PROPOSAL FOR BOARD ACTION: CONSENT AGENDA

Public School Academy Board of Directors: Method of Selection, Appointment, and Removal

Project Description:

After reviewing the exigent appointment process, the Center for Charter Schools believes that this process cannot adequately protect the University Board from a situation where an academy governing board and the educational service provider simultaneously resign. The challenges in recruiting, interviewing and appointing a new board (or at least three members who could meet as a quorum), and have the new board contract with a new educational service provider, is time consuming and cannot be accomplished quickly. Accordingly, the Center recommends that the University Board charter contracts include a revision to a provision regarding the appointment of a conservator/manager on a temporary basis to address situations such as the en masse resignation of an academy governing board.

The conservator/manager would have all the powers and duties of the academy's governing board and would function in the board's place upon appointment. The conservator/manager would be designated by the University President or his or her designee upon consultation with the University Board Chair. The current conservator/manager provision required the action of the full University Board to appoint a conservator/manager. In order for this change to occur, the University Board's Method of Selection, Appointment and Removal Policy must be amended.

PROPOSED RESOLUTION: CONSENT AGENDA

Public School Academy Board of Directors: Method of Selection, Appointment, and Removal

BE IT RESOLVED, That the policy titled Public School Academy Board of Directors: Method of Selection, Appointment, and Removal as amended and dated February 15, 2018, is adopted and replaces the Public School Academy Board of Directors: Method of Selection, Appointment and Removal approved and dated December 7, 2006, July 12, 2007 and July 14, 2011; and Be it further

This applies to new and existing charter contracts issued under Part 6A, Part 6E or MCL 380.1311b to MCL 380.1311m of the Revised School Code. Public School Academy Board of Directors: Method of Selection, Appointment and Removal

The Central Michigan University Board of Trustees declares that the method of selection, length of term, and number of board members shall be as follows.

Method of Selection and Appointment

The Central Michigan University Board of Trustees ("University Board") shall prescribe the method of appointment for members of an academy's board of directors. The director of the charter schools office is authorized to develop and administer an academy board selection and appointment process that includes an *Application for Public School Academy Board Appointment* and is in accord with these policies:

- a. The University Board shall appoint the initial and subsequent academy board of directors by resolution, except as prescribed by subparagraphs d and e. The director of the charter schools office shall recommend qualified individuals to the University Board, and ensure that the board of directors includes representation from the local community where the academy is located.
- b. The academy board of directors, by resolution and majority vote, shall nominate its subsequent members, except as provided otherwise. The academy board of directors shall recommend to the director of the charter schools office at least one nominee for each vacancy. Nominees shall submit the *Application for Public School Academy Board Appointment* for review by the charter schools office. The director of the charter schools office may or may not recommend the appointment of a nominee submitted by the academy board. If the director of the charter schools office does not recommend the appointment of a nominee submitted by the academy board, he/she may select and recommend another nominee or may request the academy board submit a new nominee for consideration.
- c. An individual appointed to fill a vacancy created other than by the expiration of a term shall be appointed for the unexpired term of that vacant position.
- d. Under exigent conditions, and with the approval of the University Board's chair and the president, the director of the charter schools office may appoint a qualified individual to an academy's board of directors. All appointments made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any appointments made under this provision.
- e. In the event that the health, safety and welfare of an academy's students, property or funds are at risk, the president, after consulting with the University Board's chair, may appoint a person to serve as a conservator for the academy. Upon appointment, the conservator shall have all the powers of the academy's board of directors and shall act in the place and stead of the academy's board of directors. After the President appoints a conservator, the full Board of Trustees shall receive notice of the appointment as soon as possible. The president shall appoint the conservator for a definite term which may be extended in writing. During the conservator's appointment, the academy's board of directors, and all powers of the academy's board of directors, are suspended. The charter contract shall set forth any additional powers granted to the conservator during their appointment. All appointments made under this

provision must be presented to the University Board for final determination at its next regularly scheduled meeting.

Length of Term

The director of an academy board shall serve at the pleasure of the University Board. Terms of the initial positions of the academy board of directors shall be staggered in accordance with *The Academy Board of Directors Table of Staggered Terms and Appointments* established and administered by the director of the charter schools office. Subsequent appointments shall be for a term of office not to exceed four (4) years, except as prescribed by *The Academy Board of Directors Table of Staggered Terms and Appointments*.

Removal and Suspension

If the University Board determines that an academy board member's service in office is no longer necessary, then the University Board may remove an academy board member with or without cause and shall specify the date when the academy board member's service ends. An academy board member may also be removed as part of a reconstitution under the charter contract or from office by a two-thirds (2/3) vote of the academy's board of directors for cause.

With the approval of the University Board's chair and the president, the director of the charter schools office may suspend an academy board member's service, if in his/her judgment the person's continued presence would constitute a risk to persons or property, or would seriously impair the operation of the academy. Any suspension made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any suspensions made under this provision.

Number of Directors

The number of members of the academy board of directors shall not be less than five (5) nor more than nine (9). If the academy board of directors fails to maintain its full membership by making appropriate and timely nominations, the University Board or its designee may deem that failure an exigent condition.

Qualifications of Academy Board Members

To be qualified to serve on an academy's board of directors, a person shall, among other things: (a) be a citizen of the United States; (b) be a resident of the State of Michigan; (c) submit all materials requested by the charter schools office including, but not limited to, the *Application for Public School Academy Board Appointment* which must include authorization to process a criminal background check; and (d) annually submit a conflict of interest disclosure as prescribed by the charter schools office.

ARTICLE II

RELATIONSHIP BETWEEN THE ACADEMY AND THE UNIVERSITY BOARD

Section 2.1. Constitutional Status of Central Michigan University. Central Michigan University is a constitutionally established body corporate operating as a state public university. The University Board is an authorizing body as defined by the Code. In approving this Contract, the University Board voluntarily exercises additional powers given to the University under the Code. Nothing in this Contract shall be deemed to be any waiver of Central Michigan University's powers or independent status and the Academy shall not be deemed to be a part of Central Michigan University. If applicable, the University Board has provided to the Department the accreditation notice required under the Code.

Section 2.2. Independent Status of the Academy. The Academy is a body corporate and governmental entity authorized by the Code. It is organized and shall operate as a public school academy and a nonprofit corporation. It is not a division or part of Central Michigan University. The relationship between the Academy and the University Board is based solely on the applicable provisions of the Code and the terms of this Contract or other agreements between the University Board and the Academy.

Section 2.3. Financial Obligations of the Academy Are Separate From the State of Michigan, University Board and the University. Any contract, mortgage, loan or other instrument of indebtedness entered into by the Academy and a third party shall not in any way constitute an obligation, either general, special, or moral, of the State of Michigan, the University Board, or the University. Neither the full faith and credit nor the taxing power of the State of Michigan or any agency of the State, nor the full faith and credit of the University Board or the University shall ever be pledged for the payment of any Academy contract, mortgage, loan or other instrument of indebtedness.

Section 2.4. Academy Has No Power To Obligate or Bind the State of Michigan, the University Board or the University. The Academy has no authority whatsoever to enter into any contract or other agreement that would financially obligate the State of Michigan, the University Board or the University, nor does the Academy have any authority whatsoever to make any representations to lenders or third parties, that the State of Michigan, the University Board or the University in any way guarantee, are financially obligated, or are in any way responsible for any contract, mortgage, loan or other instrument of indebtedness entered into by the Academy.

If the circumstances listed below in (a) or (b) apply to the Academy's site, the Academy represents to the University Board, intending that the University Board rely on such representation as a precondition to issuing a contract for a new public school academy, that the Academy will have substantially different governance, leadership and curriculum than the public school previously operating at the site:

- (a) The Academy's proposed site is the same location as a public school that (i) is currently on the list under Section 1280c(1), MCL 380.1280c(1) or Section 1280g(3), MCL 380.1280g(3) of the Code, as applicable; or (ii) has been on the list under Section 1280c(1) or 1280g(3) of the Code, as applicable, during the immediately preceding 3 school years.
- (b) The Academy's proposed site is the same location of another public school academy, urban high school academy, school of excellence or strict discipline academy whose contract was revoked or terminated by an authorizing body.

ARTICLE III ROLE OF THE UNIVERSITY BOARD AS AUTHORIZING BODY

Section 3.1. University Board Resolutions. The University Board has adopted a resolution, hereinafter the Method of Selection, Appointment, and Removal Resolution, providing for the method of selection and appointment, length of term, removal and suspension, number of Directors and the qualifications of Directors. The University Board has adopted a Reauthorization Resolution which approves the issuance of this Contract. The Reauthorization Resolution and the Method of Selection, Appointment, and Removal Resolution are hereby incorporated into this Contract. The University Board may, from time to time, amend the Method of Selection, Appointment, and Removal Resolution changing the method of selection, length of term, number of Directors and the qualifications of Directors. Any subsequent resolution of the University Board changing the Method of Selection, Appointment, and Removal Resolution shall automatically be incorporated into this Contract without the need for an amendment under Article IX of the Terms and Conditions.

Section 3.2. University Board as Fiscal Agent for the Academy. The University Board is the fiscal agent for the Academy. As fiscal agent, the University Board assumes no responsibility for the financial condition of the Academy. The University Board is not liable for any debt or liability incurred by or on behalf of the Academy Board, or for any expenditure approved by or on behalf of the Academy Board. Section 9.2. Process for Amendment Initiated by the Academy. The Academy, by a majority vote of its Board of Directors, may, at any time, propose specific changes in this Contract or may propose a meeting to discuss potential revision of this Contract. The proposal will be made to the University Board through its designee. The University Board delegates to the Center Director the review and approval of changes or amendments to this Contract. Section 10.1. Statutory Grounds for Revocation. In addition to the other grounds for revocation in Section 10.2 and the automatic revocation in Section 10.3 of these Terms and Conditions, the University Board may revoke this Contract, pursuant to the procedures set forth in Section 10.6, upon a determination that one or more of the following has occurred:

- (a) Failure of the Academy to demonstrate improved pupil academic achievement for all groups of pupils or abide by and meet the educational goal and related measures set forth in this Contract;
- (b) Failure of the Academy to comply with all Applicable Law;
- (c) Failure of the Academy to meet generally accepted public sector accounting principles and to demonstrate sound fiscal stewardship; or
- (d) The existence of one or more other grounds for revocation as specified in this Contract.

Section 10.2. Other Grounds for Revocation. In addition to the statutory grounds for revocation set forth in Section 10.1 and the grounds for an automatic revocation set forth in Section 10.3, the University

Board may revoke this Contract, pursuant to the procedures set forth in Section 10.6, upon a determination that one or more of the following has occurred:

- (a) The Academy fails to achieve or demonstrate measurable progress toward achieving the educational goal and related measures identified in this Contract;

- (c) The Academy is insolvent, has been adjudged bankrupt, or has operated for two or more school fiscal years with a Fund Balance Deficit;
- (d) The Academy has insufficient enrollment to successfully operate a public school academy, or the Academy has lost more than fifty percent (50%) of its student enrollment from the previous school year;
- (e) The Academy fails to fulfill the compliance and reporting requirements or defaults in any of the terms, conditions, promises or representations contained in or incorporated into this Contract or, during the term of this Contract, it is discovered by the Center that the Academy failed to fulfill the compliance and reporting requirements or there was a violation of a prior Contract issued by the University Board;
- (f) The Academy files amendments to its Articles of Incorporation with the Michigan Department of Licensing and Regulatory Affairs, without first obtaining the Center's approval;

- (h) The Academy's applicant(s), directors, officers, employees or agents have provided false or misleading information or documentation to the Center in connection with the University Board's approval of the Application, the issuance of this Contract, or the Academy's reporting requirements under this Contract or Applicable Law.

Section 10.3. Automatic Amendment Of Contract; Automatic Termination of Contract If All Academy Sites Closed; Economic Hardship Termination. Except as otherwise provided in this Section 10.3, if the University Board is notified by the Department that an Academy site is subject to closure under section 507 of the Code, MCL 380.507 ("State's Automatic Closure Notice"), then this Contract shall automatically be amended to eliminate the Academy's authority to operate certain age and grade levels at the site or sites identified in the State's Automatic Closure Notice. If the State's Automatic Closure Notice includes all of the Academy's existing sites, then this Contract shall automatically be terminated at the end of the current school year in which either the State's Automatic Closure Notice is received without any further action of the University Board or the Academy.

Following receipt of the State's Automatic Closure Notice, the Center Director shall forward a copy of the notice to the Academy Board and request a meeting with the Academy Board representatives to discuss the Academy's plans and procedures for the elimination of certain age or grade levels at the identified site or sites, or if all of the Academy's existing sites are included in that notice, then wind-up and dissolution of the Academy corporation at the end of the current school year. All Academy inquiries and requests for reconsideration of the State's Automatic Closure Notice, including the granting of any hardship exemption by the Department rescinding the State's Automatic Closure Notice ("Pupil Hardship

Exemption”), shall be directed to the Department, in a form and manner determined by the Department. If the Department rescinds the State’s Automatic Closure Notice for an Academy site or sites by granting a Pupil Hardship Exemption, the Academy is not required to close the identified site(s), but shall present to the Center a proposed Contract amendment incorporating the Department’s school improvement plan, if applicable, for the identified site(s).

If the Department elects not to issue a Pupil Hardship Exemption and the Center Director determines, in his or her discretion, that the closure of one or more sites as directed by the Department creates a significant economic hardship for the Academy as a going concern or the possibility of a mid-year school closure, then the Center Director may recommend to the University Board that the Contract be terminated at the end of the current school year (hereinafter “Economic Hardship Termination”). If the University Board approves the Economic Hardship Termination recommendation, then this Contract shall terminate at the end of the current school year without any further action of the parties.

The University Board’s revocation procedures set forth in Section 10.6 do not apply to an automatic termination initiated by the State’s Automatic Closure Notice or an Economic Hardship Termination under this Section 10.3.

Section 10.4. Grounds and Procedures for Academy Termination of Contract. The Academy Board, by majority vote of its Directors, may, at any time and for any reason, request termination of this Contract. The Academy Board’s request for termination shall be made to the Center Director not less than six (6) calendar months in advance of the Academy’s proposed effective date of termination. Upon receipt of an Academy request for termination, the Center Director shall present the Academy Board’s request for termination to the University Board. A copy of the Academy Board’s resolution approving of the Contract termination, including a summary of the reasons for terminating the Contract, shall be included with the Academy Board’s request for termination. Upon receipt of the Academy Board’s request for termination, the University Board shall consider and vote on the proposed termination request. The University Board may, in its sole discretion, waive the six (6) month advance notice requirement for terminating this Contract.

Section 10.5. Grounds and Procedures for University Termination of Contract. The University Board, in its sole discretion, reserves the right to terminate the Contract (i) for any reason or for no reason provided that such termination shall not take place less than six (6) months from the date of the University Board’s action; or (ii) if there is a change in Applicable Law that the University Board, in its sole discretion, determines impairs its rights and obligations under the Contract or requires the University Board to make changes in the Contract that are not in the best interest of the University Board or the University, then such termination shall take effect at the end of the current Academy fiscal year. Following University Board approval, the Center Director shall provide notice of the termination to the Academy. If during the period between the University Board action to terminate and the effective date of termination, the Academy has violated the Contract or Applicable Law, the Contract may be revoked or suspended sooner pursuant to this Article X. If this Contract is terminated pursuant to this Section 10.5, the revocation procedures in Section 10.6 shall not apply.

