PROPOSAL FOR BOARD ACTION: CONSENT AGENDA

Public School Academy Board of Directors: Method of Selection, Appointment, and Removal

Project Description:

After reviewing the exigent appointment process, the Center for Charter Schools believes that this process cannot adequately protect the University Board from a situation where an academy governing board and the educational service provider simultaneously resign. The challenges in recruiting, interviewing and appointing a new board (or at least three members who could meet as a quorum), and have the new board contract with a new educational service provider, is time consuming and cannot be accomplished quickly. Accordingly, the Center recommends that the University Board charter contracts include a revision to a provision regarding the appointment of a conservator/manager on a temporary basis to address situations such as the en masse resignation of an academy governing board.

The conservator/manager would have all the powers and duties of the academy's governing board and would function in the board's place upon appointment. The conservator/manager would be designated by the University President or his or her designee upon consultation with the University Board Chair. The current conservator/manager provision required the action of the full University Board to appoint a conservator/manager. In order for this change to occur, the University Board's Method of Selection, Appointment and Removal Policy must be amended.

Public School Academy Board of Directors: Method of Selection, Appointment and Removal

The Central Michigan University Board of Trustees declares that the method of selection, length of term, and number of board members shall be as follows.

Method of Selection and Appointment

The Central Michigan University Board of Trustees ("University Board") shall prescribe the method of appointment for members of an academy's board of directors. The director of the charter schools office is authorized to develop and administer an academy board selection and appointment process that includes an *Application for Public School Academy Board Appointment* and is in accord with these policies:

- a. The University Board shall appoint the initial and subsequent academy board of directors by resolution, except as prescribed by subparagraphs d and e. The director of the charter schools office shall recommend qualified individuals to the University Board, and ensure that the board of directors includes representation from the local community where the academy is located.
- b. The academy board of directors, by resolution and majority vote, shall nominate its subsequent members, except as provided otherwise. The academy board of directors shall recommend to the director of the charter schools office at least one nominee for each vacancy. Nominees shall submit the *Application for Public School Academy Board Appointment* for review by the charter schools office. The director of the charter schools office may or may not recommend the appointment of a nominee submitted by the academy board. If the director of the charter schools office does not recommend the appointment of a nominee submitted by the academy board, he/she may select and recommend another nominee or may request the academy board submit a new nominee for consideration.
- c. An individual appointed to fill a vacancy created other than by the expiration of a term shall be appointed for the unexpired term of that vacant position.
- d. Under exigent conditions, and with the approval of the University Board's chair and the president, the director of the charter schools office may appoint a qualified individual to an academy's board of directors. All appointments made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any appointments made under this provision.
- e. In the event that the health, safety and welfare of an academy's students, property or funds are at risk, the president, after consulting with the University Board's chair, may appoint a person to serve as a conservator for the academy. Upon appointment, the conservator shall have all the powers of the academy's board of directors and shall act in the place and stead of the academy's board of directors. After the President appoints a conservator, the full Board of Trustees shall receive notice of the appointment as soon as possible. The president shall appoint the conservator for a definite term which may be extended in writing. During the conservator's appointment, the academy's board of directors, and all powers of the academy's board of directors, are suspended. The charter contract shall set forth any additional powers granted to the conservator during their appointment. All appointments made under this

provision must be presented to the University Board for final determination at its next regularly scheduled meeting.

Length of Term

The director of an academy board shall serve at the pleasure of the University Board. Terms of the initial positions of the academy board of directors shall be staggered in accordance with *The Academy Board of Directors Table of Staggered Terms and Appointments* established and administered by the director of the charter schools office. Subsequent appointments shall be for a term of office not to exceed four (4) years, except as prescribed by *The Academy Board of Directors Table of Staggered Terms and Appointments*.

Removal and Suspension

If the University Board determines that an academy board member's service in office is no longer necessary, then the University Board may remove an academy board member with or without cause and shall specify the date when the academy board member's service ends. An academy board member may also be removed as part of a reconstitution under the charter contract or from office by a two-thirds (2/3) vote of the academy's board of directors for cause.

With the approval of the University Board's chair and the president, the director of the charter schools office may suspend an academy board member's service, if in his/her judgment the person's continued presence would constitute a risk to persons or property, or would seriously impair the operation of the academy. Any suspension made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any suspensions made under this provision.

Number of Directors

The number of members of the academy board of directors shall not be less than five (5) nor more than nine (9). If the academy board of directors fails to maintain its full membership by making appropriate and timely nominations, the University Board or its designee may deem that failure an exigent condition.

To be qualified to serve on an academy's board of directors, a person shall, among other things: (a) be a citizen of the United States; (b) be a resident of the State of Michigan; (c) submit all materials requested by the charter schools office including, but not limited to, the *Application for Public School Academy Board Appointment* which must include authorization to process a criminal background check; and (d) annually submit a conflict of interest disclosure as prescribed by the charter schools office.

ARTICLE II

RELATIONSHIP BETWEEN THE ACADEMY AND THE UNIVERSITY BOARD

Section 2.1. Constitutional Status of Central Michigan University. Central Michigan University is a constitutionally established body corporate operating as a state public university. The University Board is an authorizing body as defined by the Code. In approving this Contract, the University Board voluntarily exercises additional powers given to the University under the Code. Nothing in this Contract shall be deemed to be any waiver of Central Michigan University's powers or independent status and the Academy shall not be deemed to be a part of Central Michigan University. If applicable, the University Board has provided to the Department the accreditation notice required under the Code.

Section 2.2. Independent Status of the Academy. The Academy is a body corporate and governmental entity authorized by the Code. It is organized and shall operate as a public school academy and a nonprofit corporation. It is not a division or part of Central Michigan University. The relationship between the Academy and the University Board is based solely on the applicable provisions of the Code and the terms of this Contract or other agreements between the University Board and the Academy.

Section 2.3. Financial Obligations of the Academy Are Separate From the State of Michigan, University Board and the University. Any contract, mortgage, loan or other instrument of indebtedness entered into by the Academy and a third party shall not in any way constitute an obligation, either general, special, or moral, of the State of Michigan, the University Board, or the University. Neither the full faith and credit nor the taxing power of the State of Michigan or any agency of the State, nor the full faith and credit of the University Board or the University shall ever be pledged for the payment of any Academy contract, mortgage, loan or other instrument of indebtedness.

Section 2.4. Academy Has No Power To Obligate or Bind the State of Michigan, the University Board or the University. The Academy has no authority whatsoever to enter into any contract or other agreement that would financially obligate the State of Michigan, the University Board or the University, nor does the Academy have any authority whatsoever to make any representations to lenders or third parties, that the State of Michigan, the University Board or the University in any way guarantee, are financially obligated, or are in any way responsible for any contract, mortgage, loan or other instrument of indebtedness entered into by the Academy.

If the circumstances listed below in (a) or (b) apply to the Academy's site, the Academy represents to the University Board, intending that the University Board rely on such representation as a precondition to issuing a contract for a new public school academy, that the Academy will have substantially different governance, leadership and curriculum than the public school previously operating at the site:

- (a) The Academy's proposed site is the same location as a public school that (i) is currently on the list under Section 1280c(1), MCL 380.1280c(1) or Section 1280g(3), MCL 380.1280g(3) of the Code, as applicable; or (ii) has been on the list under Section 1280c(1) or 1280g(3) of the Code, as applicable, during the immediately preceding 3 school years.
- (b) The Academy's proposed site is the same location of another public school academy, urban high school academy, school of excellence or strict discipline academy whose contract was revoked or terminated by an authorizing body.

Section 3.1. University Board Resolutions. The University Board has adopted a resolution, hereinafter the Method of Selection, Appointment, and Removal Resolution, providing for the method of selection and appointment, length of term, removal and suspension, number of Directors and the qualifications of Directors. The University Board has adopted a Reauthorization Resolution which approves the issuance of this Contract. The Reauthorization Resolution and the Method of Selection, Appointment, and Removal Resolution are hereby incorporated into this Contract. The University Board may, from time to time, amend the Method of Selection, Appointment, and Removal Resolution changing the method of selection, length of term, number of Directors and the qualifications of Directors. Any subsequent resolution of the University Board changing the Method of Selection, Appointment, and Removal Resolution shall automatically be incorporated into this Contract without the need for an amendment under Article IX of the Terms and Conditions.

Section 3.2. University Board as Fiscal Agent for the Academy. The University Board is the fiscal agent for the Academy. As fiscal agent, the University Board assumes no responsibility for the financial condition of the Academy. The University Board is not liable for any debt or liability incurred by or on behalf of the Academy Board, or for any expenditure approved by or on behalf of the Academy Board. Except as provided in the Oversight, Compliance and Reporting Agreement and Article X of these Terms and Conditions, the University Board shall promptly, within ten (10) business days of receipt, forward to the Academy all state school aid funds or other public or private funds received by the University Board for the benefit of the Academy. The responsibilities of the University Board, the State of Michigan, and the Academy are set forth in the Fiscal Agent Agreement incorporated herein as Schedule 3.

Section 9.1. Amendments. The University Board and the Academy acknowledge that the operation and administration of a public school academy and the improvement of educational outcomes over time will require appropriate amendment of this Contract. In order to assure a proper balance between the need for independent development of the Academy and the statutory responsibilities of the University Board as an authorizing body, the parties have established a flexible process for amending this Contract.

Section 9.2. Process for Amendment Initiated by the Academy. The Academy, by a majority vote of its Board of Directors, may, at any time, propose specific changes in this Contract or may propose a meeting to discuss potential revision of this Contract. The proposal will be made to the University Board through its designee. The University Board delegates to the Center Director the review and approval of changes or amendments to this Contract. When acting during an emergency situation, the University President shall have the authority to act in place of the University Board, and such emergency action shall only be effective in the interim before the earlier of (a) rejection of the emergency action by the Chairperson of the University Board; or (b) the next meeting of the University Board. Section 10.1. Statutory Grounds for Revocation. In addition to the other grounds for revocation in Section 10.2 and the automatic revocation in Section 10.3 of these Terms and Conditions, the University Board may revoke this Contract, pursuant to the procedures set forth in Section 10.6, upon a determination that one or more of the following has occurred:

- (a) Failure of the Academy to demonstrate improved pupil academic achievement for all groups of pupils or abide by and meet the educational goal and related measures set forth in this Contract;
- (b) Failure of the Academy to comply with all Applicable Law;
- (c) Failure of the Academy to meet generally accepted public sector accounting principles and to demonstrate sound fiscal stewardship; or
- (d) The existence of one or more other grounds for revocation as specified in this Contract.

Section 10.2. Other Grounds for Revocation. In addition to the statutory grounds for revocation set forth in Section 10.1 and the grounds for an automatic revocation set forth in Section 10.3, the University Board may revoke this Contract, pursuant to the procedures set forth in Section 10.6, upon a determination that one or more of the following has occurred:

- (a) The Academy fails to achieve or demonstrate measurable progress toward achieving the educational goal and related measures identified in this Contract;

- (c) The Academy is insolvent, has been adjudged bankrupt, or has operated for two or more school fiscal years with a Fund Balance Deficit;
- (d) The Academy has insufficient enrollment to successfully operate a public school academy, or the Academy has lost more than fifty percent (50%) of its student enrollment from the previous school year;
- (e) The Academy fails to fulfill the compliance and reporting requirements or defaults in any of the terms, conditions, promises or representations contained in or incorporated into this Contract or, during the term of this Contract, it is discovered by the Center that the Academy failed to fulfill the compliance and reporting requirements or there was a violation of a prior Contract issued by the University Board;
- (f) The Academy files amendments to its Articles of Incorporation with the Michigan Department of Licensing and Regulatory Affairs, without first obtaining the Center's approval;
- (g) The Center Director discovers grossly negligent, fraudulent or criminal conduct by the Academy's applicant(s), directors, officers, employees or agents in relation to their performance under this Contract; or
- (h) The Academy's applicant(s), directors, officers, employees or agents have provided false or misleading information or documentation to the Center in connection with the University Board's approval of the Application, the issuance of this Contract, or the Academy's reporting requirements under this Contract or Applicable Law.

Section 10.3. Automatic Amendment Of Contract; Automatic Termination of Contract If All Academy Sites Closed; Economic Hardship Termination. Except as otherwise provided in this Section 10.3, if the University Board is notified by the Department that an Academy site is subject to closure under section 507 of the Code, MCL 380.507 ("State's Automatic Closure Notice"), then this Contract shall automatically be amended to eliminate the Academy's authority to operate certain age and grade levels at the site or sites identified in the State's Automatic Closure Notice. If the State's Automatic Closure Notice includes all of the Academy's existing sites, then this Contract shall automatically be terminated at the end of the current school year in which either the State's Automatic Closure Notice is received without any further action of the University Board or the Academy.

Following receipt of the State's Automatic Closure Notice, the Center Director shall forward a copy of the notice to the Academy Board and request a meeting with the Academy Board representatives to discuss the Academy's plans and procedures for the elimination of certain age or grade levels at the identified site or sites, or if all of the Academy's existing sites are included in that notice, then wind-up and dissolution of the Academy corporation at the end of the current school year. All Academy inquiries and requests for reconsideration of the State's Automatic Closure Notice, including the granting of any hardship exemption by the Department rescinding the State's Automatic Closure Notice ("Pupil Hardship Exemption"), shall be directed to the Department, in a form and manner determined by the Department. If the Department rescinds the State's Automatic Closure Notice for an Academy site or sites by granting a Pupil Hardship Exemption, the Academy is not required to close the identified site(s), but shall present to

the Center a proposed Contract amendment incorporating the Department's school improvement plan, if applicable, for the identified site(s).

