly, any agreement between the Academy and an Educational Service Provider or employee leasing company shall contain a provision requiring the Educational Service Provider or employee leasing company to comply with the coverage requirements recommended by the University's insurance carrier. Furthermore, the agreement between the Educational Service Provider or employee leasing company and the Academy shall contain a provision stating that "in the event that the University's insurance carrier recommends any change in coverage by the Educational Service Provider or employee leasing company, the Educational Service Provider or employee leasing company agrees to comply with any changes in the type and amount of coverage as requested by the University or the University's insurance carrier within thirty (30) days after notice of the insurance coverage change."

Section 11.3. Legal Liabilities and Covenant Against Suit. The Academy acknowledges and agrees that it has no authority to extend the faith and credit of the University or to enter into a contract that would bind the University. The Academy also is limited in its authority to contract by the amount of funds obtained from the state school aid fund, as provided hereunder, or from other independent sources. The Academy hereby covenants not to sue the University Board, the University or any of its Trustees, officers, employees, agents or representatives for any matters that arise under this Contract. The University does not assume any obligation with respect to any director, employee, agent, parent, guardian, student, or independent

The Academy Board shall not occupy or use any facility until approved for occupancy by the Michigan Department of Licensing and Regulatory Affairs, Bureau of Construction Codes. Copies of these Certificate(s) of Use and Occupancy shall be incorporated into this Contract under Schedule 6 and in accordance with Article IX, as applicable.

Section 11.6. New Building Construction or Renovations. The Academy shall not commence construction on a new school building or the major renovation of an existing school building unless the Academy consults on the plans of the construction or major renovation regarding school safety issues with the law enforcement agency that is or will be the first responder for that school building. In addition, the Academy shall comply with section 1230b of the Code concerning the disclosure of unprofessional conduct by persons applying for Academy employment. This Section 11.7 shall apply to such persons irrespective of whether they are employed by the Academy or employed by another entity contracting with the Academy.

Section 11.8. Special Education. Pursuant to Section 1701a of the Code, the Academy shall comply with Article III, Part 29 of the Code, MCL 380.1701 et seq., concerning the provision of special education programs and services at the Academy as referenced in Contract Schedule 7c. Upon receipt, the Academy shall notify the Center of any due process or state complaint filed against the Academy or notice of state audit.

Section 11.9. Information Available to the Public and the Center.

- (a) Information to be provided by the Academy. In accordance with Applicable Law, the Academy shall make information concerning its operation and management, including, without limitation, information in Schedule 8 available to the public and the Center.
- (b) Information to be provided by Educational Service Provider. The agreement between the Academy and the Educational Service Provider shall contain a provision requiring the Educational Service Provider to make information concerning the operation and management of the Academy, including the information in Schedule 8, available to the Academy as deemed necessary by the Academy Board in order to enable the Academy to fully satisfy its obligations under paragraph 11.9 (a) above.

Section 11.10. Deposit of Public Funds by the Academy. The Academy Board agrees to comply with Section 1221 of the Revised School Code, being MCL 380.1221, regarding the deposit of all public or private funds received by the Academy. Such deposit shall be made within three (3) days after receipt of the funds by the Academy. Only Academy Board members or designated Academy Board employees may be a signatory on any Academy bank account.

Section 11.11. Nonessential Elective Course. If the Academy Board elects to provide nonessential elective courses to part-time pupils at a nonpublic school building, the Academy shall comply with Section 166b of the State School Aid Act of 1979, as amended, MCL 388.1766b. Prior to providing instruction, the Academy Board shall ensure that the Academy has sufficient documentation to qualify for part-time pupil funding under the State School Aid Act. The provision of nonessential elective courses by the Academy shall be incorporated into Schedule 7c of this Contract by amendment pursuant to Article IX of these Terms and Conditions, as applicable.

NAME

This organization shall be called Woodland Park Academy (the "Academy" or the "corporation").

ARTICLE II
FORM OF ACADEMY

The Academy is organized as a non-profit, non-stock, directorship corporation.

ARTICLE III
OFFICES

Section 1. Principal Office. The principal office of the Academy shall be located in the state of Michigan.

Section 2. Registered Office. The registered office of the Academy may be the same as the principal office of the Academy, but in any event must be located in the state of Michigan, and be the business office of the resident agent, as required by the Michigan Non-Profit Corporation Act. Changes in the resident agent and registered address of the Academy must be reported to the Michigan Department of Licensing and Regulatory Affairs and to The Governor John Engler Center for Charter Schools (“the Center.”)

ARTICLE IV
BOARD OF DIRECTORS

Section 1. General Powers. The business, property and affairs of the Academy shall be managed by the Academy Board of Directors ("Academy Board"). The Academy Board may exercise any and all of the powers granted to it under the Michigan Non-Profit Corporation Act or pursuant to Part 6A of the Revised School Code ("Code"). The Academy Board may delegate such powers to the officers and committees of the Academy Board as it deems necessary, so long as such delegation is consistent with the Articles, these Amended Bylaws, the Contract and Applicable Law.

Section 2. Method of Selection and Appointment. The Central Michigan University Board of Trustees (“University Board”) shall prescribe the method of appointment for members of an Academy’s Board. The Center Director is authorized to develop and administer an academy board selection and appointment process that includes an *Application for Public School Academy Board Appointment* and is in accord with these policies:

- a. The University Board shall appoint the initial and subsequent Academy Board by resolution, except as prescribed by subparagraph d. The Center Director shall recommend qualified individuals to the University Board.

- b. The Academy Board, by resolution and majority vote, shall nominate its subsequent members, except as provided otherwise. The Academy Board shall recommend to the Center Director at least one nominee for each vacancy. Nominees shall submit the *Application for Public School Academy Board Appointment* for review by the Center. The Center Director may or may not recommend the appointment of a nominee submitted by the Academy Board. If the Center Director does not recommend the appointment of a nominee submitted by the Academy Board, he/she may select and recommend another nominee or may request the Academy Board submit a new nominee for consideration.
- c. An individual appointed to fill a vacancy created other than by the expiration of a term shall be appointed for the unexpired term of that vacant position.
- d. Under exigent conditions, and with the approval of the University Board's chair and the University President, the Center Director may appoint a qualified individual to the Academy Board. All appointments made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any appointments made under this provision.

Section 3. Length of Term. A Director of the Academy Board shall serve at the pleasure of the University Board. Terms of the initial positions of the Academy Board shall be staggered in accordance with *The Academy Board of Directors Table of Staggered Terms and Appointments* established and administered by the Center Director. Subsequent appointments shall be for a term of office not to exceed four (4) years, except as prescribed by *The Academy Board of Directors Table of Staggered Terms and Appointments*.

Section 4. Number of Director Positions. The number of director positions on the Academy Board shall not be less than five (5) nor more than nine (9) as determined by the University Board. If the Academy Board fails to maintain its full membership by making appropriate and timely nominations, the Center Director may deem that failure an exigent condition.

Section 5. Qualifications of Academy Board Members. To be qualified to serve on the Academy Board, a person shall, among other things: (a) be a citizen of the United States; (b) be a resident of the State of Michigan; (c) submit all materials requested by the Center including, but not limited to, the *Application for Public School Academy Board Appointment* which must include authorization to process a criminal background check; and (d) annually submit a conflict of interest disclosure as prescribed by the Center.

The members of the Academy Board shall not include (a) employees of the Academy; (b) any director, officer, or employee of a service provider that contracts with the Academy; (c) a Central Michigan University official or employee, as a representative of Central Michigan University.

Section 6. Oath of Public Office. All members of the Academy Board must take the constitutional oath of office and sign the *Oath of Public Office* before beginning their service. The *Oath of Public Office* shall be filed with the Center.

Section 7. Tenure. Each Director shall hold office until the Director's replacement, death, resignation, removal or until the expiration of the term, whichever occurs first.

Section 8. Removal and Suspension. If the University Board determines that the service in office of a Director of the Academy Board is no longer necessary, then the University Board may remove

the Academy Board member with or without cause and shall specify the date when the Academy Board member's service ends. The Academy Board member may also be removed from office for cause by a two-thirds (2/3) vote of the Academy's Board.

With the approval of the University Board's chair and the University President, the Center Director may suspend the service of a Director of the Academy Board if, in his/her judgment, the person's continued presence would constitute a risk to persons or property, or would seriously impair the operation of the Academy. Any suspension made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any suspensions made under this provision.

Section 9. Resignation. Any Director may resign at any time by providing written notice to the corporation or by communicating such intention (orally or in writing) to the Center. Notice of resignation will be effective upon receipt or at a subsequent time if designated in a written notice. A successor shall be appointed as provided in Section 2 of this Article.

Section 10. Board Vacancies. A Director vacancy shall occur because of death, resignation, removal, failure to maintain residency in the State of Michigan, disqualification or as otherwise specified in the Code. Any vacancy shall be filled as provided in Section 2 of this Article.

Section 11. Compensation. A Director of the Academy Board shall serve as a volunteer Director. By resolution of the Academy Board, the Directors may be reimbursed for their reasonable expenses incident to their duties.

ARTICLE V MEETINGS

Section 1. Annual and Regular Meetings. The Academy Board shall hold an annual meeting each year. The Academy Board must provide, by resolution, the time and place, within the State of Michigan, for the holding of regular monthly meetings. The Academy Board shall provide notice of the annual and all regular meetings as required by the Open Meetings Act.

Section 2. Special Meetings. Special meetings of the Academy Board may be called by or at the request of any Director. The person or persons authorized to call special meetings of the Academy Board may fix the place within the State of Michigan for holding any special meeting of the Academy Board called by them, and, if no other place is fixed, the place of meeting shall be the principal business office of the corporation in the state of Michigan. The corporation shall provide notice of all special meetings as required by the Open Meetings Act.

Section 3. Notice; Waiver. The Academy Board must comply with the notice provisions of the Open Meetings Act. In addition, notice of any meeting shall be given to each Director stating the time and place of the meeting, delivered personally, mailed, or sent by facsimile or electronic mail to the Director's business address. Any Director may waive notice of any meeting by written statement, facsimile or electronic mail sent by the Director, signed before or after the holding of the meeting. The attendance of a Director at a meeting constitutes a waiver of notice of such meeting, except where a Director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

Section 4. Quorum. In order to legally transact business, the Academy Board shall have a quorum physically present at a duly called meeting of the Academy Board. A “quorum” shall be defined as follows:

<u># of Academy Board Positions</u>	<u># Required for Quorum</u>
Five (5)	Three (3)
Seven (7)	Four (4)
Nine (9)	Five (5)

A Director of the Academy Board who is absent from a meeting of the Academy Board due to military duty may participate in the meeting virtually, and that member’s virtual presence will count towards quorum and allow the absent member to participate in and vote on business before the Academy Board.

Section 5. Manner of Acting. The act of the majority of the Directors present at a meeting at which a quorum is present shall be the act of the Academy Board. No member of the Academy Board may vote by proxy, by way of a telephone conference or any other electronic means of communication.

Section 6. Open Meetings Act. All meetings of the Academy Board shall at all times be in compliance with the Open Meetings Act.

Section 7. Presumption of Assent. A Director of the Academy Board who is present at a meeting of the Academy Board at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless that Director's dissent shall be entered in the minutes of the meeting or unless that Director shall file a written dissent to such action with the person acting as the Secretary of the meeting before the adjournment thereof or shall forward such dissent by registered mail to the Secretary of the corporation immediately after the adjournment of the meeting. This right to dissent shall not apply to a Director who voted in favor of such action.

ARTICLE VI COMMITTEES

Section 1. Committees. The Academy Board, by resolution, may designate one or more committees. Each committee is to consist of one or more Directors selected by the Academy Board. As provided in the resolution as initially adopted, and as thereafter supplemented or amended by further resolution, the committees shall have such powers as delegated by the Academy Board, except (i) filling of vacancies in the officers of the Academy Board or committees created pursuant to this Section; (ii) amending the Articles of Incorporation or Amended Bylaws; or (iii) any action the Academy Board cannot lawfully delegate under the Articles, Amended Bylaws or Applicable Law. All committee meetings shall at all times be in compliance with the Open Meetings Act. Each committee shall fix its own rules governing the conduct of its activities and shall make such reports to the Academy Board of its activities as the Academy Board may request.

ARTICLE VII OFFICERS OF THE BOARD

Section 1. Number. The officers of the Academy Board shall be a President, Vice-President, Secretary, Treasurer, and such assistant Treasurers and assistant Secretaries as may be selected by the Academy Board.

Section 2. Election and Term of Office. The Academy Board shall elect the initial officers at its first duly noticed meeting. Thereafter, the officers of the Academy Board shall be elected annually by the Academy Board. If the election of officers is not held at the annual meeting, the election shall be held as soon thereafter as may be convenient. Each officer shall hold office while qualified or until the officer resigns or is removed in the manner provided in Section 3.

Section 3. Removal. Any officer or agent elected or appointed by the Academy Board may be removed by the Academy Board whenever in its judgment the best interests of the corporation would be served thereby.

Section 4. Vacancies. A vacancy in any office shall be filled by appointment by the Academy Board for the unexpired portion of the term.

Section 5. President. The President of the Academy Board shall be a member of the Academy Board. The President of the corporation shall preside at all meetings of the Academy Board. If there is not a President, or if the President is absent, then the Vice-President shall preside. If the Vice-President is absent, then a temporary chair, chosen by the members of the Academy Board attending the meeting shall preside. The President shall, in general, perform all duties incident to the office of President of the Academy Board as may be prescribed by the Academy Board from time to time.

Section 6. Vice-President. The Vice-President of the Academy Board shall be a member of the Academy Board. In the absence of the President or in the event of the President's death, inability or refusal to act, the Vice-President shall perform the duties of President, and when so acting, shall have all the powers of and be subject to all the restrictions upon the President. The Vice-President shall perform such other duties as from time to time may be assigned to the Vice-President by the President or by the Academy Board.

Section 9. Assistants and Acting Officers. The Assistants to the officers, if any, selected by the Academy Board, shall perform such duties and have such authority as shall from time to time be delegated or assigned to them by the Secretary or Treasurer or by the Academy Board. The Academy Board shall have the power to appoint any member of the Academy Board to perform the duties of an officer whenever, for any reason, it is impractical for such officer to act personally. Such acting officer so appointed

shall have the powers of and be subject to all the restrictions upon the officer to whose office the acting officer is so appointed except as the Academy Board may by resolution otherwise determine.

Section 10. Salaries. Officers of the Academy Board, as Directors of the corporation, may not be compensated for their services. By resolution of the Academy Board, officers may be reimbursed for reasonable expenses incident to their duties.

Section 11. Filling More Than One Office. Subject to the statute concerning the Incompatible Public Offices, Act No. 566 of the Public Acts of 1978, being Sections 15.181 to 15.185 of the Michigan Compiled Laws, any two offices of the corporation except those of President and Vice-President may be held by the same person, but no officer shall execute, acknowledge or verify any instrument in more than one capacity.

ARTICLE VIII CONTRACTS, LOANS, CHECKS AND DEPOSITS; SPECIAL CORPORATE ACTS

Section 1. Contracts. The Academy Board may authorize any officer or officers, agent or agents, to enter into any contract, to execute and deliver any instrument, or to acknowledge any instrument required by law to be acknowledged in the name of and on behalf of the corporation. Such authority may be general or confined to specific instances, but the appointment of any person other than an officer to acknowledge an instrument required by law to be acknowledged should be made by instrument in writing. When the Academy Board authorizes the execution of a contract or of any other instrument in the name of and on behalf of the corporation, without specifying the executing officers, the President or Vice-President, and the Secretary or Treasurer may execute the same and may affix the corporate seal thereto. No contract entered into, by or on behalf of the Academy Board, shall in any way bind Central Michigan University or impose any liability on Central Michigan University, its trustees, officers, employees or agents.

Section 2. Loans. No loans shall be contracted on behalf of the Academy and no evidences of indebtedness shall be issued in its name unless authorized by a prior resolution of the Academy Board. Such authority shall be confined to specific instances. No loan, advance, overdraft or withdrawal by an officer or Director of the corporation, shall be made or permitted unless approved by the Academy Board. No loan entered into, by or on behalf of the Academy Board, shall in any way be considered a debt or obligation of Central Michigan University or impose any liability on Central Michigan University, its trustees, officers, employees or agents.

Section 3. Checks, Drafts, etc. All checks, drafts or other orders for the payment of money, notes or other evidences of indebtedness issued in the name of the Academy, shall be signed by Academy Board members or Academy Board employees, which shall not include employees of the Academy Board's Educational Service Provider, and in such manner as shall from time to time be determined by resolution of the Academy Board.

Section 4. Deposits. All funds of the Academy shall be deposited from time to time to the credit of the corporation in such banks, trust companies or other depositories as the Academy Board may select, provided that such financial institution is eligible to be a depository of surplus funds under Section 1221 of the Revised School Code, being Section 380.1221 of the Michigan Compiled Laws.