Section 10.6. University Board Procedures for Revoking Contract. Except for the automatic revocation and procedures initiated by the State of Michigan set forth in Section 10.3, the University Board’s process for revoking the Contract is as follows:

- (a) Notice of Intent to Revoke. The Center Director, upon reasonable belief that grounds for revocation of the Contract exist, shall notify the Academy Board of such grounds by issuing the Academy Board a Notice of Intent to Revoke for non-compliance with the Contract or Applicable Law. The Notice of Intent to Revoke shall be in writing and shall set forth in sufficient detail the alleged grounds for revocation.

- (b) Academy Board's Response. Within thirty (30) days of receipt of the Notice of Intent to Revoke, the Academy Board shall respond in writing to the alleged grounds for revocation. The Academy Board's response shall be addressed to the Center Director, and shall either admit or deny the allegations of non-compliance. If the Academy's response includes admissions of non-compliance with the Contract or Applicable Law, the Academy Board's response must also contain a description of the Academy Board's plan and timeline for correcting the non-compliance with the Contract or Applicable Law. If the Academy's response includes a denial of non-compliance with the Contract or Applicable Law, the Academy's response shall include sufficient documentation or other evidence to support a denial of non-compliance with the Contract or Applicable Law. A response not in compliance with this Section shall be deemed to be non-responsive. As part of its response, the Academy Board may request that a meeting be scheduled with the Center Director prior to a review of the Academy Board's response.
- (c) Plan of Correction. Within fifteen (15) days of receipt of the Academy Board's response or after a meeting with Academy Board representatives, the Center Director shall review the Academy Board's response and determine whether a reasonable plan for correcting the deficiencies can be formulated. If the Center Director determines that a reasonable plan for correcting the deficiencies set forth in the Notice of Intent to Revoke can be formulated, the Center Director shall develop a plan for correcting the non-compliance ("Plan of Correction") which may include Reconstitution pursuant to 10.6(d) of these Terms and Conditions. In developing a Plan of Correction, the Center Director is permitted to adopt, modify or reject some or all of the Academy Board's response for correcting the deficiencies outlined in the Notice of Intent to Revoke. The Notice of Intent to Revoke shall be closed if the Center Director determines any of the following: (i) the Academy Board's denial of non-compliance is persuasive; (ii) the non-compliance set forth in the Notice of Intent to Revoke has been corrected by the Academy Board; or (iii) the Academy Board has successfully completed the Plan of Correction.
- (d) University Board's Contract Reconstitution Provision. The Center Director may reconstitute the Academy in an effort to improve student educational performance or to avoid interruption of the educational process. Reconstitution may include, but is not limited to, one of the following actions: (i) removal of 1 or more members of the Academy Board; (ii) termination of at-will board appointments of 1 or more Academy Board members in accordance with the Method of Selection, Appointment and Removal Resolution; (iii) withdrawing approval of a contract under Section 506 of the Code; or (iv) the appointment of a new Academy Board or a Conservator to take over operations of the Academy.

Except as otherwise provided in this subsection, reconstitution of the Academy does not prohibit the Department from issuing an order under section 507 of the Code, MCL 380.507, directing the automatic closure of the Academy's site(s).

- (e) Request for Revocation Hearing. The Center Director may initiate a revocation hearing before the University Charter Schools Hearing Panel if the Center Director determines that any of the following has occurred:
 - (i) the Academy Board has failed to respond to the Notice of Intent to Revoke as set forth in Section 10.6(b);
 - (ii) the Academy Board's response to the Notice of Intent to Revoke is non-responsive;
 - (iii) the Academy Board's response admits violations of the Contract or Applicable Law which the Center Director deems cannot be remedied or cannot be remedied in an appropriate

- period of time, or for which the Center Director determines that a Plan of Correction cannot be formulated;
- (iv) the Academy Board's response contains denials that are not supported by sufficient documentation or other evidence showing compliance with the Contract or Applicable Law;
 - (v) the Academy Board has not complied with part or all of a Plan of Correction established in Section 10.6(c);
 - (vi) the Academy Board has engaged in actions that jeopardize the financial or educational integrity of the Academy; or
 - (vii) the Academy Board has been issued multiple or repeated Notices of Intent to Revoke.

The Center Director shall send a copy of the request for revocation hearing to the Academy Board at the same time the request is sent to the Hearing Panel. The request for revocation shall identify the reasons for revoking the Contract.

- (f) Hearing before the University Charter Schools Hearing Panel. Within thirty (30) days of receipt of a request for revocation hearing, the Hearing Panel shall convene a revocation hearing. The Hearing Panel shall provide a copy of the notice of hearing to the Center and the Academy Board at least ten (10) days before the hearing. The purpose of the Hearing Panel is to gather facts surrounding the Center Director's request for Contract revocation, and to make a recommendation to the University Board on whether the Contract should be revoked. The revocation hearing shall be held at a location, date and time as determined by the Center Director and shall not last more than three hours. The hearing shall be transcribed and the cost shall be divided equally between the University and the Academy. The Center Director or his or her designee, and the Academy Board or its designee, shall each have equal time to make their presentation to the Hearing Panel. Although each party is permitted to submit affidavits and exhibits in support of their positions, the Hearing Panel will not hear testimony from any witnesses for either side. The Hearing Panel may, however, question the Center Director and the Academy Board. Within thirty (30) days of the revocation hearing, the Hearing Panel shall make a recommendation to the University Board concerning the revocation of the Contract. For good cause, the Hearing Panel may extend any time deadline set forth in this subsection. A copy of the Hearing Panel's recommendation shall be provided to the Center and the Academy Board at the same time that the recommendation is sent to the University Board.
- (g) University Board Decision. If the Hearing Panel's recommendation is submitted to the University Board at least fourteen (14) days before the University Board's next regular meeting, the University Board shall consider the Hearing Panel's recommendation at its next regular meeting and vote on whether to revoke the Contract. The University Board reserves the right to modify, reject or approve all or any part of the Hearing Panel's recommendation. The University Board shall have available to it copies of the Hearing Panel's recommendation and the transcript from the hearing. The University Board may waive the fourteen (14) day submission requirement or hold a special board meeting to consider the Hearing Panel's recommendation. A copy of the University Board's decision shall be provided to the Center, the Academy Board and the Department.
- (h) Effective Date of Revocation. If the University Board votes to revoke the Contract, the revocation shall be effective on the date of the University Board's act of revocation, or at a later date as determined by the University Board.
- (i) Disposition of State School Aid Funds. Notwithstanding any other provision of the Contract, any state school aid funds received by the University Board after a recommendation is made

The University President shall appoint the Conservator for a definite term which may be extended in writing at his or her sole discretion. During the appointment, the Academy Board members and their terms in office are suspended and all powers of the Academy Board are suspended. All appointments made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. Within five (5) business days of the Center Director's notice, the Academy Board Treasurer shall provide the Center Director, in a form and manner determined by the Center, with account detail information and authorization to direct such funds to the Academy Dissolution Account. The Academy Dissolution Account shall be under the sole care, custody and control of the Academy Board, and such funds shall not be used by the Academy to pay any other Academy debt or obligation until such time as all the wind-up and dissolution expenses have been satisfied. The Academy shall list the University on the insurance policies as an additional insured as required by the University's insurance carrier. The coverage provided to the University as an additional covered person or organization will be primary and non-contributory with the University's insurance carrier. Other insurance policies and higher minimums may be required depending upon academic offerings and program requirements.

Pursuant to Section 3.6 of these Terms and Conditions, the University requires that any Educational Service Provider or employee leasing company that enters into a contract with the Academy must obtain insurance coverage similar to the insurance coverage that is currently required for the Academy. Accordingly, any agreement between the Academy and an Educational Service Provider or employee leasing company shall contain a provision requiring the Educational Service Provider or employee leasing company to comply with the coverage requirements recommended by the University's insurance carrier. Furthermore, the agreement between the Educational Service Provider or employee leasing company and the Academy shall contain a provision stating that "in the event that the University's insurance carrier recommends any change in coverage by the Educational Service Provider or employee leasing company, the Educational Service Provider or employee leasing company agrees to comply with any changes in the type and amount of coverage as requested by the University or the University's insurance carrier within thirty (30) days after notice of the insurance coverage change."

The agreement between the Academy and the Educational Service Provider shall contain a provision requiring the Educational Service Provider to make information concerning the operation and management of the Academy, including the information in Schedule 8, available to the Academy as deemed necessary by the Academy Board in order to enable the Academy to fully satisfy its obligations under paragraph 11.9 (a) above.

Section 11.10. Deposit of Public Funds by the Academy. The Academy Board agrees to comply with Section 1221 of the Revised School Code, being MCL 380.1221, regarding the deposit of all public or private funds received by the Academy. Such deposit shall be made within three (3) days after receipt of the funds by the Academy. Only Academy Board members or designated Academy Board employees may be a signatory on any Academy bank account.

Prior to providing instruction, the Academy Board shall ensure that the Academy has sufficient documentation to qualify for part-time pupil funding under the State School Aid Act. ARTICLE III
OFFICES

Section 1. Principal Office. The principal office of the Academy shall be located in the state of Michigan.

Section 2. Registered Office. The registered office of the Academy may be the same as the principal office of the Academy, but in any event must be located in the state of Michigan, and be the business office of the resident agent, as required by the Michigan Non-Profit Corporation Act. ARTICLE IV
BOARD OF DIRECTORS

Section 1. General Powers. The business, property and affairs of the Academy shall be managed by the Academy Board of Directors ("Academy Board"). The Academy Board may exercise any and all of the powers granted to it under the Michigan Non-Profit Corporation Act or pursuant to Part 6A of the Revised School Code ("Code"). The Academy Board may delegate such powers to the officers and committees of the Academy Board as it deems necessary, so long as such delegation is consistent with the Articles, these Amended Bylaws, the Contract and Applicable Law.

Section 2. Method of Selection and Appointment. The Central Michigan University Board of Trustees ("University Board") shall prescribe the method of appointment for members of an Academy's Board. The Center Director is authorized to develop and administer an academy board selection and appointment process that includes an *Application for Public School Academy Board Appointment* and is in accord with these policies:

- a. The University Board shall appoint the initial and subsequent Academy Board by resolution, except as prescribed by subparagraph d. The Center Director shall recommend qualified individuals to the University Board.

- b. The Academy Board, by resolution and majority vote, shall nominate its subsequent members, except as provided otherwise. The Academy Board shall recommend to the Center Director at least one nominee for each vacancy. Nominees shall submit the *Application for Public School Academy Board Appointment* for review by the Center. The Center Director may or may not recommend the appointment of a nominee submitted by the Academy Board. If the Center Director does not recommend the appointment of a nominee submitted by the Academy Board, he/she may select and recommend another nominee or may request the Academy Board submit a new nominee for consideration.
- c. An individual appointed to fill a vacancy created other than by the expiration of a term shall be appointed for the unexpired term of that vacant position.
- d. Under exigent conditions, and with the approval of the University Board's chair and the University President, the Center Director may appoint a qualified individual to the Academy Board. All appointments made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any appointments made under this provision.

Section 3. Length of Term. A Director of the Academy Board shall serve at the pleasure of the University Board. Terms of the initial positions of the Academy Board shall be staggered in accordance with *The Academy Board of Directors Table of Staggered Terms and Appointments* established and administered by the Center Director. Subsequent appointments shall be for a term of office not to exceed four (4) years, except as prescribed by *The Academy Board of Directors Table of Staggered Terms and Appointments*.

Section 4. Number of Director Positions. The number of director positions on the Academy Board shall not be less than five (5) nor more than nine (9) as determined by the University Board. If the Academy Board fails to maintain its full membership by making appropriate and timely nominations, the Center Director may deem that failure an exigent condition.

Section 5. Qualifications of Academy Board Members. To be qualified to serve on the Academy Board, a person shall, among other things: (a) be a citizen of the United States; (b) be a resident of the State of Michigan; (c) submit all materials requested by the Center including, but not limited to, the *Application for Public School Academy Board Appointment* which must include authorization to process a criminal background check; and (d) annually submit a conflict of interest disclosure as prescribed by the Center.

The members of the Academy Board shall not include (a) employees of the Academy; (b) any director, officer, or employee of a service provider that contracts with the Academy; (c) a Central Michigan University official or employee, as a representative of Central Michigan University.

Section 6. Oath of Public Office. All members of the Academy Board must take the constitutional oath of office and sign the *Oath of Public Office* before beginning their service. The *Oath of Public Office* shall be filed with the Center.

Section 7. Tenure. Each Director shall hold office until the Director's replacement, death, resignation, removal or until the expiration of the term, whichever occurs first.

Section 8. Removal and Suspension. If the University Board determines that the service in office of a Director of the Academy Board is no longer necessary, then the University Board may remove

the Academy Board member with or without cause and shall specify the date when the Academy Board member's service ends. The Academy Board member may also be removed from office for cause by a two-thirds (2/3) vote of the Academy's Board.

With the approval of the University Board's chair and the University President, the Center Director may suspend the service of a Director of the Academy Board if, in his/her judgment, the person's continued presence would constitute a risk to persons or property, or would seriously impair the operation of the Academy. Any suspension made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any suspensions made under this provision.

Section 9. Resignation. Any Director may resign at any time by providing written notice to the corporation or by communicating such intention (orally or in writing) to the Center. Notice of resignation will be effective upon receipt or at a subsequent time if designated in a written notice. A successor shall be appointed as provided in Section 2 of this Article.

Section 10. Board Vacancies. A Director vacancy shall occur because of death, resignation, removal, failure to maintain residency in the State of Michigan, disqualification or as otherwise specified in the Code. Any vacancy shall be filled as provided in Section 2 of this Article.

Section 11. Compensation. A Director of the Academy Board shall serve as a volunteer Director. By resolution of the Academy Board, the Directors may be reimbursed for their reasonable expenses incident to their duties.

ARTICLE V MEETINGS

Section 1. Annual and Regular Meetings. The Academy Board shall hold an annual meeting each year. The Academy Board must provide, by resolution, the time and place, within the State of Michigan, for the holding of regular monthly meetings. The Academy Board shall provide notice of the annual and all regular meetings as required by the Open Meetings Act.

Section 2. Special Meetings. Special meetings of the Academy Board may be called by or at the request of any Director. The person or persons authorized to call special meetings of the Academy Board may fix the place within the State of Michigan for holding any special meeting of the Academy Board called by them, and, if no other place is fixed, the place of meeting shall be the principal business office of the corporation in the state of Michigan. The corporation shall provide notice of all special meetings as required by the Open Meetings Act.

Section 3. Notice; Waiver. The Academy Board must comply with the notice provisions of the Open Meetings Act. In addition, notice of any meeting shall be given to each Director stating the time and place of the meeting, delivered personally, mailed, or sent by facsimile or electronic mail to the Director's business address. Any Director may waive notice of any meeting by written statement, facsimile or electronic mail sent by the Director, signed before or after the holding of the meeting. The attendance of a Director at a meeting constitutes a waiver of notice of such meeting, except where a Director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

Section 4. Quorum. In order to legally transact business, the Academy Board shall have a quorum physically present at a duly called meeting of the Academy Board. A “quorum” shall be defined as follows:

A Director of the Academy Board who is absent from a meeting of the Academy Board due to military duty may participate in the meeting virtually, and that member’s virtual presence will count towards quorum and allow the absent member to participate in and vote on business before the Academy Board.