If the Department elects not to issue a Pupil Hardship Exemption and the Center Director determines, in his or her discretion, that the closure of one or more sites as directed by the Department creates a significant economic hardship for the Academy as a going concern or the possibility of a mid-year school closure, then the Center Director may recommend to the University Board that the Contract be terminated at the end of the current school year (hereinafter "Economic Hardship Termination"). If the University Board approves the Economic Hardship Termination recommendation, then this Contract shall terminate at the end of the current school year without any further action of the parties.

The University Board's revocation procedures set forth in Section 10.6 do not apply to an automatic termination initiated by the State's Automatic Closure Notice or an Economic Hardship Termination under this Section 10.3.

Section 10.4. Grounds and Procedures for Academy Termination of Contract. The Academy Board, by majority vote of its Directors, may, at any time and for any reason, request termination of this Contract. The Academy Board's request for termination shall be made to the Center Director not less than six (6) calendar months in advance of the Academy's proposed effective date of termination. Upon receipt of an Academy request for termination, the Center Director shall present the Academy Board's request for termination to the University Board. A copy of the Academy Board's resolution approving of the Contract termination, including a summary of the reasons for terminating the Contract, shall be included with the Academy Board's request for termination. After receipt of the Academy Board's request for termination, the University Board shall consider the Academy's request no later than its next regularly scheduled meeting. The University Board shall make a final determination and vote on the proposed termination request within 90 days of receipt of the request from the Academy. The University Board may, in its sole discretion, waive the six (6) month advance notice requirement for terminating this Contract.

Section 10.5. Grounds and Procedures for University Termination of Contract. The University Board, in its sole discretion, reserves the right to terminate the Contract (i) for any reason or for no reason provided that such termination shall not take place less than six (6) months from the date of the University Board's action; (ii) if there is a change in Applicable Law that the University Board, in its sole discretion, determines impairs its rights and obligations under the Contract or requires the University Board to make changes in the Contract that are not in the best interest of the University Board or the University; or (iii) if exigent circumstances exist that the University Board determines, in its sole discretion, that termination of this Contract is required to protect the health, safety, or welfare of the Academy students, property, or funds that cannot be cured in a reasonable period as determined solely by the University Board, then such termination shall take effect at the end of the current Academy fiscal year. Following University Board approval, the Center Director shall provide notice of the termination to the Academy. If during the period between the University Board action to terminate and the effective date of termination, the Academy has violated the Contract or Applicable Law, the Contract may be revoked or suspended sooner pursuant to this Article X. If this Contract is terminated pursuant to this Section 10.5, the revocation procedures in Section 10.6 shall not apply.

Section 10.6. University Board Procedures for Revoking Contract. Except for the automatic revocation and procedures initiated by the State of Michigan set forth in Section 10.3, the University Board's process for revoking the Contract is as follows:

- (a) Notice of Intent to Revoke. The Center Director, upon reasonable belief that grounds for revocation of the Contract exist, shall notify the Academy Board of such grounds by issuing the Academy Board a Notice of Intent to Revoke for non-compliance with the Contract or

Applicable Law. The Notice of Intent to Revoke shall be in writing and shall set forth in sufficient detail the alleged grounds for revocation.

- (b) Academy Board's Response. Within thirty (30) days of receipt of the Notice of Intent to Revoke, the Academy Board shall respond in writing to the alleged grounds for revocation. The Academy Board's response shall be addressed to the Center Director, and shall either admit or deny the allegations of non-compliance. If the Academy's response includes admissions of non-compliance with the Contract or Applicable Law, the Academy Board's response must also contain a description of the Academy Board's plan and timeline for correcting the non-compliance with the Contract or Applicable Law. If the Academy's response includes a denial of non-compliance with the Contract or Applicable Law, the Academy's response shall include sufficient documentation or other evidence to support a denial of non-compliance with the Contract or Applicable Law. A response not in compliance with this Section shall be deemed to be non-responsive. As part of its response, the Academy Board may request that a meeting be scheduled with the Center Director prior to a review of the Academy Board's response.
- (c) Plan of Correction. Within fifteen (15) days of receipt of the Academy Board's response or after a meeting with Academy Board representatives, the Center Director shall review the Academy Board's response and determine whether a reasonable plan for correcting the deficiencies can be formulated. If the Center Director determines that a reasonable plan for correcting the deficiencies set forth in the Notice of Intent to Revoke can be formulated, the Center Director shall develop a plan for correcting the non-compliance ("Plan of Correction") which may include Reconstitution pursuant to 10.6(d) of these Terms and Conditions. In developing a Plan of Correction, the Center Director is permitted to adopt, modify or reject some or all of the Academy Board's response for correcting the deficiencies outlined in the Notice of Intent to Revoke. The Notice of Intent to Revoke shall be closed if the Center Director determines any of the following: (i) the Academy Board's denial of non-compliance is persuasive; (ii) the non-compliance set forth in the Notice of Intent to Revoke has been corrected by the Academy Board; or (iii) the Academy Board has successfully completed the Plan of Correction.
- (d) University Board's Contract Reconstitution Provision. The Center Director may reconstitute the Academy in an effort to improve student educational performance or to avoid interruption of the educational process. Reconstitution may include, but is not limited to, one of the following actions: (i) removal of 1 or more members of the Academy Board; (ii) termination of at-will board appointments of 1 or more Academy Board members in accordance with the Method of Selection, Appointment and Removal Resolution; (iii) withdrawing approval of a contract under Section 506 of the Code; or (iv) the appointment of a new Academy Board or a Conservator to take over operations of the Academy.

Except as otherwise provided in this subsection, reconstitution of the Academy does not prohibit the Department from issuing an order under section 507 of the Code, MCL 380.507, directing the automatic closure of the Academy's site(s).

- (e) Request for Revocation Hearing. The Center Director may initiate a revocation hearing before the University Charter Schools Hearing Panel if the Center Director determines that any of the following has occurred:
 - (i) the Academy Board has failed to respond to the Notice of Intent to Revoke as set forth in Section 10.6(b);
 - (ii) the Academy Board's response to the Notice of Intent to Revoke is non-responsive;

- (iii) the Academy Board's response admits violations of the Contract or Applicable Law which the Center Director deems cannot be remedied or cannot be remedied in an appropriate period of time, or for which the Center Director determines that a Plan of Correction cannot be formulated;
- (iv) the Academy Board's response contains denials that are not supported by sufficient documentation or other evidence showing compliance with the Contract or Applicable Law;
- (v) the Academy Board has not complied with part or all of a Plan of Correction established in Section 10.6(c);
- (vi) the Academy Board has engaged in actions that jeopardize the financial or educational integrity of the Academy; or
- (vii) the Academy Board has been issued multiple or repeated Notices of Intent to Revoke.

The Center Director shall send a copy of the request for revocation hearing to the Academy Board at the same time the request is sent to the Hearing Panel. The request for revocation shall identify the reasons for revoking the Contract.

- (f) Hearing before the University Charter Schools Hearing Panel. Within thirty (30) days of receipt of a request for revocation hearing, the Hearing Panel shall convene a revocation hearing. The Hearing Panel shall provide a copy of the notice of hearing to the Center and the Academy Board at least ten (10) days before the hearing. The purpose of the Hearing Panel is to gather facts surrounding the Center Director's request for Contract revocation, and to make a recommendation to the University Board on whether the Contract should be revoked. The revocation hearing shall be held at a location, date and time as determined by the Center Director and shall not last more than three hours. The hearing shall be transcribed and the cost shall be divided equally between the University and the Academy. The Center Director or his or her designee, and the Academy Board or its designee, shall each have equal time to make their presentation to the Hearing Panel. Although each party is permitted to submit affidavits and exhibits in support of their positions, the Hearing Panel will not hear testimony from any witnesses for either side. The Hearing Panel may, however, question the Center Director and the Academy Board. Within thirty (30) days of the revocation hearing, the Hearing Panel shall make a recommendation to the University Board concerning the revocation of the Contract. For good cause, the Hearing Panel may extend any time deadline set forth in this subsection. A copy of the Hearing Panel's recommendation shall be provided to the Center and the Academy Board at the same time that the recommendation is sent to the University Board.
- (g) University Board Decision. If the Hearing Panel's recommendation is submitted to the University Board at least fourteen (14) days before the University Board's next regular meeting, the University Board shall consider the Hearing Panel's recommendation at its next regular meeting and vote on whether to revoke the Contract. The University Board reserves the right to modify, reject or approve all or any part of the Hearing Panel's recommendation. The University Board shall have available to it copies of the Hearing Panel's recommendation and the transcript from the hearing. The University Board may waive the fourteen (14) day submission requirement or hold a special board meeting to consider the Hearing Panel's recommendation. A copy of the University Board's decision shall be provided to the Center, the Academy Board and the Department.
- (h) Effective Date of Revocation. If the University Board votes to revoke the Contract, the revocation shall be effective on the date of the University Board's act of revocation, or at a later date as determined by the University Board.

All appointments made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. Within five (5) business days of the Center Director's notice, the Academy Board Treasurer shall provide the Center Director, in a form and manner determined by the Center, with account detail information and authorization to direct such funds to the Academy Dissolution Account. The Academy Dissolution Account shall be under the sole care, custody and control of the Academy Board, and such funds shall not be used by the Academy to pay any other Academy debt or obligation until such time as all the wind-up and dissolution expenses have been satisfied. The Academy shall list the University on the insurance policies as an additional insured as required by the University's insurance carrier. The coverage provided to the University as an additional covered person or organization will be primary and non-contributory with the University's insurance carrier. Other insurance policies and higher minimums may be required depending upon academic offerings and program requirements.

Pursuant to Section 3.6 of these Terms and Conditions, the University requires that any Educational Service Provider or employee leasing company that enters into a contract with the Academy must obtain insurance coverage similar to the insurance coverage that is currently required for the Academy. Accordingly, any agreement between the Academy and an Educational Service Provider or employee leasing company shall contain a provision requiring the Educational Service Provider or employee leasing company to comply with the coverage requirements recommended by the University's insurance carrier. Furthermore, the agreement between the Educational Service Provider or employee leasing company and the Academy shall contain a provision stating that "in the event that the University's insurance carrier recommends any change in coverage by the Educational Service Provider or employee leasing company, the Educational Service Provider or employee leasing company agrees to comply with any changes in the type and amount of coverage as requested by the University or the University's insurance carrier within thirty (30) days after notice of the insurance coverage change."

The agreement between the Academy and the Educational Service Provider shall contain a provision requiring the Educational Service Provider to make information concerning the operation and management of the Academy, including the information in Schedule 8, available to the Academy as deemed necessary by the Academy Board in order to enable the Academy to fully satisfy its obligations under paragraph 11.9 (a) above.

Section 11.10. Deposit of Public Funds by the Academy. The Academy Board agrees to comply with Section 1221 of the Revised School Code, being MCL 380.1221, regarding the deposit of all public or private funds received by the Academy. Such deposit shall be made within three (3) days after receipt of the funds by the Academy. Prior to providing instruction, the Academy Board shall ensure that the Academy has sufficient documentation to qualify for part-time pupil funding under the State School Aid Act. FORM OF ACADEMY

The Academy is organized as a non-profit, non-stock, directorship corporation.

ARTICLE III
OFFICES

Section 1. Principal Office. The principal office of the Academy shall be located in the state of Michigan.

Section 2. Registered Office. The registered office of the Academy may be the same as the principal office of the Academy, but in any event must be located in the state of Michigan, and be the business office of the resident agent, as required by the Michigan Non-Profit Corporation Act. Changes in the resident agent and registered address of the Academy must be reported to the Michigan Department of Licensing and Regulatory Affairs and to The Governor John Engler Center for Charter Schools ("the Center.")

ARTICLE IV
BOARD OF DIRECTORS

Section 1. General Powers. The business, property and affairs of the Academy shall be managed by the Academy Board of Directors ("Academy Board"). The Academy Board may exercise any and all of the powers granted to it under the Michigan Non-Profit Corporation Act or pursuant to Part 6A of the Revised School Code ("Code"). The Academy Board may delegate such powers to the officers and committees of the Academy Board as it deems necessary, so long as such delegation is consistent with the Articles, these Amended Bylaws, the Contract and Applicable Law.

Section 2. Method of Selection and Appointment. The Central Michigan University Board of Trustees ("University Board") shall prescribe the method of appointment for members of an Academy's Board. The Center Director is authorized to develop and administer an academy board selection and appointment process that includes an *Application for Public School Academy Board Appointment* and is in accord with these policies:

- a. The University Board shall appoint the initial and subsequent Academy Board by resolution, except as prescribed by subparagraph d. The Center Director shall recommend qualified individuals to the University Board.
- b. The Academy Board, by resolution and majority vote, shall nominate its subsequent members, except as provided otherwise. The Academy Board shall recommend to the Center Director at least one nominee for each vacancy. Nominees shall submit the *Application for Public School Academy Board Appointment* for review by the Center. The Center Director may or may not recommend the appointment of a nominee submitted by the Academy Board. If the Center Director does not recommend the appointment of a nominee submitted by the Academy Board, he/she may select and recommend another nominee or may request the Academy Board submit a new nominee for consideration.
- c. An individual appointed to fill a vacancy created other than by the expiration of a term shall be appointed for the unexpired term of that vacant position.
- d. Under exigent conditions, and with the approval of the University Board's chair and the University President, the Center Director may appoint a qualified individual to the Academy Board. All appointments made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any appointments made under this provision.