Section 5. Voting of Gifted, Bequested or Transferred Securities Owned by this Corporation. Subject always to the specific directions of the Academy Board, any shares or other securities issued by any other corporation and owned or controlled by this corporation may be voted at any meeting of security

holders of such other corporation by the President of this corporation or by proxy appointed by the President, or in the absence of the President and the President's proxy, by the Secretary or Treasurer of this corporation or by proxy appointed by the Secretary or Treasurer. Such proxy or consent in respect to any shares or other securities issued by any other corporation and owned by this corporation shall be executed in the name of this corporation by the President, the Secretary or the Treasurer of this corporation without necessity of any authorization by the Academy Board, affixation of corporate seal or countersignature or attestation by another officer. Any person or persons designated in the manner above stated as the proxy or proxies of this corporation shall have full right, power and authority to vote the shares or other securities issued by such other corporation and owned by this corporation the same as such shares or other securities might be voted by this corporation. This section shall in no way be interpreted to permit the corporation to invest any of its surplus funds in any shares or other securities issued by any other corporation. This section is intended to apply, however, to all gifts, bequests or other transfers of shares or other securities issued by any other corporation which are received by the corporation.

Section 6. Contracts Between Corporation and Related Persons. As required by Applicable Law, any Director, officer or employee of the Academy, who enters into a contract with the Academy, that meets the definition of contract under the statute on Contracts of Public Servants with Public Entities, Act No. 317 of the Public Acts of 1968, being sections 15.321 to 15.330 of the Michigan Compiled Laws, shall comply with the public disclosure requirements set forth in Section 3 of the statute.

The University Board authorizes the Academy Board to employ or contract for personnel according to the position information outlined in Schedule 5. However, the Academy Board shall prohibit any individual from being employed by the Academy, an Educational Service Provider or an employee leasing company involved in the operation of the Academy, in more than one (1) full-time position and simultaneously being compensated at a full-time rate for each of these positions. An employee hired by the Academy Board shall be an employee of the Academy for all purposes and not an employee of the University for any purpose. With respect to Academy Board employees, the Academy shall have the power and responsibility to (i) select and engage employees; (ii) pay their wages, benefits, and applicable taxes; (iii) dismiss employees; and (iv) control the employees' conduct, including the method by which the employee carries out his or her work. The Academy Board shall be responsible for carrying workers' compensation insurance and unemployment insurance for its employees. The Academy Board may contract with an Educational Service Provider or an employee leasing company to provide services or to provide personnel to perform services or work at the Academy. Before entering into an agreement with an Educational Service Provider or an employee leasing company to perform services or to provide personnel to perform services or work at the Academy, the Academy Board must first comply with the Educational Service Provider Policies issued by the Center. A copy of the agreement between the Academy Board and the Educational Service Provider or employee leasing company shall be included as part of Schedule 5.

The Academy shall comply with the Incompatible Public Offices statute, Act No. 566 of the Public Acts of 1978, of the Michigan Compiled Laws, and the Contracts of Public Servants With Public Entities statute, Act No. 371 of the Public Acts of 1968, of the Michigan Compiled Laws. The Academy Board shall ensure compliance with Applicable Law relating to conflicts of interest. Language in this Section controls over section 1203 of the Code. The following shall be deemed prohibited conflicts of interest:

- (a) An individual simultaneously serving as an Academy Board member and an owner, officer, director, employee or consultant of an Educational Service Provider or an employee leasing company, or a subcontractor to an Educational Service Provider or an employee leasing company that has an ESP Agreement with the Academy;

- (f) An individual simultaneously serving as an Academy Board member and having an ownership or financial interest in any real or personal property leased or subleased to the Academy.

No person shall be appointed or reappointed to serve as an Academy Board member if the person's mother, mother-in-law, father, father-in-law, son, son-in-law, daughter, daughter-in-law, sister, sister-in-law, brother, brother-in-law, spouse or domestic partner:

- (a) Is employed by the Academy Board;
- (b) Works at or is assigned to work at the Academy;
- (c) Has an ownership, officer, policymaking, managerial, administrative non-clerical or other significant role with the Academy's Educational Service Provider or employee leasing company; and
- (d) Has an ownership or financial interest in any school building lease or sublease agreement with the Academy.

The Academy Board shall require each individual who works at the Academy to annually disclose any familial relationship with any other individual who works at, or provides services to, the Academy. For purposes of this sub-section, familial relationship means a person's mother, mother-in-law, father, father-in-law, son, son-in-law, daughter, daughter-in-law, sister, sister-in-law, brother, brother-in-law, spouse or domestic partner.

ARTICLE IX INDEMNIFICATION

To the extent permitted by Applicable Law, each person who is or was a Director, officer or member of a committee of the Academy and each person who serves or has served at the request of the Academy as a trustee, director, officer, partner, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise, may be indemnified by the Academy. The corporation may purchase and maintain insurance on behalf of any such person against any liability asserted against and incurred by such person in any such capacity or arising out of his status as such, whether or not the corporation would have power to indemnify such person against such liability under the preceding sentence. The corporation may, to the extent authorized from time to time by the Academy Board, grant rights to indemnification to any employee or agent of the corporation.

**ARTICLE X
FISCAL YEAR**

The fiscal year of the corporation shall begin on the first day of July in each year.

**ARTICLE XI
AMENDMENTS**

These Amended Bylaws may be altered, amended or repealed and new Amended Bylaws may be adopted by obtaining (a) the affirmative vote of a majority of the Academy Board at any regular or special meeting of the Academy Board, if a notice setting forth the terms of the proposal has been given in accordance with the notice requirements of these Amended Bylaws and applicable law, and (b) the written approval of the changes or amendments by the Center Director. In the event that a proposed change is not accepted by the Center Director, the University Board may consider and vote upon a change proposed by the corporation following an opportunity for a written presentation to the University Board by the Academy Board. These Amended Bylaws and any amendments to them take effect only after they have been approved by both the Academy Board and by the Center Director.

Upon termination or revocation of the Contract, the corporation may amend its Amended Bylaws as necessary to allow the Academy Board to: (a) take action to appoint Academy Board members in order to have a quorum necessary to take Academy Board action; or (b) effectuate a dissolution, provided that the Academy Board may not amend the Amended Bylaws with regard to the disposition of assets upon dissolution.

FOR VALUE RECEIVED, Woodland Park Academy, County of Genesee, State of Michigan (the "Academy"), hereby acknowledges itself indebted and promises to pay, but only as provided in this Bond, to the Registered Owner specified above, or its registered assigns, the Principal Amount specified above in the principal installment amounts on the dates set forth on the attached Exhibit A, which is hereby incorporated and made part hereof, in lawful money of the United States of America, together with interest thereon at the Interest Rate set forth above, commencing on February 20, 2019, and monthly thereafter as set forth on the attached Exhibit A. Interest on this Bond shall be computed on the basis of a 360-day year and the number of actual days elapsed. The Academy agrees that it will deposit with the Registered Owner payment of principal of and interest on this Bond in immediately available funds by 3:00 p.m. on the dates set forth on the attached Exhibit A.

This Bond is issued under and in pursuance of the provisions of Act 451, Public Acts of Michigan, 1976, as amended, for the purpose of financing the current refunding of its Prior Obligation, as more fully described in the Resolution adopted by the Board of Directors of the Academy on November 15, 2018, approving the issuance of this Bond (the "Resolution").

For the prompt payment of this Bond, both principal and interest, the full faith and credit of the Academy is hereby pledged. As further security for the repayment of the Bond, the Academy has granted to the Registered Owner a first lien mortgage (the "Mortgage") on the Academy's Facility as more fully described in the Resolution.

Woodland Park Academy

The Academy shall be precluded from incurring any additional indebtedness that is senior to the Mortgage and the full faith and credit pledged by the Academy under this Bond. With the written consent of the Registered Owner, the Academy may incur additional indebtedness secured by the Mortgage and on a parity basis with the full faith and credit pledged by the Academy under this Bond. Without the consent of the Registered Owner, the Academy may incur additional indebtedness subordinate to the Mortgage and the full faith and credit pledged by the Academy under this Bond.

THIS BOND IS A FULL FAITH AND CREDIT OBLIGATION OF THE ACADEMY PAYABLE SOLELY FROM THE ACADEMY'S FUNDS PLEDGED THEREFOR PURSUANT TO THE RESOLUTION. ALL STATE SCHOOL AID IS SUBJECT TO ANNUAL APPROPRIATION BY THE STATE LEGISLATURE AND THE LEGISLATURE IS NOT REQUIRED TO APPROPRIATE MONIES FOR SUCH PURPOSE. THIS BOND DOES NOT CONSTITUTE AN OBLIGATION, EITHER GENERAL, SPECIAL, OR MORAL, OF THE STATE OF MICHIGAN, THE CENTRAL MICHIGAN UNIVERSITY (THE "AUTHORIZING BODY" OF THE ACADEMY), OR ANY OTHER POLITICAL SUBDIVISION OF THE STATE, AND NEITHER THE FULL FAITH AND CREDIT NOR ANY TAXING POWERS OF THE STATE OF MICHIGAN, THE AUTHORIZING BODY OR ANY OTHER POLITICAL SUBDIVISION OF THE STATE ARE PLEDGED TO THE PAYMENT OF PRINCIPAL AND INTEREST WITH RESPECT TO THIS BOND. THE ACADEMY HAS NO TAXING POWER.

This Bond is transferable only upon the books of the Academy by the Registered Owner in person or the Registered Owner's attorney duly authorized in writing, upon the surrender of this Bond together with a written instrument of transfer satisfactory to the Academy, duly executed by the Registered Owner or the Registered Owner's attorney duly authorized in writing, and thereupon a new bond or bonds in the same aggregate principal amount and of the same maturity shall be issued to the transferee in exchange therefor as provided in the Resolution authorizing the Bond.

The Academy covenants and agrees to maintain a Post Distribution Debt Service Coverage Ratio that will be at least one point two (1.20) during each fiscal year. All determinations required pursuant to this covenant shall be made utilizing the Academy's audited financial statement for the appropriate fiscal year. The term "Post Distribution Debt Service Coverage Ratio" is defined as the Academy's (i) change in net position plus; (ii) interest expense plus, (iii) depreciation and amortization expense plus, (iv) loss on sale of assets minus, (v) gain on sale of assets plus/minus, (vi) change in net pension liability plus/minus (vii) change in net OPEB liability minus, (viii) distributions and/or dividends divided by the sum of all contractual principal and interest payments for the trailing 12 month period on all obligations.

The Academy further covenants and agrees to provide to the Registered Owner the following information: (i) simultaneously with delivery to the Authorizing Body a copy of the Academy's adopted annual budget for the succeeding fiscal year; (ii) simultaneously with

Woodland Park Academy

delivery to the Authorizing Body, a copy of revisions, if any, to the Academy's annual budget as approved by its governing board; (iii) simultaneously with delivery to the Authorizing Body, but not later than one hundred twenty (120) days after the close of each fiscal year, its audited financial statements for such fiscal year reflecting in reasonable detail the financial position and results of operation of the Academy; together with the audit report by a certified public accountant or firm of independent certified public accountants of suitable experience and responsibility, together with a copy of any management letter delivered by the auditors in connection with such financial statements; (iv) simultaneously with delivery to the Authorizing Body, or if no interim reporting is required under the Charter Contract with the Authorizing Body, within 45 days of the end of each fiscal quarter, unaudited financial statements for such fiscal quarter reflecting revenues and expenses in comparative form with the Academy's operating budget; (v) promptly upon receipt by the Academy from the Authorizing Body, a copy of any report or notification required under the Charter Contract with the Authorizing Body regarding a violation or possible violation of the terms of the Charter Contract which would give grounds for the Authorizing Body to begin the revocation process, as well as any response by the Academy required under the terms of the Charter Contract with the Authorizing Body; (vi) simultaneously with delivery to the Authorizing Body, a copy of any report concerning the results of any educational testing required by federal or State law; and (vii) simultaneously with delivery to the Michigan Department of Education, the Academy shall provide the Registered Owner with a copy (which may be by electronic transfer) of each report on enrollment and headcount statistics provided to the Michigan Department of Education.

This Bond may be prepaid and redeemed, in whole or in part, at any time in accordance with the terms of the Prepayment Addendum attached hereto as Exhibit B.

Any one of the following shall constitute an Event of Default hereunder:

- (a) Default in the payment of any interest on this Bond when and as the same is due; or
- (b) Default in the payment of the principal of or any premium on this Bond when and as the same is due, whether at the stated maturity or redemption date thereof or by acceleration; or
- (c) Failure of State Aid Payments to be deposited with the Authorizing Body; or
- (d) Contingent renewal, termination, revocation or nonrenewal of the Charter Contract with the Authorizing Body, unless waived in writing by the Registered Owner; or
- (e) Default in the observance or performance of any other of the covenants, agreements or conditions on the part of the Academy included in this Bond and the continuance thereof for a period of 30 days after the Registered Owner gives written notice to the Academy; provided, however, if such Default is such that it

Woodland Park Academy

cannot be cured within such 30 day period, it shall not constitute an Event of Default if the Default is correctable and if corrective action is instituted within such 30 day period and diligently pursued until the Default is corrected, but in no event shall the period allowed for correction exceed ninety (90) days; or

- (f) An Event of Default under the Mortgage; or
- (g) The Academy being placed on probationary status by the Authorizing Body or the Michigan Department of Education unless waived in writing by the Registered Owner

Upon the occurrence and continuation of any Event of Default hereunder, the Registered Owner may declare the principal of and any premium on this Bond and the interest accrued thereon to be due and payable immediately, and, upon such declaration, such principal and premium, if any, and interest shall become and be immediately due and payable. Interest on the Bond shall cease to accrue on the date of such payment.

If any Event of Default has occurred and is continuing then, in each case, the Registered Owner may proceed to protect and enforce its rights under the laws of the State or under this Bond by the exercise of any proper legal or equitable right or remedy as the Registered Owner deems most effectual to protect and enforce such rights, and without limitation of the foregoing, may:

- (a) By mandamus, or other suit, action or proceeding at law or in equity, enforce its rights to collect the principal of and interest on the Bond adequate to carry out the covenants and agreements as to, and pledge of, such principal and interest; and to require the Academy to carry out any other agreements with, or for the benefit of, the Registered Owner and to perform its duties under this Bond and the Mortgage;
- (b) Bring suit upon the Bond;
- (c) By action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Registered Owner;
- (e) By action or suit, enforce the remedies provided under the Mortgage; and
- (f) Exercise any or all other rights and remedies provided for by law, and by any suit, action or special proceeding at law or in equity, either for the specific performance of any covenant or agreement contained herein or in the Mortgage, or in aid of execution of any power or right herein or therein granted.

No remedy by the terms of this Bond is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Registered Owner now or hereafter existing at law or in equity or by

Woodland Park Academy

statute. No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default, or acquiescence therein; and every such right and power may be exercised from time to time and as often as may be deemed expedient. No waiver of any default or Event of Default hereunder, whether by the Registered Owner, shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereon.

It is hereby certified, recited, and declared that all acts, conditions and things required to exist, happen and be performed precedent to and in connection with the issuance of this Bond, existed, have happened and have been performed in due time, folio and manner, as required by the Constitution and statutes of the State of Michigan, and that the amount of this Bond together with all other indebtedness of the Academy does not exceed any constitutional or statutory limitation.

SCHEDULE OF PRINCIPAL AND INTEREST PAYMENTS

[See Amortization Schedule Attached]

EXHIBIT B

PREPAYMENT ADDENDUM

The Academy may prepay the principal of the Bond in increments of \$50,000 at any time as long as Registered Owner is provided written notice of the prepayment at least five (5) business days prior to the date of prepayment (the "Prepayment Date"). The notice of prepayment shall contain the following information: (a) the Prepayment Date and (b) the amount of principal to be prepaid. On the Prepayment Date, the Academy will pay to the Registered Owner, in addition to the other amounts then due on the Bond, the Prepayment Amount described below. The Registered Owner, in its sole discretion, may accept any prepayment of principal even if not required to do so under this Bond and may deduct from the amount to be applied against principal the other amounts required as part of the Prepayment Amount.

The Prepaid Principal Amount (as defined below) will be applied to the Bond in the reverse order of which the principal payments would have been due under the Bond's principal amortization schedule. In other words, if the Bond requires multiple principal payments, then as opposed to prepaying the next principal payment due, the Prepaid Principal Amount will be applied beginning with the final principal payment due on this Bond.

If Registered Owner exercises its right to accelerate the payment of this Bond prior to maturity, the Academy will pay to Registered Owner, in addition to the other amounts then due on the Bond, on the date specified by Registered Owner as the Prepayment Date, the Prepayment Amount.