Section 5. Manner of Acting. The act of the majority of the Directors present at a meeting at which a quorum is present shall be the act of the Academy Board. No member of the Academy Board may vote by proxy, by way of a telephone conference or any other electronic means of communication.

Section 6. Open Meetings Act. All meetings of the Academy Board shall at all times be in compliance with the Open Meetings Act.

Section 7. Presumption of Assent. A Director of the Academy Board who is present at a meeting of the Academy Board at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless that Director's dissent shall be entered in the minutes of the meeting or unless that Director shall file a written dissent to such action with the person acting as the Secretary of the meeting before the adjournment thereof or shall forward such dissent by registered mail to the Secretary of the corporation immediately after the adjournment of the meeting. This right to dissent shall not apply to a Director who voted in favor of such action.

ARTICLE VI COMMITTEES

Section 1. Committees. The Academy Board, by resolution, may designate one or more committees. Each committee is to consist of one or more Directors selected by the Academy Board. As provided in the resolution as initially adopted, and as thereafter supplemented or amended by further resolution, the committees shall have such powers as delegated by the Academy Board, except (i) filling of vacancies in the officers of the Academy Board or committees created pursuant to this Section; (ii) amending the Articles of Incorporation or Amended Bylaws; or (iii) any action the Academy Board cannot lawfully delegate under the Articles, Amended Bylaws or Applicable Law. All committee meetings shall at all times be in compliance with the Open Meetings Act. Each committee shall fix its own rules governing the conduct of its activities and shall make such reports to the Academy Board of its activities as the Academy Board may request.

ARTICLE VII OFFICERS OF THE BOARD

Section 1. Number. The officers of the Academy Board shall be a President, Vice-President, Secretary, Treasurer, and such assistant Treasurers and assistant Secretaries as may be selected by the Academy Board.

Thereafter, the officers of the Academy Board shall be elected annually by the Academy Board. If the election of officers is not held at the annual meeting, the election shall be held as soon thereafter as may be convenient. Each officer shall hold office while qualified or until the officer resigns or is removed in the manner provided in Section 3.

Section 3. Removal. Any officer or agent elected or appointed by the Academy Board may be removed by the Academy Board whenever in its judgment the best interests of the corporation would be served thereby.

Section 4. Vacancies. A vacancy in any office shall be filled by appointment by the Academy Board for the unexpired portion of the term.

Section 5. President. The President of the Academy Board shall be a member of the Academy Board. The President of the corporation shall preside at all meetings of the Academy Board. If there is not a President, or if the President is absent, then the Vice-President shall preside. If the Vice-President is absent, then a temporary chair, chosen by the members of the Academy Board attending the meeting shall preside. The President shall, in general, perform all duties incident to the office of President of the Academy Board as may be prescribed by the Academy Board from time to time.

Section 6. Vice-President. The Vice-President of the Academy Board shall be a member of the Academy Board. In the absence of the President or in the event of the President's death, inability or refusal to act, the Vice-President shall perform the duties of President, and when so acting, shall have all the powers of and be subject to all the restrictions upon the President. Section 9. Assistants and Acting Officers. The Assistants to the officers, if any, selected by the Academy Board, shall perform such duties and have such authority as shall from time to time be delegated or assigned to them by the Secretary or Treasurer or by the Academy Board. The Academy Board shall have the power to appoint any member of the Academy Board to perform the duties of an officer whenever, for any reason, it is impractical for such officer to act personally. Such acting officer so appointed

shall have the powers of and be subject to all the restrictions upon the officer to whose office the acting officer is so appointed except as the Academy Board may by resolution otherwise determine.

Section 10. Salaries. Officers of the Academy Board, as Directors of the corporation, may not be compensated for their services. By resolution of the Academy Board, officers may be reimbursed for reasonable expenses incident to their duties.

ARTICLE VIII CONTRACTS, LOANS, CHECKS AND DEPOSITS; SPECIAL CORPORATE ACTS

Section 1. Contracts. The Academy Board may authorize any officer or officers, agent or agents, to enter into any contract, to execute and deliver any instrument, or to acknowledge any instrument required by law to be acknowledged in the name of and on behalf of the corporation. Such authority may be general or confined to specific instances, but the appointment of any person other than an officer to acknowledge an instrument required by law to be acknowledged should be made by instrument in writing. When the Academy Board authorizes the execution of a contract or of any other instrument in the name of and on behalf of the corporation, without specifying the executing officers, the President or Vice-President, and the Secretary or Treasurer may execute the same and may affix the corporate seal thereto. No contract entered into, by or on behalf of the Academy Board, shall in any way bind Central Michigan University or impose any liability on Central Michigan University, its trustees, officers, employees or agents.

Section 2. Loans. No loans shall be contracted on behalf of the Academy and no evidences of indebtedness shall be issued in its name unless authorized by a prior resolution of the Academy Board. Such authority shall be confined to specific instances. No loan, advance, overdraft or withdrawal by an officer or Director of the corporation, shall be made or permitted unless approved by the Academy Board. No loan entered into, by or on behalf of the Academy Board, shall in any way be considered a debt or obligation of Central Michigan University or impose any liability on Central Michigan University, its trustees, officers, employees or agents.

Section 3. Checks, Drafts, etc. All checks, drafts or other orders for the payment of money, notes or other evidences of indebtedness issued in the name of the Academy, shall be signed by Academy Board members or Academy Board employees, which shall not include employees of the Academy Board's Educational Service Provider, and in such manner as shall from time to time be determined by resolution of the Academy Board.

Section 4. Deposits. All funds of the Academy shall be deposited from time to time to the credit of the corporation in such banks, trust companies or other depositories as the Academy Board may select, provided that such financial institution is eligible to be a depository of surplus funds under Section 1221 of the Revised School Code, being Section 380.1221 of the Michigan Compiled Laws.

Section 5. Voting of Gifted, Bequested or Transferred Securities Owned by this Corporation. Subject always to the specific directions of the Academy Board, any shares or other securities issued by any other corporation and owned or controlled by this corporation may be voted at any meeting of security

holders of such other corporation by the President of this corporation or by proxy appointed by the President, or in the absence of the President and the President's proxy, by the Secretary or Treasurer of this corporation or by proxy appointed by the Secretary or Treasurer. Such proxy or consent in respect to any shares or other securities issued by any other corporation and owned by this corporation shall be executed in the name of this corporation by the President, the Secretary or the Treasurer of this corporation without necessity of any authorization by the Academy Board, affixation of corporate seal or countersignature or attestation by another officer. Any person or persons designated in the manner above stated as the proxy or proxies of this corporation shall have full right, power and authority to vote the shares or other securities issued by such other corporation and owned by this corporation the same as such shares or other securities might be voted by this corporation. This section shall in no way be interpreted to permit the corporation to invest any of its surplus funds in any shares or other securities issued by any other corporation. This section is intended to apply, however, to all gifts, bequests or other transfers of shares or other securities issued by any other corporation which are received by the corporation.

Section 6. Contracts Between Corporation and Related Persons. As required by Applicable Law, any Director, officer or employee of the Academy, who enters into a contract with the Academy, that meets the definition of contract under the statute on Contracts of Public Servants with Public Entities, Act No. 317 of the Public Acts of 1968, being sections 15.321 to 15.330 of the Michigan Compiled Laws, shall comply with the public disclosure requirements set forth in Section 3 of the statute.

The University Board authorizes the Academy Board to employ or contract for personnel according to the position information outlined in Schedule 5. However, the Academy Board shall prohibit any individual from being employed by the Academy, an Educational Service Provider or an employee leasing company involved in the operation of the Academy, in more than one (1) full-time position and simultaneously being compensated at a full-time rate for each of these positions. An employee hired by the Academy Board shall be an employee of the Academy for all purposes and not an employee of the University for any purpose. With respect to Academy Board employees, the Academy shall have the power and responsibility to (i) select and engage employees; (ii) pay their wages, benefits, and applicable taxes; (iii) dismiss employees; and (iv) control the employees' conduct, including the method by which the employee carries out his or her work. The Academy Board shall be responsible for carrying workers' compensation insurance and unemployment insurance for its employees. The Academy Board may contract with an Educational Service Provider or an employee leasing company to provide services or to provide personnel to perform services or work at the Academy. Before entering into an agreement with an Educational Service Provider or an employee leasing company to perform services or to provide personnel to perform services or work at the Academy, the Academy Board must first comply with the Educational Service Provider Policies issued by the Center. A copy of the agreement between the Academy Board and the Educational Service Provider or employee leasing company shall be included as part of Schedule 5.

The Academy shall comply with the Incompatible Public Offices statute, Act No. 566 of the Public Acts of 1978, of the Michigan Compiled Laws, and the Contracts of Public Servants With Public Entities statute, Act No. 371 of the Public Acts of 1968, of the Michigan Compiled Laws. The Academy Board shall ensure compliance with Applicable Law relating to conflicts of interest. Language in this Section controls over section 1203 of the Code. The following shall be deemed prohibited conflicts of interest:

- (a) An individual simultaneously serving as an Academy Board member and an owner, officer, director, employee or consultant of an Educational Service Provider or an employee leasing company, or a subcontractor to an Educational Service Provider or an employee leasing company that has an ESP Agreement with the Academy;

- (f) An individual simultaneously serving as an Academy Board member and having an ownership or financial interest in any real or personal property leased or subleased to the Academy.

No person shall be appointed or reappointed to serve as an Academy Board member if the person's mother, mother-in-law, father, father-in-law, son, son-in-law, daughter, daughter-in-law, sister, sister-in-law, brother, brother-in-law, spouse or domestic partner:

- (a) Is employed by the Academy Board;

The Academy Board shall require each individual who works at the Academy to annually disclose any familial relationship with any other individual who works at, or provides services to, the Academy. For purposes of this sub-section, familial relationship means a person's mother, mother-in-law, father, father-in-law, son, son-in-law, daughter, daughter-in-law, sister, sister-in-law, brother, brother-in-law, spouse or domestic partner.

ARTICLE IX INDEMNIFICATION

To the extent permitted by Applicable Law, each person who is or was a Director, officer or member of a committee of the Academy and each person who serves or has served at the request of the Academy as a trustee, director, officer, partner, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise, may be indemnified by the Academy. The corporation may purchase and maintain insurance on behalf of any such person against any liability asserted against and incurred by such person in any such capacity or arising out of his status as such, whether or not the corporation would have power to indemnify such person against such liability under the preceding sentence. The corporation may, to the extent authorized from time to time by the Academy Board, grant rights to indemnification to any employee or agent of the corporation.

ARTICLE X FISCAL YEAR

The fiscal year of the corporation shall begin on the first day of July in each year.

ARTICLE XI AMENDMENTS

These Amended Bylaws may be altered, amended or repealed and new Amended Bylaws may be adopted by obtaining (a) the affirmative vote of a majority of the Academy Board at any regular or special meeting of the Academy Board, if a notice setting forth the terms of the proposal has been given in accordance with the notice requirements of these Amended Bylaws and applicable law, and (b) the written approval of the changes or amendments by the Center Director. In the event that a proposed change is not accepted by the Center Director, the University Board may consider and vote upon a change proposed by the corporation following an opportunity for a written presentation to the University Board by the Academy Board. These Amended Bylaws and any amendments to them take effect only after they have been approved by both the Academy Board and by the Center Director.

Upon termination or revocation of the Contract, the corporation may amend its Amended Bylaws as necessary to allow the Academy Board to: (a) take action to appoint Academy Board members in order to have a quorum necessary to take Academy Board action; or (b) effectuate a dissolution, provided that the Academy Board may not amend the Amended Bylaws with regard to the disposition of assets upon dissolution.

All installments of the annual fee for the 2022- 2023 school year shall be paid by June 30, 2023 if this Agreement is not extended beyond the scheduled termination date. With regard to the first two fiscal years of a school site's existence, Distinctive Schools agrees to provide in-kind financial contributions to Distinctive College Prep for the purposes of ensuring Distinctive College Prep's compliance with MCL 380.1220. D. Reasonable Compensation. The parties wish to satisfy the requirements of Rev. Proc. 2017-13, as it may be amended or modified, so that the provision of Distinctive Schools' services under this Agreement does not cause the Academy's facilities to be treated as used in a private business use under Section 141(b) of the Internal Revenue Code of 1986, as amended. Distinctive Schools' compensation under this Agreement is reasonable compensation for services rendered. Distinctive Schools' compensation for services under this Agreement will not be based, in whole or in part, on a share of net profits from the operation of the Academy.

L. Data Breach. Distinctive Schools shall monitor its data safeguards from time to time and shall adjust its data safeguards in light of relevant circumstances or the results of any relevant testing or monitoring. If Distinctive Schools or the Board suspects or becomes aware of any unauthorized access to any personally identifiable information or confidential data by any unauthorized person or third party, or becomes aware of any other security breach relating to any personally identifiable information or confidential data held or stored by Distinctive Schools under this Agreement ("Data Breach"), Distinctive Schools or the Board shall immediately notify the other party in writing and shall fully cooperate to prevent or stop such Data Breach. In the event this Agreement is terminated by either party prior to the end of the term specified in Article II, paragraph A, absent unusual and compelling circumstances, the termination will not become effective until the end of that school year. Termination of this Agreement mid-year is strongly discouraged. The Academy Board and Distinctive Schools agree to make all efforts necessary to remedy a breach of this Agreement in

In the event that the Academy is required (i) to close an Academy site pursuant to a notice issued by the State School Reform/Redesign Officer under Section 507 of the Code, MCL 380.507; or (ii) to undergo a reconstitution pursuant to Section 507 of the Code, MCL 380.507, and Section 10.4 of the Contract Terms and Conditions, and such closure of an Academy site or reconstitution causes an amendment to or termination of this ESP Agreement, the parties agree that this ESP Agreement shall be amended or terminated to implement the Academy site closure or reconstitution, with no cost or penalty to the Academy, and Distinctive Schools shall have no recourse against the Academy or the University Board for implementing such site closure or reconstitution.

THIS AGREEMENT OF LEASE WITH OPTION TO PURCHASE (this “**Lease**”) is made as of the 8th day of July, 2020, by and between **CSDC FACILITIES CORPORATION**, a District of Columbia nonprofit corporation (hereinafter referred to as “**CSDC**” or “**Landlord**”), and **DISTINCTIVE COLLEGE PREP**, a nonprofit corporation and Michigan public school academy formed under Part 6a of the Revised School Code, Public Act 451 of 1976 (the “**Code**”), as amended, (“**School**” or “**Tenant**”).

RECITALS:

A. Landlord has contracted to purchase certain real property consisting of approximately 15.636 acres, situated in the City of Harper Woods, County of Wayne, and known as 19360 Harper Avenue, Harper Woods, MI 48225, as more particularly described on Exhibit A attached hereto and made a part hereof (the “**Real Property**”).

B. The Real Property is improved by a two-story building comprising approximately 106,000 +/- square feet (the “**Building**”; together with the Real Property, the “**Property**”). Landlord will perform roof renovations to the Building, which work is more particularly described in Section 1.C. of this Lease and Exhibit B attached hereto and made a part hereof.