Section 3. Length of Term. A Director of the Academy Board shall serve at the pleasure of the University Board. Terms of the initial positions of the Academy Board shall be staggered in accordance with *The Academy Board of Directors Table of Staggered Terms and Appointments* established and administered by the Center Director. Subsequent appointments shall be for a term of office not to exceed four (4) years, except as prescribed by *The Academy Board of Directors Table of Staggered Terms and Appointments*.

Section 4. Number of Director Positions. The number of director positions on the Academy Board shall not be less than five (5) nor more than nine (9) as determined by the University Board. If the Academy Board fails to maintain its full membership by making appropriate and timely nominations, the Center Director may deem that failure an exigent condition.

Section 5. Qualifications of Academy Board Members. To be qualified to serve on the Academy Board, a person shall, among other things: (a) be a citizen of the United States; (b) be a resident of the State of Michigan; (c) submit all materials requested by the Center including, but not limited to, the *Application for Public School Academy Board Appointment* which must include authorization to process a criminal background check; and (d) annually submit a conflict of interest disclosure as prescribed by the Center.

The members of the Academy Board shall not include (a) employees of the Academy; (b) any director, officer, or employee of a service provider that contracts with the Academy; (c) a Central Michigan University official or employee, as a representative of Central Michigan University.

Section 6. Oath of Public Office. All members of the Academy Board must take the constitutional oath of office and sign the *Oath of Public Office* before beginning their service. The *Oath of Public Office* shall be filed with the Center.

Section 7. Tenure. Each Director shall hold office until the Director's replacement, death, resignation, removal or until the expiration of the term, whichever occurs first.

Section 8. Removal and Suspension. If the University Board determines that the service in office of a Director of the Academy Board is no longer necessary, then the University Board may remove the Academy Board member with or without cause and shall specify the date when the Academy Board member's service ends. The Academy Board member may also be removed from office for cause by a two-thirds (2/3) vote of the Academy's Board.

With the approval of the University Board's chair and the University President, the Center Director may suspend the service of a Director of the Academy Board if, in his/her judgment, the person's continued presence would constitute a risk to persons or property, or would seriously impair the operation of the Academy. Any suspension made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any suspensions made under this provision.

Section 9. Resignation. Any Director may resign at any time by providing written notice to the corporation or by communicating such intention (orally or in writing) to the Center. Notice of resignation will be effective upon receipt or at a subsequent time if designated in a written notice. A successor shall be appointed as provided in Section 2 of this Article.

Section 10. Board Vacancies. A Director vacancy shall occur because of death, resignation, removal, failure to maintain residency in the State of Michigan, disqualification or as otherwise specified in the Code. Any vacancy shall be filled as provided in Section 2 of this Article.

Section 11. Compensation. A Director of the Academy Board shall serve as a volunteer Director. By resolution of the Academy Board, the Directors may be reimbursed for their reasonable expenses incident to their duties.

ARTICLE V MEETINGS

Section 1. Annual and Regular Meetings. The Academy Board shall hold an annual meeting each year. The Academy Board must provide, by resolution, the time and place, within the State of Michigan, for the holding of regular monthly meetings. The Academy Board shall provide notice of the annual and all regular meetings as required by the Open Meetings Act.

Section 2. Special Meetings. Special meetings of the Academy Board may be called by or at the request of any Director. The person or persons authorized to call special meetings of the Academy Board may fix the place within the State of Michigan for holding any special meeting of the Academy Board called by them, and, if no other place is fixed, the place of meeting shall be the principal business office of the corporation in the state of Michigan. The corporation shall provide notice of all special meetings as required by the Open Meetings Act.

Section 3. Notice; Waiver. The Academy Board must comply with the notice provisions of the Open Meetings Act. In addition, notice of any meeting shall be given to each Director stating the time and place of the meeting, delivered personally, mailed, or sent by facsimile or electronic mail to the Director's business address. Any Director may waive notice of any meeting by written statement, facsimile or electronic mail sent by the Director, signed before or after the holding of the meeting. The attendance of

a Director at a meeting constitutes a waiver of notice of such meeting, except where a Director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

Section 4. Quorum. In order to legally transact business, the Academy Board shall have a quorum physically present at a duly called meeting of the Academy Board. A “quorum” shall be defined as follows:

Seven (7)	Four (4)
Nine (9)	Five (5)

A Director of the Academy Board who is absent from a meeting of the Academy Board due to military duty may participate in the meeting virtually, and that member’s virtual presence will count towards quorum and allow the absent member to participate in and vote on business before the Academy Board.

Section 5. Manner of Acting. The act of the majority of the Directors present at a meeting at which a quorum is present shall be the act of the Academy Board. No member of the Academy Board may vote by proxy, by way of a telephone conference or any other electronic means of communication.

Section 6. Open Meetings Act. All meetings of the Academy Board shall at all times be in compliance with the Open Meetings Act.

Section 7. Presumption of Assent. A Director of the Academy Board who is present at a meeting of the Academy Board at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless that Director's dissent shall be entered in the minutes of the meeting or unless that Director shall file a written dissent to such action with the person acting as the Secretary of the meeting before the adjournment thereof or shall forward such dissent by registered mail to the Secretary of the corporation immediately after the adjournment of the meeting. This right to dissent shall not apply to a Director who voted in favor of such action.

ARTICLE VI COMMITTEES

Section 1. Committees. The Academy Board, by resolution, may designate one or more committees. Each committee is to consist of one or more Directors selected by the Academy Board. As provided in the resolution as initially adopted, and as thereafter supplemented or amended by further resolution, the committees shall have such powers as delegated by the Academy Board, except (i) filling of vacancies in the officers of the Academy Board or committees created pursuant to this Section; (ii) amending the Articles of Incorporation or Amended Bylaws; or (iii) any action the Academy Board cannot lawfully delegate under the Articles, Amended Bylaws or Applicable Law. All committee meetings shall at all times be in compliance with the Open Meetings Act. Each committee shall fix its own rules governing the conduct of its activities and shall make such reports to the Academy Board of its activities as the Academy Board may request.

ARTICLE VII OFFICERS OF THE BOARD

Section 1. Number. The officers of the Academy Board shall be a President, Vice-President, Secretary, Treasurer, and such assistant Treasurers and assistant Secretaries as may be selected by the Academy Board.

Section 2. Election and Term of Office. The Academy Board shall elect the initial officers at its first duly noticed meeting. Thereafter, the officers of the Academy Board shall be elected annually by the Academy Board. Each officer shall hold office while qualified or until the officer resigns or is removed in the manner provided in Section 3.

Section 3. Removal. Any officer or agent elected or appointed by the Academy Board may be removed by the Academy Board whenever in its judgment the best interests of the corporation would be served thereby.

Section 4. Vacancies. A vacancy in any office shall be filled by appointment by the Academy Board for the unexpired portion of the term.

Section 5. President. The President of the Academy Board shall be a member of the Academy Board. The President of the corporation shall preside at all meetings of the Academy Board. If there is not a President, or if the President is absent, then the Vice-President shall preside. If the Vice-President is absent, then a temporary chair, chosen by the members of the Academy Board attending the meeting shall preside. The President shall, in general, perform all duties incident to the office of President of the Academy Board as may be prescribed by the Academy Board from time to time.

Section 6. Vice-President. The Vice-President of the Academy Board shall be a member of the Academy Board. In the absence of the President or in the event of the President's death, inability or refusal to act, the Vice-President shall perform the duties of President, and when so acting, shall have all the powers of and be subject to all the restrictions upon the President. The Vice-President shall perform such other duties as from time to time may be assigned to the Vice-President by the President or by the Academy Board.

of the duties incident to the office of Treasurer and such other duties as from time to time may be assigned by the President or by the Academy Board.

Section 9. Assistants and Acting Officers. The Assistants to the officers, if any, selected by the Academy Board, shall perform such duties and have such authority as shall from time to time be delegated or assigned to them by the Secretary or Treasurer or by the Academy Board. The Academy Board shall have the power to appoint any member of the Academy Board to perform the duties of an officer whenever, for any reason, it is impractical for such officer to act personally. Such acting officer so appointed shall have the powers of and be subject to all the restrictions upon the officer to whose office the acting officer is so appointed except as the Academy Board may by resolution otherwise determine.

ARTICLE VIII CONTRACTS, LOANS, CHECKS AND DEPOSITS; SPECIAL CORPORATE ACTS

Section 1. Contracts. The Academy Board may authorize any officer or officers, agent or agents, to enter into any contract, to execute and deliver any instrument, or to acknowledge any instrument required by law to be acknowledged in the name of and on behalf of the corporation. Such authority may be general or confined to specific instances, but the appointment of any person other than an officer to acknowledge an instrument required by law to be acknowledged should be made by instrument in writing. When the Academy Board authorizes the execution of a contract or of any other instrument in the name of and on behalf of the corporation, without specifying the executing officers, the President or Vice-President, and the Secretary or Treasurer may execute the same and may affix the corporate seal thereto. No contract entered into, by or on behalf of the Academy Board, shall in any way bind Central Michigan University or impose any liability on Central Michigan University, its trustees, officers, employees or agents.

Section 2. Loans. No loans shall be contracted on behalf of the Academy and no evidences of indebtedness shall be issued in its name unless authorized by a prior resolution of the Academy Board. Such authority shall be confined to specific instances. No loan, advance, overdraft or withdrawal by an officer or Director of the corporation, shall be made or permitted unless approved by the Academy Board. No loan entered into, by or on behalf of the Academy Board, shall in any way be considered a debt or obligation of Central Michigan University or impose any liability on Central Michigan University, its trustees, officers, employees or agents.

Section 3. Checks, Drafts, etc. All checks, drafts or other orders for the payment of money, notes or other evidences of indebtedness issued in the name of the Academy, shall be signed by Academy Board members or Academy Board employees, which shall not include employees of the Academy Board's Educational Service Provider, and in such manner as shall from time to time be determined by resolution of the Academy Board.

Section 4. Deposits. All funds of the Academy shall be deposited from time to time to the credit of the corporation in such banks, trust companies or other depositories as the Academy Board may select, provided that such financial institution is eligible to be a depository of surplus funds under Section 1221 of the Revised School Code, being Section 380.1221 of the Michigan Compiled Laws.

Section 5. Voting of Gifted, Bequested or Transferred Securities Owned by this Corporation. Subject always to the specific directions of the Academy Board, any shares or other securities issued by any other corporation and owned or controlled by this corporation may be voted at any meeting of security holders of such other corporation by the President of this corporation or by proxy appointed by the President, or in the absence of the President and the President's proxy, by the Secretary or Treasurer of this corporation or by proxy appointed by the Secretary or Treasurer. Such proxy or consent in respect to any shares or other securities issued by any other corporation and owned by this corporation shall be executed in the name of this corporation by the President, the Secretary or the Treasurer of this corporation without necessity of any authorization by the Academy Board, affixation of corporate seal or countersignature or attestation by another officer. Any person or persons designated in the manner above stated as the proxy or proxies of this corporation shall have full right, power and authority to vote the shares or other securities issued by such other corporation and owned by this corporation the same as such shares or other securities might be voted by this corporation. This section shall in no way be interpreted to permit the corporation to invest any of its surplus funds in any shares or other securities issued by any other corporation. This section is intended to apply, however, to all gifts, bequests or other transfers of shares or other securities issued by any other corporation which are received by the corporation.

Section 6. Contracts Between Corporation and Related Persons. As required by Applicable Law, any Director, officer or employee of the Academy, who enters into a contract with the Academy, that meets the definition of contract under the statute on Contracts of Public Servants with Public Entities, Act No. 317 of the Public Acts of 1968, being sections 15.321 to 15.330 of the Michigan Compiled Laws, shall comply with the public disclosure requirements set forth in Section 3 of the statute.

The University Board authorizes the Academy Board to employ or contract for personnel according to the position information outlined in Schedule 5. However, the Academy Board shall prohibit any individual from being employed by the Academy, an Educational Service Provider or an employee leasing company involved in the operation of the Academy, in more than one (1) full-time position and simultaneously being compensated at a full-time rate for each of these positions. An employee hired by the Academy Board shall be an employee of the Academy for all purposes and not an employee of the University for any purpose. With respect to Academy Board employees, the Academy shall have the power and responsibility to (i) select and engage employees; (ii) pay their wages, benefits, and applicable taxes; (iii) dismiss employees; and (iv) control the employees' conduct, including the method by which the employee carries out his or her work. The Academy Board shall be responsible for carrying workers' compensation insurance and unemployment insurance for its employees. The Academy Board may contract with an Educational Service Provider or an employee leasing company to provide services or to provide personnel to perform services or work at the Academy. Before entering into an agreement with an Educational Service Provider or an employee leasing company to perform services or to provide personnel to perform services or work at the Academy, the Academy Board must first comply with the Educational Service Provider Policies issued by the Center. A copy of the agreement between the Academy Board and the Educational Service Provider or employee leasing company shall be included as part of Schedule 5.