The Registered Owner's determination of the Prepayment Amount will be conclusive in the absence of obvious error or fraud. If requested in writing by the Academy, the Registered Owner will provide the Academy a written statement specifying the Prepayment Amount. The Academy acknowledges and agrees that the prepayment premium: (i) constitutes liquidated damages, (ii) is a reasonable method for determining the actual losses of the Registered Owner in the event all or part of any principal of the Bond is paid in whole or in part before its original due date, and (iii) is not a penalty.

The following "Prepayment Amount" shall be due and payable in full on the Prepayment Date: The sum of: (i) the amount of principal which the Academy has elected to prepay or the amount of principal which the Registered Owner has required the Academy to prepay because of acceleration, as the case may be (the "Prepaid Principal Amount"), (ii) interest accruing on the Prepaid Principal Amount up to, but not including, the Prepayment Date, plus (iii) a prepayment premium on the Prepaid Principal Amount according to the following schedule:

Woodland Park Academy, Series 2019 Bond

IT IS HEREBY COVENANTED, DECLARED AND AGREED that the Mortgaged Estate is to be held and disposed of by Mortgagee, upon and subject to the provisions of this Mortgage.

ARTICLE I

REPRESENTATIONS, WARRANTIES, COVENANTS AND AGREEMENTS OF MORTGAGOR

Mortgagor hereby represents, warrants, covenants and agrees:

Section 1.01. Payment of Secured Obligations. Mortgagor hereby grants this Mortgage to secure the payment and performance when due of the Secured Obligations. The consideration received by Mortgagee to execute and deliver this Mortgage and the liens and security interests created herein is sufficient and will provide a direct economic benefit to Mortgagee.

Section 1.02. Title of Mortgagor. Mortgagor has, subject to the matters set forth as exceptions in the loan policy of title insurance to be provided to Mortgagee in connection with this Mortgage as well as those exceptions provided in the attached Exhibit B (the "Permitted Encumbrances"), in its own right, good, marketable and indefeasible title in fee simple to the Mortgaged Estate, which is free from encumbrance superior to the encumbrance of this Mortgage, and has full right, power and authority to execute and deliver this Mortgage and to make the conveyances and grant the interests and security contemplated hereby. This Mortgage constitutes a valid first lien upon and security interest in the Mortgaged Estate, subject only to the Permitted Encumbrances.

Mortgagor hereby covenants that Mortgagee shall preserve such title and the validity and priority of the lien of this Mortgage and shall forever warrant and defend the same to Mortgagee against all lawful claims whatsoever; and shall execute, acknowledge and deliver all such further documents or assurances as may at any time hereafter be required by Mortgagee to protect fully the lien of this Mortgage.

Section 1.03. [Reserved]

Section 1.04. Maintenance; Repair; Alterations. Mortgagor shall: (i) keep the Mortgaged Estate in good condition and repair, subject to reasonable and ordinary wear and tear; not remove, demolish or substantially alter (except such alterations as may be required by applicable laws, ordinances or regulations) any of the Improvements; (ii) complete promptly and in good and workmanlike manner any building or other improvement which may be constructed on the Land and promptly restore in like manner any Improvement which may be damaged or destroyed thereon, subject to the provisions of Section 1.07 hereof, and pay when due all claims for labor performed and materials furnished therefor; (iii) comply with all applicable laws, ordinances, regulations, covenants, conditions and restrictions now or hereafter affecting the Mortgaged Estate or any part thereof or requiring any alterations or improvements; (iv) not commit or permit any waste or deterioration of the Mortgaged Estate; (v) keep and maintain

MORTGAGE

abutting grounds, sidewalks, roads, parking and landscape areas in good and neat order and repair; (vi) comply with the provisions of any lease, if this Mortgage is on a leasehold; (vii) use the Mortgaged Estate and continue to cause the Mortgaged Estate to be used as permitted under applicable law; and (viii) not commit, suffer or permit any act to be done in or upon the Mortgaged Estate in violation of any applicable law, ordinance or regulation.

Section 1.05. Required Insurance. Mortgagor shall provide, maintain and keep at all times in force those policies of insurance required in the Academy's Charter Contract with its Authorizing Body ("Charter Contract").

Section 1.06. Delivery of Insurance Policies; Payment of Premiums.

(a) All policies of insurance shall be issued by companies and in amounts as required by the provisions of the Charter Contract.

(b) In the event Mortgagor fails to provide, maintain, keep in force or deliver and furnish to Mortgagee evidence of the policies of insurance required by the Charter Contract, Mortgagee may procure such insurance or single-interest insurance for such risks covering Mortgagee's interest, and Mortgagor will pay all premiums thereon promptly upon demand by Mortgagee, and until such payment is made by Mortgagor the amount of all such premiums, together with interest thereon, shall be secured by this Mortgage.

(c) Upon occurrence of an Event of Default, Mortgagee shall apply any sums or amounts received pursuant hereto; or as Revenues or income of the Mortgaged Estate or otherwise, as required under the Series 2019 Bond. The receipt, use or application of any such sums by Mortgagee hereunder shall not be construed to affect the maturity of any Secured Obligation or any of the rights or powers of Mortgagee under the terms of the Series 2019 Bond or any of the obligations of Mortgagor under the Series 2019 Bond. Notwithstanding the application of such sums to the payment of a portion of the Secured Obligations, any unpaid portion of the Secured Obligations shall remain in full force and effect, and Mortgagor shall not be excused in the remaining payment thereof.

Section 1.07. Insurance Proceeds. After the occurrence of any casualty to the Mortgaged Estate or any part thereof, Mortgagor shall give prompt written notice thereof to Mortgagee and each insurer and promptly submit a claim to such insurer(s) for payment of insurance proceeds. Proceeds of all insurance awards ("Insurance Proceeds") shall be held and disbursed by the Mortgagor. Notwithstanding the application of Insurance Proceeds to the payment of a portion of the Secured Obligations, any unpaid portion of the Secured Obligations shall remain in full force and effect, and Mortgagor shall not be excused in the payment thereof.

Except as provided below, nothing contained in this Mortgage shall be deemed to excuse Mortgagor from repairing or maintaining the Mortgaged Estate as provided in Section 1.04 hereof. The application or release by Mortgagee of any Insurance Proceeds shall not cure or waive any Event of Default or notice of default under this Mortgage or invalidate any act done pursuant to such notice.

Section 1.08. Assignment of Policies Upon Foreclosure. In the event of the foreclosure of this Mortgage, or other transfer of title to the Mortgaged Estate, or any part thereof, by nonjudicial foreclosure sale or deed in lieu of foreclosure, the purchaser of the Mortgaged Estate, or such part thereof, shall succeed to all of Mortgagor's rights, including any rights to unexpired insurance and unearned or returnable premiums, in and to all insurance policies required by Section 1.05 hereof, subject to limitations on assignment of blanket policies, and limited to such rights as relate to the Mortgaged Estate or such part thereof. If Mortgagee acquires title to the Mortgaged Estate, or any part thereof, in any manner, it shall thereupon (as between Mortgagor and Mortgagee) become the sole and absolute owner of the insurance policies, and all proceeds payable thereunder with respect to the Mortgaged Estate, or such part thereof, required by Section 1.05 hereof, with the sole right to collect and retain all unearned or returnable premiums thereon with respect to the Mortgaged Estate, or such part thereof, if any.

Section 1.09. Expenses; Indemnification; Waiver of Offset.

(a) Mortgagor shall pay or reimburse Mortgagee for all reasonable expenses incurred by Mortgagee before and after the date of this Mortgage with respect to any and all transactions contemplated by this Mortgage including without limitation, the preparation of any document reasonably required hereunder or any amendment, modification, restatement or supplement to this Mortgage, the delivery of any consent, non-disturbance agreement or similar document in connection with this Mortgage or the enforcement of any of Mortgagee's rights. Such expenses shall include, without limitation, all reasonable title and conveyancing charges, recording and filing fees and taxes, mortgage taxes, intangible personal property taxes, escrow fees, revenue and tax stamp expenses, privilege taxes, use taxes, insurance premiums (including title insurance premiums), title search and title rundown charges, brokerage commissions, finders' fees, placement fees, court costs, surveyors', photographers', appraisers', architects', engineers', consulting professionals', accountants', and attorneys' fees and disbursements.

(b) If (i) any sale (or prerequisite to a sale), action or proceeding shall be commenced by Mortgagee (including but not limited to any sale of the Mortgaged Estate, or any action to foreclose this Mortgage or to collect the Secured Obligations), or any action or proceeding is commenced to which Mortgagee is made a party, or in which it becomes necessary to defend or uphold the rights granted by this Mortgage (including, without limitation, any proceeding or other action relating to the bankruptcy, insolvency or reorganization of Mortgagor or any other person or entity obligated hereunder), or in which Mortgagee is served with any legal process, discovery notice or subpoena, and (ii) in each of the foregoing instances such action or proceeding in any manner relates to or arises out of this Mortgage or issuance of the Series 2019 Bond or acceptance of a guaranty from a guarantor of the Secured Obligations or any of the transactions contemplated by this Mortgage and such action or proceeding does not relate to or arise out of the negligence, breach of trust or willful misconduct of Mortgagee as applicable, then Mortgagor will immediately reimburse or pay to Mortgagee all of the expenses which have been or may be incurred by Mortgagee with respect to the foregoing

MORTGAGE

(including reasonable counsel fees and disbursements), together with interest thereon, and any such sum and the interest thereon shall be included in the Secured Obligations and have the full benefit of this Mortgage, prior to any right, or title to, interest in or claim upon the Mortgaged Estate attaching or accruing to this Mortgage, and shall be deemed to be secured by this Mortgage. In any action or proceeding to sell the Mortgaged Estate, to foreclose this Mortgage, or to recover or collect the Secured Obligations, the provisions of law respecting the recovering of costs, disbursements and allowances shall prevail unaffected by this covenant.

(c) To the extent permitted by law, Mortgagor shall indemnify and hold harmless Mortgagee, from and against all claims, damages, losses and liabilities (including, without limitation, reasonable attorneys' fees and expenses) arising out of or based upon any matter related to this Mortgage, the Mortgaged Estate or the occupancy, ownership, maintenance or management of the Mortgaged Estate by Mortgagor, including, without limitation, any claims based on the alleged acts or omissions of any employee or agent of Mortgagor except for such damages incurred due to the negligence, breach of trust or willful misconduct of Mortgagee or its affiliates, directors, officers, agents or employees. This indemnification shall be in addition to any other liability which Mortgagor may otherwise have to Mortgagee.

(d) Mortgagor waives any and all right to claim or recover against Mortgagee for loss of or damage to Mortgagor, the Mortgaged Estate, Mortgagor's property or the property of others under Mortgagor's control from any cause insured against or required to be insured against by the provisions of this Mortgage except for such damages incurred due to the negligence, breach of trust or willful misconduct of Mortgagee.

(e) All sums payable by Mortgagor under this Mortgage shall be paid without notice, demand, counterclaim, setoff, deduction or defense and without abatement, suspension, deferment, diminution or reduction, and the Secured Obligations of Mortgagor hereunder shall in no way be released, discharged or otherwise affected by reason of: (i) any damage to or destruction of or any condemnation or similar taking of the Mortgaged Estate or any part thereof; (ii) any restriction or prevention of or interference with any use of the Mortgaged Estate or any part thereof; (iii) any title defect or encumbrance or any eviction from the Mortgaged Estate or any part thereof by title paramount or otherwise; (iv) any bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation or other like proceeding relating to Mortgagor, or any action taken with respect to this Mortgage by any trustee or receiver of Mortgagor, or by any court, in any such proceeding; or (v) any other occurrence whatsoever, whether similar or dissimilar to the foregoing; whether or not Mortgagor shall have notice or knowledge of any of the foregoing. To the extent permitted by law, Mortgagor waives all rights now or hereafter conferred by statute or otherwise to any abatement, suspension, deferment, diminution or reduction of any Secured Obligation. Notwithstanding the above, Mortgagor may maintain a separate suit regarding such matters.

Woodland Park Academy, Series 2019 Bond

Section 1.10. Taxes and Impositions.

(a) Mortgagor agrees to pay, prior to delinquency, all real and personal property taxes and assessments, general and special, and all other taxes and assessments of any kind or nature whatsoever, which are assessed or imposed upon the Mortgaged Estate or any part thereof, or become due and payable, and which create, may create or appear to create a lien upon the Mortgaged Estate, or any part thereof, or upon any personal property, equipment or other facility used in the operation or maintenance thereof (all of which taxes, assessments and other governmental and nongovernmental charges of like nature are hereinafter referred to as "Impositions").

(b) Subject to the applicable State law provisions, Mortgagor shall have the right before any delinquency occurs to contest or object to the amount or validity of any Imposition by appropriate legal proceedings.

(c) Mortgagor covenants and agrees not to suffer, permit or initiate the joint assessment of the real and personal property, or any other procedure whereby the lien of the real property taxes and the lien of the personal property taxes shall be assessed, levied or charged to the Mortgaged Estate as a single lien.

Section 1.11. Utilities. Mortgagor shall pay when due all utility charges which are incurred for the benefit of the Mortgaged Estate or any part thereof or which may become a charge or lien against the Mortgaged Estate for gas, electricity, water or sewer services furnished to the Mortgaged Estate and all other taxes, assessments or charges of a similar nature, whether public or private, affecting the Mortgaged Estate or any portion thereof, whether or not such taxes, assessments or charges are liens thereon.

Section 1.12. Actions Affecting Mortgaged Estate. Mortgagor shall appear in and contest any action or proceeding purporting to affect the title of Mortgagor in the Mortgaged Estate or any part thereof or security hereof or the rights or powers of Mortgagee; and Mortgagor shall pay all costs and expenses, including cost of evidence of title and reasonable attorneys' fees, in any such action or proceeding in which Mortgagee may appear.

Section 1.13. Actions by Mortgagee To Preserve Mortgaged Estate. Should Mortgagor fail to make any payment or to do any act as and in the manner provided in this Mortgage, Mortgagee, without notice to, or demand upon, Mortgagor and without releasing Mortgagor from any Secured Obligation, may make or do the same in such manner and to such extent as Mortgagee, may deem necessary to protect the security hereof. In connection therewith (without limiting its general powers), Mortgagee shall have, and is hereby given the right, but not the obligation: (i) to enter upon and take possession of the Mortgaged Estate; (ii) to make additions, alterations, repairs and improvements to the Mortgaged Estate which it may consider necessary or proper to keep the Mortgaged Estate in good condition and repair; (iii) to appear and participate in any action or proceeding affecting or which may affect the security hereof or the rights or powers of Mortgagee; (iv) to pay, purchase, contest or compromise any encumbrance, claim, charge, lien or debt which in the judgment of Mortgagee shall affect or appears to affect the security of this Mortgage or be prior or superior hereto; and (v) in

exercising such powers, to pay necessary expenses, including employment of counsel or other necessary or desirable consultants. Any such costs and expenses incurred by Mortgagee and any such amounts paid by Mortgagee shall be secured hereby with the same priority afforded this Mortgage as recorded. Mortgagor shall immediately upon demand therefor by Mortgagee pay all of the foregoing costs and expenses incurred by Mortgagee in connection with the exercise by Mortgagee of the foregoing rights, including without limitation costs of evidence of title, court costs, appraisals, surveys and reasonable attorneys' fees provided, however, that Mortgagor shall not be liable to pay for any such costs or expenses incurred by Mortgagee due to the gross negligence, willful misconduct or breach of trust of Mortgagee or its affiliates, directors, officers, agents or employees.

Section 1.14. Survival of Warranties. Mortgagor shall fully and faithfully satisfy and perform the Secured Obligations. All representations, warranties and covenants of Mortgagor contained herein shall remain continuing obligations, warranties and representations of Mortgagor during any time when any portion of the obligations secured by this Mortgage remain outstanding.

Section 1.15. Eminent Domain. Should the Mortgaged Estate, or any part thereof or interest therein, be taken or damaged by reason of any public improvement or condemnation proceeding, or in any other manner ("Condemnation"), or should Mortgagor receive any notice or other information regarding such proceeding, Mortgagor shall give prompt written notice thereof to Mortgagee. Mortgagee may participate in any such Condemnation proceedings, and Mortgagor shall from time to time deliver to Mortgagee all instruments requested by Mortgagee to permit such participation. Mortgagor shall, at its sole cost and expense, diligently prosecute any such proceedings and shall consult with Mortgagee and cooperate with them in the carrying on or defense of any such proceedings. All proceeds of Condemnation awards or proceeds of sale in lieu of Condemnation with respect to the Mortgaged Estate and all judgments, decrees and awards for injury or damage to the Mortgaged Estate or any part thereof or interest therein shall be paid to Mortgagor or Mortgagee and shall be applied first to all reasonable costs and expenses incurred by Mortgagee, if any, in obtaining the proceeds. The balance of proceeds, if any, shall be paid to the Mortgagor.