C. Contingent upon Landlord’s successful closing on the purchase of the Property, School desires to lease the entire Property from Landlord, and Landlord desires to lease the Property to School, for the rentals and upon the terms and conditions herein set forth.

D. Landlord and School desire to confirm in writing the terms of their agreement and understanding pertaining to the foregoing lease and option to purchase the Property.

NOW, THEREFORE, in consideration of the rents herein reserved by Landlord to be paid by School, and the mutual covenants and agreements of the parties herein contained, and for other good and valuable consideration, the parties, intending to be legally bound, hereby covenant and agree as follows:

1. PREMISES.

A. Premises. Subject to the terms and provisions contained in this Lease, Landlord hereby exclusively rents, demises and leases to School and School does hereby take, hire and lease from Landlord for the Lease Term (as hereinafter defined), and at the rentals and other terms, conditions and covenants more fully described below, the Property.

B. Applicable Law. Leasing to School of the Property is subject to all building restriction lines, other restrictions and rights imposed on the Property or held therein by governmental authorities having jurisdiction thereof, and is subject to all applicable governmental laws, codes and regulations.

C. Delivery of Premises. Landlord shall deliver the Property “as-is” and “where-is” without warranty for School’s use and occupancy. The title to all alterations and improvements physically attached to the Property made, furnished or installed at or by the expense of either Landlord or School shall vest in Landlord upon the installation thereof. Prior to the Lease Commencement Date, Landlord shall perform certain repairs to the roof of the Building as described on Exhibit B (“**Landlord Work**”).

Improvements independently made by School (“**School’s Work**”), if any, shall be performed in accordance with plans and specifications prepared on behalf of School and approved by Landlord, by a contractor approved in writing by Landlord, such approval not to be unreasonably withheld, conditioned or delayed. In no event shall any such approval by Landlord constitute any warranty by Landlord to School as to the adequacy of the design, workmanship or quality of any work or materials for School’s intended use or impose any liability upon Landlord in connection with the performance of School’s Work. Notwithstanding the foregoing, improvements to the Property costing less than \$50,000 in the aggregate may be made by School without Landlord’s consent. School shall cause School’s Work to be performed in accordance with such other reasonable conditions as Landlord may impose during performance of School’s Work including a requirement that School’s Work not interfere with the Landlord Work.

2. TERM OF LEASE.

A. Term. This Lease shall commence on the date that Landlord closes on the acquisition of the Property (the “**Lease Commencement Date**”) and shall conclude on June 30, 2040, unless this Lease earlier terminates or expires by its terms (the “**Initial Term**”). The phrase “**Lease Year**,” as used herein, shall mean each successive period of twelve (12) full consecutive calendar months during the term hereof running from July 1st through June 30th of each year, however the First Lease Year shall commence on the Lease Commencement Date and conclude on June 30, 2021. All rentals and other amounts payable by School under this Lease for the First Lease Year shall be pro-rated and be paid on a per diem basis, and for any period consisting of less than a full Lease Year shall be pro-rated and be paid on a per diem basis.

To the extent the School does not exercise its Option to Purchase, School agrees to vacate the Property in the condition as described in Section 19 of this lease at the end of the Lease Term.

B. Renewal Term. Provided no Event of Default (as hereinafter defined) or event which, with the giving of notice or the passage of time, or both, would constitute an Event of Default, has occurred and is continuing hereunder, School shall have the option to renew this Lease for two (2) additional five-year periods beyond the Lease Term (each a “**Renewal Term**”) at the same terms as set forth in Section 3 herein. The Initial Term and any applicable Renewal Term shall be referred to herein as the “**Lease Term**”.

C. Marketing.

School may design, construct and install signage on the Property, advertising the School, in compliance with all applicable laws.

D. Hold Over.

1. If School shall, with the knowledge and consent of Landlord, remain in possession of the Property after expiration of the Lease Term, and if Landlord accepts Rent (as hereinafter defined) from School for any period after such expiration, then School shall become a tenant by the month, commencing on the day next following the last day of the Lease Term, such monthly hold-over tenancy to be at the same Base Monthly Rent (as hereinafter defined) that applied during the month immediately preceding such holdover, and upon all other terms hereof, except that during such monthly hold-over tenancy, School shall give to Landlord at least thirty (30) days' prior written notice of any intention to quit the Property, and School shall be entitled to at least thirty (30) days' prior written notice from Landlord demanding School to quit the Property, except in the event of nonpayment of Rent in advance or the breach of any other covenant by School, in which event School shall not be entitled to any notice to quit, the statutory notice (if any) and all other notices to quit being hereby expressly waived by School, to the extent permitted by applicable law.

2. If School holds over after expiration of the Lease Term without Landlord's written consent and Landlord has a new tenant able to lease the Property, then (i) Landlord, at its option, may forthwith re-enter and recover possession of the Property by any legal process in force, School hereby waiving all notices to quit to the extent such waivers are permitted by applicable law, and School shall be deemed to be in default hereunder, and (ii) School shall pay to Landlord, in advance on the first (1st) day of each calendar month in any such holdover tenancy, monthly use and occupancy payments for the Property in an amount equal to one hundred twenty-five percent (125%) of the Base Monthly Rent applicable during the month immediately preceding such holdover for the initial thirty (30) days of such holdover and one hundred fifty percent (150%) of the Base Monthly Rent for all subsequent periods of such holdover. The aforesaid use and occupancy payments shall not be deemed to preclude Landlord from the recovery of any actual damages that it may suffer by reason of School's wrongful holdover.

E. Termination Confirmation. If this Lease is terminated pursuant to any provision hereof, School agrees to join with Landlord, promptly on Landlord's written request, in executing a memorandum confirming such termination. The provisions contained in this Subsection E together with the obligation of School to pay Landlord any Base Rent or Additional Rent (as hereinafter defined) which has accrued during the Lease Term but remains unpaid at expiration or termination hereof, whether billed or unbilled as of such date, shall expressly survive the expiration or termination of the Lease Term.

3. RENTAL; SECURITY AND RENTAL DEPOSIT.

School hereby covenants and agrees to take and hold the Property, as lessee of Landlord, for the Initial Term and any applicable Renewal Terms, and School covenants and agrees to pay to Landlord rental for the Property as set forth below in this Section 3.

A. Base Rent. During the Lease Term, School covenants and agrees to pay to Landlord base annual rent (“**Base Annual Rent**”) in equal monthly installments (“**Base Monthly Rent**”). Base Annual Rent and Base Monthly Rent are sometimes hereinafter referred to as “**Base Rent**”.

For the first and second Lease Years, Base Annual Rent shall be in an amount equal to one hundred twenty-two percent (122%) of Landlord’s Debt Service Coverage Payments for the Total Project Cost (both as hereinafter defined). As used herein, (i) the term “**Total Project Cost**” shall mean the aggregate of the actual, complete and final “all-inclusive” out-of-pocket cost of Landlord to acquire the Property and deliver the same to School (collectively, the “**Project**”), including, but not limited to: the property acquisition cost and related closing costs; architectural, engineering and legal costs; financing costs associated with the acquisition of the Property and any payments to third parties for title insurance and surveys and for operating expenses prior to the Closing and building fixtures, but excluding moveable furnishings and equipment; and (ii) the term “**Debt Service Coverage Payments**” shall mean the sum of all the debt service payments for the Project, including payments with respect to the Financing, all as further described in the draft pro forma attached hereto as Exhibit C (the “**Pro Forma**”). All documents evidencing, securing or relating to the Financing are herein referred to collectively as the “**Financing Documents**”. Landlord agrees to set the financing rate for the entire Lease Term, and therefore setting the Base Annual Rent for the entire Lease Term provided that the Total Project Cost does not change. The Base Annual Rent for each lease year is set forth on Exhibit F.

By way of example only, and without establishing the Total Project Cost for the Project, assuming a Total Project Cost of TWO MILLION TWO HUNDRED FORTY-NINE THOUSAND FOUR HUNDRED TEN DOLLARS AND NO/CENTS (\$2,249,410.00), at financing rates as set forth on Exhibit C, the Base Annual Rent for the First Lease Year is estimated to be TWO HUNDRED TWENTY THOUSAND ONE HUNDRED FIFTY NINE DOLLARS AND FORTY FIVE CENTS (\$220,159.45). Notwithstanding the foregoing, in the event that the scope and cost of the Landlord Work increases, and the Total Project Cost increases, the Rent shall also increase consistent with the above-mentioned formula.

As noted herein, the Base Annual Rent shall adjust upon any and all adjustments of the Total Project Cost. Landlord shall prepare a Project Completion Rent Reconciliation document to be attached hereto as Exhibit F upon completion of the renovations and close-out of the Project.

Once Base Annual Rent commences, it shall not be re-calculated for any reason except as provided for in Section 3.B and 4.C of this Lease Agreement.

B. Annual Increase. Effective on the commencement of each Lease Year after the second Lease Year, the Base Annual Rent shall be increased by the amount of one percent (1.00%) of the Adjusted Base Annual Rent for the preceding Lease Year as identified in Exhibit F. This annual increase shall continue in full force and effect during any Renewal Term.

C. Payments. On the Lease Commencement Date, School shall pay to Landlord the first installment of Base Monthly Rent in an amount equal to the Base Monthly Rent prorated based on the number of days from the Lease Commencement Date to the end of that month. Thereafter, each installment of Base Monthly Rent, in the applicable amounts as above described, shall be due and payable without deduction, notice, setoff or demand (except as otherwise provided in this Lease) on the first day of each month during the Lease Term. Landlord agrees to issue monthly invoices for record-keeping purposes, but the monthly invoices for the entire lease year shall be submitted to Tenant at the commencement of each lease year. In the event of any partial month during the Lease Term, such monthly installment shall be prorated based upon the number of days within the Lease Term in such month in relationship to the number of days in the particular month. All Base Rent and other sums payable by School under this Lease (“**Additional Rent**”; Base Rent and Additional Rent being hereinafter collectively referred to as “**Rent**”, where no distinction is required) shall be paid by ACH payment from Tenant’s operating account. Tenant agrees to complete such forms as required by the receiving Depository financial institution.

D. Time; Partial Payments. Regarding all rentals and other sums, and all covenants, agreements and obligations, to be paid or performed hereunder by School, time is hereby agreed to be of the essence. No payment by School or receipt or acceptance by Landlord or its agent of a lesser amount than the Rent herein stipulated shall be deemed to be other than on account of the earliest due Rent, nor shall any endorsement or statement on any check or any letter accompanying any check in payment of Rent be deemed an accord and satisfaction; and instead, Landlord may accept such check or payment without prejudice to Landlord’s rights to recover the balance of such Rent and/or to pursue any other remedies.

E. Security and Rental Deposit. A security deposit equal to Twenty Thousand Dollars (\$20,000) shall be due on the Lease Commencement Date. Landlord shall hold the security deposit in accordance with applicable law and as security for the performance of Tenant’s obligations under this Lease. Landlord may, from time to time, apply all or a portion of the Security Deposit to cure any arrearage of Rent, repair damages to the Property or satisfy any of Tenant’s delinquent monetary obligations under this Lease.. No later than sixty (60) days after the expiration or earlier termination of the Lease, Landlord shall return to Tenant: (i) the Security Deposit, or the balance thereof, if any application of the Security Deposit was made along with an accounting of such application (if not previously provided to School) and (ii) any unused capital account reserve funds.

F. Reporting and Filing Requirements. School shall provide Landlord with the following financial documentation either by providing hardcopy documentation or by providing link to specific information:

(i) Within thirty (30) days following its annual issuance, and in any event no later than one hundred sixty (160) days following the end of each fiscal year, a copy of School's annual unqualified certified financial statements, which shall include the consolidated financial statements of School;

(ii) As soon as available but in any event no later than the forty-five (45) days following the end of each fiscal quarter of School, a copy of School's quarterly financial statements certified by an authorized signer of School, as true and correct;

(iii) At the earlier of (a) thirty (30) days prior to the commencement of each school year, or (b) August 1 of each year; a copy of School's annual operating budget, as approved by School's governing board and submitted to the Michigan Department of Education ("MDE");

(iv) A copy of any other financial or other reports of a material nature delivered to School by School's chartering authority, the MDE or the relevant state or local school authority, within ten (10) days of receipt of the same; and

(v) A copy of all other financial reports required by the relevant state or local school authority, including the MDE in the prescribed form required.

Subject to the privacy rights and nondisclosure requirements set forth in applicable laws and regulations, including but not limited to the Family Educational Rights and Privacy Act of 1974 ("FERPA") and the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"); the School shall also provide the following performance and management documentation on an annual basis, unless otherwise specified:

- (i) A copy of aggregate numbers, by grade and campus, of its expected students and the actual enrolled as calculated by including each student considered to be enrolled in the School and according to the official enrollment count in October of each year as submitted to the MDE or other such agency as designated by the laws of the State of Michigan to collect and verify enrollment data from public charter schools, within ten (10) days of School's filing of same, and an update as to such enrollment numbers on a semi-annual basis;
- (ii) A copy of the annual report provided to the MDE, which annual report shall document (a) the previous school year's progress in meeting the performance-based goals identified in School's charter petition on the Annual School Report Card and (b) all state mandated test scores and other accountability indicators, including proficiency rates;

- (iii) A copy of the annual monitoring reports of School's operations, as prepared by the MDE or other applicable agency, as well as School's response to such reports;
- (iv) A copy of the results of School's standardized student performance testing required by the MDE or relevant state or local school authority. Again, nothing in this subsection shall require the School to provide any data, information, or documentation prohibited by any state or federal privacy law, including, but not limited to the FERPA and HIPAA;
- (v) Upon request from Landlord, School shall request from the MDE or its chartering authority and shall, upon receipt, provide to Landlord, certification stating that: (i) School is in good standing under its charter; and (ii) School has not been given notice of probation.
- (vi) A copy of the School's conflict of interest policies and disclosures of thereunder whether or not submitted to the MDE or other chartering authority.

School shall undertake its best effort to provide legally disclosable, non-confidential information relating to its operations and the financial condition of the School no more than thirty (30) days following Landlord's reasonable request for such information.

Landlord recognizes School's independent responsibility to comply with all state and federal privacy laws, including, but not limited to FERPA and HIPPA, and nothing in this Lease shall require School to provide information, data, or documentation in violation of any privacy law. Landlord shall also protect and maintain the confidentiality of all student information protected under FERPA, state law or local school authority, it lawfully receives pursuant to the terms of this Lease.

G. Additional Indebtedness; Capital Expenditures. During the Lease Term, School shall not incur any additional indebtedness, or make capital expenditures, specifically related to the school occupying the Property in excess of Fifty Thousand Dollars (\$50,000.00), in the aggregate, without the written consent of Landlord, to which consent and such approval shall not be unreasonably withheld, delayed, or conditioned. This provision does not apply to state aid borrowing for operation of the School.

H. Subordination of Management Fees. Tenant agrees that any management agreement it intends to enter into with an education management organization ("EMO") shall be required to have any fees earned by the EMO be subordinated to the Rent as set forth in Exhibit G.

4. BUILDING MAINTENANCE; OPERATING EXPENSES; REAL ESTATE TAXES AND ASSESSMENTS.

This Lease shall be deemed and construed to be a “net lease”, and School shall pay to Landlord, throughout the Lease Term, the Rent, free of any charges, assessments, impositions or deductions of any kind and without abatement, deduction or set-off whatsoever.