The Academy shall comply with the Incompatible Public Offices statute, Act No. 566 of the Public Acts of 1978, of the Michigan Compiled Laws, and the Contracts of Public Servants With Public Entities statute, Act No. 371 of the Public Acts of 1968, of the Michigan Compiled Laws. The Academy Board shall

ensure compliance with Applicable Law relating to conflicts of interest. Language in this Section controls over section 1203 of the Code. The following shall be deemed prohibited conflicts of interest:

- (a) An individual simultaneously serving as an Academy Board member and an owner, officer, director, employee or consultant of an Educational Service Provider or an employee leasing company, or a subcontractor to an Educational Service Provider or an employee leasing company that has an ESP Agreement with the Academy;

The Code and the Contract permit a public school academy to contract with persons and entities for the operation and management of the public school academy.

The Academy and CSP desire to create an enduring educational partnership whereby the Academy and CSP will work together to develop and bring about systems of educational excellence and services to the Academy based on CSP’s vision of school design, CSP’s management principles, the Educational Program (defined below), and the educational goals and curriculum adopted by the Board of Directors of the Academy (the “Board”).

THEREFORE, the parties hereby agree as follows:

ARTICLE I Relationship of the Parties and Other Matters

Section 1. Authority. The Academy represents that (a) it is authorized by law to contract with a private entity for the provision of management and operational services to the Academy, (b) it has been issued the Contract from the Authorizer to organize and operate a public school academy, (c) it is authorized by the Authorizer to supervise and control the Academy, and (d) it is vested with all powers necessary or desirable for carrying out the Educational Program (defined below) contemplated in this Agreement.

To the extent permitted by law, the Academy hereby authorizes and grants to CSP the necessary authority and power to perform under this Agreement. No provision of this Agreement shall interfere with the Board’s statutory, contractual, and fiduciary responsibilities, nor shall any provisions of this Agreement be construed so as to prohibit the Academy from acting as an independent, self-governing public body, or allow public decisions to be made other than in compliance with the Michigan Open Meetings Act.

Section 2. Services; Educational Program. The parties agree that CSP, to the extent permitted by and in conformity with the Contract and applicable laws, shall provide all labor, materials, and supervision necessary for the provision of the management and operational services to the Academy contemplated by this Agreement as specifically set forth on the attached Exhibit A (the “Services”).

CSP shall provide Services to the Academy so the Academy can carry out the educational goals, educational programs, curriculum, method of pupil assessment, admissions, policy and criteria, school calendar and school day schedule, and age and grade range of pupils to be enrolled, educational goals and methods to be used to monitor compliance with performance of targeted educational outcomes, as previously adopted by the Board and as included in the Contract (collectively, the “Educational Program”).

CSP agrees to perform its duties and responsibilities under this Agreement in a manner that is consistent with the Academy’s obligations under the Academy’s Contract issued by the Authorizer. The provisions of the Academy’s Contract shall supersede any competing or conflicting provisions contained in this Agreement.

The Academy is not a division or any part of CSP. The relationship between the parties hereto was developed and entered into through arms-length negotiation and is based solely on the terms of this Agreement.

Section 5. CSP as Independent Contractor; Agency. The parties to this Agreement intend that the relationship of CSP to the Academy is that of an independent contractor, and not an employee of the Academy. Except as set forth in this paragraph, no agent or employee of CSP shall be determined to be an agent or employee of the Academy, except as expressly acknowledged, in writing, by the Academy. Notwithstanding the foregoing, CSP and its employees and subcontractors are hereby designated by the Board as “School Officials” of the Academy having a legitimate educational interest such that they are entitled to access educational records under the Family Educational Rights and Privacy Act (“FERPA”) and its implementing regulations during the Term of this Agreement (defined below) to the extent that their roles fit the definition of School Official under § 99.31(a)(1)(i)(B)) of FERPA’s implementing regulations. CSP and its employees and subcontractors agree to comply with FERPA and corresponding regulations applicable to school officials. CSP shall promulgate and recommend to the Board policies and administrative guidelines sufficient to implement this Section.

During the Term of this Agreement, the Academy may disclose confidential data and information to CSP, and its respective officers, directors, employees and designated agents to the extent permitted by applicable law, including without limitation, the Family Educational Rights and Privacy Act, the Individual with Disabilities Education Act (“IDEA”), 20 USC §1401 et seq., 34 CFR 300.610 -300.626; Section 504 of the Rehabilitation Act of 1973, 29 USC §794a, 34 CFR 104.36; the Michigan Mandatory Special Education Act, MCL 380.1701 et seq.; the American with Disabilities Act, 42 USC §12101 et seq.; the Health Insurance Portability and Accountability

Act ("HIPAA"), 42 USC 1320d -13200d-8; 45 CFR 160, 162 and 164; Privacy Act of 1974, 5 USC §552a; and the Michigan Social Security Number Privacy Act, MCL 445.84. CSP will be solely responsible for its acts, the acts of its agents, employees, and those subcontractors who are contracted through CSP.

Section 6. No Related Parties or Common Control. The parties hereby agree that none of the voting power of the governing body of the Academy or the Board will be vested in CSP or its directors, members, managers, officers, shareholders, or employees. Further, the Academy and CSP are not, and shall not become: (a) members of the same controlled group, as that term is defined in the Internal Revenue Code of 1986, as amended (the "IRS Code"); or (b) related persons, as that term is defined in the IRS Code.

Section 7. Personnel Responsibility. CSP has the ultimate authority and responsibility to recruit, select, hire, supervise, evaluate, discipline, and transfer personnel, consistent with applicable laws. The School Leader (as defined below) shall be responsible for approving and submitting appropriate hours-worked reports for all hourly employees. CSP evaluation and compensation systems shall comply with all applicable laws.

Section 8. School Leader. CSP shall identify and appoint a School Leader, with advisory input from the Board, to oversee the management, operation and performance of the Academy, including the Educational Program at the Academy (the "School Leader"). The School Leader will be an employee of Partner Solutions for Schools, who may be disciplined and/or terminated by CSP in its sole discretion. The School Leader will serve as the on-site supervisor to Staff. The School Leader, in consultation with CSP, will select and hold accountable all staff in leadership team positions. The School Leader shall be responsible for supervising and managing the Educational Program and instruction of students. CSP will have the authority, consistent with applicable laws, to select and supervise the School Leader and to hold the School Leader accountable for the success of the Academy. CSP shall notify the Board prior to the termination of the School Leader.

If the Board becomes dissatisfied with the performance of the School Leader, it shall state the causes of such dissatisfaction in writing and deliver it to CSP. CSP shall have a reasonable period of time to remedy the dissatisfaction; however, if it cannot remedy the dissatisfaction, CSP shall remove and replace the School Leader at the Academy as soon as practicable. Additionally, it is agreed that any dissatisfaction of the Board shall be reasonable in nature and related specifically to the duties and responsibilities of the School Leader at the Academy.

Section 9. Teachers and staff. CSP will provide administrative support to the School Leader to obtain resumes and credential information for the School Leader to staff the Academy. CSP will empower the School Leader with the authority to select, hire and hold accountable the teachers and support staff for the operation of the Academy. After qualified staff are selected and hired by the School Leader, Partner Solutions for Schools will onboard and provide additional administrative support to the School Leader. Teachers employed by Partner Solutions for Schools are not eligible for purposes of continuing tenure under MCL §38.71 et seq.

Section 10. Criminal Background Checks. Partner Solutions for Schools agrees that it shall not assign any of its employees, agents or other individuals to perform any services under this Agreement except as permitted under Sections 1230, 1230a, 1230b and related provisions of the Code pertaining to criminal background and criminal conduct checks. The Academy shall require that the results of the criminal background check are received, reviewed, and used (subject to a verification process) by the Academy's Authorized User acting on behalf of the Academy and/or the Board, only as permitted by law to evaluate the qualifications of the individual for his/her assignment.

Section 11. The Board. The Board is the governing body with oversight responsibilities over the Academy. The parties acknowledge that throughout this Agreement the term "Board" and the term "Academy" are sometimes used interchangeably in some sections for the sole purpose of readability based on the nature and subject-matter of the article/section. This Agreement must be approved by the Board and executed by a duly authorized member of the Board (on behalf of the Academy), and by so executing this Agreement the Board acknowledges and accepts all obligations and responsibilities related to the Board as set forth in this Agreement.

Section 12. Availability of Funds. Notwithstanding any other term or provision in this Agreement to the contrary, CSP shall not be, directly or indirectly, liable to any third party for any cost or expense incurred by the Academy, and CSP shall only be required to perform its responsibilities under this Agreement to the extent that CSP has received such revenues from the Academy pursuant to the terms of this Agreement (excluding Payroll Costs as elsewhere defined in this agreement that are legally owed to staff at the Academy). CSP shall, however, remain liable to the Academy for any cost it commits the Academy to without the Board's approval.

Section 13. Information Available to the Public. On an annual basis, CSP shall provide the Academy Board all the same information that a school district is required to disclose under section 18(2) of the State School Aid Act, MCL 388.1618(2), for the most recent school fiscal year for which the information is available. Within thirty (30) days of receipt of this information under section 18(2), the Academy Board, shall make this information publicly available on its website, in a form and manner prescribed by the Michigan Department of Education. The defined terms in Section 503c of the Code shall have the same meaning in this Agreement.

Section 14. Non-Compete Agreement. CSP agrees that it shall not impose any contractual requirement or contractual obligation on any of its employees assigned to the Academy to enter into a non-compete provision or agreement of any nature.

Section 15. Lease and Loans. If the Academy and CSP enter into a lease, execute promissory notes or other negotiable instruments, or enter into a lease-purchase agreement or other financing relationship, then such agreements must be separately documented and separately approved and shall not be a part of or incorporated into this Agreement. In addition, all such agreements must comply with the Contract and applicable law, as well as any applicable Authorizer policies.

Section 16. Data Security Breach. CSP shall notify the Academy Board, as soon as practical, of the discovery of a data security breach of personally identifiable information from the

Academy's education records not suitable for public release (collectively, Covered Data or Information ("CDI")) that is not authorized by this Agreement or Applicable Law. CSP agrees to promptly undertake to identify: (i) the nature of the unauthorized use or disclosure, (ii) the CDI used or disclosed, (iii) who made the unauthorized use or received the unauthorized use or disclosure, (iv) what CSP has done or shall do to mitigate any deleterious effect of the unauthorized use or disclosure, (v) whether, and if so on what grounds, CSP has determined that the security breach has not or is not likely to cause substantial loss or injury to, or result in identity theft with respect to, one or more residents of this state, and (vi) what corrective action CSP has taken or shall take to prevent future similar authorized use or disclosure. CSP shall provide such other information as reasonably requested by the Academy Board. CSP shall take appropriate action, in accordance with MCL 445.72, to take appropriate action to assess the risk and notify affected individuals whose personal information may have been compromised.

ARTICLE II

Term

Section 1. Term. This Agreement shall be effective for the duration of the Academy's current authorizing Contract term of one (1) year with the Authorizer beginning July 1, 2024 ("Effective Date") subject to earlier termination under Article VI, and ending on June 30, 2025. The term of this Agreement shall not exceed the term of the Academy's Contract.

ARTICLE III

Obligations of the Academy

Section 1. Good Faith Obligation. The Academy shall exercise good faith in considering CSP's recommendations relative to the Educational Program and/or the Services. The Board retains its authority to make reasonable regulations relative to anything necessary for the proper establishment, maintenance, management, and carrying on of the Academy, including regulations relative to the conduct of pupils while in attendance at the Academy or traveling to and from the Academy, consistent with applicable laws.

Section 2. Academy Funds. The Board shall determine the depository of all funds received by the Academy including, but not limited to, the State School Aid and any Additional Revenue (as defined in Exhibit A). All funds received by the Academy shall be deposited in the Academy's depository account as required by law. Signatories on all Academy Board accounts shall solely be members of the Board or properly designated Academy Board employees. All interest or investment earnings on Academy accounts shall accrue to the Academy.

Section 3. Notification Requirement. The Academy agrees to notify CSP in writing if the Academy receives a notification from its Authorizer regarding an intent to revoke the Contract. Further, in the event the Board discusses a possible non-renewal or closure of the Academy, or if the Authorizer suggests such a discussion, CSP will be notified and invited to participate in any such discussion.

ARTICLE IV Compensation and Reimbursement of Costs

Section 1. Compensation for Services. During the Term of this Agreement, the Board shall pay CS Partners an annual fee (the "Fee") equal to eleven percent (11%) of the total Aid received from the State of Michigan, pursuant to the State School Aid Act of 1979, as amended, for the particular number of students enrolled in the Academy ("Student Enrollment"). "Student Enrollment" shall be based on the Academy's final blended student count added to the number of students enrolled in the Academy's Great Start Readiness Program (if applicable). The Fee shall also include eleven percent (11%) of any State categorical funds. At no time shall the annual fee be less than \$150,000.

The Fee may also include eleven percent (11%) of any Additional Revenue (as defined in Exhibit A) provided that CS Partners discloses that the Fee also applies to said Additional Revenue and the Board approves the same in the Academy's annual budget, or any revised budget, to the extent permitted by law, prior to the application of such Fee.