Mortgagor hereby assigns and transfers to Mortgagee, and agrees to execute such further assignments of, all such proceeds, judgments, decrees and awards as Mortgagee may request. Mortgagee is hereby authorized, in the name of Mortgagor, to execute and deliver valid acquittances for, and to appeal from, any such judgment, decree or award. Mortgagor hereby authorizes, directs and empowers Mortgagee, at its option, and with notice to Mortgagor, on Mortgagor's behalf, or on behalf of the successors or assigns of Mortgagor, to adjust, compromise, claim, collect and receive such proceeds and to give proper receipts and acquittances therefor. Mortgagee shall not be, in any event or circumstance, liable or responsible for failure to collect or exercise diligence in the collection of any proceeds, judgments, decrees or awards unless such failure is due to Mortgagee's negligence, willful misconduct or breach of trust.

Section 1.16. Additional Security. In the event Mortgagee at any time holds additional security for any of the Secured Obligations, it may enforce the sale thereof or otherwise realize upon the same, at its option, either before, concurrently with or after any sale is made hereunder.

Section 1.17. Additional Indebtedness. Except for the Permitted Encumbrances, Mortgagor shall not further encumber the Mortgaged Estate or any portion thereof (including, without limitation, secured transactions under the Uniform Commercial Code in effect in the State, the "UCC").

Section 1.18. Successors and Assigns. This Mortgage applies to, inures to the benefit of and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The covenants and agreements of Mortgagor contained herein shall apply to and be binding upon any successor owner of the Mortgaged Estate or any part thereof.

Section 1.19. Inspections. Mortgagee or their agents, representatives or workmen are authorized to enter upon notice of two Business Days to Mortgagor at any reasonable time upon or in any part of the Mortgaged Estate for the purpose of inspecting the same and all books, records and documents relating thereto.

Section 1.20. Liens. Mortgagor shall pay and promptly discharge, at Mortgagor's sole cost and expense, all liens, encumbrances and charges upon the Mortgaged Estate, or any part thereof or interest therein other than the Permitted Encumbrances. Mortgagor shall have the right to contest in good faith the validity of any such lien, encumbrance or charge, provided Mortgagor shall thereafter diligently and in good faith proceed to cause such lien, encumbrance or charge to be removed and discharged. If Mortgagor shall fail to discharge any such lien, encumbrance or charge, then, in addition to any other right or remedy of Mortgagee, Mortgagee may, but shall not be obligated to, discharge the same, either, by paying the amount claimed to be due; or by procuring the discharge of such lien, either, by depositing in court a bond in the amount claimed or otherwise giving security for such claim, or in such manner as is or may be prescribed by law. Any cost incurred by Mortgagee in connection with any such payment or discharge shall be secured hereby and shall be immediately due and payable without notice or demand.

Section 1.21. Restrictions Affecting Title. Mortgagor shall perform when due all obligations required to be performed by Mortgagor by the provisions of any agreement affecting title to the Mortgaged Estate or any part thereof.

Section 1.22. Further Assurances. Mortgagor shall, upon the execution and delivery hereof and thereafter from time to time, take such actions as Mortgagee may request to cause this Mortgage, each supplement and amendment to such instrument and financing statements with respect thereto and each instrument of further assurance (collectively, the "Recordable Documents") to be filed, registered and recorded as may be required by law and maintain the first lien or security interest, as applicable, hereof upon the Trust Estate and protect the validity of the Recordable Documents. Mortgagor shall take all action and do all things which it is authorized by law to take and do, and cooperate with Mortgagee as Mortgagee deems necessary

or desirable, to insure the release of all encumbrances against the Mortgaged Estate, except the Permitted Encumbrances, existing prior to the date hereof.

So long as any Secured Obligations shall remain unpaid, Mortgagor shall execute, acknowledge, where appropriate, and deliver from time to time promptly at the request of Mortgagee all such instruments and documents as in the opinion of Mortgagee are necessary or desirable to preserve the first priority lien created by this Mortgage. If Mortgagor shall fail or refuse to execute, acknowledge, where appropriate, and deliver such instruments and documents to preserve the first priority lien created by this Mortgage within 10 Business Days following a written request by Mortgagee, Mortgagor irrevocably constitutes and appoints Mortgagee as its attorney-in-fact to execute and deliver such instruments, it being stipulated that such power of attorney is coupled with an interest and is irrevocable and binding.

Section 1.23. Performance of Covenants; Incorporation of Representations and Warranties. Mortgagor shall faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in the Series 2019 Bond and in all of its proceedings pertaining to this Mortgage. The covenants, representations and warranties of Mortgagor set forth in the Series 2019 Bond are incorporated by reference into this Mortgage as if stated in full in this Mortgage and such representations and warranties as incorporated herein shall be deemed to have been made as of the date of this Mortgage and shall survive the execution and delivery of this Mortgage.

Section 1.24. Notification of Event of Default Under Mortgage. Mortgagor agrees to notify Mortgagee immediately in writing of any default by Mortgagor in the performance or observance of any covenant, agreement, representation, warranty or obligation of Mortgagor set forth in this Mortgage. Mortgagor shall also notify Mortgagee in writing of any event or condition which with the lapse of time or the giving of notice would constitute an Event of Default.

Section 1.25. Required Notices. Mortgagor shall notify Mortgagee within three (3) days of: (a) receipt of any notice from any governmental or quasi-governmental authority relating to the structure, use or occupancy of the Real Property or alleging a violation of any legal requirement; (b) a substantial change in the occupancy or use of all or any part of the Real Property; (c) receipt of any notice from the holder of any lien or security interest in all or any part of the Real Property; (d) commencement of any litigation affecting or potentially affecting the financial ability of Mortgagor or the value of the Real Property; (e) a fire or other casualty causing damage to all or any part of the Real Property; (f) receipt of any notice, request for information, demand letter or notification of potential liability with regard to hazardous materials or any other environmental matter affecting the Real Property or Mortgagor's interest therein; or (g) receipt of any notice of the imposition of, or of threatened or actual execution on, any lien on or security interest in all or any part of the Mortgaged Estate.

Section 1.26. Organization; Due Authorization. Mortgagor is a public school academy duly organized, validly existing and in good standing under the laws of the State and has the requisite power, authority and legal right to carry on the business conducted by it and to engage in the transactions contemplated by the Series 2019 Bond. The execution and delivery of

MORTGAGE

Woodland Park Academy, Series 2019 Bond

the Series 2019 Bond and this Mortgage and the performance and observance of the respective provisions thereof have all been authorized by all necessary actions of Mortgagor.

Section 1.27. Liabilities; Compliance With Other Instruments. Mortgagor has no liabilities regarding the Mortgaged Estate except those hereunder and those otherwise contemplated or permitted by this Mortgage, none of which are delinquent. Mortgagor is not in default (i) in the payment of any taxes levied or assessed against it or its assets, (ii) under any applicable statute, rule, order or regulation of any governmental authority, (iii) under this Mortgage, or (iv) under any other agreement to which it is a party or by which it or any of its properties are bound.

Neither the execution and delivery of this Mortgage and the Series 2019 Bond, nor the consummation of the transactions herein or therein contemplated nor compliance with the terms and provisions hereof or thereof, conflicts with or results or will result in a breach of any of the terms, conditions or provisions of the articles of incorporation of Mortgagor, any law, order, rule, regulation, writ, injunction or decree of any court or governmental authority, or any agreement or instrument to which Mortgagor is a party or by which it or any of its properties are bound, or constitutes or will constitute a default thereunder, or result or will result in the creation or imposition of any lien of any nature whatsoever upon any of its property or assets pursuant to the terms of any such agreement or instrument except the liens created or permitted by the Series 2019 Bond.

Section 1.28. Enforceability. This Mortgage and the Series 2019 Bond have been duly executed and delivered by Mortgagor and constitute valid and binding obligations of Mortgagor enforceable in accordance with their respective terms, except as the enforceability (but not the validity thereof) may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting the enforcement of creditors' rights generally.

Section 1.29. Pending Litigation. There are no proceedings pending or, to the knowledge of Mortgagor, threatened, against or affecting Mortgagor or any part of the Mortgaged Estate in any court or before any governmental authority or arbitration board or tribunal which if adversely determined would materially and adversely affect the properties, business, prospects, profits or condition (financial or otherwise) of Mortgagor or the right or ability of Mortgagor to enter into this Mortgage or the Series 2019 Bond, and if any such proceedings are subsequently initiated or threatened then Mortgagor will promptly provide written notice to Mortgagee. Mortgagor is not in default with respect to any order of any court or governmental authority or arbitration board or tribunal.

Section 1.30. Compliance With Law. Mortgagor and the Mortgaged Estate are in substantial compliance with all laws, ordinances, governmental rules or regulations to which it is subject, including, without limitation, the Occupational Safety and Health Act of 1970, the Employee Retirement Income Security Act of 1974 and all laws, ordinances, governmental rules or regulations relating to environmental protection the violation of which would materially and adversely affect the properties, business, prospects, profits or condition (financial or otherwise) of Mortgagor.

Section 1.31. After-Acquired Property. The Mortgage Estate shall include the right, title and interest of Mortgagor in and to all improvements, additions and appurtenances to, the Mortgaged Estate, hereafter acquired by or released to Mortgagor. As required, Mortgagor shall execute and deliver to Mortgagee any further assurances, mortgages, grants, conveyances or assignments as Mortgagee may reasonably require to subject such property to the lien of this Mortgage.

Section 1.32. Transfer of Interests in Mortgagor or Mortgaged Estate. Except in accordance with the terms and restrictions of the Series 2019 Bond, and except for the Permitted Encumbrances, Mortgagor shall not, by operation of law or otherwise, sell, convey, alienate, transfer, grant, bargain, mortgage, encumber or assign ownership or control of all or any interest direct or indirect in Mortgagor or any part of the Mortgaged Estate or any interest therein, without the prior written consent of Mortgagee.

Section 1.33. Lease Provisions. Any lease of all or any part of the Mortgaged Estate by Mortgagor permitted under this Mortgage and the Series 2019 Bond shall contain a provision obligating such lessee to enter into a subordination, attornment and nondisturbance agreement with Mortgagee, in form and substance satisfactory to Mortgagee.

Section 1.34. Defeasance Terminates Lien. Upon defeasance of the Series 2019 Bond, the lien of this Mortgage upon the Mortgaged Estate shall cease, and Mortgagee shall execute and deliver to Mortgagor at Mortgagor's sole cost and expense all documents necessary to effect such a release.

ARTICLE III

ASSIGNMENT OF LEASES AND RENTS

Section 3.01. Assignment. As additional security for the payment of the Indebtedness, insurance premiums, taxes and assessments, at the time and in the manner herein agreed, and for the performance of the covenants and agreement herein contained, pursuant to Act 210 of the Public Acts of Michigan of 1953, as amended, Mortgagor assigns, transfers, and sets over unto Mortgagee all of Mortgagor's estate, right, title and interest in and to (a) all present and future leases of the Mortgaged Estate or any portion thereof, all licenses and agreements relating to the management, leasing, occupancy or operation of the Mortgaged Estate, whether such leases, licenses and agreements are now existing or entered into after the date hereof ("Leases"); and (b) the rents, issues, revenues, receipts, deposits and profits of the Mortgaged Estate, including, without limitation, all amounts payable and all rights and benefits accruing to Mortgagor under the Leases ("Payments"). The term "Leases" shall also include all subleases and other agreements for the use or occupancy of the Real Property, all guarantees of and security for the

MORTGAGE

Woodland Park Academy, Series 2019 Bond

tenant's performance thereunder, the right to exercise any landlord's liens and other remedies to which the landlord is entitled, and all amendments, extensions, renewals or modifications thereto. This assignment shall run with the land and be good and valid as against Mortgagor or those claiming by, under or through Mortgagor, from the date of the recording of this instrument. This assignment shall continue to be operative during the foreclosure or any other proceedings taken to enforce this Mortgage. In the event of a sale or foreclosure, which shall result in a deficiency, this assignment shall stand as security during the redemption period for the payment of such deficiency. This assignment is given as collateral security only and shall not be construed as obligating Mortgagee to perform any of the covenants or undertakings required to be performed by Mortgagor contained in any such assigned leases. Upon the occurrence and during the continuance of an Event of Default, Mortgagee shall be entitled to all the rights and remedies conferred by Act 210 of the Public Acts of Michigan of 1953, as amended. Payments collected by Mortgagee subsequent to any Event of Default shall be applied at the direction of, and in such order as determined by Mortgagee, to the costs, if any, of taking possession and control of and managing the Real Property and collecting such amounts, including to reasonable attorneys' fees, receiver's fees, premiums on receiver's bonds, costs of repairs to the Mortgaged Estate, premiums on insurance policies, taxes, assessments and other charges on the Mortgaged Estate, and the costs of discharging any obligation or liability of Mortgagor with respect to the Leases and to the sums secured by this Mortgage. MORTGAGOR HEREBY WAIVES ANY RIGHT TO NOTICE, OTHER THAN SUCH NOTICE AS MAY BE PROVIDED IN ACT 210 OF THE PUBLIC ACTS OF MICHIGAN OF 1953, AS AMENDED, AND WAIVES ANY RIGHT TO ANY HEARING, JUDICIAL OR OTHERWISE, PRIOR TO MORTGAGEE'S EXERCISE OF ITS RIGHTS UNDER THIS MORTGAGE AND/OR THE ASSIGNMENT OF AND RENTS GRANTED TO LENDERS FEREUNDER.

Section 3.02. Rights of Mortgagee. Upon the occurrence and during the continuance of an Event of Default, Mortgagee may, at any time without notice (except if required by any Applicable Law), either in person, by agent or by a court-appointed receiver, regardless of the adequacy of Mortgagee's security, enter upon and take possession and control of the Mortgaged Estate to perform all acts necessary and appropriate to operate and maintain the Mortgaged Estate, including to execute, cancel or modify the Leases, make repairs to the Mortgaged Estate, execute or terminate contracts providing for the management or maintenance of the Mortgaged Estate, all on such terms as are deemed best to protect the security of this assignment. Mortgagee and the receiver shall have access to the books and records used in the operation and maintenance of the Mortgaged Estate and shall be liable to account only for those Rents actually received. Mortgagee shall not be liable to Mortgagor, anyone claiming under or through Mortgagor or anyone having an interest in the Mortgaged Estate by reason of anything done or left undone by Mortgagee hereunder, except to the extent of Mortgagee's gross negligence or willful misconduct. Any entering upon and taking possession and control of the Mortgaged Estate by Mortgagee or the receiver and any application of Payments as provided herein shall not cure or waive any Event of Default or invalidate any other right or remedy of Mortgagee.

Section 3.03. Mortgagor's Affirmative Obligations. Mortgagor shall: (a) fulfill, perform and observe in all respects each and every condition and covenant of Mortgagor contained in any Lease; (b) give prompt notice to Mortgagee of any claim or event of default

MORTGAGE

Woodland Park Academy, Series 2019 Bond

under any Lease given to or by Mortgagor, together with a complete copy or statement of any information submitted or referenced in support of such claim or event of default; (c) at the sole cost and expense of Mortgagor, enforce the performance and observance of each and every covenant and condition of any Lease to be performed or observed by any other party thereto, unless such enforcement is waived in writing by Mortgagee; and (d) appear in and defend any action challenging the validity, enforceability or priority of the lien created hereby or the validity or enforceability of any Lease.

Section 3.04. Negative Covenants. Mortgagor shall not, without Mortgagee's consent: (a) enter into any Lease; (b) modify or amend the terms of any Lease; (c) grant any consents under any Lease, including any consent to an assignment of any Lease, a mortgaging of the leasehold estate created by any Lease or a subletting by the tenant under any Lease; (d) terminate, cancel, surrender, or accept the surrender of, any Lease, or waive or release any person from the observance or performance of any material obligation to be performed under the terms of any Lease or liability on account of any warranty given thereunder; or (e) assign, transfer, mortgage, pledge or hypothecate any Lease or any interest therein to any party other than Mortgagee. Any lease, modification, amendment, grant, termination, cancellation, surrender, waiver or release in violation of the foregoing provision shall be null and void and of no force and effect.

Section 3.05. Effect of Assignment. The foregoing assignment shall not cause Mortgagee to be: (a) a mortgagee in possession; (b) responsible or liable for the control, care, management or repair of the Mortgaged Estate or for performing any of the terms, agreements, undertakings, obligations, representations, warranties, covenants and conditions of the Leases; (c) responsible or liable for any waste committed on the Mortgaged Estate by the tenants under any of the Leases or any other parties, for any dangerous or defective condition of the Mortgaged Estate, or for any negligence in the management, upkeep, repair or control of the Mortgaged Estate resulting in loss or injury or death to any tenant, licensee, employee, invitee or other person; (d) responsible for or under any duty to produce rents or profits; or (e) directly or indirectly liable to Mortgagor or any other person as a consequence of the exercise or failure to exercise any of the rights, remedies or powers granted to Mortgagee hereunder or to perform or discharge any obligation, duty or liability of Mortgagor arising under the Leases.