A. Operating Expenses. School shall be responsible for all of the maintenance, repair and replacement, at its expense, of all structural portions of the Building and all other buildings and improvements located within the Property, including the roof and floor slabs, brick replacement or repair, and all building equipment and systems such as HVAC, electrical and plumbing systems and equipment. Notwithstanding the foregoing, Landlord shall use its best efforts to have any and all warranties on the Building components honored for repairs to the Building. Landlord shall provide School with copies of all such warranties. To the extent that School fails to maintain, repair or replace such structural portions of the Building improvements and building equipment and systems, Landlord shall have the right to enter the Property and perform such work. Before commencing work under this Section, Landlord shall provide written notification to Tenant summarizing the scope of work needed and cost estimation, if known, prior to any contracts or commitments made by Landlord with third party contractors or vendors. Unless required sooner due to an emergency need for repairs that compromises safety to occupants of the Building, Tenant shall have fifteen days to provide a written response to Landlord’s identified required repairs or replacements. In the event of a dispute between the Parties as to the necessity of repairs or replacements identified by Landlord pursuant to this 4A (except for repairs deemed by Landlord to be emergency repairs which may be performed by Landlord in its sole discretion), the parties shall consult with an independent third party engineer consultant selected by agreement of the Parties. Tenant shall be responsible for all costs associated with any third party engineer and any costs associated with work performed by Landlord. Parties agree to abide by the selected consultant’s recommendations. All of Landlord’s reasonable out of pocket costs associated with the responsibilities listed above shall be included as Additional Rent. School shall also be responsible for all additional operations, repair and maintenance of the Property, to the extent not otherwise set forth in this Lease. To the extent it is commercially feasible, all utilities servicing the Property shall be listed and contracted with the utility provider in School’s name and School shall contract directly with vendors of its choice for the services defined as “Operating Expenses” below. To the extent it is not commercially feasible for School to contract directly with utility providers and other vendors for such services, School further covenants and agrees to pay to Landlord as Additional Rent during the Lease Term and during any holdover term or Renewal Term, the Operating Expenses and (if applicable) Real Estate Taxes as defined in Subsection 4.B. below.

(i) **“Operating Expenses”** shall mean any and all reasonable out-of-pocket expenses incurred by Landlord in connection with the management of the Property, and, except as specifically set forth above as the responsibility of Landlord, the operation, maintenance and repair of the Property, including but not limited to: utilities; water and sewer charges; casualty and liability insurance; repairs and maintenance; snow removal; cleaning; repair and maintenance of

grounds; service or management contracts; landscaping expenses; any other items listed as “Operating Expenses” elsewhere in this Lease; and the cost of capital improvements made to the Property which are (a) required under any governmental law or regulation that was not required of the Property at the time this Lease was executed or (b) installed to improve the operating efficiency of any system within the Property with the good faith intent to reduce Operating Expenses (the said items described in (a) and (b) being defined herein as “**Permitted Capital Improvements**”), provided that such Permitted Capital Improvements shall be amortized over their useful lives as reasonably determined by Landlord and agreed to by School.

(ii) It is anticipated that all Operating Expenses will be paid directly by School and that Landlord will not pay any such Operating Expenses; however, if during the Lease Term Landlord does pay any such Operating Expenses, School will reimburse Landlord within thirty (30) days of written demand, which demand shall include all information necessary to fully explain the Operating Expenses paid by Landlord for which reimbursement is sought.

B. Real Estate Taxes.

(i) It is the intent of the parties that the Property shall be used for public charter school purposes, and therefore, the Property may be exempted from the payment of Real Estate Taxes as may be assessed or levied pursuant to state and/or local law. Landlord shall file an application with the appropriate governmental authority to seek such exemption and shall notify school of such application. In the event such exemption is denied for any reason, School agrees to promptly cooperate with Landlord, in connection with the application and any hearings or other process seeking such exemption. Also in the event that such exemption is denied or the Property is otherwise subject to Real Estate Taxes, School covenants and agrees to pay the Real Estate Taxes levied against the Property in accordance with the terms and provisions set forth below; provided, however, that in the event School does not pay the Real Estate Taxes when due, Landlord or its assignee may pay such Real Estate Taxes and the amount paid shall be included as Additional Rent.

(ii) For purposes of this Lease, “**Real Estate Taxes**” shall mean all taxes, rates and assessments, general and special and including also any increases in tax rate and/or in assessed valuation, which are now or at any time(s) hereafter levied, assessed or imposed with respect to the Property, or measured by the gross rentals payable under this Lease; and including without limitation real estate taxes, all personal property taxes applicable to the Property, and assessments of any and every kind and nature whatsoever, and all unincorporated and other business license and/or franchise taxes, and any levies which may at any time be imposed and/or collected by any governmental, quasi-governmental or corporate entity. Real Estate Taxes shall also include all of the costs (including, without limitation, attorneys’ fees) incurred by Landlord to sustain an existing exemption or assessment, reduce a proposed increase in assessment or (with the exception of the application referred to in Subsection 4.B(i), above) in an attempt to obtain an exemption. If the system of real estate taxation shall be altered or varied and any new tax or levy shall be levied or imposed on the Property and/or on any other elements thereof and/or on Landlord, in addition to or in substitution for real estate taxes and/or personal property taxes levied on immovables,

including, without limitation, taxes on rents, then in any such event any such new tax or levy shall be included as "Real Estate Taxes" for purposes of this Lease. If Real Estate Taxes are reduced by, or credited with, any abatement or exemption issued by a taxing authority to help finance or reimburse Landlord for costs incurred and actually paid by Landlord to comply with laws or otherwise, then Real Estate Taxes hereunder shall be computed without regard to such abatement or exemption. School further agrees to pay all taxes imposed during the Lease Term upon or against School, or against School's income or interest in this Lease, or against personal property of any kind owned or leased by School or placed in, upon or about the Property by School, including any penalty and interest assessed thereon in the event of late payment. In the event that the taxing authority includes or calculates, in the over-all taxes to be paid by Landlord, the value of improvements or betterments made or installed by School on the Property, or machinery, equipment, fixtures or other assets of School, then School also shall pay when due all taxes to the extent applicable to such items.

C. CSDC Fee.

CSDC shall earn a Fee of five percent (5%) of the Total Project Cost. The Fee shall be deemed earned and shall be payable by School on Landlord's Closing on the acquisition of the Property. School has elected to have the Fee financed as part of the Total Project Cost. Effective on the commencement of the Third Lease Year and each Lease Year thereafter the Base Annual Rent shall be increased by the amount of two percent (2.00%) of the adjusted Base Annual Rent for the preceding Lease Year. This annual increase shall continue in full force and effect during the Lease Term until the Fee has been paid in full. The annual two percent increase shall represent the School's payment toward the total amount of the Fee still owed by the School. Tenant shall incur no prepayment penalties related to the CSDC Fee. Any unpaid portion of the Fee shall be due and payable on the date on which the School exercises its Purchase Option in accordance with the terms set forth in Section 23.B., or the Lease terminates, whether by early termination or by expiration of the Lease Term.

D. Capital Improvement Reserve. Tenant shall fund a Capital Improvement Reserve fund to be held by Landlord for the maintenance, repair and replacement of the roofs, structural portions and building systems listed in Section 4A. Tenant shall make a payment of \$6,250 each month beginning on the Lease Commencement Date and continuing until that balance of the Capital Improvement Reserve fund reaches \$225,000 and such monthly payments shall resume if at any time the balance in the Capital Improvement Reserve Fund falls below \$225,000. Tenant may make draws upon the Capital Improvement Reserve fund by submitting a written request to Landlord describing the repairs/improvements needed, the cost or the improvements, and the timeline of the repairs. If approved by Landlord in its sole discretion, Landlord shall disburse the approved funds upon submission of receipts by Tenant to Landlord. Landlord may also, in its sole discretion, debit funds from the Capital Improvement Reserve fund to pay any amounts owed to Landlord under Section 4. A., above. In the event a needed repair/improvement project is mutually agreed by Tenant and Landlord as required which exceeds the existing balance of the Capital Improvement Reserve at the time of the project's identification (hereinafter "Qualifying Excess Project"), Landlord shall fund the excess costs of the Qualifying Excess Project that are above the

remaining balance of the Capital Improvement Reserve. Any excess costs paid by Landlord toward a Qualifying Excess Project shall be repaid by Tenant at a then to be determined interest rate and over a 36-month amortization schedule. Any such agreement between the parties shall be separately documented as a legally structured financing for a charter public school in Michigan. Landlord shall have no obligation to fund excess costs of a Qualifying Excess Project if Tenant has not fulfilled its Capital Improvement Reserve payment obligations at the time a Qualifying Excess Project is identified. The sum of any payments repaid by Tenant to Landlord toward any Qualifying Excess Projects under this Section shall be deducted from a calculation of the Purchase Option Price in Section 23(B)(b). Any amount remaining in the Capital Improvement Fund at the termination of the Lease shall be first applied to any amounts outstanding and due to Landlord, and any remaining funds shall be disbursed to Tenant.

5. USE OF PREMISES.

A. Unless and until the School exercises its Option to Purchase, School covenants and agrees to use the Property only (i) for the operation of a public charter school, infant through pre-kindergarten childcare, summer school, parent workshops and related administrative uses, and before and after school care (including the use or leasing of residential structures by or to anyone involved in the operation of the public charter school on the Property); and (ii) for educational purposes ancillary or complementary to the operation of the Property as a public charter school (collectively, the “**Permitted Use**”), and for no other purpose whatsoever. Tenant shall not use the Property for any purpose in violation of any law, municipal ordinance, or regulation, nor shall the Tenant perform any acts or carry on any practices which may injure the Property or the building on which the Property are located. It is expressly recognized that adult activities shall not be conducted during normal school hours on the Property, with the exception of customary parent-teacher conferences, parent-teacher association or board meetings and other school-related parent participation activities. It is expressly recognized that operation of a school may include sports, dances, concerts, and other special events, or community events or activities, depending on space availability.

B. Throughout the Lease Term, School shall maintain and renew its charter, and, as requested by Landlord from time to time, shall provide Landlord with written evidence, in form and content reasonably satisfactory to Landlord, that School’s charter to operate its public charter school remains in full force and effect and that School continues to be in compliance with all applicable laws and requirements of each authority relating to the ownership, funding and operation of charter schools generally and School further covenants and agrees that it will perform and comply with all applicable laws, regulations, terms, conditions and agreements necessary to maintain its Charter School (as such term is defined in Exhibit D attached hereto and made a part hereof) status, and its continued eligibility to receive all public funding for which it, as a public charter school in good standing, is entitled. School further covenants and agrees not to perform any act or enter into any agreement that (i) shall cause any revocation or adverse modification of or otherwise jeopardize School’s charter to operate a public charter school; (ii) shall adversely affect the funding and operation of School as a public charter school in accordance with all laws, regulations and requirements applicable thereto; (iii) would threaten or not permit School to

continue to receive public funding; or (iv) would or could result in the curtailment of or ban on student enrollment and/or participation in School's school programs.

If the Tenant's charter issued by the Central Michigan University Board of Trustees is revoked, terminated or a new charter contract is not issued to the Tenant after expiration, Tenant shall have the right to terminate this Lease on written notice to Landlord, without penalty for early termination. However, if the Tenant (i) elects to terminate or not renew its charter during the term of the Lease, or (ii) Tenant is required to undergo a reconstitution pursuant to Section 507 of the Code, MCL 380.507, and the Charter Contract, and such closure of an Academy site or reconstitution causes an amendment to or termination of this Lease Agreement, Tenant may be subject to default under this Lease and may be held liable for Landlord's damages as set forth herein. In no event shall the Landlord have any recourse against the Authorizer for implementing such site closure or reconstitution. Such termination shall not limit any recourse the Landlord has against the Tenant as it relates to Tenant's obligations under this Lease accruing prior to the date of termination. Notwithstanding the foregoing, Tenant shall be required to seek timely renewal of its charter and to use reasonable efforts to maintain its charter in good standing.

Neither Landlord nor School shall perform any act or enter into any agreement that shall cause the revocation, or any adverse modification of its status, if such status is achieved, as an organization described in Section 501(c)(3) or (4) of the Internal Revenue Code, or carry on or permit to be carried on any trade or business, the conduct of which is not substantially related to the exercise or performance by Landlord or School, as applicable, of the purposes or functions constituting the basis for its exemption under Section 501(c)(3) or (4) of the Internal Revenue Code if such trade or business would result in the loss of Landlord's or School's exempt status, if such status is achieved, under Section 501(c)(3) or (4) of the Internal Revenue Code.

C. School agrees to comply with the rules and regulations listed under Exhibit E, attached hereto and made a part hereof.

6. UTILITIES AND SERVICES AND ALTERATIONS.

A. Utilities and Services. Landlord and School shall endeavor to have all utilities provided to the Property in School's name and with School responsible for all costs for the utilities. If this is not commercially feasible, Landlord, at School's sole cost and expense, shall furnish water, heat, air conditioning, gas, and electricity required for the use and occupancy of the Property at the actual cost charged by the utility providers. School shall be responsible for the normal and routine maintenance of the Property including janitorial services which shall also be the sole responsibility of School. In the event any governmental entity imposes mandatory or voluntary controls or guidelines on Landlord, the Property or the Building or any part thereof, relating to the use or conservation of energy, water, gas, oil and electricity, or in the event Landlord is required to make alterations to the Property or the Building in order to comply with mandatory or voluntary controls or guidelines, Landlord may, in its sole discretion, comply with such mandatory or voluntary controls or guidelines or make such alterations to the Property or the Building. Such

compliance in the making of such alterations shall in no event entitle School to any damages, release School of the obligation to pay the full Rent due hereunder or constitute a constructive or other eviction of School.

B. Maintenance and Security by School. School agrees at all times, at its own expense, to maintain the Property in a safe, neat, clean and sanitary condition, and in compliance with all applicable governmental laws, codes, orders, rules, regulations and requirements and all insurance regulations. School agrees that it shall be solely responsible to provide, at its sole cost and expense, to the extent such costs and expenses have not otherwise been assessed by Landlord as “Operating Expenses” or otherwise, all customary, daily janitorial/custodial services and security services.

7. ALTERATIONS, IMPROVEMENTS AND FIXTURES

A. School shall neither make nor allow any alterations, additions or improvements to the Property or any part thereof, including those that will or may affect the structure, the mechanical, electrical, plumbing or HVAC systems of the Building or any other improvements on the Property, without the prior written consent of Landlord, which consent shall not be unreasonably withheld, delayed or conditioned. All of such alterations, additions or improvements, structural or otherwise, must conform to all requirements of any and all applicable laws, codes and regulations, including any municipal laws or local ordinances. Notwithstanding anything in this Section 7 to the contrary, School may make non-structural alterations the cost of which on a per project basis does not exceed Fifty Thousand Dollars (\$50,000.00) without obtaining Landlord’s prior written consent.

B. If Landlord gives consent as specified in Subsection 7.A. above, Landlord may impose, as a condition to such consent, such requirements as Landlord, in its reasonable discretion, may deem necessary or desirable, including without limitation, the right to approve the plans and specifications for any work and the right to impose requirements as to the manner in which or the time or times at which work may be performed. If Tenant contracts for construction related work as specified in Subsection 7.A, it shall comply with Sections 1267 and 1274 of the Code.