The parties intend that this Agreement meet all of the applicable safe harbor conditions as set forth in Sections 5.02 through Sections 5.07 of the Revenue Procedure 2017-13. In this regard, the Academy and CSP make the following representations:

- (i) (A) CSP's compensation under this Agreement is reasonable compensation for services to be rendered hereunder and is not based, in whole or in part, on a share of net profits and/or a share of the net losses from the operation of the Academy or upon the disposition, damage or destruction of the Academy's property; (B) This Agreement does not pass on to CSP the burden of bearing any share of net losses from the operation of the Academy or upon the disposition, damage or destruction of the Academy's property; (C) The term of this Agreement is not greater than 30 years or 80 percent of the useful life of the Academy's school facilities currently financed with tax-exempt debt (if shorter) including all renewal options; (D) The Academy bears the risk of loss upon the disposition, damage or destruction of the Academy's property; and (E) CSP is not entitled to and will not take any federal tax position that is inconsistent with being a service provider under this Agreement to the Academy.
- (ii) In interpreting this Agreement and in the provision of the services required hereunder, CSP shall not have any role or relationship with the Academy that, in effect, substantially limits the Academy's ability to exercise its rights and obligations under State law. As required by the Academy's Article of Incorporation and Bylaws, the Academy Board may not include any director, officer or employee of a management company that contracts with the Academy. In furtherance of such restriction, it is agreed between the Academy and CSP that none of the voting power of the governing body of the Academy will be vested in CSP or its directors, members, managers, officers, shareholders and employees, and the Academy and CSP will not be related parties as defined in Treas. Reg. 1.150-1(b).

Section 2. Payment of Payroll Costs. In addition to the Fee, Partner Solutions for Schools will invoice the Academy for all employment costs ("Payroll Costs") for Partner Solutions for

Schools' employees assigned to the Academy. Payroll Costs include salary, benefits, and other costs attributable to personnel employed and assigned by Partner Solutions for Schools to perform Services at the Academy under this Agreement, including but not limited to gross wages, FICA, Medicare, FUTA, SUTA, workers' compensation insurance, professional liability insurance (including applicable deductibles), separation costs, legal fees for Academy specific employment matters, employer portions of health, dental, vision and life insurance, tuition reimbursement and 401K employer contributions (if applicable).

Partner Solutions for Schools shall be advanced funds for Payroll Costs no later than the third business day preceding each payroll date ("Payroll Date") for Partner Solutions for Schools' employees assigned to perform Services at the Academy under this Agreement. For purposes of this Agreement, the Payroll Date shall be that date or dates established annually by Partner Solutions for Schools.

If Payroll Costs have not been funded by the Academy by the payroll date, Partner Solutions for Schools may send lay-off notices to Partner Solutions for Schools' employees. At that time, Partner Solutions for Schools will also provide the Academy an invoice for all accrued Partner Solutions for Schools' staff wages (earned but not yet paid) for employees and staff assigned to the Academy for payment.

Section 3. Payment of Reimbursable Expenses. In addition to the Fee, the Academy shall reimburse CSP for all costs reasonably incurred and paid by CSP within Academy Board approved Budget parameters ("Reimbursable Expenses") in providing the Services specifically related to the Academy. Reimbursable Expenses include, but are not limited to, Payroll Costs (as defined in Section 2 above) for Partner Solutions for Schools' employees assigned to the Academy that are not advanced under Section 2 above, costs mandated by a governmental entity, administrative agency or court of law, e.g., payment into Michigan Public Employees Retirement System (MPERS), other expenses for equipment, software, supplies, food service, transportation, special education, psychological services, and medical services.

CSP will invoice the Academy for reimbursement of Reimbursable Expenses with a detailed receipt of material or services provided. The Academy shall only reimburse for costs included in an annual operating budget approved by the Board or as amended during the academic year. In paying such costs on behalf of the Academy, CSP shall not charge an added fee (or mark-up). Marketing and development costs paid by or charged to the Academy shall be limited to those costs specific to the Academy program, and shall not include any costs for the marketing and development of CSP. No corporate costs of CSP shall be charged to, or reimbursed by, the Academy.

If desired, the Board may advance funds to CSP for such costs reimbursable under the Agreement before such costs are incurred (rather than reimburse CSP after the expense is incurred).

Documentation of all expenses must be reflected in the Board's financial packets and presented to the Board for approval and/or ratification at its next regularly scheduled meeting.

All items acquired with Academy funds including, but not limited to, instructional materials, equipment, supplies, furniture, computers, and other technology, shall be owned by and remain the property of the Academy.

Section 4. Other Institutions. The Academy acknowledges that CSP may enter into agreements similar to this Agreement with other public or private educational schools or institutions (the “Institutions”). CSP shall maintain separate accounts for reimbursable expenses incurred on behalf of the Academy and for reimbursable expenses incurred on behalf of the Institutions. CSP shall only charge the Academy for expenses incurred on behalf of the Academy.

If CSP incurs reimbursable expenses on behalf of the Academy and the Institutions which are incapable of precise allocation between the Academy and the Institutions, then CSP shall allocate such expenses among the Institutions and the Academy, on a pro-rata basis, based on the number of students enrolled at the Academy and the Institutions, or the number of staff assigned to the Academy and the Institutions or upon such other equitable basis as agreed by the parties. Any such information will be provided to the Academy’s auditors as necessary to verify as part of the audit.

Section 5. Review of Budget. In accordance with the Board-approved budget timeline, CSP shall propose an annual budget for the Academy to the Academy’s Chief Administrative Officer (“CAO”) and the Board. The Board shall review, revise, and timely approve the annual budget. The Academy’s CAO shall not be an employee of CSP but shall be a member of the Academy Board.

Section 6. Procurement Policies. The Board hereby retains the obligation, as provided in the Code, to adopt written policies governing the procurement of supplies, materials, and equipment for the Academy. Unless otherwise prohibited by law, CSP shall directly procure all supplies, materials, and equipment provided that CSP complies with the Code including, but not limited to, Sections 1267 and 1274 of the Code, MCL 380.1267 and MCL 380.1274, as if the Academy were making these purchases directly from a third party supplier or vendor and the Board’s written policies promulgated thereunder related to such items as if the Academy were making these purchases directly from a third party supplier or vendor. CSP shall not include any added fees or charges with the cost of equipment, materials and supplies purchased from third parties or vendors.

ARTICLE V

Proprietary Information

Section 1. Academy’s Rights to Curriculum and Educational Materials. The Academy shall own, without restriction, all proprietary rights to curriculum and educational materials that: (a) are or were both directly developed and paid for by the Academy; or (b) are or were developed by CSP at the direction of the Board with Academy funds.

Section 2. CSP’s Rights to Curriculum and Educational Materials. CSP shall own, without restriction, all curriculum, and educational materials, and all other proprietary information owned by, developed by or otherwise in the possession of CSP, except as set forth in this Article.

Section 3. Non-Disclosure of Proprietary Information. Except as specifically required by the Code, Court Order, discovery mandated by state or federal court rules, or the Michigan Freedom of Information Act, the proprietary information and materials of either party shall be held in strict confidence by the other party. Such proprietary information and materials must be clearly marked in order to be protected. CSP's educational materials and teaching techniques used by the Academy are subject to disclosure under the Code and the Freedom of Information Act.

During the Term of this Agreement, and continuing for three (3) years thereafter, both parties hereby agree that they will not use or disclose to anyone, directly or indirectly, for any purpose whatsoever, any such proprietary information without the prior written consent of the other party.

ARTICLE VI

Termination

Section 1. Termination by CSP. CSP may terminate this Agreement prior to the end of the Term in the event the Board fails to remedy a material breach within the required time frames below, subject to Sections 6 and 8 below.

1. CSP may immediately terminate this Agreement with no additional liability or responsibility if CSP fails to receive compensation for Payroll Costs. For this breach only, the Academy has until the Payroll Date to fund payroll or reach an agreement with CSP on the payment of these funds or else an immediate breach may be declared.
2. CSP may also terminate this Agreement with no additional liability or responsibility upon the occurrence of the following:
 - a) Academy operations cease to exist due to, but not limited to, bankruptcy or insolvency, discontinued operations by its successors and assigns, facility closure, or reconstruction;
 - b) The Academy requests a reduction in workforce greater than 20%;
 - c) The Academy is a financially distressed business as set forth in the Worker Assistance and Retraining Notification Act (WARN), 29 U.S.C. §2101, et seq. The Board shall notify CSP 90 days prior to the facility closure in order for CSP to satisfy notice requirements to Partner Solutions' staff under WARN;
 - d) A determination has been made by a governmental entity, administrative agency or court of law that Partner Solutions for Schools is required to pay into MPSERS;
 - e) Failure by the Academy to pay the Fee or Reimbursables Expenses;
 - f) If there is a substantial and unforeseen increase in the cost of administering services of this Agreement; or

- g) The Academy makes decisions that are adverse to the Educational Program and substantially inconsistent with the recommendations of CSP relative to the Services.

The Academy has thirty (30) days after notice from CSP to remedy any of these breaches except for the breach of non-payment of Payroll Costs.

Termination prior to the end of the Term shall not relieve the Academy of any financial or other obligations to CSP outstanding as of the date of termination. Failure by CSP to (a) declare a breach, (b) place the Academy on notice thereof, or (c) fail to exercise or exert any remedy available to CSP under this Agreement or applicable laws, shall not be deemed a waiver of CSP's rights and remedies whatsoever.

Notwithstanding the foregoing, CSP may terminate this Agreement without cause and without penalty to be effective upon completion of an academic year provided that CSP delivers written notice of intention to terminate to the Academy at least ninety (90) days prior to the end of the then-current academic year.

Section 2. Termination by Academy. The Academy may terminate this Agreement prior to the end of the Term in the event that CSP fails to remedy a material breach within the required time frames below.

1. Material failure by CSP to account for its expenditures or to pay funds for all compensation required for payroll (provided that CSP has received such funds from the Academy to do so);
2. Material failure by CSP to provide the Services as required by this Agreement;
3. A determination has been made by a governmental entity, administrative agency or court of law that Partner Solutions for Schools is required to participate in MPSERS; or
4. Any action or inaction by CSP that causes the Contract to be in jeopardy of revocation, suspension, or termination, as evidenced by written notification from the Authorizer and is not cured within sixty (60) days of that notice.

CSP has ten (10) days after notice from the Academy to remedy a breach that involves the non-payment of funds for all Payroll Costs (provided that CSP has received such funds from the Academy to do so) or to reach an agreement with the Academy on the payment of those funds. CSP has thirty (30) days after written notice from the Academy to remedy all other breaches. Upon expiration of this Agreement, or termination for any reason, all amounts due to CSP shall immediately become due and payable by the Academy, unless otherwise agreed in writing by CSP.

Notwithstanding the foregoing, the Academy may terminate this Agreement without cause and without penalty to be effective upon completion of the academic year provided that the Academy delivers written notice of intent to terminate to CSP at least ninety (90) days prior to the end of the then-current academic year.

Section 3. Revocation or Termination of Contract. If the Academy's Contract issued by the Central Michigan University Board of Trustees is revoked or terminated or a new charter

contract is not issued to the Academy after expiration of the Academy's Contract, this Agreement shall automatically terminate on the same date as the Academy's Contract is revoked, terminated or expires without further action of the parties.

Section 4. Amendment Caused By Academy Site Closure or Reconstitution. In the event that the Academy is required (i) to close an Academy site pursuant to a notice issued under Section 507 of the Code, MCL 380.507; or (ii) to undergo a reconstitution pursuant to Section 507 of the Code, MCL 380.507, and the Contract, and such closure of an Academy site or reconstitution causes an amendment to or termination of this Agreement, the parties agree that this Agreement shall be amended or terminated to implement the Academy site closure or reconstitution, with no cost or penalty to the Academy, and CSP shall have no recourse against the Academy or the Authorizer Board for implementing such site closure or reconstitution.

Section 5. Change in Law. If any federal, State, or local law or regulation, or court or administrative decision, or attorney general's opinion (collectively referred to in this Agreement as the "applicable laws") has a substantial and material adverse impact (as reasonably determined by the party suffering the impact) on the ability of the impacted party to carry out its obligations under this Agreement, then the impacted party, upon written notice, may request a renegotiation of this Agreement. If the parties are unable or unwilling to successfully renegotiate the terms of this Agreement within ninety (90) days after the notice, and after making good faith efforts which shall include, but not be limited to, the use of a third party arbitrator and/or alternative dispute resolution process, the impacted party may terminate this Agreement as of the end of the then-current academic year.

Section 6. Transition. The Academy and CSP agree to make all efforts necessary to remedy a breach of this Agreement in order to continue school operations until completion of the then-current school fiscal year. If a breach cannot be remedied, the Academy and CSP agree to work cooperatively to transition management and operations of the school without disrupting the school's operations. In the event of any termination prior to the end of the Term of this Agreement, CSP shall provide reasonable assistance in accordance with the Authorizer's Educational Service Provider Policies. CSP shall perform this transition or termination in a similar manner as described in Article VI, Section 8 below based upon completion of the then-current school period.