ARTICLE IV

SECURITY AGREEMENT

Section 4.01. Creation of Security Interest. With respect to any portion of the Mortgaged Estate which now constitutes fixtures governed by the UCC, this Mortgage shall constitute a security agreement between Mortgagor as the debtor and Mortgagee as the secured party, and Mortgagor hereby grants to Mortgagee a security interest in such portion of the Mortgaged Estate (such portion being the "Fixtures"). Cumulative of all other rights of Mortgagee hereunder, Mortgagee shall have all of the rights conferred upon secured parties by the UCC. Mortgagor will execute and deliver to Mortgagee all financing statements that may from time to time be required by Mortgagee to establish and maintain the validity and priority of the security interest of Mortgagee, or any modification thereof, and all costs and expenses of any

MORTGAGE

Woodland Park Academy, Series 2019 Bond

searches required by Mortgagee. Mortgagee may exercise any or all of the remedies of a secured party available to it under the UCC with respect to such property, and it is expressly agreed that if upon an Event of Default Mortgagee should proceed to dispose of such property in accordance with the provisions of the UCC, 10 days' notice by Mortgagee to Mortgagor shall be deemed to be reasonable notice under any provision of the UCC requiring such notice; provided, however, that Mortgagee may at its option, dispose of such property in accordance with Mortgagee's rights and remedies with respect to the real property pursuant to the provisions of this Mortgage, in lieu of proceeding under the UCC.

Mortgagor shall give advance notice in writing to Mortgagee of any proposed change in Mortgagor's name, identity, or business form or structure and will execute and deliver to Mortgagee, prior to or concurrently with the occurrence of any such change, all additional financing statements that Mortgagee may reasonably require to establish and maintain the validity and priority of Mortgagee's security interest with respect to any of the Mortgaged Estate described or referred to herein.

Some of the items of the Mortgaged Estate described herein are goods that are or are to become fixtures related to the Real Property, and it is intended that as to those goods, this Mortgage shall be effective as a financing statement filed as a fixture filing from the date of its filing for record in the real estate records of the county in which the Mortgaged Estate is situated. Information concerning the security interest created by this instrument may be obtained from Mortgagee, as secured party, at the address of Mortgagee stated in Section 6.05 of this Mortgage. The mailing address of Mortgagor, as debtor, is as stated in Section 6.05 of this Mortgage.

Section 4.02. Warranties; Representations and Covenants of Mortgagor. Mortgagor hereby warrants, represents and covenants, with respect to the Fixtures, as follows:

(a) except for the security interest granted hereby, Mortgagor is, and as to any of the Fixtures to be acquired after the date hereof will be, the sole owner of the Fixtures, free from any adverse lien, security interest, encumbrance or adverse claims thereon of any kind whatsoever except for Permitted Encumbrances. Mortgagor will notify Mortgagee and will defend the Fixtures against, all prohibited claims and demands of all persons at any time claiming the same or any interest therein;

(b) Mortgagor will not lease, sell, convey or in any manner transfer the Fixtures (except Fixtures transferred in the ordinary course of business and replaced by Fixtures of a similar nature and having at least the same value as the Fixtures replaced, and except for Permitted Encumbrances) without the prior written consent of Mortgagee;

(c) the Fixtures are not used or bought for personal, family or household purposes;

(d) the Fixtures will be kept on or at the Project and Mortgagor will not remove the Fixtures from the Project without the prior written consent of Mortgagee, except such portions or items of personal property which are consumed or worn out in ordinary usage,

all of which shall be promptly replaced by Mortgagor with new items of equal or greater quality; and

(e) all covenants and obligations of Mortgagor contained herein relating to the Mortgaged Estate shall be deemed to apply to the Fixtures whether or not expressly referred to herein.

ARTICLE V

EVENTS OF DEFAULT AND REMEDIES UPON DEFAULT

Section 5.01. Events of Default. Any one or more of the following events shall be deemed an event of default hereunder (each, an “Event of Default”):

(a) the occurrence of a default or an Event of Default by Mortgagor under the Series 2019 Bond (other than this Mortgage) subject to any applicable notice or cure periods provided therein;

(b) a default or breach of any covenant contained in Section 1.05, 1.10 or 1.25;

(c) if Mortgagor shall file a voluntary petition in bankruptcy or shall be adjudicated a bankrupt or insolvent within the meaning of the United States Bankruptcy Code, 11 U.S.C. §§ 101 *et seq.*, as amended (the “Bankruptcy Code”), or shall file any petition or answer seeking or acquiescing in any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief for itself under any present or future federal, state or other statute, law or regulation relating to bankruptcy, insolvency or other relief for debtors; or shall seek or consent to or acquiesce in the appointment of any trustee, receiver or liquidator of Mortgagor of all or any part of the Mortgaged Estate, or of any or all of the royalties, rents, issues or profits thereof, or shall make any general assignment for the benefit of creditors, or shall admit in writing its inability to pay its debts generally as they become due;

(d) if a court of competent jurisdiction shall enter an order, judgment or decree approving a petition filed against Mortgagor seeking any reorganization, dissolution or similar relief under any present or future federal, state or other statute, law or regulation relating to bankruptcy, insolvency or other relief for debtors, and such order, judgment or decree shall remain unvacated and unstayed for an aggregate of 60 days (whether or not consecutive) from the first date of entry thereof; or any trustee, receiver or liquidator of Mortgagor or of all or any part of the Mortgaged Estate, or of any or all of the royalties, rents, issues or profits thereof, shall be appointed without the consent or acquiescence of Mortgagor and such appointment shall remain unvacated and unstayed for an aggregate of 30 days (whether or not consecutive);

(e) if a writ of execution or attachment or any similar process shall be issued or levied against all or any part of or interest in the Mortgaged Estate, or any judgment

MORTGAGE

Woodland Park Academy, Series 2019 Bond

involving monetary damages shall be entered against Mortgagor which shall become a lien on the Mortgaged Estate or any portion thereof or interest therein and such execution, attachment or similar process or judgment is not released, bonded, satisfied, vacated or stayed within 30 days after its entry or levy;

(f) if, during the term of the Series 2019 Bond secured by this Mortgage, Mortgagor shall without the prior written approval of Mortgagee (unless permitted as provided herein) sell, convey, alienate, mortgage or encumber the Mortgaged Estate or any part thereof or any interest therein, or shall be divested of its title or any interest therein, in any manner, whether voluntarily or involuntarily, or if there is any merger, consolidation or dissolution affecting Mortgagor, or if there is a transfer of a majority interest in Mortgagor in a series of transactions or as a single transaction;

(g) any assignment by Mortgagor of the whole or any part of the Revenues, issues or profits arising from the Mortgaged Estate (including, without limitation, the Revenues) to any person without the written consent of Mortgagee (unless permitted as provided herein) or if, without such consent, Mortgagor shall otherwise further encumber the Mortgaged Estate or any portion thereof (including, without limitation, secured transactions under the UCC);

(h) if at any time any representation, warranty or statement made by Mortgagor in the Series 2019 Bond or any certificate delivered by Mortgagor shall be incorrect or misleading in any material respect, or any material misrepresentation shall at any time be made to Mortgagee by Mortgagor; or

(i) failure by Mortgagor to punctually perform or observe any covenant or agreement contained in this Mortgage (other than as set forth above) and such failure shall not have been cured within 30 days after written notice from Mortgagee of such failure.

Section 5.02. Acceleration Upon Default; Additional Remedies. Subject to the cure provisions of this Section 5.02, upon the occurrence of an Event of Default (which default is not cured within any applicable cure period) Mortgagee may, at Mortgagee's sole option exercised in Mortgagee's sole discretion, pursue any one or more of the following remedies:

(a) Declare all or any portion of the Secured Obligations to be due and payable, and the same shall thereupon become due and payable without any presentment, demand, protest or notice of any kind except as otherwise provided herein;

(b) Either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court, and without regard to the adequacy of its security, enter upon and take possession of the Mortgaged Estate or any part thereof and do any acts which it deems necessary or desirable to preserve the value, marketability or rentability of the Mortgaged Estate, or part thereof or interest therein, increase the income therefrom or protect the security hereof and, with or without taking possession of the Mortgaged Estate, take any action described in Article II, III or IV hereof, sue for or

MORTGAGE

Woodland Park Academy, Series 2019 Bond

otherwise collect the Revenues thereof, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection including reasonable attorneys' fees, upon any Secured Obligations, all in such order as Mortgagee may determine. The entering upon and taking possession of the Mortgaged Estate, the taking of any action described in Article II, III or IV hereof, the collection of such Revenues and the application thereof as aforesaid, shall not cure or waive any default or notice of default or invalidate any act done in response to such default or pursuant to such notice of default and, notwithstanding the continuance in possession of the Mortgaged Estate or the collection, receipt and application of Revenues, issues or profits, Mortgagee shall be entitled to exercise every right provided for the Series 2019 Bond or by law upon occurrence of any Event of Default, including the right to exercise the power of sale herein conferred;

(c) Commence an action to foreclose this Mortgage (either judicially or non-judicially), appoint a receiver, specifically enforce any of the covenants hereof, or sell the Mortgaged Estate pursuant to the power of sale herein conferred and in a manner provided under Michigan law;

(d) Exercise any or all of the remedies available to a secured party under the UCC, including, but not limited to:

(i) Either personally or by means of a court appointed receiver, commissioner or other officer, take possession of all or any of the Fixtures and exclude therefrom Mortgagor and all others claiming under Mortgagor, and thereafter hold, store, use, operate, manage, maintain and control, make repairs, replacements, alterations, additions and improvements to and exercise all rights and powers of Mortgagor in respect of the Fixtures or any part thereof. In the event Mortgagee demands or attempts to take possession of the Fixtures in the exercise of any rights under the Series 2019 Bond, Mortgagor promises and agrees to promptly turn over and deliver complete possession thereof to Mortgagee;

(ii) Without notice to or demand upon Mortgagor, make such payments and do such acts as Mortgagee may deem necessary to protect its security interest in the Fixtures, including, without limitation, paying, purchasing, contesting or compromising any encumbrance, charge or lien which is prior to or superior to the security interest granted hereunder and, in exercising any such powers or authority, to pay all expenses incurred in connection therewith;

(iii) Require Mortgagor to assemble the Fixtures or any portion thereof, at a place designated by Mortgagee and reasonably convenient to both parties, and promptly to deliver such Fixtures to Mortgagee, or an agent or representative designated by it. Mortgagee shall have the right to enter upon any or all of Mortgagor's premises and property to exercise Mortgagee's rights hereunder;

(iv) Sell, lease or otherwise dispose of the Fixtures at public sale, with or without having the Fixtures at the place of sale, and upon such terms and in such manner as Mortgagee may determine. Mortgagee may be a purchaser at any such sale;

(v) Unless the Fixtures are perishable or threaten to decline speedily in value or are of a type customarily sold on a recognized market, Mortgagee shall give Mortgagor at least 10 days' prior written notice of the time and place of any public sale of the Fixtures or other intended disposition thereof. Such notice may be mailed to Mortgagor at the address set forth in Section 6.05 herein and shall be deemed to be given on the date of mailing thereof; and

(vi) Any sale made pursuant to the provisions of this subsection shall be deemed to have been a public sale conducted in a commercially reasonable manner if held contemporaneously with the sale of all or a portion of the remainder of the Mortgaged Estate under power of sale as provided herein upon giving the same notice with respect to the sale of the Personal Property hereunder as is required for such sale of the remainder of the Mortgaged Estate under power of sale, and such sale shall be deemed to be pursuant to a security agreement covering both real and personal property under the UCC.

(e) Exercise any other rights or remedies which may now or hereafter be available to Mortgagee under this Mortgage or the Series 2019 Bond or pursuant to applicable law or in equity; or

(f) If held by Mortgagee, surrender the insurance policies maintained pursuant to Section 1.05, collect the unearned insurance premiums and apply such sums as a credit on the Secured Obligations in such priority and proportion as Mortgagee shall deem proper, and in connection therewith, Mortgagor hereby appoints Mortgagee as agent and attorney-in-fact (which is coupled with an interest and is therefore irrevocable) for Mortgagee to collect such insurance premiums.

THIS MORTGAGE CONTAINS A POWER OF SALE AND UPON THE OCCURRENCE OF AN EVENT OF DEFAULT MAY BE FORECLOSED BY ADVERTISEMENT. IN FORECLOSURE BY ADVERTISEMENT AND THE SALE OF THE MORTGAGED ESTATE IN CONNECTION THEREWITH, NO HEARING IS REQUIRED AND THE ONLY NOTICE REQUIRED IS THE PUBLICATION OF NOTICE IN A LOCAL NEWSPAPER AND THE POSTING OF A COPY OF THE NOTICE ON THE PREMISES. MORTGAGE
Woodland Park Academy, Series 2019 Bond

Section 5.03. [Reserved].

Section 5.04. Appointment of Receiver. If an Event of Default (which is not cured within any applicable cure period) shall have occurred, Mortgagee as a matter of right and without notice to Mortgagor or anyone claiming under Mortgagor, and without regard to the value of the Mortgaged Estate or the interest of Mortgagor therein, shall have the right to apply to any court having jurisdiction to appoint a receiver or receivers of the Mortgaged Estate and Mortgagor hereby irrevocably consents to such appointment and waives notice of any application therefor. Any such receiver or receivers shall have all the usual powers and duties of receivers in like or similar cases in accordance with Michigan law and all the powers and duties of Mortgagee in case of entry as provided in Section 5.02(b) and shall continue as such and exercise all such powers until the date of confirmation of sale of the Mortgaged Estate unless such receivership is sooner terminated. Mortgagee shall, in addition to and not in limitation of any of the foregoing or any other remedies provided in this Mortgage or otherwise available under applicable law, have all of the rights provided under the laws of the State.

Section 5.05. Remedies Not Exclusive. Mortgagee shall be entitled to enforce payment and performance of any Secured Obligation hereby and to exercise all rights and powers under this Mortgage or under the Series 2019 Bond or other agreement or any laws now or hereafter in force. Neither the acceptance of this Mortgage nor its enforcement, whether by court action or pursuant to the power of sale or other powers herein contained, shall prejudice or in any manner affect Mortgagee's right to realize upon or enforce any other security now or hereafter held by Mortgagee, it being agreed that Mortgagee shall be entitled to enforce this Mortgage and any other security now or hereafter held by Mortgagee in such order and manner as it may determine. No remedy herein conferred upon or reserved to Mortgagee is intended to be exclusive of any other remedy given hereunder or now or hereafter existing at law or in equity or by statute. Every power or remedy given by the Series 2019 Bond to Mortgagee or to which Mortgagee may be otherwise entitled, may be exercised, concurrently or independently, from time to time and as often as may be deemed expedient by Mortgagee. Mortgagee may pursue inconsistent remedies.

The acceptance by Mortgagee of any sum after the same is due shall not constitute a waiver of the right either to require prompt payment, when due, of all other sums hereby secured or to declare a default as herein provided. The acceptance by Mortgagee of any sum in an amount less than the sum then due shall be deemed an acceptance on account only and upon condition that it shall not constitute a waiver of the obligation of Mortgagor to pay the entire sum then due, and failure of Mortgagor to pay such entire sum then due shall be and continue to be an Event of Default notwithstanding such acceptance of such amount on account, as aforesaid. Mortgagee shall be, at all times thereafter and until the entire sum then due shall have been paid, and notwithstanding the acceptance by Mortgagee thereafter of further sums on account, or otherwise, entitled to exercise all rights in this instrument conferred upon it, and the right to proceed with a sale under any notice of default, or an election to sell, or the right to exercise any other rights or remedies hereunder, shall in no way be impaired, whether any of such amounts are received prior or subsequent to such proceeding, election or exercise. Consent by Mortgagee to any action or inaction of Mortgagor which is subject to written consent or approval of

MORTGAGE

Woodland Park Academy, Series 2019 Bond

Mortgagee hereunder shall not be deemed a waiver of the right to require such consent or approval to future or successive actions or inactions.

Section 5.06. Possession of Mortgaged Estate. In the event of a trustee's sale or foreclosure sale hereunder and after the time of such sale, and Mortgagor occupies the portion of the Mortgaged Estate so sold; or any part thereof, Mortgagor shall immediately become the tenant of the purchaser at such sale, which tenancy shall be a tenancy from day to day, terminable at the will of either tenant or landlord, at a reasonable rental per day based upon the value of the portion of the Mortgaged Estate so occupied, such rental to be due and payable daily to the purchaser. An action of unlawful detainer shall lie if the tenant holds over after a demand in writing for possession of such Mortgaged Estate and premises; and this agreement and a trustee's deed shall constitute a lease and agreement under which the tenant's possession arose and continued. Nothing contained in this Mortgage shall be construed to constitute Mortgagee as a "mortgagee in possession" in the absence of its taking actual possession of the Mortgaged Estate pursuant to the powers granted herein.