C. Except for liens securing the Financing, each party shall keep the Property free from any liens, including, without limitation, those arising out of any work performed on, or materials furnished to, the Property, or arising from any other obligation incurred by the party. In no event shall one party be deemed to be the agent of the other party and no contractor of either party shall by virtue of its contract be entitled to assert any mechanic’s lien against the Property. If any mechanic’s or materialmen’s lien is filed against the Property, for work claimed to have been done for or materials claimed to have been furnished to either party, such lien shall be discharged by the party against whom it was filed within twenty (20) days thereafter, at the party’s sole cost and expense, by the payment thereof or by filing any bond or commencing any contest required by law to prevent enforcement of such lien. If the party responsible for such lien shall fail to discharge any such mechanic’s or materialman’s lien, the party shall automatically be in default and the other party may, at its option, discharge or adjust the next installment of Rent as appropriate; it being expressly covenanted and agreed that such discharge by one party shall not be deemed to waive or

release the default of the other party in not discharging the same. To the extent permitted by law and without waiving any applicable governmental immunities, each party shall indemnify and hold harmless the other party and the Property, from all expenses, liens, claims, actions or damages to person or property in connection with any such lien or the performance of such work or the furnishing of such materials. Each party shall be obligated to, and each party reserves the right to, post and maintain on the Property at any time such notices as shall, in the reasonable judgment of the party, be necessary to protect the party against liability for all such liens or actions.

D. Any alterations, additions or improvements of any kind to the Property or any part thereof, including the Building, except School's furniture and trade fixtures, shall at once become part of the realty and belong to Landlord and shall be surrendered with the Property, as a part thereof, at the end of the Lease Term; provided, however, that Landlord may, by written notice to School prior to issuance of Landlord's original consent to any alteration, addition, fixture or other improvement, require School to remove any alterations, additions, fixtures or other improvements made by School, and to repair any damage to the Property caused by such removal, all at School's sole expense.

E. Any article of personal property, including business and trade fixtures, which were installed by School at its sole expense, shall be and remain the property of School and may be removed by School at any time during the Lease Term provided that School repairs any damage to the Property caused by such removal.

8. INSURANCE AND INDEMNITY.

A. No Liability. Landlord shall not be liable to School, its students, employees, agents, contractors, business invitees, licensees, customers, clients, family members or guests, and School, on its own behalf and on behalf of the classes of people identified in this sentence, hereby waives all claims against Landlord for any entry into the Property, or for any damage, compensation or claim to or by any person or property in or about the Property or the approaches, entrances, streets, sidewalks or corridors thereto, by or from any cause whatsoever, including without limitation, damage caused by any defect in the Building, or by water leakage of any character from the roof, walls, basement or other portion of the Building, or caused by gas, fire, oil, electricity or any cause whatsoever in, on, or about the Property or any part thereof, unless any of the foregoing is caused by the negligence or willful misconduct of Landlord, its agents, employees, contractors or representatives. School shall promptly notify Landlord of any defective condition material in nature in or about the Property that requires immediate attention. Landlord shall not be liable, and School hereby waives all claims, for damages that may be caused by Landlord in reentering and taking possession of the Property as herein provided, unless such damages are caused by Landlord's gross negligence or willful misconduct.

B. School's Indemnity. To the extent permitted by law and without waiving any governmental immunities, School agrees, except to the extent of any injury or damage resulting from the negligence or intentional acts of Landlord, its agents, employees, contractors or representatives, to indemnify, defend with counsel acceptable to Landlord, and hold Landlord and

its agents harmless from and against any and all cost, damage, claim, liability or expense (including reasonable attorney's fees) incurred by or claimed against Landlord, for any injury or damage to any person or property whatsoever, occurring in, on or about the Property or any part thereof, or occurring in, on or about the Building or any facilities thereof (including, without limitation, lobbies, elevators, stairways, passageways or hallways), when such entry or damage shall be caused in part or in whole by the gross negligence, fault, act or omission of any duty with respect to the same by School, its students, employees, agents, contractors, business invitees, licensees, customers, clients, family members and guests. Any cost, damage, claim, liability or expense incurred by Landlord for which School is obligated to reimburse Landlord hereunder shall be deemed Additional Rent.

C. School Insurance. School shall maintain in effect at all times, or require that it's Educational Management Organization ("EMO") maintain in effect at all times during the Lease Term, the following insurance coverage:

(i) Liability Insurance. Commercial general liability insurance insuring School against liability for bodily injury, property damage (including loss of use of property) and personal injury at the Property. Such insurance shall name Landlord, and Landlord's agent and lender(s) as additional insured. The initial amount of such insurance shall be \$1,000,000.00 per occurrence, \$3,000,000.00 in the aggregate. The liability insurance obtained by School under this Subsection 8.C. shall be primary. The amount and coverage of such insurance shall not limit School's liability nor relieve School of any other obligation under this Lease. School shall take all necessary actions to bind all activities on the Property to the insurance coverage.

(ii) Workers' Compensation Insurance. Workers' Compensation Insurance (including Employers' Liability Insurance) in the statutory amount covering all employees of School employed or providing services at the Property, providing such benefits as are required by the State of Michigan.

(iii) Automobile Liability Insurance. Liability insurance, including but not limited to passenger liability on all owned, and hired vehicles used in connection with the Property, if the School owns any, with a combined single limit per occurrence of not less than \$1,000,000 per vehicle for injuries or death of one or more persons or loss or damage to property.

(iv) Personal Property Insurance. Personal Property Insurance covering School's leasehold improvements, School's personal property and trade fixtures from time to time in, on, or at the Property, in an amount not less than 100% of the full replacement cost, without deduction for depreciation, providing protection against events protected under "All Risk Coverage," as well as against sprinkler damage, vandalism, and malicious mischief. Any proceeds from the Personal Property Insurance shall be used for the repair or replacement of the property damaged or destroyed, unless this Lease is terminated under an applicable provision herein.

D. General Insurance Provisions.

(i) Any insurance that School shall be required to maintain under this Lease, shall include a provision which requires the insurance carrier to give notice to all certificate holders (which shall include Landlord and Landlord's lender(s) as applicable) in accordance with policy provisions prior to any cancellation or material modification of such coverage. If any insurance company refuses to provide the required notice, School or its insurance broker shall notify Landlord of any cancellation or non-renewal of any insurance within seven (7) days of receipt of insurers' notification to that effect.

(ii) Prior to the earlier of School's entry into the Property or the Lease Commencement Date, School shall deliver to Landlord an insurance company certificate that School has obtained the insurance coverages required herein and, throughout the Lease Term, not less than thirty (30) days prior to the expiration or termination of any insurance, School shall deliver to Landlord renewal certificates therefor. If School shall fail to deliver any certificates or renewal certificates to Landlord or if any such policy shall be canceled or modified in a manner materially adverse to Landlord during the Lease Term without Landlord's written consent, Landlord may, after ten (10) days written notice to School and School's failure to cure the same, obtain such insurance, in which case School shall reimburse Landlord, as Additional Rent, for the cost of procuring such insurance within ten (10) days after receipt of a statement of the cost of such insurance.

(iii) School shall maintain all insurance required under this Lease with a company or companies having a General Policy Rating of A-VI or better, set forth in the most current issue of the Best Key Rating Guide. Landlord and School, on behalf of themselves and their insurers, each hereby waive any and all rights of recovery against the other, or against the members, officers, partners, employees, agents or representatives of the other, for loss of or damage to its property or the property of others under its control, if such loss or damage shall be covered by any insurance policy in force (whether or not described in this Lease) at the time of such loss or damage. All property insurance carried by either party shall contain a waiver of subrogation against the other party to the extent such right shall have been waived by the insured prior to the occurrence of loss or injury.

E. Landlord Insurance. During the Lease Term, Landlord shall insure the Building (excluding, however, any property that School is obligated to insure under Section 8(C)(iv) above) against damage with All-Risk insurance Commercial General Liability insurance, all in such amounts and with such deductibles as Landlord reasonably considers appropriate or as required by any mortgagee of Landlord. Landlord may, but shall not be obligated to, obtain and carry any other form or forms of insurance as it or Landlord's mortgagees may reasonably determine advisable including, without limitation, rent loss insurance and insurance against hazardous materials. All premiums for the insurance policies provided in this Section 8 shall be deemed an Operating Expense of the Property and shall be paid by School in accordance with the provisions of Section 4 above to the extent such insurance costs relate to the Property leased hereunder by School. Notwithstanding any contribution by School to the cost of insurance premiums, as provided herein, School acknowledges that it has no right to receive any proceeds from any insurance policies carried by Landlord.

9. ASSIGNMENT AND SUBLETTING.

A. Except as provided herein, School shall not sublease, assign, mortgage, pledge, hypothecate or otherwise encumber this Lease or its leasehold interest in the Property in whole or in part, nor sublet the Property in whole or in part, without Landlord's prior written consent, which consent may not be unreasonably withheld, conditioned or delayed provided the use of the Property is consistent with Section 5. No consent of Landlord to any assignment, subletting or mortgaging by School shall waive the necessity for Landlord's prior written consent to any further assignment or subletting; and the terms and conditions of any consents thereto (if given) by Landlord shall bind School, its mortgagees, assignees and sub-lessees. School may assign this lease to a to-be-formed entity who will hold the charter and operate the school, but such assignment is subject to certain terms and conditions to be imposed by Landlord.

B. No assignment or subletting, nor any consent thereto by Landlord, shall (i) result in a change in the use of the Property from the Permitted Use specified in Section 5, (ii) terminate or reduce any liability of School under this Lease unless consented to by Landlord in writing, nor (iii) be deemed to waive the necessity of obtaining Landlord's prior written consent to any further assignment or subletting.

C. Any assignment or subletting shall be made subject to all terms and provisions of this Lease, and shall not extinguish or reduce any of Landlord's or School's obligations under this Lease, including without limitation the obligation of Landlord to provide to any permitted assignee or sublessee the services of Landlord required hereunder.

D. School shall pledge and collaterally assign to Landlord, rents or other payments received from any sublessee up to the amount of Rent due Landlord under this Lease. School shall also collaterally assign to Landlord any such sublease to permit Landlord to collect rent under such sublease upon the occurrence of an Event of Default hereunder.

10. SUBORDINATION.

Subject to the provisions of this Section, this Lease and all rights of School hereunder shall be subject and subordinate to the mortgages securing the Financing, and to any and all renewals, modifications, consolidations, replacements and extensions thereof. Notwithstanding the foregoing, School's obligation to subordinate its interest in the Property to the mortgages securing the Financing is expressly conditioned upon such holder's execution of a mutually acceptable subordination, non-disturbance and attornment agreement ("**SNDA**") pursuant to which such holder agrees not to disturb, impair or extinguish School's possession or School's Purchase Option upon such holder's acquiring title to the Property so long as School is not then in default under this Lease beyond all applicable cure periods, and agrees to attorn to such holder following such acquisition of title. Landlord shall deliver to School mutually acceptable SNDAs for the mortgages securing the Financing before the Lease Commencement Date. Notwithstanding the subordination of this Lease as aforesaid, any future mortgagee under any mortgage replacing (but not increasing)

the Financing may, by giving School written notice thereof, require that School enter into a new SNDA for the benefit of such new lender, the terms of which shall be substantially similar to the SNDA entered into with the existing Financing lender. Subject to the terms of the SNDA, School covenants and agrees, in the event of foreclosure of any such mortgage or deed of trust, to attorn to the purchaser upon such foreclosure sale and to recognize such purchaser as the landlord under this Lease. School agrees to execute in recordable form and deliver, at any time and from time to time, within twenty (20) days after request of Landlord or the holder of the Financing or any replacements thereof, any instrument which, in the reasonable judgment of Landlord, or the Financing lenders or any replacement lenders under the Financing, may be necessary or appropriate in any such foreclosure proceedings or otherwise to evidence such attornment. School further waives the provisions of any statute or rule of law, now or hereafter in force, which may give or purport to give School any right or election to terminate or otherwise adversely affect this Lease, and the obligations of School hereunder, as a result of any such foreclosure. Any mortgagee or purchaser at foreclosure, who requests such attornment shall not (a) be bound by any prepayment of Base Rent for more than thirty (30) days in advance of the due date of such Base Rent or which School might have paid for more than the current month to any prior lessor (including Landlord), so that Base Rent shall be payable after such deed of trust or mortgage foreclosure or termination of the ground or underlying lease, as the case may be, in case of a requested attornment as aforesaid, in accordance with the terms of this Lease as if such prepayment of Base Rent for more than one month in advance had not been made; (b) be bound by any amendment or modification to this Lease or by any waiver or forbearance on the part of any prior lessor (including Landlord) made or given without the prior written consent of Landlord's mortgagees; (c) be liable for any act or omission of any prior lessor (including Landlord); nor (d) be subject to any offsets or defenses which School might have against any prior lessor (including Landlord); and furthermore, Landlord's mortgagees shall be discharged of any responsibility hereunder to School which may have arisen (by reason of the mortgagee becoming a mortgagee in possession, a lessor or otherwise) after such mortgagee disposed of its interest in the Property. School hereby agrees not to look to Landlord's mortgagees, as mortgagees, mortgagees in possession, or successors in title to the Property or to any leasehold interest in the Real Property for accountability for any security deposit required or held by Landlord hereunder, unless and to the extent that such sums have actually been received by said mortgagees as security for School's performance of or under this Lease.

11. EMINENT DOMAIN.

School agrees that if the Property, or any part thereof, shall be taken, condemned or acquired for public or quasi-public use or purpose by any competent public or quasi-public authority (the "**Taking Authority**"), whether by condemnation proceedings, lease or purchase (collectively and individually a "taking"), then Landlord and School shall share the value of any recovery according to the value of their respective property interests as such interests existed on the date of the taking. If all or a substantial part of the Property be so taken or acquired, the term of this Lease shall, at Landlord's or School's option, cease and terminate from the date on which title to the Property vests in the Taking Authority. If this Lease is terminated under this Section 11, then all Rent and other sums payable by School hereunder shall be adjusted and paid by School

to Landlord at the later to occur of (a) the date School vacates the Property in compliance with this Lease, or (b) the date on which title to the Property vests in the Taking Authority. For purposes hereof, a substantial part of the Property shall be deemed to have been taken if, in Landlord's and School's reasonable judgment, the remainder of the Property not so taken is not reasonably usable or is not reasonably and economically repairable. If less than a substantial part of the Property is taken (a "**partial taking**"), then this Lease shall remain in force as regards the portion of the Property not so taken. In the event of such partial taking, and if neither party elects to terminate this Lease in such circumstances, Base Rent shall abate if, and so long as School is unable to use and occupy the Property during the course of repairs thereof, such abatement to be in proportion to the rentable area of the Property rendered unusable by School for the purposes herein permitted until Landlord has substantially completed the restoration work it elects to perform. In such event, Landlord shall, at its own expense (provided that this Lease has not been terminated hereunder and that Landlord receives sufficient funds from the Taking Authority to pay therefor), restore the remaining portion of the Property (excluding School's fixtures, furnishings, equipment, alterations and leasehold improvements, collectively herein called "**School's Restoration Work**," all of which School's Restoration Work shall be repaired and restored by School at its own expense in conformity with the applicable terms of this Lease) to the extent reasonably feasible to render such remainder reasonably suitable for the purposes for which they are leased hereunder; and Landlord shall make such repairs (if any) to the remainder of the Property as may be reasonably necessary to enable School to operate the Property for the Permitted Use and to resume occupancy. School shall fully cooperate with Landlord in all such efforts, and School will not commence or perform School's Restoration Work until Landlord has completed its work (unless otherwise permitted by Landlord). However, School may at its option and discretion terminate this Lease, with Rent adjusted to the date of termination, if any partial taking involving at least thirty-five percent (35%) of the Property occurs or if the partial taking involves a lesser amount of the Property and School can no longer conduct business operations at the Property in a manner similar to that conducted by School prior to any such partial taking. Nothing herein contained shall preclude School (provided it is not in default under this Lease nor subject to any Events of Bankruptcy (as hereinafter defined)) from prosecuting, at its own expense claims directly against the Taking Authority for loss of business, damage to, cost of removal of, or for the value of, trade fixtures, furniture, equipment and other personal property belonging to School. If this Lease is terminated pursuant to this Section 11, then School agrees to vacate the Property in accordance with this Lease within thirty (30) days after such termination is effective.