Section 7. Personal Property upon Termination or Expiration. Upon any termination or the expiration of this Agreement, the Academy may elect (a) to purchase any personal property which has been purchased or leased from a third party solely with CSP funds, provided such purchase or lease is permitted under the purchase or lease documents relating thereto, at the fair market, depreciated value of such personal property or (b) to return same to CSP. All personal property purchased or leased by CSP using Academy funds is and shall remain the personal property of the Academy.

Section 8. Obligations Upon Termination or Expiration. Upon any termination or the expiration of this Agreement, the parties shall remain obligated for all financial or other obligations due at the time of the termination or expiration.

Upon termination or expiration of this Agreement, or this Agreement is terminated due to a Contract revocation, reconstitution, termination or non-renewal, CSP shall, without additional charge: (i) close the financial records on the then-current school fiscal year which includes, but is not limited to, the completion and submission of the annual financial audit, state and federal grant reporting and all other associated reporting within required timelines established by the appropriate local, state or federal authority; (ii) organize and prepare student records for transition to the new ESP, self-management or in the case of a school closure, transfer to a student's new school as designated by the student's parent / legal guardian or to a person or entity authorized to hold such records; (iii) provide for the orderly transition of employee compensation and benefits to the new ESP or self-management without disruption to staffing, or in the case of school closure, final payment of all legally required employee compensation, benefit and tax obligations related to services provided by CSP to the Academy; (iv) organize and prepare the Academy's records, both electronic and hard-copy, for transition to the new ESP, self-management or dissolution; and (v) provide for the orderly transition to the new ESP, self-management or dissolution of all Academy-owned assets including, but not limited to, furniture, fixtures, equipment and real estate. This includes any keys, log-in information and passwords related to any Academy asset.

After any termination or the expiration of this Agreement, and once all such obligations referenced above are satisfied, the parties shall have no further obligations to each other under this Agreement whatsoever except for the continuing obligations under (a) Article V (confidentiality and non-use/non-disclosure of proprietary information) and (b) Article VII (indemnification).

ARTICLE VII

Indemnification and Cooperation

Section 1. Indemnification of CSP. To the extent permitted by law, the Academy shall indemnify, save, and hold harmless CSP and all of its employees, officers, directors, subcontractors, and agents against any and all lawsuits and causes of action or other forms of liability that may arise out of or by reason of any noncompliance by the Academy with any agreements, covenants, warranties or undertakings of the Academy contained in or made pursuant to this Agreement; any misrepresentations or breach of this Agreement; and any acts or failures to act by the Academy which occurred prior to the Effective Date of this Agreement.

In the event that the Academy or CSP receives funds for the benefit of the Academy pursuant to a grant, endowment, scholarship, or other source of governmental funding ("Funding"), Academy shall be solely responsible for the Funding and any liabilities associated therewith, including any Funding that is ordered returned to the distributing agency. In addition, to the extent permitted by law, the Academy shall indemnify, save, hold harmless, and reimburse CSP for any and all legal expenses and costs associated with the defense of any such claim, demand or suit.

CSP agrees that for any claim for indemnification made by CSP, to the extent the interests of CSP and the Academy are aligned, the parties agree to coordinate a defense to minimize the

costs of such defense. To the extent the Academy shall be responsible for indemnification of CSP, the Academy shall have the right to select the attorneys of its choice and to make all decisions and in every respect control the manner in which CSP and the Academy are defended. Notwithstanding the foregoing, in no event shall the Academy indemnify CSP for the attorney fees accrued by CSP in the regular course of business.

To the extent the parties are coordinating a defense, the parties shall utilize shared counsel which shall be paid for by the Academy and no reimbursement of any costs or fees shall be necessary. The Academy may reimburse CSP for pre-approved legal expenses and costs associated with the defense of any such claim, demand, or suit which are not otherwise covered by the shared defense.

If desired, all or part of the indemnification obligations set forth in this section may be met by the purchase of insurance by the Academy. The indemnification in this Section shall also specifically apply, without limitation, to any current claims or litigation at the time this Agreement is executed, as well as any future or additional claims or litigation regarding any prior activities of the Academy.

Section 2. Indemnification of the Academy. CSP shall indemnify, save, and hold harmless the Academy and all of its employees (if any), officers, directors, subcontractors, and agents against any and all lawsuits, and causes of action or other forms of liability that may arise out of, or by reason of any noncompliance by CSP with any agreements, covenants, warranties, or undertakings of CSP contained in or made pursuant to this Agreement; any misrepresentation or breach of this Agreement; and any acts or failures to act by CSP which occurred prior to the Effective Date of this Agreement.

In addition, CSP shall indemnify, save, hold harmless, and reimburse the Academy for any and all legal expenses and costs associated with the defense of such claim, demand or suit.

The Academy agrees that for any claim for indemnification made by the Academy, to the extent the interests of CSP and the Academy are aligned, the parties agree to coordinate a defense to minimize the costs of such defense. To the extent CSP shall be responsible for indemnification of the Academy, CSP shall have the right to select the attorneys of its choice and to make all decisions and in every respect control the manner in which CSP and the Academy are defended. Notwithstanding the foregoing, in no event shall CSP indemnify the Academy for the attorney fees accrued by the Board in the regular course of business.

To the extent the parties are coordinating a defense, the parties shall utilize shared counsel which shall be paid for by CSP and no reimbursement of any costs or fees shall be necessary. CSP may reimburse the Academy for pre-approved legal expenses and costs associated with the defense of any such claim, demand, or suit which are not otherwise covered by the shared defense.

If desired, all or part of the indemnification obligations set forth in this section may be met by the purchase of insurance by CSP. The indemnification in this Section shall also specifically apply, without limitation, to any current claims or litigation at the time this Agreement is executed, as well as any future or additional claims or litigation regarding any prior activities of CSP.

Section 3. Indemnification for Negligence. To the extent permitted by law, each party to this Agreement shall indemnify and hold harmless the other, and their respective boards of directors, partners, officers, employees, agents, and representatives, from any and all claims and liabilities which they may incur and which arise out of the negligence of the other party's trustees, directors, officers, employees, agents, or representatives.

Section 4. Immunities and Limitations. The Academy may assert all immunities and statutory limitations of liability in connection with any claims arising under this Agreement.

Section 5. Responsibility of the Parties. Each party will be solely and entirely responsible for its acts and omissions and for the acts and omissions of its agents and employees (if any) in connection with the performance of that party's responsibilities under this Agreement.

Section 6. Mutual Duty to Cooperate. The parties acknowledge that each party has a duty and obligation to cooperate with the other party, and further that such duty to cooperate is a material part of this Agreement. The purpose of the duty to cooperate is to enable each party to perform its obligations as efficiently as possible. The duty to cooperate shall include all areas of the business of the Academy and the Services. The duty to cooperate also includes reasonable assistance in the event of litigation or a dispute involving a party related to the Academy or the Services provided, such as provision of testimony, records and/or documents reasonably related to the litigation or dispute (which are not otherwise protected from disclosure under applicable law). The duty to cooperate will be provided in such a manner that it does not adversely affect the other party's ability to defend against a claim.

Section 7. Indemnification of Central Michigan University. The parties acknowledge and agree that Central Michigan University, its Board of Trustees, and its members, officers, employees, agents or representatives (collectively "University") are deemed to be third party beneficiaries for purposes of this Agreement. ARTICLE X

Alternative Dispute Resolution

Section 1. Mediation. Any and all disputes between the parties concerning any alleged breach of this Agreement or arising out of or relating to the interpretation of this Agreement or the parties' performance of their respective obligations under this Agreement shall first be communicated in writing to the other party and mutually discussed between the parties with an opportunity to cure. The parties will share equally in the costs of the mediation including forum fees, expenses, and charges of the mediator.

Section 2. Arbitration. If the mediation does not result in a mutually satisfactory compromise, then the matter shall be resolved by arbitration, and such procedure shall be the sole and exclusive remedy for such matters. RE: REVISED - LS-13-2022, Lot Split Application
0 W. Willow Street & 730 W. Maple Street, Lansing, MI 48915

Dear Mr. Burns,

Enclosed is the approved application to split off the 2.55 acres of land identified as "Transfer Parcel" from 0 W. Willow Street (Parcel No. 33-01-01-08-427-021) and add it to the adjoining property at 730 W. Maple Street (33-01-01-08-427-003) identified as Parcel B on the attached survey. These parcel changes are depicted and legally described on the attached documents.

The original letter of approval incorrectly identified the parcel that includes the 2.55 acres of land to be transferred to 730 W. Maple Street as 715 W. Willow Street. If you have any questions, please do not hesitate to contact me at 517-483-4085.

GOVERNANCE STRUCTURE

GOVERNANCE STRUCTURE

The People of Michigan through their Constitution have provided that schools and the means of education shall forever be encouraged and have authorized the Legislature to maintain and support a system of free public elementary and secondary schools. All public schools are subject to the leadership and general supervision of the State Board of Education and the Legislature has authorized an alternative form of public school designated a "public school academy" to be created to serve the educational needs of pupils and has provided that pupils attending these schools shall be eligible for support from the State School Aid Fund. The Legislature has delegated to the governing boards of state public universities, community college boards, intermediate school district boards and local school district boards, the responsibility for authorizing the establishment of public school academies. The University Board has approved the issuance of a contract conferring certain rights, franchises, privileges, and obligations of a public school academy to the Academy Board.

The Academy is incorporated as a Michigan nonprofit corporation, organized on a non-stock, directorship basis for the purpose of operating as a Michigan public school academy. The Academy shall conduct its affairs as a governmental entity exempt from federal income taxes under Section 115 of the United States Internal Revenue Code or any successor law. The Academy is a body corporate and is not a division or part of Central Michigan University. The relationship between the Academy and the University Board is based solely on the applicable provisions of the Code and the terms of this Contract.

The Academy Board shall have at least five (5), but no more than nine (9) members, as determined by the University Board. Academy Board members shall be appointed according to the terms of the Method of Selection, Appointment and Removal Resolution adopted by the University Board. The Academy Board has all the powers and duties permitted by law to manage the business, property and affairs of the Academy and for adopting policies by which the Academy shall be governed. Before entering into an agreement with an Educational Service Provider or an employee leasing company to provide services or to provide personnel to perform services or work at the Academy, the Academy Board must first comply with the Educational Service Provider Policies issued by the Center.

SECTION B

EDUCATIONAL GOAL AND RELATED MEASURES

EDUCATIONAL GOAL AND RELATED MEASURES

Pursuant to Applicable Law and the Terms and Conditions of this Contract, including Article VI, Section 6.2, the Academy shall achieve or demonstrate measurable progress for all groups of pupils toward the achievement of the educational goal identified in this schedule. Although an increase in academic achievement for all groups of pupils as measured by assessments and other objective criteria is the most important factor in determining the Academy's progress toward the achievement of the educational goal, the Center also considers other factors. Upon request, the Academy shall provide the Center with a written report, along with supporting data, assessing the Academy's progress toward achieving this goal. In addition, the University expects the Academy will meet the State of Michigan's accreditation standards pursuant to state and federal law.

Educational Goal to be Achieved

Prepare students academically for success in college, work and life.

Measures to Assist In Determining Measurable Progress Toward Goal Achievement

To assist in determining whether the Academy is achieving measurable progress toward the achievement of this goal, the Center will annually assess the Academy's performance using the following measures.

Measure 1: Student Achievement

The academic achievement of **all students who have been at the academy for one or more years¹** in grades 3-8 will be assessed using the following measures and targets:

Sub Indicator	Measure	Metric	Target
Against a Standard:	The percentage of students meeting or surpassing the current, spring, grade-level national norms ² on the NWEA Growth reading and math tests administered in the spring.	Distribution (which will be in the form of percentages): Exceeds $\geq 70.0\%$ Meets $\geq 50.0\%$ Approaching $\geq 30.0\%$ Does not meet $< 30.0\%$	50%
In the event that performance against the standard falls below these required expectations, "measurable progress towards the achievement of this goal" will be defined using the following measures and targets:			
Over Time:	The percentage of students meeting or surpassing spring grade-level national norms over time (CY-AVG(PY1+PY2+PY3)).	Trend score (which will be in the form of $-x$ to $+x$): Exceeds $\geq 6.0\%$ Meets $\geq 3.0\%$ Approaching $\geq 1.0\%$ Does not meet $< 1.0\%$	3.0%
Comparison Measure:	The percentage of students categorized as proficient or advanced on the most recent state assessment will surpass the school's Composite Resident District (CRD) percentage.	Portfolio Distribution (which will be in the form of $-x$ to $+x$): Exceeds $\geq 10.0\%$ Meets $\geq 5.0\%$ Approaching $\geq 0.0\%$ Does not meet $< 0.0\%$	5.0%

¹ One or more years students (also called 1+ students) are students who are enrolled in the academy on or before count day and are still enrolled at the end of a given academic year.

² Grade level national norms are updated periodically by NWEA following comprehensive norming studies. The Center will use the most updated national norms published by NWEA and will inform the Academy when the norms are updated and how the updated norms may impact analysis and performance reporting.