Section 5.07. Relief from Stay. In the event that Mortgagor commences a case under the Bankruptcy Code or is the subject of an involuntary case that results in an order for relief under the Bankruptcy Code, subject to court approval, Mortgagee shall thereupon be entitled and Mortgagor irrevocably consents to relief from any stay imposed by Section 362 of the Bankruptcy Code on or against the exercise of the rights and remedies otherwise available to Mortgagee as provided in the Series 2019 Bond and Mortgagor hereby irrevocably waives its rights to object to such relief. In the event Mortgagor shall commence a case under the Bankruptcy Code or is the subject of an involuntary case that results in an order for relief under the Bankruptcy Code, Mortgagor hereby agrees that no injunctive relief against Mortgagee shall be sought under Section 105 or other provisions of the Bankruptcy Code by Mortgagor or other person or entity claiming through Mortgagor, nor shall any extension be sought of the stay provided by Section 362 of the Bankruptcy Code.

Section 5.08. Cash Collateral. To the fullest extent allowed by applicable law, Mortgagor hereby acknowledges and agrees that in the event that Mortgagor commences a case under the Bankruptcy Code or is the subject of an involuntary case that results in an order for relief under the Bankruptcy Code: (i) that all of the Revenues are, and shall for purposes be deemed to be, "proceeds, product, offspring, rents, or profits" of the Project covered by the lien of this Mortgage, as such quoted terms are used in Section 552(b) of the Bankruptcy Code; (ii) that in no event shall Mortgagor assert, claim or contend that any portion of the Revenues are, or should be deemed to be, "accounts" or "accounts receivable" within the meaning of the Bankruptcy Code and/or applicable state law; (iii) that the Revenues are and shall be deemed to be in any such bankruptcy proceeding "cash collateral" of Mortgagee as that term is defined in Section 363 of the Bankruptcy Code; and (iv) that Mortgagee has valid, effective, perfected, enforceable and matured rights in and to the Revenues without any further action required on the part of Mortgagee to enforce or perfect its rights in and to such cash collateral, including, without limitation, providing notice to Mortgagor under Section 546(b) of the Bankruptcy Code.

ARTICLE VI

MISCELLANEOUS

Section 6.01. Governing Law. This Mortgage shall be governed by the internal laws of the State without giving effect to its conflicts of law principles. In the event that any provision or clause of this Mortgage conflicts with applicable laws, such conflicts shall not affect other provisions of this Mortgage which can be given effect without the conflicting provision, and to this end the provisions of this Mortgage are declared to be severable. This instrument cannot be waived, changed, discharged or terminated orally, but only by an instrument in writing signed by the party against whom enforcement of any waiver, change, discharge or termination is sought. If any conflict shall arise between the terms of this Mortgage and the Series 2019 Bond, the terms of the Series 2019 Bond shall govern.

Section 6.02. Waiver of Rights. To the extent permitted by law, Mortgagor waives the benefit of all laws now existing or that hereafter may be enacted (i) providing for any appraisalment before sale of any portion of the Mortgaged Estate, or (ii) in any way extending the time for the enforcement of the collection of the Secured Obligations or creating or extending a period of redemption from any sale made in collecting the Secured Obligations. To the full extent Mortgagor may do so under the laws of the State, Mortgagor agrees that Mortgagor will not at any time insist upon, plea, claim or take the benefit or advantage of any law now or hereafter in force providing for any appraisalment, valuation, stay, extension, redemption or homestead exemption, and Mortgagor, for Mortgagor, Mortgagor's representatives, successors and assigns, and for any and all persons ever claiming any interest in the Mortgaged Estate, to the extent permitted by law, hereby waives and releases all rights of redemption, valuation, appraisalment, stay of execution, homestead exemption, notice of election to mature or declare due the whole of the Secured Obligations and marshaling in the event of foreclosure of the liens hereby created. If any law referred to in this Section and now in force, of which Mortgagor, Mortgagor's heirs, devisees, representatives, successors and assigns or other person might take advantage despite this Section, shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to preclude the application of this Section. Mortgagor expressly waives and relinquishes any and all rights, remedies and defenses that Mortgagor may have or be able to assert by reason of the laws of the State pertaining to the rights, remedies and defenses of sureties. The waivers and agreements contained in this section and elsewhere in this Mortgage are given by Mortgagor knowingly and voluntarily and upon advice of counsel.

Section 6.03. Limitation of Interest. All agreements between Mortgagor and Mortgagee, whether now existing or hereafter arising and whether written or oral, are expressly limited so that in no contingency or event whatsoever shall the amount paid, or agreed to be paid, to Mortgagee for the use, forbearance, or detention of the money to be held or otherwise, or for the performance or payment of any covenant or obligation contained herein or therein, exceed the maximum amount permissible under applicable law. If from any circumstance whatsoever fulfillment of any provision hereof or thereof at the time performance of such provision shall be due shall involve transcending the limit of validity prescribed by law, then, *ipso facto*, the obligation to be fulfilled shall be reduced to the limit of such validity, and if from any such

MORTGAGE

Woodland Park Academy, Series 2019 Bond

circumstance Mortgagee or holders of the Series 2019 Bond shall ever receive as interest under the Series 2019 Bond or this Mortgage or otherwise anything of value which would exceed interest at the highest lawful rate, such amount that would be excessive interest shall be applied to the reduction of the principal amount owing under the Series 2019 Bond or on account of other Secured Obligations and not to the payment of interest, or if such excessive interest exceeds the unpaid balance of principal of the Series 2019 Bond and such other Secured Obligations, such excess shall be refunded to Mortgagor. All sums paid or agreed to be paid to Mortgagee for the use, forbearance, or detention of the Secured Obligations shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full term of such obligations until payment in full so that the rate of interest on account of Secured Obligations is uniform throughout the term thereof. The terms and provisions of this paragraph shall control all agreements between Mortgagor and Mortgagee.

Section 6.04. [Reserved]

Section 6.05. Notices. Unless otherwise required by law, whenever Mortgagee or Mortgagor shall desire to give or serve any notice, demand, request or other communication with respect to this Mortgage, each such notice, demand, request or other communication shall be in writing and shall be deemed to have been given: (a) upon receipt if sent by hand delivery; (b) one day after deposit with overnight courier; or (c) two days after deposit in the case of certified mail, postage prepaid, addressed to the following mailing addresses:

Section 6.07. Invalidity of Certain Provisions. If the lien of this Mortgage is invalid or unenforceable as to any part of the Secured Obligations, or if the lien is invalid or unenforceable as to any part of the Mortgaged Estate, the unsecured or partially secured portion of the Secured Obligations shall be completely paid prior to the payment of the remaining and secured portion

of the Secured Obligations, and all payments made on such obligations, whether voluntary or under foreclosure or other enforcement action or procedure, shall be considered to have been first paid on and applied to the full payment of that portion of the Secured Obligations which is not secured or fully secured by the lien of this Mortgage.

Section 6.08. Subrogation. To the extent that proceeds of the Series 2019 Bond or advances under this Mortgage are used to pay any outstanding lien, charge or prior encumbrance against the Mortgaged Estate, such proceeds or advances have been or will be advanced by Mortgagee, at Mortgagor's request, and Mortgagee shall be subrogated to any and all rights and liens held by any owner or holder of such outstanding liens, charges and prior encumbrances, irrespective of whether said liens, charges or encumbrances are released of record.

Section 6.09. Change in Ownership. If the ownership of the Mortgaged Estate or any part thereof or interest therein becomes vested in a person other than Mortgagor owning the same on the date hereof, Mortgagee may, without notice to Mortgagor, deal with such successor or successors in interest with reference to this Mortgage and the Secured Obligations in the same manner as with Mortgagor without in any way vitiating or discharging Mortgagor's liability hereunder or upon the Secured Obligations. No sale of the Mortgaged Estate, and no forbearance on the part of Mortgagee, and no extension of the time for the payment of the Secured Obligations, given by Mortgagee, shall operate to release, discharge, modify, change or affect the original liability, if any, of Mortgagor or the liability of any guarantors or sureties of Mortgagor, either in whole or in part; provided that Mortgagor may be released from its original liability under this Mortgage upon transfer of the entire Mortgaged Estate with the written consent of Mortgagee.

Section 6.10. Assignment of Mortgagee's Interest. It is expressly agreed that any and all terms of this Mortgage, the Series 2019 Bond and all other agreements made or executed by Mortgagor or others in favor of Mortgagee, and all rights, powers, privileges, options and remedies conferred upon Mortgagee herein and therein, shall inure to and be for the benefit of, and may be exercised by, Mortgagee, and the words "Mortgagee" shall also mean and include the successor or successors and the assign or assigns of Mortgagee. Mortgagor hereby specifically grants unto Mortgagee the right and privilege, at Mortgagee's option, to transfer and assign to any third person all or any part of Mortgagee's rights to receive funds or payments hereunder.

Section 6.11. Time Is of the Essence. Time is of the essence under this Mortgage and the Series 2019 Bond.

Section 6.12. Obligations of Mortgagor. The obligations of Mortgagor to make payments hereunder and under the Series 2019 Bond and to perform and observe all agreements on its part contained herein and therein with respect thereto shall be absolute and unconditional. Until this Mortgage is terminated or payment in full of all Series 2019 Bond is made, Mortgagor (i) will not suspend or discontinue any payments under the Series 2019 Bond or neglect to perform any of its duties required thereunder or hereunder; (ii) will perform and observe all of its obligations set forth in the Series 2019 Bond and this Mortgage; and (iii) except as provided herein will not terminate the Series 2019 Bond or this Mortgage for any cause.

Section 6.13. Immunity of Individuals. No recourse shall be had for the payment of the principal of, premium, if any, or interest on the Series 2019 Bond or for any claim based thereon, this Mortgage or upon any obligation, covenant or agreement herein against any past, present or future officer, director, trustee, member, employee or agent of Mortgagor, whether directly or indirectly and all such liability of any such individual as such is hereby expressly waived and released as a condition of and in consideration for the execution hereof and the issuance of the Series 2019 Bond.

Section 6.14. Supplements; Amendments. This Mortgage may be supplemented or amended by written agreement between Mortgagor and Mortgagee.

Section 6.15 Power of Attorney. Mortgagee may act as attorney-in-fact or otherwise on behalf of Mortgagor pursuant to Sections 1.22, 3.01 and 5.02(f) of this Mortgage. This power of attorney is coupled with an interest, is durable and is not affected by subsequent disability or incapacity of the principal or lapse of time.

Section 6.16 Non-Merger. SECTION A

GOVERNANCE STRUCTURE

GOVERNANCE STRUCTURE

The People of Michigan through their Constitution have provided that schools and the means of education shall forever be encouraged and have authorized the Legislature to maintain and support a system of free public elementary and secondary schools. All public schools are subject to the leadership and general supervision of the State Board of Education and the Legislature has authorized an alternative form of public school designated a "public school academy" to be created to serve the educational needs of pupils and has provided that pupils attending these schools shall be eligible for support from the State School Aid Fund. The Legislature has delegated to the governing boards of state public universities, community college boards, intermediate school district boards and local school district boards, the responsibility for authorizing the establishment of public school academies. The University Board has approved the issuance of a contract conferring certain rights, franchises, privileges, and obligations of a public school academy to the Academy Board.

The Academy is incorporated as a Michigan nonprofit corporation, organized on a non-stock, directorship basis for the purpose of operating as a Michigan public school academy. The Academy shall conduct its affairs as a governmental entity exempt from federal income taxes under Section 115 of the United States Internal Revenue Code or any successor law. The Academy is a body corporate and is not a division or part of Central Michigan University. The relationship between the Academy and the University Board is based solely on the applicable provisions of the Code and the terms of this Contract.

The Academy Board shall have at least five (5), but no more than nine (9) members, as determined by the University Board. Academy Board members shall be appointed according to the terms of the Method of Selection, Appointment and Removal Resolution adopted by the University Board. The Academy Board has all the powers and duties permitted by law to manage the business, property and affairs of the Academy and for adopting policies by which the Academy shall be governed. The Academy Board is responsible for assuring that the Academy operates according to the Terms and Conditions of this Contract and Applicable Law. Contract Schedule 2: Amended Bylaws, set forth a further description of the Academy Board's governance structure.

Academy Board members shall serve in their individual capacity, and not as a representative or designee of any other person or entity. The Academy Board shall ensure compliance with Applicable Law relating to conflicts of interest and prohibited familial relationships, including Article IV, Sections 4.4 and 4.5 of the Terms and Conditions of this Contract.

Pursuant to applicable law and the Terms and Conditions of this Contract, including Article III, Section 3.6, the Academy Board may employ or contract for personnel according to the position information outlined in Schedule 5. Before entering into an agreement with an Educational Service Provider or an employee leasing company to provide services or to provide personnel to perform services or work at the Academy, the Academy Board must first comply with the Educational Service Provider Policies issued by the Center.

SECTION B

EDUCATIONAL GOAL AND RELATED MEASURES

EDUCATIONAL GOAL AND RELATED MEASURES

Pursuant to Applicable Law and the Terms and Conditions of this Contract, including Article VI, Section 6.2, the Academy shall achieve or demonstrate measurable progress for all groups of pupils toward the achievement of the educational goal identified in this schedule. Although an increase in academic achievement for all groups of pupils as measured by assessments and other objective criteria is the most important factor in determining the Academy’s progress toward the achievement of the educational goal, the Center also considers other factors. Upon request, the Academy shall provide the Center with a written report, along with supporting data, assessing the Academy’s progress toward achieving this goal. In addition, the University expects the Academy will meet the State of Michigan’s accreditation standards pursuant to state and federal law.

Educational Goal to be Achieved

Prepare students academically for success in college, work and life.

Measures to Assist In Determining Measurable Progress Toward Goal Achievement

To assist in determining whether the Academy is achieving measurable progress toward the achievement of this goal, the Center will annually assess the Academy’s performance using the following measures.

Measure 1: Student Achievement

The academic achievement of **all students who have been at the academy for one or more years¹** in grades 3-8 will be assessed using the following measures and targets:

Sub Indicator	Measure	Metric	Target
Against a Standard:	The percentage of students meeting or surpassing the current, spring, grade-level national norms ² on the NWEA Growth reading and math tests administered in the spring.	Distribution (which will be in the form of percentages): Exceeds $\geq 70.0\%$ Meets $\geq 50.0\%$ Approaching $\geq 30.0\%$ Does not meet $< 30.0\%$	50%
In the event that performance against the standard falls below these required expectations, “measurable progress towards the achievement of this goal” will be defined using the following measures and targets:			
Over Time:	The percentage of students meeting or surpassing spring grade-level national norms over time (CY-AVG(PY1+PY2+PY3)).	Trend score (which will be in the form of $-x$ to $+x$): Exceeds $\geq 6.0\%$ Meets $\geq 3.0\%$ Approaching $\geq 1.0\%$ Does not meet $< 1.0\%$	3.0%
Comparison Measure:	The percentage of students categorized as proficient or advanced on the most recent state assessment will surpass the school’s Composite Resident District (CRD) percentage.	Portfolio Distribution (which will be in the form of $-x$ to $+x$): Exceeds $\geq 10.0\%$ Meets $\geq 5.0\%$ Approaching $\geq 0.0\%$ Does not meet $< 0.0\%$	5.0%

¹ One or more years students (also called 1+ students) are students who are enrolled in the academy on or before count day and are still enrolled at the end of a given academic year.

² Grade level national norms are updated periodically by NWEA following comprehensive norming studies. The Center will use the most updated national norms published by NWEA and will inform the Academy when the norms are updated and how the updated norms may impact analysis and performance reporting.

Measure 2: Student Growth

The academic growth of all students in grades 3-8 at the Academy will be assessed using the following measures and targets:

Sub Indicator	Measure	Metric	Target
Against a Standard:	The median of student growth percentiles (MGP) reflecting fall-to-spring scaled score growth on the reading and math NWEA Growth tests.	MGP: Exceeds \geq 65th Meets \geq 50th Approaching \geq 45th Does not meet $<$ 45th	Reading: 50 Math: 50
In the event that performance against the standard falls below these required expectations, “measurable progress towards the achievement of this goal” will be defined using the following measures and targets:			
Over Time:	The percentage of students making at least one year’s growth over time (CY-AVG(PY1+PY2+PY3)).	Trend score (which will be in the form of $-x$ to $+x$): Exceeds \geq 6.0% Meets \geq 3.0% Approaching \geq 1.0% Does not meet $<$ 1.0%	3.0%
Comparison Measure:	The mean student growth percentile reflecting growth on the two most recent state assessments will surpass the school’s Composite Resident District.	Portfolio Distribution (which will be in the form of $-x$ to $+x$): Exceeds \geq 10.0% Meets \geq 5.0% Approaching \geq 0.0% Does not meet $<$ 0.0%	5.0%

In order to meet the needs of our students, the Academy designed the following Educational Program:

English Language Arts (“ELA”)

The Academy’s ELA curriculum is evidence-based and constructed on a staircase of increasing complexity. The curriculum provides students with the skills, structure and knowledge necessary for success in reading, writing, speaking, listening, language, media and technology. These are key components for learning in every content area, and in preparation for the demands of college and careers. The ELA instructional programs and methodologies are based on early literacy essential instructional practices.