12. WAIVER OF CLAIMS AND SUBROGATION.

Anything herein contained to the contrary notwithstanding, Landlord and School do each hereby release the other from any and all claims of liability for any loss or damage to their respective properties caused by fire or any of the other casualties covered by the risks included in extended coverage insurance to the extent of insurance proceeds received. This limited mutual release is given notwithstanding that such fire or other casualty shall have resulted from the act, omission or negligence of Landlord or School or their respective agents, employees, licensees or contractors. Landlord and School agree to cause their respective insurance policies covering the Building and/or the Property and contents thereof to contain an appropriate endorsement whereby

the insurer agrees that the insurance policy and coverage will not be invalidated by reason of the foregoing waiver of the right of recovery against Landlord or School, respectively, for loss occurring to the properties covered by such policies, and whereby such insurers also waive any right of subrogation against Landlord and School (as the case may be). Each party will, upon request, deliver to the other a certificate evidencing such waiver of subrogation by the insurer. However, the provisions of this Section 12 shall not be operative during any period of time when such “waiver of subrogation” feature is not available from insurance companies licensed to do business in the State of Michigan at nominal cost or no cost.

13. DAMAGE BY FIRE OR CASUALTY.

If the Property shall at any time during the Lease Term be partially damaged by fire or other casualty, Landlord shall (except as otherwise herein provided) promptly repair and restore the portions of the Property damaged by such casualty (the “**Landlord Repairs**”), but excluding any School’s Restoration Work, to substantially the condition thereof that existed promptly prior to the occurrence of such damage (subject to delays necessitated by time needed to adjust, settle and compromise insurance claims and to obtain governmental licenses and permits for such work, and subject to the other conditions contained in this paragraph). However, if the Landlord Repairs are so extensive that the costs of repair exceed the insurance proceeds available to Landlord to pay for the restoration and repairs inclusive of any deductible, Landlord, at its option and exclusive discretion, shall have the right to terminate this Lease by giving School written notice to that effect within forty-five (45) days following such casualty, unless School either elects to purchase the Property pursuant to the Purchase Option or to make the needed repairs at its expense. In addition, in the event Landlord does not notify School in writing within such forty-five (45) day period that the Landlord Repairs will be completed within one hundred eighty (180) days following such casualty, School at its option and exclusive discretion, may terminate this Lease by giving Landlord written notice of such termination. In the event of any such partial damage or total destruction of the Building, the Base Rent and all Additional Rent shall be abated from the date of the damage until the date Landlord substantially completes the Landlord Repairs (excluding any School’s Restoration Work, the same to be repaired by and solely at the expense of School upon Landlord’s notification to School that the Landlord Repairs have been substantially completed); such Base Rent and Additional Rent abatement to be in proportion to the area of the Property rendered unusable by School for the purposes herein permitted during the period of such usability. However, if the Building is partially damaged by fire or other casualty to such extent that School is unable to conduct the Permitted Use therein, then during the course and until substantial completion of the Landlord Repairs, all Base Rent and Additional Rent payable hereunder shall abate on a pro rata basis for the portion of the Building that School is unable to use. In no event shall Landlord be obligated to perform or pay for or provide any repairs or replacements of School’s trade fixtures or equipment or any other School’s Restoration Work; it being agreed that School, at its own expense, shall perform all such repairs and replacements, whether necessitated by casualty damage or otherwise. Further, in no event shall Landlord be obligated to expend any sums in excess of the insurance proceeds (inclusive of any deductible) made available to Landlord on account of the fire or casualty for the purpose of such restoration. School and School Parties (as defined in Section 27(A) below) will not interfere with, delay or alter any Landlord Repairs; it

being agreed that there shall be no Base Rent or Additional Rent abatement during any period while any violation of this provision delays Landlord Repairs. If this Lease is terminated by Landlord pursuant to this Section 13, and provided that School does not elect to exercise its Purchase Option or to make the necessary improvements itself, then School agrees to vacate the Property in accordance with this Lease within thirty (30) days after the date such termination is effective. In the event that School either elects to exercise its Purchase Option or to make the necessary repairs, then, to the extent permitted to do so under the Financing documents, Landlord shall assign to School all insurance proceeds that may cover the losses resulting from the casualty.

14. LOSSES OR DAMAGE TO PROPERTY.

All personal property and other equipment and items of any kind belonging to School or School Parties located in or about the Property, shall be there at the sole risk of School, and in no event shall Landlord have any liability for any loss, damage or theft thereof from any cause whatsoever (to the extent permitted by law and without waiving any governmental immunities, School hereby indemnifying Landlord against any and all suits, actions and claims in regard thereto) unless the same is occasioned by the gross negligence or intentional act of Landlord, its agents, employees, contractors or representatives.

15. COMPLIANCE WITH GOVERNMENTAL ORDERS.

School shall, at its own expense, at all times during the term of this Lease and any Renewal Terms or holdover terms or while School is occupying all or any part of the Property, fully, properly and promptly cause its use of the Property to comply with and abide by all laws, orders, ordinances, rules, regulations and requirements, as the same now exist or as the same may hereafter be enacted, amended or promulgated, of any Federal, State of Michigan, or County of Wayne, or City of Harper Woods authority, and/or any department or agency thereof, and of the Board of Fire Underwriters, or any similar organization having jurisdiction thereof, and all insurance regulations, relating to the Property and/or School's specific use and occupancy of the Property or to the operation of the public charter school at the Property (collectively herein referred to as "**Laws**"). Subsequent to the completion of the Landlord Work, at all times while this Lease is in force, School, at its own expense, will obtain and keep in force and display on the Property all certificates of use and occupancy, and other governmental permits, licenses and authorizations required for the Property and School's business, use and occupancy thereof and thereat, and School will provide Landlord copies of said certificates, licenses and permits within ten (10) days after Landlord's written request. Following completion of the Landlord Work, School, at its own expense, agrees to promptly comply with all federal, state, county and municipal laws now or hereafter in force involving handicapped persons and means of access for such persons and facilities for their use that involve their use of the Property or affect the use or occupancy of or the conduct of business in or at the Property. Landlord shall, at its own expense, ensure that the entire Property as of the date School first occupies any or all of the Property, fully, properly and promptly complies with the Certificate of Completion and abides by all Laws of any Federal, State, or County of Wayne, or City of Harper Woods authority and/or any department or agency thereof,

including but not limited to any Laws pertaining to Hazardous Materials, environmental concerns, or disability access.

16. BANKRUPTCY.

A. Events of Bankruptcy. For purposes of this Lease, the following shall be deemed “**Events of Bankruptcy**” of School: (i) if School becomes “insolvent”, as defined in Title 11 of the United States Code, entitled “Bankruptcy”, 11 U.S.C. Section 101 et. seq., as amended from time to time (the “**Bankruptcy Code**”), or under the insolvency laws of any state, district, commonwealth or territory of the United States of America (“**Insolvency Laws**”); (ii) if a receiver or custodian is appointed for any or all of School’s property or assets, or if there is instituted a foreclosure action on any of School’s property; (iii) if School files a voluntary petition under the Bankruptcy Code or Insolvency Laws; (iv) if there is filed an involuntary petition against School as the subject debtor under the Bankruptcy Code or Insolvency Laws that is not dismissed within sixty (60) days of filing, or results in issuance of an order for relief against the debtor; or (v) if School makes or consents to an assignment of its assets, in whole or in part, for the benefit of creditors, or a common law composition of creditors. Notwithstanding anything in this Section 16 to the contrary, the terms and provisions of this Section 16 shall be subject to the provisions of the Bankruptcy Code as then in force.

B. Landlord’s Option to Terminate Lease. Upon the occurrence of an Event of Bankruptcy, or if School takes advantage of any Insolvency Laws, Landlord, at its option and sole discretion, may terminate this Lease by written notice to School (subject, however, to applicable provisions of the Bankruptcy Code or Insolvency Laws during the pendency of any action thereunder involving School as the subject debtor). If this Lease is terminated under this Subsection, School shall promptly surrender and vacate the Property, waives all statutory and other notice to quit, and agrees that Landlord’s obligations under this Lease shall cease from such termination date, and Landlord may recover possession by process of law or in any other lawful manner. Furthermore, if this Lease is terminated under this Subsection, Landlord shall have all rights and remedies against School provided in case of the default of School in payment of Rent (subject, however, to applicable provisions of the Bankruptcy Code or Insolvency Laws).

C. Assumption of Lease. If School becomes the subject debtor in a case pending under the Bankruptcy Code, Landlord’s right to terminate this Lease under this Section 16 shall be subject to the applicable rights (if any) of the trustee in bankruptcy to assume or reject this Lease as then provided for in the Bankruptcy Code. However, the trustee in bankruptcy must give to Landlord and Landlord must receive proper written notice of the trustee’s assumption or rejection of this Lease within sixty (60) days after the date of the trustee’s appointment or such longer period if any provided by applicable law (the “**Assumption or Rejection Period**”); it being agreed that the failure of the trustee to give notice of such assumption hereof within the Assumption or Rejection Period shall conclusively and irrevocably constitute the trustee’s rejection of this Lease and waiver of any rights of the trustee to assume or assign this Lease. The trustee shall not have the right to assume or assign this Lease unless said trustee (i) promptly and fully cures all defaults under this Lease, (ii) promptly and fully compensates Landlord for all monetary damages incurred

as a result of such default, and (iii) provides to Landlord “adequate assurance of future performance” (as defined herein below). Landlord and School hereby agree in advance that “adequate assurance of future performance”, as used in this Subsection, shall mean that all of the following minimum criteria must be met: (a) School shall deliver to Landlord a security deposit in an amount equal to three (3) months’ Base Rent at the rate applicable hereunder, which deposit Landlord may apply toward curing any defaults of School under this Lease, (b) School must pay to Landlord all Rent and other sums payable by School hereunder, including also therein its share (as estimated by Landlord) of the cost of all services (if any) provided by Landlord (whether directly or through agents or contractors, and whether or not the cost of such services is to be passed through to School), in advance of the performance or provision of such services, and (c) School must agree (by writing delivered to Landlord) that the use of the Property as stated in this Lease will remain unchanged. In the event School is unable to (i) cure its defaults, (ii) reimburse Landlord for its monetary damages, (iii) pay the Rent due under this Lease or any other payments required of School under this Lease on time, or (iv) meet the criteria and obligations imposed by (a) through (c) above in this Subsection, then School hereby agrees in advance that School has not met its burden to provide adequate assurance of future performance, and this Lease may be terminated by Landlord in accordance with Section 16(B) hereof.

D. Consent to Lift Stay. In the event that this Lease is terminated by notice and School shall thereafter seek protection under the Bankruptcy Code or any equivalent state Insolvency Laws or regulations, School (if a debtor-in-possession) agrees to consent to any application by Landlord to terminate the automatic stay provisions of the Bankruptcy Code or any Insolvency Laws on the grounds that there is no equity in the Lease as a result of the pre-petition termination notice.

E. Severability. Section 28 A of this Lease is incorporated by reference. Furthermore, in the event that this Section 16, in whole or part thereof, shall be invalid, illegal or unenforceable in any respect under any applicable law, then without need for any further agreement, notice or action, the validity, legality and enforceability of the remaining provisions shall remain effective and binding on the parties thereto and shall not be affected or impaired thereby; the obligation to be fulfilled shall be reduced to the limit of such validity.

17. DEFAULTS AND REMEDIES.

A. The following occurrences shall be deemed an “**Event of Default**” hereunder: if (i) School shall fail to pay the Rent or security deposit, or any installments thereof as aforesaid, at the time the same shall become due and payable although no demand shall have been made for the same or any other sums payable under this Lease when and as due as herein provided, and if such monetary default is not cured by School within seven (7) days after written notice thereof is sent by Landlord to School (or if School commits more than two monetary defaults in any calendar year, and thereafter any additional monetary default occurs in that calendar year, whether or not Landlord has given School notice thereof); (ii) School violates or fails or neglects to keep and perform any of the other covenants, conditions and agreements herein contained on the part of School to be kept and performed, and if such non-monetary default (other than failure to maintain

insurance required of School hereunder) is not cured by School within thirty (30) days after written notice thereof is sent by Landlord to School, as extended for such additional period (not to exceed an additional ninety (90) days) reasonably necessary to cure such default if School acts diligently to do so and to the extent permitted by law holds Landlord harmless from all liability, loss, costs, damage and expense arising from such default and provided such default does not materially jeopardize the value, safety or structural integrity of the Building nor subject Landlord or its agents to any liability or expense; (iii) School fails to keep in force any insurance required of it under this Lease; (iv) the Property shall become abandoned, vacant or deserted, provided however that closure of the school during school breaks or government mandated closures shall not be considered abandonment, vacation or desertion; (v) School fails to remain a public Charter School in good standing under the laws of the State of Michigan or under any other applicable regulation pertaining to School, or if School fails to qualify or remain eligible for public funding provided such change in eligibility or good standing is not due to a change in Michigan law or regulation, and further provided that the same is not cured within thirty (30) days of Landlord's written demand; or (vi) except as permitted under this Lease, the Lease is terminated or expires by its terms prior to the expiration of the Lease Term. In connection with all of the foregoing events, provided School has not duly exercised its Purchase Option prior to Landlord taking possession of the Property, at the sole option and discretion of Landlord (and in addition to and not in limitation of Landlord's right to distrain for rent, and other remedies), this Lease and School's right of possession shall, in accordance with the law, thereupon cease and terminate, and Landlord shall be entitled to the possession of the Property and to re-enter the same and remove all persons and property therefrom, without additional demand of Rent or demand of possession of the Property, and may forthwith proceed to recover possession of the Property by process of law. In the event of such re-entry by process of law, School nevertheless agrees to remain answerable for any and all damage, deficiency or loss of Rent that Landlord may sustain by such re-entry, including reasonable attorney's fees and court costs; and in such case, Landlord reserves the full power, which is hereby acceded to by School, to relet the Property at the risk and expense of School. However, Landlord's rights and School's obligations under this Lease shall not be affected or reduced by Landlord's inability to relet the Property despite using reasonable commercial efforts. In no event shall Landlord be required to accept any prospective lessee submitted by School. Any such reletting shall be only to such party or parties as Landlord may approve in its reasonable discretion. Any such reletting may be of all or any part of the Property and may be for a term or terms less than or greater than the then remaining portion of the term of this Lease, all at Landlord's exclusive discretion. Such relettings shall be on such terms, rental and conditions as Landlord may reasonably determine, and in no event will School have any right to any excess of such net rents collected from re-lettings over the sums payable by School hereunder. Unless stated otherwise in this Lease Agreement, whether or not Landlord elects to terminate this Lease under this Section 16, School shall remain liable for all damages, deficiencies, loss, costs and expenses Landlord may sustain, including without limitation deficiency in rent, reasonable attorneys' fees, court costs, brokerage commissions, and all reasonable expenses incurred in preparing the Property for re-letting (including any necessary alterations, none of which shall be deemed to release School from liability hereunder). In no event shall Landlord be liable for its inability or failure to re-let or to collect rentals under re-lettings, nor shall School be released from liability (nor shall School's obligations and liability under this Lease be reduced in whole or part) by reason thereof. Any

damage or loss of Rent sustained by Landlord may be recovered from School, at Landlord's option, at time of re-letting, or in separate actions as said damages become determinable from re-lettings, or in a single action deferred until expiration of the Lease Term (in which case the cause of action shall not accrue until the expiration of the Lease Term), or in a single action prior to the re-letting or termination or expiration hereof. Nothing herein contained shall prevent Landlord from proving in full damages for Rent accrued prior to the termination hereof and not paid, and from proving under any applicable laws any amounts allowed thereby and recovering such sums. It is further agreed that if, under the provisions hereof, applicable summary process shall be served, and a compromise or settlement thereof shall be made, such compromise or settlement shall not constitute a waiver of any subsequent breach of any covenant, condition or agreement herein contained, and that no waiver by Landlord of any breach of any covenant, condition or agreement herein contained shall be deemed to occur unless and only to the extent that such waiver is in writing signed by Landlord, and no such waiver shall operate as a waiver of the covenant, condition or agreement itself, or of any subsequent breach thereof.