Measure 2: Student Growth

The academic growth of all students in grades 3-8 at the Academy will be assessed using the following measures and targets:

Sub Indicator	Measure	Metric	Target
Against a Standard:	The median of student growth percentiles (MGP) reflecting fall-to-spring scaled score growth on the reading and math NWEA Growth tests.	MGP: Exceeds $\geq 65^{\text{th}}$ Meets $\geq 50^{\text{th}}$ Approaching $\geq 45^{\text{th}}$ Does not meet $< 45^{\text{th}}$	Reading: 50 Math: 50
In the event that performance against the standard falls below these required expectations, “measurable progress towards the achievement of this goal” will be defined using the following measures and targets:			
Over Time:	The percentage of students making at least one year’s growth over time (CY-AVG(PY1+PY2+PY3)).	Trend score (which will be in the form of $-x$ to $+x$): Exceeds $\geq 6.0\%$ Meets $\geq 3.0\%$ Approaching $\geq 1.0\%$ Does not meet $< 1.0\%$	3.0%
Comparison Measure:	The mean student growth percentile reflecting growth on the two most recent state assessments will surpass the school’s Composite Resident District.	Portfolio Distribution (which will be in the form of $-x$ to $+x$): Exceeds $\geq 10.0\%$ Meets $\geq 5.0\%$ Approaching $\geq 0.0\%$ Does not meet $< 0.0\%$	5.0%

SECTION C

EDUCATIONAL PROGRAMS

EDUCATIONAL PROGRAMS

Pursuant to Applicable Law and the Terms and Conditions of this Contract, including Article VI, Section 6.3, the Academy shall implement, deliver, and support the educational programs identified in this schedule.

MISSION STATEMENT

The mission of the Mid-Michigan Leadership Academy (“Academy”) is to be a provider of top-quality education to a highly diverse student body. MMLA will prepare all students for success in college, equip them with the ability and desire for lifelong learning, and strengthen their civic, ethical, and moral values. MMLA will maintain high standards of efficiency and accountability throughout its operation.

VISION

We are committed to sustaining a top-quality charter school in Lansing, Michigan. Our school will continue to prepare students, regardless of ability, income, or background, to demonstrate academic mastery, as measured by the Michigan State assessment and other standard assessments. The Academy will be recognized as a school of excellence for a highly diverse student body that maintains high standards of accountability throughout our program. Our students will continue to feel a sense of belonging; demonstrate that they value learning; develop strong study habits; meet grade-level academic standards; and continue to grow in confidence and character. Our students will care about themselves, their peers, and humanity. Students will be molded into young men and women with the knowledge, skills, and social judgment they will need to face the challenges of the future.

The Academy continues to have a significant impact on the city of Lansing and the surrounding districts. The challenges of urban education are well known, but so are the examples of schools overcoming the odds and bringing success to every student regardless of circumstances. The school will continue to be a resource for the community. The school provides a quiet learning environment that is bright, friendly, orderly, and purposeful. Students are engaged in classrooms, the school’s social culture, and the community. We expect our parents to be supportive of their children’s learning. We will engage parents regularly with supportive wrap-around programs to help them help their children. Teachers, administrators, and support staff focus on achieving academic success; creating a positive school culture; and providing friendly customer service in a welcoming atmosphere. The mission and vision will be driving all stakeholders – students, parents, staff, and board members - toward outstanding achievement.

EDUCATIONAL PHILOSOPHY

The following educational philosophies are fundamental to the mission of the Academy:

High Expectations

High expectations result from a strong belief in the unlimited potential of each student. The faculty, staff, and administration strongly believe that every child can perform. The Academy builds a culture of high expectations by:

- Developing student handbooks consistent with the Academy and classroom expectations; developing positive behavioral interventions and supports (“PBIS”) processes and supports to create consistent academy and classroom expectations.
- Integrating technology into the lives of students to prepare them for 21st-century challenges; integrating technology into daily teaching and learning to prepare students for 21st-century challenges and provide engaging learning experiences.
- Employing differentiation strategies for all students; employing evidenced-based high-quality teaching strategies including strategies for differentiation.

The Academy spends collaborative planning time and professional development building capacity for staff to leverage high-quality teaching strategies to ensure student learning, student academic growth, and achievement, and develop student mastery of identified essential skills and knowledge for education, careers, and life.

Strong Partnership between Academy and Home

A strong partnership between the Academy and home is critical to the success of all students.

The Academy is committed to maintaining this strong partnership by:

- Ensuring an understanding of the student-parent handbook at the elementary, middle, and high school; encouraging parent or caregiver engagement through participation in volunteer activities, PTO, and/or participating in other parent engagement initiatives.
- Creating and maintaining a welcoming environment that encourages parents, caregivers, families, and the community to get involved at the Academy and-sharing communication protocols that include technology-based applications and social media with all stakeholders.
- Providing digital access to student’s grades and progress through the use of an online grade book accessible to parents.
- Providing whole-child support for students and families.
- Providing support services for families in which English is a second language.

EDUCATIONAL STRATEGIES

The Academy implements and delivers a curriculum that is 21st-century relevant and aligned with the Michigan Academic Standards (“MAS”), Next Generation Science Standards (“NGSS”), and National Social Studies Standards. The curriculum includes various assessment tools such as NWEA® MAP® Growth™ test, Houghton Mifflin Harcourt™ (“HMH”) assessments, Imagine Learning - MyPath® assessments, and common formative assessments. The Academy has committed to a consistent review of data to help inform curriculum, instruction, and assessment through weekly Professional Learning Communities (“PLC”) and professional development throughout the year.

The Academy carefully monitors the progress of all students by utilizing data to inform individual student needs and align resources and support. Once students' individual needs are determined, students are provided individual support aligned to their needs through Imagine Learning and WIN time. The Academy is committed to using technology in ways that have the potential to individualize and differentiate learning and increase the rate of student learning by providing access to materials and resources that maximize student time on task.

The Academy is regularly engaged in developing and articulating the learning goals at each grade level. All staff are involved in PLC meetings to study, practice and reinforce effective instructional strategies.

Parents are informed about their child's learning and growth through progress reports, newsletters, semester report cards, and twice-yearly parent-teacher conferences that are extensive and informative.

TEACHING STRATEGIES

A highly effective teacher has a powerful impact on student achievement. Academy teachers are dedicated to crafting learning opportunities to meet individual students' educational needs. Teachers use Marzano's (2001) *The Art and Science of Teaching*, which articulates high-yield instructional strategies to become better practitioners.

The development of units and daily lessons are consistently developed utilizing a unit and lesson plan template in conjunction with the curriculum materials. Teachers work to make the learning objectives clear to students and families and provide clear feedback to students who monitor individual progress toward achieving the learning goal.

Teachers participate in vertical, subject-area, and grade-level PLCs to develop High-Quality Visions of Teaching, formative assessments to inform teaching, and practice active research relative to daily instruction and adjust lessons and strategies accordingly.

Teachers utilize "I do, We do, You do" gradual release strategies to ensure that all students master essential skills, scaffold support, and nurture independence and confidence for all students at the individual level.

CURRICULUM

The Academy has adopted Houghton Mifflin Harcourt for all core subject areas. Houghton Mifflin Harcourt is interactive, and engaging, and can reach all learners regardless of the student's abilities. The instructional units are organized in a developmentally appropriate manner and follow a logical sequence; the instructional units act as building blocks to ensure a smooth academic flow of content from grade to grade.

The goal is to graduate students who have not only had the opportunity to experience academic excellence but have acquired the knowledge and skills necessary to be successful in high school, college, and the workplace. To achieve the goal, Academy faculty and staff consistently research the skills students need to be successful in a challenging college program or career field. To accomplish this, the Academy utilizes data from the SAT®, MAP Growth (a nationally normed assessment), and the state's assessment tests. These assessments indicate the level of knowledge and skills students must have to be successful in college and professions. By understanding what students need to know to be successful in a chosen life decision, the Academy can work backward and determine what students must know at each grade level to be prepared for high school, college, and work. The backward design approach makes the curriculum particularly unique because it has

been developed to support demanding standards with a college-bound and/or work-ready approach.

Curriculum Alignment and Review

The curriculum is monitored and adjusted in weekly grade-level meetings and PLC meetings. During these times, assessment data is reviewed and the horizontal and vertical alignment of the curriculum is evaluated and revised as needed to accommodate the whole class and individual needs.

CURRICULUM FLEXIBILITY

Special Education

When making educational placement decisions for students with disabilities, the Academy will ensure that parents are contributing members of the Individualized Educational Program (“IEP”) team, and together the team will make decisions that are subject to requirements regarding the provision of the least-restrictive environment. When determining how services will be delivered to students with disabilities, the Academy will follow all Special Education Rules as issued by the Michigan Department of Education. If a child with a current IEP enrolls in the Academy, the Academy will implement the existing IEP to the extent possible or will provide an interim IEP agreed upon by parents until a new IEP can be developed. IEPs will be developed, revised, and implemented in accordance with the Individuals with Disabilities Education Improvement Act (“IDEIA”) and state laws and regulations.

The Academy will fully comply with federal laws and regulations governing children with disabilities as follows:

1. The Academy is responsible for providing a free, appropriate public education to children with disabilities enrolled in the Academy that have been determined through an IEP to require Special Education programs and services.
2. The Academy will ensure that children who are suspected of having disabilities are properly evaluated by a multidisciplinary team, as defined in the Michigan Special Education Rules, and that children who have already been identified are reevaluated by the multidisciplinary team at least every three years.
3. When a multidisciplinary team determines that a special education student requires Special Education programs and services, the Academy will ensure that the IEP is fully implemented in accordance with IDEIA, and reviewed on an annual basis or more frequently as determined by the IEP team.

In addition to being compliant with all laws regarding students in need of special education services, 504 plans, or English Language Learners (“ELL”) services, the Academy also uses a Multi-Tiered System of Support (“MTSS”) process to identify struggling students and in assistive plans that may include recommendations for social work, counseling or curriculum accommodations that are monitored for success.

MTSS Model

The Academy uses an MTSS program embedded within the classroom to serve students who have learning challenges. MTSS screens all students to identify those at risk for learning failure. Through regular opportunities to implement the MTSS model, classroom teachers gain specific

knowledge and skills to use with students through proactive, focused interventions. Intensive intervention delivered by a specially trained instructional faculty is provided to identify students early in the Academy program to prevent failure. Teachers trained in special education provide individual support to students identified through the IEP process.

The MTSS model, although housed in general education, includes special education services provided by appropriately certified faculty.

The Academy's infusion of differentiation serves as a flexible method to accommodate students' different learning needs and preferences.

ASSESSMENT

Three of the fundamental purposes for assessments are: (1) to describe each student's developmental level within a content area, (2) to identify a student's areas of relative strength and opportunities for growth in subject areas, and (3) to continuously monitor growth, both within a year and year-to-year. The Academy evaluates assessment data to ensure students are on track to meet growth and achievement benchmarks and to be successful in college, work, and life.

State Assessment

The minimum standard of evaluation is the state's assessment. The state has provided expected proficiency rates of public schools in Michigan. The Academy strives to meet and exceed the proficiency goals each year and uses the state's data to target the lowest 30% of students to identify potential weaknesses in not only the Academy's curriculum but also in teacher expectations and strategies with particular groups of students. The Academy is prepared to transition to the next generation of assessments by continuing a focus on understanding standards and the goals of a 21st-century curriculum.

NWEA MAP Growth Test

The Academy administers students the nationally norm-referenced NWEA MAP Growth test for kindergarten through eighth grades. The Academy uses this test to monitor a student's performance in math and reading. Using target scores that have been identified as having a high likelihood of resulting in a student achieving a college-ready score on the SAT, the teachers establish a growth target for each student that is shared with the student and the family. The Academy provides the assessment three times a year (fall, winter, spring) to determine student progress towards average or above average proficiency. This test also identifies the MAS each student should focus on to improve learning.

Authentic Assessments

Understanding by Design also necessitates the use of authentic assessments—assessments that go beyond content mastery. In authentic assessment, students go beyond recall, repeat, perform as practiced or scripted, plug in, recognize or identify what was learned, and move to do things like:

- justify a claim
- connect discrete facts independently
- apply learning in new contexts
- adapt to new circumstances, purposes, or audience
- criticize arguments made by others

- explain how and why something is the case

To prepare students for the higher-order thinking of 21st-century learning, teachers consider how students demonstrate understanding in a course and a unit and design assessments. Assessment design includes determining where students are and using content knowledge and skills to present solutions to problems. This type of work has students working collaboratively and engaging in work that is highly transferable to future lives.

TECHNOLOGY

To live, learn, and work successfully in an increasingly complex and information-rich society, students must be able to use technology effectively. The Academy implemented 1:1 devices for each student. In addition to providing assessment flexibility, students use computers to extend learning with the computer as a center in elementary classrooms, as well as a research and presentation tool.

The Academy is focused on providing students with experiences that mirror what adult work lives may look like. Each student is assigned an email address, and the Academy uses collaborative software so students can exchange information and work on projects simultaneously but remotely, if necessary.

ELEMENTARY EDUCATION PROGRAM: Grades K-5

The Academy's elementary curriculum focuses on developing the literacy and number sense of all students. Teachers are building the foundation that helps students become responsible citizens who can communicate, are mathematically proficient, and are scientifically literate. The belief that every learner is unique is the underlying foundation of the Educational Program. The goal is to ensure students develop the reading, writing, mathematical, and communication skills that are the foundation of more advanced learning.