Through interaction with a range of texts and levels of complexity, students develop the ability to think critically, communicate effectively and make connections to the real world. The K-2 ELA program focuses on the building blocks of phonological awareness, phonics, vocabulary, reading comprehension and fluency. These building blocks lay the foundation that allows third through eighth grade students to understand, analyze, evaluate and apply the ideas students encounter while reading.

During writing, students engage in the writing process to demonstrate thinking and express individual voices. Students produce a range of written works including narratives, informative/explanatory and opinion pieces. Through writing lessons, students learn grammar, spelling, vocabulary, punctuation and capitalization. Students also participate in research projects.

In order to assess student mastery of the Michigan Academic Standards (“MAS”), the Academy utilizes multiple assessments to determine reading and comprehension levels and early literacy skills such as the state assessment, writing prompts, spelling inventories, program specific and teacher developed assessments. These assessments follow the guidelines of the 2021-22 Early Literacy MCL: 380.1280f Initial Assessments/ Initial assessment list. These assessments are used early in the school year and are used regularly (generally three times per year), to identify any potential issues or challenges for students in demonstrating literacy skills at grade level based upon Michigan’s ELA standards in grades K-3. These tools are often identified as screeners or benchmarking tools and are used as part of a broader assessment system to determine needs and potential supports for individual students to ensure they are developing appropriate skills and competencies in ELA.

Assessment results are analyzed to show student progress and drive differentiated instruction to meet the needs of individual students. Reports from these assessments as well as quarterly reports are shared with parents.

Mathematics

The Academy’s mathematics curriculum emphasizes the Standards for Mathematical Practices and is based on the MAS. The curriculum is designed to prepare students with the mathematical skills needed in everyday life as well as the demands of high school. As students gain fluency in the K-2 program, they begin to develop a deeper understanding of the mathematical concepts and reasoning required for mathematical proficiency. Students learn to represent and communicate ideas through the use of intentional talk, conceptual understanding, procedural fluency, strategic competence, adaptive reasoning and productive disposition. Students investigate and analyze problems and possibilities using logical thinking, reasoning and proofs.

Bridges™ in Mathematics is one instructional tool used to facilitate math instruction for grades K-5, along with *Math Nation* for grades 6-8. Formative Check-ups throughout each unit of instruction provide teachers, students, and parents evidence of learning, along with adjustments that need to be made throughout the

mathematical units. Opportunities for differentiation are available in all units of study. The Academy also assesses student achievement and growth by administering the Northwest Evaluation Association™ (“NWEA™”) Measures of Academic Progress® (“MAP®”) Growth™ and the state assessment to determine student proficiency.

Social Studies

The Academy implements the Michigan Citizenship Collaborative Curriculum (“MC3”) to provide real world experiences while teaching about our communities, our country, and our world. The social studies curriculum includes journaling, role playing, literature references, mapping and graphing, oral and written presentations, developing critical thinking skills, inferring, drawing conclusions, predicting and incorporating writing processes. The program uses multiple intelligences to address varying student learning styles. MC3 builds a strong knowledge of economic principles so students understand the impact of economic forces internationally and in the students’ own home and community. Social studies instruction is driven by the MAS and utilizes a variety of assessments including, but not limited to, teacher generated tests, authentic assessments and the annual state assessment.

Science, Health and Physical Education

The science, health and physical education department at the Academy is based upon the premise that investigation, exploration and experience are essential for understanding the environment and ourselves.

Instructional materials are cross-curricular, evidence based and teacher generated to ensure learning opportunities for all students. Learning outcomes are achieved through hands-on activities and technologically driven instruction. All lessons align with the MAS. Exemplary Physical Education Curriculum™ (“EPEC”) in physical education and the Michigan Model for Health™ curriculum in health use both summative and formative assessments through performance evaluations, student assignments and teacher observations.

K-8 physical education instruction focuses on activities that develop fundamental motor skills and health practices. This is accomplished through aerobic activity, drill and practice. Emphasis is placed on the importance of nutrition, exercise, skill practice and overall physical and mental health. Basic skills necessary for participation in sports, creative movement and games are introduced early. The curriculum moves toward highly structured and competitive activities that emphasize important character traits such as team building.

Developing safe and healthy relationships begins in kindergarten and progresses until students graduate from the Academy. Students learn personal safety skills. Fifth graders learn about their changing bodies. At the middle school level, a human sexuality program is implemented that focuses on developing positive and appropriate relationships. This program is abstinence-based and consists of many activities that deal with making good choices and reacting appropriately in social situations.

The Academy has competitive level sports teams in grades 4-8. Additionally, the Academy sponsors dance clubs which are open to all ages.

Fine Arts Educational Program

The Academy’s fine arts program is a very important part of the Academy’s overall curriculum. The Academy’s fine arts program provides performing arts education for grades K-5. The Academy’s visual art program is provided to all students in grades K-5. Sixth, seventh and eighth graders are offered art electives. Dance Club is offered as a middle school elective as well. Tap, ballet and clogging are available in the Academy’s after-school program. The Academy produces music and dance performances several times during the year. These performances share all aspects of the fine arts program. Visual art students display projects during performances.

Through the fine arts program, students develop intellect, an understanding of the culture and creative nature of musical, visual and kinesthetic artistry, and make connections between the arts, technology and other aspects of social life. Using creative performance, students apply the expressive technical skills of music and develop critical thinking skills to explore multiple forms of problem solving. The fine arts staff appreciates the need for various avenues of instruction. By the very nature of the arts, students are given the opportunity to learn by multiple presentations. The Academy recognizes the significance of the Multiple Intelligences as presented by Howard Gardner, and the need for differentiated instruction. By being cognizant of this in instruction in the arts, the Academy strives to foster a successful and enjoyable experience for each and every student.

Technology

The Academy’s technology curriculum focuses on skills to enrich student learning and provide cross curricular opportunities through the use of multiple technology tools. Various skills are taught such as proper device etiquette, internet safety awareness, digital literacy, and program usage. Students are also provided with the opportunity to use online resources, applications and web-based programs. Student accounts are provided for each student, and students are taught how to use the accounts to support and enhance curricular learning. The technology support team from Genesee Intermediate School District helps the staff and students in the efforts to integrate technology into the curriculum.

Technology is used to support students individually with curricular programs. Students have one to one technology access. Technology is further supported with Promethean boards in each classroom where teachers navigate through lessons while the students observe.

Instruction

The Academy strives to provide students with instruction that engages and enhances learning. Teachers utilize several teaching strategies to provide the best instruction for students. Some high-yield teaching strategies have been identified below.

Evidence-Based Effective Teaching Strategies

Classroom instruction that works, 2nd Edition. Adapted from Marzano, Robert. (2012). Alexandria: ASCD.

Strategy	Definition	How it looks in the Classroom
Creating the Environment for Learning		
Setting objectives and providing feedback	Provide students with a direction for learning and with information about how well they are performing relative to a particular learning objective so they can improve their performance.	Articulating and displaying learning goals, examples, rubrics, KWL, contract learning goals, etc. Teachers can display objectives and follow-up on the mastery of the objective at the end of the lesson.
Reinforcing effort and providing Recognition	<p>Enhance students’ understanding of the relationship between effort and achievement by addressing students’ attitudes and beliefs about learning.</p> <p>Provide students with abstract tokens of recognition or praise for their accomplishments related to the attainment of a goal.</p>	Hold high expectations, display finished products, praise students’ effort, encourage students to share ideas and express their thoughts, honor individual learning styles, conference individually with students, authentic portfolios, stress-free environment, high fives, Spelling Bee, Constitution Day, School Newspapers, etc. Pause, Prompt, Praise

Strategy	Definition	How it looks in the Classroom
Cooperative Learning	Provide students with opportunities to interact with one another in ways that enhance their learning.	Integrate content and language through group engagement, reader's theater, pass the pencil, circle of friends, cube it, radio reading, shared reading and writing, plays, science projects, debates, jigsaw, group reports, choral reading, affinity diagrams. Students tackle word problems in groups and explain their answers, etc.
Helping Students Develop Understanding		
Cues, Questions and Advanced Organizers	Enhance students' ability to retrieve, use, and organize what they already know about a topic.	Graphic organizers , provide guiding questions before each lesson, think alouds, inferencing, predicting, drawing conclusions, skim chapters to identify key vocabulary, concepts and skills, foldables , annotating the text, etc.
Nonlinguistic representations	Enhance students' ability to represent and elaborate on knowledge using mental images.	Visual tools and manipulatives, problem-solution organizers, spider webs, diagrams, concept maps, drawings, charts, thinking maps, graphic organizers, sketch to stretch, storyboards, foldables, act out content, make physical models, etc.
Summarizing and note taking	Enhance students' ability to synthesize information and organize it in a way that captures the main ideas and supporting details.	Teacher models summarization techniques, identify key concepts, bullets, outlines, clusters, narrative organizers, journal summaries, break down assignments, create simple reports, quick writes , graphic organizers , column notes , affinity diagrams , etc.
Assigning Homework and Providing Practice	Extend the learning opportunities for students to practice, review, and apply knowledge. Enhance students' ability to reach the expected level of proficiency for a skill or process.	Retell, recite and review learning for the day at home; reflective journals, parents are informed of the goals and objectives, grade level teams plan together for homework distribution. Independent practice.
Helping Students Extend and Apply Knowledge		
Identifying similarities and differences	Enhance students' understanding of and ability to use knowledge by engaging them in mental processes that involve identifying ways in which items are alike and different.	Thinking Maps, T-charts, Venn diagrams, classifying, analogies, cause and effect links, compare and contrast organizers, QAR (Question/Answer/Relationship), sketch to stretch, affinity diagrams, Frayer Model

Strategy	Definition	How it looks in the Classroom
Generating and testing hypothesis	Enhance students' understanding of and ability to use knowledge by engaging them in mental processes that involve making and testing hypotheses.	Thinking processes, constructivist practices, investigate, explore, social construction of knowledge, use of inductive and deductive reasoning, questioning the author of a book, finding other ways to solve the same math problem, etc.

Individualizing instruction to meet the needs of the learner is essential for expedited student growth. Teachers plan for and provide differentiated instructional strategies throughout the lessons. Some differentiation strategies are included below.

Differentiation Strategies

Adapted from Marzano, Robert. (2001). *Classroom instruction that works*. Alexandria: ASCD.

Strategy	What the Research Says:	How it looks in the Classroom:
Multiple Intelligences	In differentiated classrooms, teachers begin where students are, not the front of a curriculum. This information provides a glimpse of how the learner processes new information and can be valuable in making it part of the permanent memory.	Provide support resources (manipulatives, visual aids, charts, outlines, picture cues, audiotape books, and instructions). Vary assessment type (i.e., performance task, open response, multiple-choice, etc.)
Graphic Organizers	This approach provides the scaffolding for learners to organize their new information in a way that is most useful for them to understand. Students should be taught a variety of organizers that could be used for many situations.	Thinking Maps KWL chart (what do we already think we know, what do we want to know, what did we learn) Sequencing Compare & Contrast Word and number webs
Flexible grouping	These groups must be fluid and based on commonalities from the learner's progress towards the desired outcome.	Jigsaw Group investigation Small-group instruction
Individual student contracts	Accountability and communication are paramount to the success of this approach.	Gradual release of direct assistance so students can perform independently
Adjusting level of rigor in questions	This will give the teacher a clear understanding of the depth to which students are processing the desired outcome.	Finding of answers in provided texts rather than by random guessing Varied questioning strategies

Strategy	What the Research Says:	How it looks in the Classroom:
Independent study of student-selected projects	Providing choice will foster ownership for the student to progress towards the desired outcome.	Using scoring guides (rubrics) to guide development of a student-selected independent project
Compacting (streamlining or modifying basic content to provide students with tiered assignments)	When the formative assessment has been conducted and portions of the class already understand the desired outcome, compacting can validate this understanding.	Clear emphasis on the most important concepts and skills (i.e., “unwrapped” Priority Standards/Power Standards)
Tiered assignments (designed at different levels of complexity according to students’ readiness levels)	All tiers must include meaningful activities. If you meet the learners where they are with the objectives it can be a powerful experience that fosters ownership. It must be done carefully.	Varied texts and supplementary materials Varied homework Assignment “menu” (choices)
Connect new concepts to prior learning	The activation of prior knowledge is the foundation for all new learning.	KWL, use real world ideas, topics, and contexts that are appropriate and engaging

Multi-Tiered System of Support: Academic Intervention Support

The Academy’s educational program allows for adaptation and modification to meet the needs of all learners. Instructional planning is focused on ensuring student success. The result is a curriculum that enables students to derive meaning from all educational experiences. Active student engagement is a key feature of student success. There is an expectation that all teachers design lessons and assessments that engage students.

The Academy’s core curriculum:

- I. is available to all children;
- II. is preventative and proactive; and
- III. includes, but is not limited to:
 - differentiated instruction through adaptations
 - use of diagnostic assessments to guide instruction
 - small, flexible groups
 - scaffolded curriculum
 - data driven decisions and progress monitoring

The Academy subscribes to a three “tiered” Intervention structure:

Tier I is general classroom instruction that includes ALL students. Teachers use differentiated instruction to meet student needs as much as possible. Frequent formative assessments determine the extent to which content is learned prior to summative assessments. Summative assessments in the form of unit tests, papers, projects, presentations and demonstrations indicate mastery of content. Teachers reteach and reassess as necessary.

Data meetings are held three times per year; fall, winter, and spring. The classroom teacher meets with the Interventionists and available Administration. During this meeting, the team analyzes the results of all

literacy and math assessments to determine an instructional focus for each student. Intervention groups are formed based on the needs of each student.

Tier II encompasses the classroom instruction outlined above and additional “needs-based learning.” Students who are identified through standardized assessments and teacher observations as performing below grade level receive support during an additional 30 minute differentiated instructional block. This support may come from the classroom teacher, an interventionist or paraprofessional. Students receive more frequent progress monitoring to determine academic growth.

Tier III encompasses Tier I and Tier II instruction with the addition of “individualized learning.” When students do not make accelerated progress after receiving supplemental Tier II instruction, a “Child Study” is initiated. The Child Study Team (“CST”) meets to recommend and implement additional strategies to assist the student. If the student is not making accelerated progress to grade level, the student is referred to special education for testing after additional interventions have been implemented. The Child Study process may also identify students who are gifted and prescribe appropriate, individualized curriculum.

The students identified for Tier III are those that qualify for special education services, based on a documented learning or speech disability. Students receive classroom instruction by the general education teacher and support from a special education teacher. Students also may receive modified content or instructional delivery based on an Individualized Educational Program (“IEP”).

When making educational placement decisions for students with disabilities, the Academy will ensure that parents are contributing members of the IEP team, and together the team will make decisions that are subject to requirements regarding provision of the least-restrictive environment. When determining how services will be delivered to students with disabilities, the Academy will follow all Special Education Rules as issued by the Michigan Department of Education. If a child with a current IEP enrolls in the Academy, the Academy will implement the existing IEP to the extent possible or will provide an interim IEP agreed upon by parents until a new IEP can be developed. IEPs will be developed, revised and implemented in accordance with the Individuals with Disabilities Education Improvement Act (“IDEIA”) and state law and regulations.

The Academy will fully comply with federal laws and regulations governing children with disabilities as follows:

1. The Academy is responsible for providing a free, appropriate public education to children with disabilities enrolled in the Academy that have been determined through an IEP to require Special Education programs and services.
2. The Academy will ensure that children who are suspected of having disabilities are properly evaluated by a multidisciplinary team, as defined in the Michigan Special Education Rules, and that children who have already been identified are re-evaluated by the multidisciplinary team at least every three years.
3. When a multidisciplinary team determines that a special education student requires Special Education programs and services, the Academy will ensure that the IEP is fully implemented in accordance with IDEIA and reviewed on an annual basis or more frequently as determined by the IEP team.