Junior Kindergarten ("JK") Program

The Academy's JK Program is structured using a ratio of no more than eighteen (18) students to one (1) adult in the sizing of the classroom. The JK Program utilizes the kindergarten program curriculum but is paced at approximately 50% of the regular curriculum. The JK Program focuses on letter identification, phonemic awareness, and numbers, as well as social-emotional learning. Students are enrolled in Junior Kindergarten either at the parent/guardian's request or in the event the student's fifth birthday falls between September 1 and December 1. Parents can opt in or out of the JK Program upon request and consultation with school administration.

Core Content Areas, Grades K-5:

Reading/Language Arts

The Academy uses Houghton Mifflin Harcourt's *Into Reading*®. *Into Reading* is differentiated by design to offer a balanced approach to literacy instruction, support teachers in developing a culture of learning and growth, and help all learners believe in themselves and their abilities. Scaffolding within the program ensures that students receive the initial support and practice that sets them on the best path to independence. There is a comprehensive library of trade books that serve as a connection to each topic but also bridge reading and writing instruction.

Into Reading offers a fully integrated approach to guiding students to critical text analysis and deepened comprehension through close reading and productive annotation. Students learn how to notice key signposts in texts that point to the meaning.

Students take part in completing a Writer's Notebook. This notebook gives students the chance to learn the basics of writing conventions as the students analyze the craft, explore multiple genres, and master writing.

The Academy uses assessments within *Into Reading*, as well as NWEA MAP Growth scores, to quickly and thoroughly identify a student's specific needs and provide targeted work through *Into Reading* and intervention strategies.

The Academy analyzes data to inform instruction and support student learning with the use of online programs (e.g., Imagine Learning) accessible at home or at the Academy, to build foundational skills. The Academy also uses Leveled Literacy Interventions ("LLI") for kindergarten through third grade to assess and use as an intervention for students.

Mathematics

The Academy uses Houghton Mifflin Harcourt's *Into Math*®. *Into Math* focuses on supporting students as they develop conceptual understanding and grow into fluent mathematicians. Lessons begin with an opportunity for students to reflect on prior knowledge and challenge themselves to reflect on what may be happening next. Throughout the lessons, there are prompts for understanding that motivate students to have conversations about mathematics using mathematical language.

Into Math offers differentiation for all students. Students can work on individual work, which offers leveled resources with problems that match the student's level and support their growth. Students also have the option of working in small groups at math task centers. In small groups, students can complete games and activities that reinforce lessons and talk between peers. Students can work directly with the teacher during teacher-guided activities. These teacher-guided activities give students the chance to work directly on skills with teacher guidance.

The Academy uses assessments within *Into Math*, as well as NWEA MAP Growth scores, to quickly and thoroughly identify a student's specific needs and provide targeted work through *Into Math* and intervention strategies.

Science

The Academy uses Houghton Mifflin Harcourt's *Science Dimensions*®. *Science Dimensions* was built around the NGSS and active learning. Students take part in hands-on activities that are integrated into many of the lessons. Students are actively engaged in the lessons and are asked to think critically about their observations, practice gathering evidence, and defend their claims. Students take part in engineering and STEM, which is carried throughout every unit. This approach allows students to elevate engineering design to the same level as scientific literacy.

Social Studies

The Academy uses Houghton Mifflin Harcourt's *Into Social Studies*[™]. *Into Social Studies* is an engaging and flexible curriculum that includes nonfiction content with literary goals and allows students to develop strong contextual foundations needed to build knowledge and learn about the world. *Into Social Studies* can be delivered to students in magazine and technology form, creating unique and accessible formats. The digital magazines include content and audio and can be delivered in English and Spanish. The curriculum offers differentiated instruction tools to build a strong knowledge base and promote effective expression for learners of all levels. Students can take virtual field trips, learning about the world around them.

MIDDLE GRADES EDUCATIONAL PROGRAM: Grades 6-8

The Academy's middle grades program supports the healthy growth and development of middle school students. The middle grades program holds high expectations for all students' academic achievement, with educators carefully structuring a program appropriate to young adolescent learners. Educators and students are placed together on a middle school team to provide a sense of community and develop collaborative interactions. The middle school curriculum is delivered in an integrated and engaging format where students in sixth through eighth grades work collaboratively.

In addition to the core curricular content areas, classes in physical education ("PE"), health Spanish, music, and art are offered to provide students with opportunities to explore new areas, pursue interests, and identify aptitudes. Further, co-curricular and extra-curricular activities offer enrichment opportunities for students.

Core Content Areas, Grades 6-8:

Reading/Language Arts

The Academy uses Houghton Mifflin Harcourt's *Into Literature*[®]. *Into Literature* assists students with reading, writing, speaking, and listening skills that are required for success in the future. Students have the choice from a selection of books that ensure each student finds a piece of literature that interests them and keeps them engaged in reading. Strategies throughout the texts offer students the opportunity to dig deeper into the texts, infer the meaning of the text, and transfer the meaning of the text into real-life experiences.

Students can complete digital studio lessons that help reinforce the comprehension and vocabulary skills taught during whole group lessons and allow students to keep track of their lessons. Students can take part in peer-to-peer collaboration and edit their writing.

Teachers can customize lessons according to the unique needs of the classroom and individual students. Diagnostic and formative assessments are available to the teachers to provide current and predicted proficiency levels.

Students in the middle grades participate in a balanced mathematics program that includes significant amounts of algebra and geometry. Algebra and geometry are crucial to success in the later study of mathematics and also in many situations that arise outside the mathematics classroom.

The Academy uses assessments within *Into Math*, as well as NWEA MAP scores, to quickly and thoroughly identify a student's specific needs and provide targeted work through *Into Math* and intervention strategies.

Social Studies

The Academy uses Houghton Mifflin Harcourt *Into Social Studies*, which challenges students to dig deep into the past, ask questions, uncover connections to the world today, and prepare for tomorrow. The curriculum is an inquiry-based approach, creating skills necessary for college and careers. Students can use cross-curricular skills, using writing skills for Essential Question Writing. Students demonstrate understanding by citing text evidence to complete writing tasks.

Students take part in viewing and creating timelines, maps, charts, videos, and other projects to support skills such as analysis and interpretation. Along with these skills, students engage with content outside of the classroom using eBooks. HMH *Social Studies* offers videos that bring history to life using primary source footage, dramatic storytelling, and expert testimonials.

Students complete module assessments, which measure comprehension using a variety of critical thinking, writing, and multimedia questions. Benchmark and end-of-the-year assessments provide teachers and students with immediate feedback with automatic scoring and reports.

Educational Development Plans (“EDP”)

P.A. 141 of 2007 requires districts to provide students an opportunity to develop an EDP. At the Academy, an EDP is developed in the seventh grade with the student’s homeroom teacher. Once completed, the middle school homeroom teachers ensure maintenance and ongoing updates of the plan.

The EDP contains:

- personal information
- student’s grade level
- student identified career goals
- assessment results (academic and career)
- educational/training goals
- a plan of action that identifies a broad career pathway
- course selections for high school that support student’s goals/interests
- information on options to meet the state graduation requirements including postsecondary
- enrollment options
- long-term goals and planning to support postsecondary/post-school options

PROGRAM EVALUATION

The Academy’s leadership structure, calendar, teacher mentoring, professional development, and intensive focus on student achievement, parent satisfaction, student perception, and community involvement are ideal for monitoring and achieving the mission.

A shared leadership structure that involves the Academy leader, a leader of curriculum and instruction, social work and/or counseling, special education, lead teachers, and the technology/data/assessment coordinator meet frequently to discuss all aspects of the Academy’s operation and whether or not it is meeting the needs of students and families. Leadership analyzes achievement data, attendance at parent-teacher conferences and other school functions, retention and enrollment data, discipline data, and parent comments to determine whether or not the Academy is delivering on the mission.

Teachers are also involved in the collection and analysis of data. Teachers will not have less than a 187-day work year, which includes professional development and collaborative planning, as well as weekly PLC time.

Enrollment Limits

The Academy will offer kindergarten through eighth grade. The maximum enrollment shall be 405 students. The Academy Board will annually adopt maximum enrollment figures prior to its application and enrollment period.

Requirements

Section 504 of the Code provides that public school academies shall not charge tuition and shall not discriminate in its pupil admissions policies or practices on the basis of intellectual or athletic ability, measures of achievement or aptitude, status as a student with a disability, or any other basis that would be illegal if used by a Michigan school district. However, a public school academy may limit admission to pupils who are within a particular range of age or grade level or on any other basis that would be legal if used by a Michigan school district and may give enrollment priority as provided below.

- Academy enrollment shall be open to all individuals who reside in Michigan. Except for a foreign exchange student who is not a United States citizen, a public school academy shall not enroll a pupil who is not a Michigan resident.
- Academy admissions may be limited to pupils within a particular age range/grade level or on any other basis that would be legal if used by a Michigan school district.
- The Academy shall allow any pupil who was enrolled in the Academy in the immediately preceding school year to enroll in the Academy unless the appropriate grade is not offered.
- No student may be denied participation in the application process due to lack of student records.
- If the Academy receives more applications for enrollment than there are spaces available, pupils shall be selected for enrollment through a random selection drawing.

The Academy may give enrollment priority to one (1) or more of the following:

- A sibling of a pupil enrolled in the Academy.
- A pupil who transfers to the Academy from another public school pursuant to a matriculation agreement between the Academy and other public school that provides for this enrollment priority, if all of the following requirements are met:
 1. Each public school that enters into the matriculation agreement remains a separate and independent public school.
 2. The Academy shall select at least 5% of its pupils for enrollment using a random selection process.
 3. The matriculation agreement allows any pupil who was enrolled at any time during elementary school in a public school that is party to the matriculation agreement and who was not expelled from the public school to enroll in the public school academy giving enrollment priority under the matriculation agreement.

- A child, including an adopted child or legal ward, of a person who is employed by or at the Academy or who is on the Academy Board.

Matriculation Agreement

- The Academy Board may enter into a matriculation agreement with another public school pursuant to section 504(4) of the Code.
- However, before the Academy Board approves a matriculation agreement, the Academy shall provide a draft copy of the agreement to the Center for review.
- Any matriculation agreement entered into by the Academy shall be added to this Schedule 7f through a contract amendment approved in accordance with Article IX in the Terms and Conditions of this Contract.

Application Process

- The Academy shall make reasonable effort to advertise its enrollment openings.
- The Academy's open enrollment period shall be a minimum of two weeks (14 calendar days) in duration and shall include evening and weekend times.
- The Academy shall accept applications all year. If openings occur during the academic year, students shall be enrolled. If openings do not exist, applicants shall be placed on the official waiting list. The waiting list shall cease to exist at the beginning of the Academy's next open enrollment period.
- In the event there are openings in the class for which students have applied, students shall be admitted according to the official waiting list. The position on the waiting list shall be determined by the random selection drawing. If there is no waiting list, students shall be admitted on a first-come, first-served basis.
- The Academy may neither close the application period nor hold a random selection drawing for unauthorized grades prior to receipt of written approval from the Center.

Legal Notice or Advertisement

- The Academy shall provide legal notice or advertisement of the application and enrollment process in a local newspaper of general circulation. A copy of the legal notice or advertisement shall be forwarded to the Center.
- At a minimum, the legal notice or advertisement must include:
 1. The process and/or location(s) for requesting and submitting applications.
 2. The beginning date and the ending date of the application period.
 3. The date, time, and place the random selection drawing(s) will be held, if needed.
- The legal notice or advertisement of the application period shall be designed to inform individuals that are most likely to be interested in attending the Academy.
- The Academy, being an equal opportunity educational institution, shall be committed to good-faith affirmative action efforts to seek out, create and serve a diverse student body.

Re-enrolling Students

- The Academy shall notify parents or guardians of all enrolled students of the deadline for notifying the Academy that they wish to re-enroll their child.
- If the Academy Board has a sibling preference policy, the re-enrollment notice must also request that the parent or guardian indicate whether a sibling(s) seeks to enroll for the upcoming academic year.
- An enrolled student who does not re-enroll by the specified date can only apply to the Academy during the application period for new students.
- An applicant on the waiting list at the time a new application period begins must reapply as a new student.
- After collecting the parent or guardian responses, the Academy must determine the following:
 1. The number of students who have re-enrolled per grade or grouping level.
 2. The number of siblings seeking admission for the upcoming academic year per grade.
 3. If space is unavailable, the Academy must develop a waiting list for siblings of re-enrolled students.
 4. The number of spaces remaining, per grade, after enrollment of current students and siblings.

Random Selection Drawing

A random selection drawing is required if the number of applications exceeds the number of available spaces. Prior to the application period, the Academy shall:

- Establish written procedures for conducting a random selection drawing.
- Establish the maximum number of spaces available per grade or age grouping level.
- Establish the date, time, place and person to conduct the random selection drawing.
- Notify the Center of both the application period and the date of the random selection drawing, if needed. The Center may have a representative on-site to monitor the random selection drawing process.

The Academy shall use a credible, impartial individual who is not employed by, under contract with, a member of the Board of, or otherwise affiliated with the Academy to conduct the random selection drawing. Further, the Academy shall:

- Conduct the random selection drawing in a manner that is open to parents, community members and members of the public who want to observe the process.
- Use numbers, letters, or another system that guarantees fairness and does not give an advantage to any applicant.

The Academy shall notify applicants not chosen in the random selection drawing that they were not selected and that their name has been placed on the Academy's official waiting list for openings that may occur during the academic year. Students shall appear on the official waiting list in the order they were selected in the random selection drawing.