Child Study Team Process

1. Any student experiencing chronic behavior or learning problems will be referred to the Academy’s CST.

2. All referrals to the CST must be submitted using the Child Study Referral Form. Incomplete referral forms will result in the meeting deferred to the next Child Study meeting.
3. If appropriate, parents and/or guardians of students referred to the CST shall be invited to the meeting. The student, for which the meeting is held, shall also be invited to attend, if applicable, with permission from the parent and CST.
4. The Child Study Team has the responsibilities to suggest interventions based on student performance or behavior data and support the teacher with implementing the interventions within a timely manner. The referring teacher has the responsibility to apply the interventions/strategies to improve student related outcomes.
5. Once interventions and strategies have been implemented, data is collected. The classroom teacher may schedule the student for a follow up CST meeting. The CST reviews the effectiveness of the interventions and impact on the child's learning.
6. All services, including those of the Special Education Teacher, Speech and Language Teacher, Social Worker and Administration will be based on the recommendations of the CST.

Exceptions: In the case of an emergency such as student experiencing a loss of parent, sibling or significant other or in the event of a student in an “acute” state of depression who threatens suicide, referrals may be directly made to the school social worker and/or counselor.

Intervention Strategies

Tier II (Targeted) interventions include, but are not limited to:

Tier 2 Strategy	How it looks in the Classroom/Small Group:
Smaller grouping of students	Additional 20-30 minutes of instruction 3-4 times per week. Instruction is specific to the needs of students. Extra guided reading groups, Bridges Intervention groups, Bridges WorkPlaces, etc. Needs-based groups Groups of 1:1 or up to 3 students for the most intensive students. No more than 5 for strategic support.
Instruction highly focused on specific skills and/or learning strategies	Explicit instruction Teach common misconceptions before errors occur Additional 30 minutes of instruction
Frequent monitoring and assessment of progress and social development	Bi-weekly progress monitoring Adjust instruction accordingly
Matching of specific strategy to specific skill need and changing as needed	Data meetings to determine targeted intervention. On-going review of progress Adapt ways of presenting task to address a variety of learning modalities.
Repetition	Copy material or write it again. Rehearse things mentally or aloud. Repeat information to be recalled.

	Recite steps in a procedure, facts, lists, labels, or rules. Explicitly model strategies multiple times for struggling readers. Repeat directions frequently and always model directions and outcomes explicitly with struggling students.
“Chunking” of information/time into smaller segments	Break instructional duration into smaller chunks of time. Break instructional content into smaller chunks.
Providing more (or less) time	Adjust the length of time for instruction, assignments, assessments, and projects according to student need
Use of technology	Promethean Panel, Calculators, Computer, Student response clickers, videos, Websites, Netbooks, Document Camera, Google Apps for Education

Intervention Strategies

Tier 3 (Intensive) interventions include all of Tier 1 and 2 PLUS:

Strategy	What it looks like in the Classroom, Small Group or 1:1.
Smaller teacher-student ratio and one-to-one instruction	Tutor Title I pull-out/push-in Resource teacher Guided Reading groups Needs-based groups Interventionists
More intensive supplemental interventions	Supplemental resources Highly Explicit Instruction Individualized intervention Increase in duration and intensity
Longer duration of instruction	Adjust pacing calendar to include more reteaching of key concepts/skills
Detailed attention to the social environment	Minimize distractions in environment: -close shades -close door -move seat -clear desk -put pencils away -put tennis balls on legs of chairs -provide study corral -headphones
More frequent progress monitoring	Daily/weekly data points; daily progress-monitoring checks to monitor learning and adjust instruction accordingly

Specifically Designed Instruction

The general and special education teacher will create specifically designed instruction

Simplify the input (verbal or written instructions)	Use lower-level reading books Rephrase, reword, and simplify
Scaffolding	Simplify the task to make it more manageable for the student, then provide structure to get to the next level/stage
Total Physical Response (“TPR”)	Students respond with body movement to show comprehension
Extended wait time	Provide uninterrupted periods of time for students to consider what their personal response will be
Teaching one concept at a time and allowing sufficient processing time	Pace: ensure mastery of strategy by introducing concepts in chunks Focus on both the process and content of learning

Use sensory feedback techniques	Raised lined paper Tactile letter cards
Clear and explicit expectations	Scoring guides (teacher and student generated) Systematic breakdown of specific strategies, skills and concepts (i.e., step-by-step explanation of what students are to do)

Multi-Tiered System of Support: Positive Behavioral Support Programs and Services (“PBIS”)

The Academy also implements a multi-tiered support system for positive behavioral support. The continuum of services includes positive support at all three levels; Tier I, Tier II and Tier III. As defined by

the Michigan Integrated Behavior and Learning Systems Initiative, PBIS is, “a systems approach for establishing the social culture and behavioral supports needed for schools to be effective learning environments for all students.”

Tier 1 – The goal of Tier I behavioral interventions is to support and encourage at least 85% of the student population to meet or exceed the behavioral expectations set forth by the Academy.

- **S.O.A.R. (Safe, On task, Act Responsibly, and Respectful)** – The Academy has developed and integrated school-wide behavioral expectations for students in kindergarten through eighth grade. These expectations include lesson plans for explicitly teaching the expectations, an updated yearly schedule for teaching the expectations school-wide, posters throughout the building and a reward system to acknowledge students following these expectations.
- **Promoting Positive School Climate (‘PPSC’)** – The Academy has implemented the components of Tier 1 of a School-wide Positive Behavioral Interventions and Supports (“SWPBIS”) framework. The Academy uses behavior data, systems, and practice with fidelity to improve student outcomes. This data is collected three times a year, Fall, Winter and Spring, through surveys from students, school staff and families feedback on classroom supports, behaviors and community. This data supports the Academy Behavior Coach with implementing and planning school-wide behavioral support programs, building relationships with families, and targeting student needs.
- **Eagle Pride** – Eagle Pride is the Bully Prevention Program at the Academy. This program includes lessons for elementary and middle school students specifically addressing bullying. The program develops common language surrounding bullying as well as the “Stop, Walk, Talk”, process for dealing with a bully. Students engage in the Eagle Pride lessons at the beginning of the school year and as needed thereafter throughout the school year.
- **Positivity Project** – The Academy will use the Positivity project (“P2”) to engage students socio-emotionally and build social skills. Through digital resources, training, and strategy we teach positive psychology’s 24-character strengths and empower students to build positive relationships. P2’s daily 15-minute digital lessons, shared via Google Slides, are off-the-shelf and easily delivered by any teacher. These lessons include videos, activities, and follow-up questions to facilitate classroom discussions.

Tier II – The goal of Tier II behavioral interventions is to support and encourage 15% of the student population who are at risk, but not engaging in severe behavioral problems. The Behavior Interventionist, with input from support staff, uses behavioral data to determine which students will participate in Tier II interventions and which interventions would meet the needs of the student.

- **Check In/Check Out** – Check-In/Check-Out (“CICO”) is a Tier 2, group-oriented, and research-backed behavioral intervention that delivers additional support to groups of students with similar behavioral needs. CICO is an opportunity for a student and a mentor to work together to improve behavior. The goal of this strategy is to prevent future problem behavior by checking in with students daily to share clear expectations, feedback, and support. Classroom teachers can typically implement CICO in less than five to 10 minutes. Check-in, Check-out includes:
 - Check-in and check-out daily with an adult at school.
 - Regular feedback and reinforcement from teachers.
 - Family component.
 - Daily performance data used to evaluate progress in minutes per day.

- Small Group
 - Matched to Student Needs
 - Explicit Instruction
 - Structured Prompts
 - Opportunities to Practice
- **Restorative Circles** – Restorative practice is the science of relationships and community. When applied in schools, restorative practices proactively improve climate and culture. Restorative practices also provide opportunities for responses to wrongdoing and focus on repairing harm. Restorative Circles are structured meetings where students participate in circles where they are able to freely express their feelings about a particular issue or situation, but are also held accountable for their actions by the group. Restorative circles are an important way to build relationships with students in all grades that can help prevent behavioral issues that may lead to suspensions or expulsions.

Tier III – The goal of Tier III behavior interventions is to support and encourage the 5% of the student population at the Academy that may engage in severe forms of high-risk behaviors and therefore require more intensive and individualized behavioral interventions. The Behavior Interventionist facilitates a formalized Functional Behavior Assessment resulting in an Individualized Behavioral Intervention Plan.

**Specifically Designed Instruction

Assessments utilized at the Academy to ensure progress toward the educational goal stated in the Contract

The assessment of student learning guides the staff and students at the Academy. Many different styles of assessment are applied to the measurement of objectives. The assessment takes the form of formative, summative or benchmark.

The formative assessment that takes place in the learning environments at the Academy guides the instruction and adjustments made by teachers. Academy teachers use a variety of strategies to ensure proper instruction is administered. Teachers use quick visual checks of student understanding. In addition to these visual checks, the teachers can use formal written checks to ensure that the instruction is adjusted properly. When teachers assess student mastery after instruction has been delivered, a variety of summative assessment styles are used. Teachers at the Academy often use tests, quizzes, projects, problem-based authentic opportunities, presentations, and various other products to measure the learner's accomplishment from the instruction.

At the Academy, a team of educators measures student learning several times per year using the benchmark assessments. These assessments include but are not limited to; Developmental Reading Assessment®, Words Their Way®, NWEA MAP and district Writing Prompts. These assessments are administered in the fall, winter and spring to ensure value added due to instruction. The Academy also administers the mandated statewide measure as determined by the Michigan Department of Education.

Preparing School Students for Careers

The Academy is fully invested in preparing students for success in the next step of their lives. For Academy students, the next step is high school. The Academy takes a multi-faceted approach to this preparation.

1. All students, K-8th grade, are required to complete career planning through Xello’s college and career readiness program. This process includes the analysis of the opportunities available based on the student’s interests. Middle school students complete an Educational Development Plan (“EDP”). Students are encouraged in self-discovery, to create career awareness, and to build future readiness skills.
2. Students also have many opportunities to mentor younger students. These opportunities exist in curricular areas as well as relationship building exercises.
3. The Academy has a well-established dance program. Students in the middle school grades are offered many opportunities to become part of the planning committee for events that are sponsored through this department.
4. Academy middle school students are exposed to future educational opportunities. This is accomplished by bringing in area high school representatives to speak to students about the opportunities available or by visiting nearby high schools.

Methods of Program Evaluation

The Academy uses a systematic approach to ensuring that the implementation, delivery and support of the educational program is effective.

At the classroom level, the Academy utilizes *The Danielson Framework for Teaching*. This Framework is grounded in a constructivist view of learning and teaching to understand where educators are and what areas need to grow. The Framework is organized by four domains; Planning and Preparation; Classroom Environment; Instruction; and Professional Responsibilities.

At the Administrative level, the Academy Board utilizes the School Advance Superintendent Evaluation tool to evaluate the Academy Administrator. This tool focuses on five domains; Results, Leadership, Systems Alignment, Processes, and Capacity Building.

In conjunction with the requirements of the Michigan Department of Education, the Academy completes an annual comprehensive needs assessment. This process includes accumulating and analyzing demographic, program and process data, perception data, academic student achievement data and other factors impacting student achievement. Information derived from these sources help the Leadership Team understand strengths, gaps and needs at the Academy.

Utilizing the comprehensive needs assessment information, the Leadership Team develops a comprehensive Continuous Improvement Plan. The Continuous Improvement Plan identifies district-wide goals in curricular area, and strategies and activities to focus on throughout the school year. The team annually reviews and shares information with the community and the Academy Board.

Enrollment Limits

The Academy will offer kindergarten through eighth grade. The maximum enrollment shall be 450 students. The Academy Board will annually adopt maximum enrollment figures prior to its application and enrollment period.

Requirements

Section 504 of the Code provides that public school academies shall not charge tuition and shall not discriminate in its pupil admissions policies or practices on the basis of intellectual or athletic ability, measures of achievement or aptitude, status as a student with a disability, or any other basis that would be illegal if used by a Michigan school district. However, a public school academy may limit admission to pupils who are within a particular range of age or grade level or on any other basis that would be legal if used by a Michigan school district and may give enrollment priority as provided below.

- Academy enrollment shall be open to all individuals who reside in Michigan. Except for a foreign exchange student who is not a United States citizen, a public school academy shall not enroll a pupil who is not a Michigan resident.
- Academy admissions may be limited to pupils within a particular age range/grade level or on any other basis that would be legal if used by a Michigan school district.
- The Academy shall allow any pupil who was enrolled in the Academy in the immediately preceding school year to enroll in the Academy unless the appropriate grade is not offered.
- No student may be denied participation in the application process due to lack of student records.
- If the Academy receives more applications for enrollment than there are spaces available, pupils shall be selected for enrollment through a random selection drawing.

The Academy may give enrollment priority to one (1) or more of the following:

- A sibling of a pupil enrolled in the Academy.
- A pupil who transfers to the Academy from another public school pursuant to a matriculation agreement between the Academy and other public school that provides for this enrollment priority, if all of the following requirements are met:
 1. Each public school that enters into the matriculation agreement remains a separate and independent public school.
 2. The Academy shall select at least 5% of its pupils for enrollment using a random selection process.
 3. The matriculation agreement allows any pupil who was enrolled at any time during elementary school in a public school that is party to the matriculation agreement and who was not expelled from the public school to enroll in the public school academy giving enrollment priority under the matriculation agreement.

- A child, including an adopted child or legal ward, of a person who is employed by or at the Academy or who is on the Academy Board.

Matriculation Agreement

- The Academy Board may enter into a matriculation agreement with another public school pursuant to section 504(4) of the Code.
- However, before the Academy Board approves a matriculation agreement, the Academy shall provide a draft copy of the agreement to the Center for review.
- Any matriculation agreement entered into by the Academy shall be added to this Schedule 7f through a contract amendment approved in accordance with Article IX in the Terms and Conditions of this Contract.

Application Process

- The Academy shall make reasonable effort to advertise its enrollment openings.
- The Academy's open enrollment period shall be a minimum of two weeks (14 calendar days) in duration and shall include evening and weekend times.
- The Academy shall accept applications all year. If openings occur during the academic year, students shall be enrolled. If openings do not exist, applicants shall be placed on the official waiting list. The waiting list shall cease to exist at the beginning of the Academy's next open enrollment period.
- In the event there are openings in the class for which students have applied, students shall be admitted according to the official waiting list. The position on the waiting list shall be determined by the random selection drawing. If there is no waiting list, students shall be admitted on a first-come, first-served basis.
- The Academy may neither close the application period nor hold a random selection drawing for unauthorized grades prior to receipt of written approval from the Center.

Legal Notice or Advertisement

- The Academy shall provide legal notice or advertisement of the application and enrollment process in a local newspaper of general circulation. A copy of the legal notice or advertisement shall be forwarded to the Center.
- At a minimum, the legal notice or advertisement must include:
 1. The process and/or location(s) for requesting and submitting applications.
 2. The beginning date and the ending date of the application period.
 3. The date, time, and place the random selection drawing(s) will be held, if needed.
- The legal notice or advertisement of the application period shall be designed to inform individuals that are most likely to be interested in attending the Academy.
- The Academy, being an equal opportunity educational institution, shall be committed to good-faith affirmative action efforts to seek out, create and serve a diverse student body.

Re-enrolling Students

- The Academy shall notify parents or guardians of all enrolled students of the deadline for notifying the Academy that they wish to re-enroll their child.
- If the Academy Board has a sibling preference policy, the re-enrollment notice must also request that the parent or guardian indicate whether a sibling(s) seeks to enroll for the upcoming academic year.
- An enrolled student who does not re-enroll by the specified date can only apply to the Academy during the application period for new students.
- An applicant on the waiting list at the time a new application period begins must reapply as a new student.
- After collecting the parent or guardian responses, the Academy must determine the following:
 1. The number of students who have re-enrolled per grade or grouping level.
 2. The number of siblings seeking admission for the upcoming academic year per grade.
 3. If space is unavailable, the Academy must develop a waiting list for siblings of re-enrolled students.
 4. The number of spaces remaining, per grade, after enrollment of current students and siblings.

Random Selection Drawing

A random selection drawing is required if the number of applications exceeds the number of available spaces. Prior to the application period, the Academy shall:

- Establish written procedures for conducting a random selection drawing.
- Establish the maximum number of spaces available per grade or age grouping level.
- Establish the date, time, place and person to conduct the random selection drawing.
- Notify the Center of both the application period and the date of the random selection drawing, if needed. The Center may have a representative on-site to monitor the random selection drawing process.

The Academy shall use a credible, impartial individual who is not employed by, under contract with, a member of the Board of, or otherwise affiliated with the Academy to conduct the random selection drawing. Further, the Academy shall:

- Conduct the random selection drawing in a manner that is open to parents, community members and members of the public who want to observe the process.
- Use numbers, letters, or another system that guarantees fairness and does not give an advantage to any applicant.

The Academy shall notify applicants not chosen in the random selection drawing that they were not selected and that their name has been placed on the Academy's official waiting list for openings that may occur during the academic year. Students shall appear on the official waiting list in the order they were selected in the random selection drawing.