B. In addition to and not in limitation of the other remedies in this Lease provided, in the Event of Default, Landlord shall be entitled to the restraint by injunction of any violation or attempted or threatened violation of any of the terms, covenants, conditions, provisions or agreements of this Lease. Landlord shall take reasonable steps to mitigate damages with respect to an Event of Default.

C. The remedies of Landlord and School provided for in this Lease are cumulative and are not intended to be exclusive of any other remedies to which Landlord or School may be lawfully entitled. The exercise by Landlord or School of any remedy to which it is entitled shall not preclude or hinder the exercise of any other such remedy, nor constitute an election of remedies.

D. A defaulting party agrees to promptly on demand reimburse the other party for any expenses, including but not limited to court costs and reasonable attorneys' fees which the non-defaulting party may incur in enforcing its rights under this Lease, including, but not limited to, the collection of Rent, the securing of possession of the Property and the enforcement of the Purchase Option. In addition, if either party shall incur any charge or expense on behalf of the other party under the terms of this Lease because of such other party's failure to cure any Event of Default or other breach, then such charge or expense shall be repaid within fifteen (15) days after demand therefore.

E. If either party fails to fully, timely and properly pay and perform any covenants, duties, agreements, obligations or requirements that are payable by, imposed upon or otherwise required under any provision of this Lease, then the other party may, after giving at least ten (10) days' prior written notice (except that no notice shall be required in emergencies), make the payment or perform such matters, in which event the responsible party agrees to promptly reimburse the other party upon request all such payments and other costs and expenses incurred, together with interest on such amounts at the current Prime Rate (defined below) plus three percent (3%) per annum from the date the aforesaid expenses are advanced or incurred until repaid in full

by the responsible party. No such sums advanced or work or other actions done or taken by a party shall relieve the other party, to any extent, from its covenants, duties, liabilities or obligations under this Lease, nor be deemed to be a waiver or acquiescence. The “**Prime Rate**” shall mean the “base rate” of interest per annum from time to time published by *The Wall Street Journal*, New York, New York, presently designated as the “Prime Rate” under the category of “Money Rates,” as the same may fluctuate from time to time. In the event that the “Prime Rate” ceases to be published in *The Wall Street Journal*, then the Prime Rate hereunder shall thereafter be the prime rate publicly announced from time to time by CitiBank N.A. or its successor.

F. If Landlord shall fail to timely receive any installment or installments of Rent or any other amounts due and payable under this Lease, and if such failure is not corrected within fourteen (14) days after written notice thereof from Landlord, then School shall pay to Landlord, in addition to the rental or other sums so in default, a “late charge” in an amount equal to two cents (\$0.02) for each one dollar (\$1.00) so in default. Notwithstanding the foregoing, Landlord shall not be required to provide more than two such notices in any twelve month period, and any successive failure of Landlord to timely receive payment in such twelve month period after the second such notice shall entitle Landlord to the aforesaid late charge without the necessity of further notice to School.

G. In the event that Landlord shall default in the performance of any covenant, condition or provision of this Lease, and such default remains uncured beyond any applicable cure period expressly provided herein or thirty (30) days, whichever is longer, from and after the date Landlord receives notice of such default from School (or such longer period (not to exceed an additional ninety (90) days) as may be reasonably required to cure such default with the exercise of due diligence and best efforts so long as Landlord promptly commences and diligently pursues such cure without interruption) (except in the case of emergency, in which case School shall have the immediate right to cure following notice to Landlord), School may, at its option, without waiving any claim for breach of Landlord’s obligations, cure such default for Landlord at Landlord’s expense, and Landlord shall reimburse School upon School’s demand all reasonable costs and expenses incurred by School in curing Landlord’s default. All such sums not reimbursed to School on demand shall accrue interest at the Prime Rate plus three percent (3%) and may be offset by School against Rent and other payments due under this Lease, if not paid within thirty (30) days. School shall have no right to terminate this Lease, however, unless Landlord violates School’s quiet enjoyment of the Property; however, in addition to the above, School may pursue any other legal remedy allowed at law or in equity, including injunctive relief and specific performance.

18. RIGHTS RESERVED BY LANDLORD.

Landlord reserves the right to itself, its agents, contractors and designees, to enter the Property at all reasonable times during normal business hours and at such other times as Landlord deems necessary and at any time in case of emergencies as follows: (i) for the making of inspections or repairs, as Landlord (without being obligated to perform) may deem necessary or desirable or for any other purposes involving the safety, protection or preservation of the Property

or the Building; (ii) during the last six (6) months of the term hereof, to exhibit the Property to prospective tenants; and (iii) at all times during normal business hours, to exhibit the Property to existing lenders or to prospective mortgagees and purchasers. Landlord shall provide School at least two (2) business days' prior written notice of its desire for such access (except that no notice will be required in circumstances believed by Landlord to constitute an emergency). Landlord shall be accompanied by a School representative, to the extent School is able or desires to provide a representative, at all times during any visit to the Property during normal business hours. Landlord, upon ten (10) business days' prior written notice to School, may install and exhibit in or on the exterior of the Building or the Property "For Rent" signs and "Building For Sale" signs during the last six (6) months of the Lease Term, and School will not obstruct or interfere with such signs.

19. SURRENDER CONDITION.

By no later than the expiration or any termination of this Lease (unless the Purchase Option has been exercised by School), School will surrender to Landlord possession of the Property, with all personal property owned by School and any School Parties removed from the Property, and with the Property in good condition, appearance and repair, reasonable wear and tear and damage from casualty and/or condemnation excepted, broom clean, and free of occupants.

20. NOTICES.

All notices required under this Lease shall be given in writing and shall be deemed to be properly served by School if sent by first class certified or registered United States Mail, return receipt requested, postage prepaid, or by national overnight courier service, with delivery charges prepaid, addressed to Landlord at the address where Rent is then payable hereunder, with a copy to Macdonald + Macdonald PC, 181 Harry S. Truman Parkway, Suite 260, Annapolis, MD 21401, Attention: Alan S. Macdonald, Esq. or to such other party and address as Landlord may from time to time designate in writing. Such notices shall be deemed to be properly served by Landlord if sent by first class certified or registered United States Mail, postage prepaid, or by courier service, addressed to School, attention to School Board President, at the Property address set forth on page 1 of this Lease Agreement.

21. NON-WAIVER.

The failure of either party to insist, in any one or more instances, upon a strict performance by the other party of any of the covenants of this Lease, or to exercise any option herein contained, or to serve any notice, or to institute any action or summary proceedings, or otherwise to act as though this Lease had expired pursuant to any of the provisions of this Lease, shall not be construed as a waiver or relinquishment by such party for the present or future of such covenant or option, or right thereafter to serve notice and to have this Lease expire under any provision of this Lease, but such covenant or option shall continue and remain in full force and effect. The receipt by Landlord of Rent, with knowledge of the breach of any covenant hereof, shall not be deemed a waiver of such breach, and no waiver by Landlord of any provision hereof or breach thereof by

School shall be deemed to have been made unless expressed in writing and signed by Landlord. The rights and remedies herein created are cumulative, and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

22. ENTIRE AGREEMENT.

This instrument contains all the agreements made between the parties hereto and is a complete integration of all of such parties' agreements and the parties shall not be bound by any oral or written agreements or correspondence not herein contained. This Lease may not be modified orally or in any other manner than by agreement in writing, signed by all the parties hereto or their respective successors in interest.

23. BINDING EFFECT OF AGREEMENT; SCHOOL'S RIGHT TO ACQUIRE PROPERTY.

B. School shall promptly notify Landlord of (i) any inspection, enforcement, cleanup or other regulatory action taken or threatened by any regulatory authority with respect to any Hazardous Material on or from the Property or the migration thereof from or to other property; (ii)

any demands or claims made or threatened by any party relating to any loss or injury claimed to have resulted from any Hazardous Material on or from the Property; (iii) any release, discharge, spill, leak, disposal or transportation of any Hazardous Material on or from the Property in violation of this Section, and any damage, loss or injury to persons, property or business resulting or claimed to have resulted therefrom; and (iv) any matters where School is required by Law to give a notice to any regulatory authority respecting any Hazardous Materials on or from the Property. C. If any Hazardous Material is released, discharged or disposed of, or permitted to spill or leak by School or School Parties in violation of the foregoing provisions, School shall promptly and properly clean up and remove the Hazardous Materials from the Property and any other affected property and clean or replace any affected personal property (whether or not owned by Landlord) in compliance with applicable Laws and then prevailing industry practices and standards, at School's expense (without limiting Landlord's other remedies therefor). Such clean up and removal work ("**School Remedial Work**") shall be subject to the provisions of Section 6(C) of this Lease, including Landlord's prior written approval (except in emergencies), and any testing, investigation, feasibility and impact studies, and the preparation and implementation of any remedial action plan required by any court or regulatory authority having jurisdiction or reasonably required by Landlord. In connection therewith, School shall provide documentation evidencing that all School Remedial Work or other action required hereunder has been properly and lawfully completed (including a certificate addressed to Landlord from an environmental consultant reasonably acceptable to Landlord, in such detail and form as Landlord may reasonably require).

D. The term "Hazardous Materials" for purposes hereof shall include, but not be limited to: (i) any flammable, explosive, toxic, radioactive, biological, corrosive or otherwise hazardous chemical, substance, liquid, gas, device, form of energy, material or waste or component thereof; (ii) petroleum-based products, diesel fuel, paints, solvents, lead, radioactive materials, cyanide, biohazards, infectious or medical waste and "sharps", printing inks, acids, DDT, pesticides, ammonia compounds, and any other items which now or subsequently are found to have an adverse effect on the environment or the health and safety of persons or animals the release of which is regulated by Law, or the presence of which require investigation or remediation under any Law or governmental policy; and (iii) any item defined as a "hazardous substance", "hazardous material", "hazardous waste", "regulated substance" or "toxic substance" under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. §9601, et seq., Hazardous Materials Transportation Act, 49 U.S.C. §1801, et seq., Resource Conservation and Recovery Act of 1976, 42 U.S.C. §6901 et seq., Clean Water Act, 33 U.S.C. §1251, et seq., Safe Drinking Water Act, 14 U.S.C. §300f, et seq., Toxic Substances

Control Act, 15 U.S.C. §2601, et seq., Atomic Energy Act of 1954, 42 U.S.C. §2014 et seq., and any similar federal, State of Michigan or local Laws, and all regulations, guidelines, directives and other requirements thereunder, all as may be amended or supplemented from time to time. Hazardous Materials shall also expressly include asbestos containing materials.

E. School shall pay, prior to delinquency, any and all fees, taxes (including excise taxes), penalties and fines arising from or based on School's or any School Parties' activities involving Hazardous Materials on or about the Property, and shall not allow such obligations to become a lien or charge against the Property or Landlord. If School or any School Parties violates any provision of this Section with respect to any Hazardous Materials, Landlord may pursue such other remedies as may be available to Landlord under this Lease or applicable Law.

F. Landlord represents to School that, as of the date of this Lease, Landlord has not received any written notice of, and does not otherwise have actual knowledge of any Hazardous Materials at the Property in violation of any applicable Law. Landlord further represents and warrants, to Landlord's actual knowledge, that no leak, spill, discharge, emission or disposal of Hazardous Materials in violation of applicable Law has occurred at, on or under the Property. Landlord agrees to indemnify, defend and hold School harmless from any claims by reason of (i) the breach by Landlord of its representations in this Section (F), unless such breach is caused by School or any School Parties or (ii) any spill, leak or discharge of Hazardous Materials by Landlord or any of its employees, agents and contractors in, on or under the Building or (iii) any spill, leak, airborne, or discharge of Hazardous Materials deemed by a qualified third party to have resulted from a condition existing prior to School's first occupancy of the Property. Landlord shall not use Hazardous Materials in or about the Building except in the ordinary course of business of owning, managing, repairing and maintaining the Building as a school building and uses accessory thereto. Landlord further agrees that any such use of Hazardous Materials by Landlord in connection therewith shall be in compliance with all Laws. In the event (i) Hazardous Materials are discovered at the Property, (ii) the presence of such Hazardous Materials is found to be in violation of Laws, and (iii) neither the presence of such Hazardous Materials nor any contamination caused by such Hazardous Materials is caused by School or any School Parties, then Landlord shall promptly commence to cure (or cause a cure to be made thereof) the violation of Law caused by the Hazardous Materials, and Landlord shall thereafter pursue such cure with reasonable diligence.

G. Notwithstanding any other provisions in this Lease Agreement, the parties agree that the School has no liability or obligation to investigate, clean, remove, remediate, or otherwise deal with hazardous material present at the site prior to the execution of this Lease Agreement. Any such liabilities are the responsibility of the Landlord.

28. MISCELLANEOUS.

A. Severability. If any term or provision hereof, or any portion thereof, or the application thereof to any person(s) or circumstances shall, to any extent, be held by a court of competent jurisdiction to be invalid or unenforceable, then the remainder of this Lease, or the application of such term or provision to persons or circumstances other than those as to which it is

so judicially held to be invalid or unenforceable, shall not be affected thereby, and each term and provision of this Lease shall be valid and be enforceable to the fullest extent permitted by law.

B. Estoppels. Landlord and School agree, within ten (10) days after each request from the other party, to execute, acknowledge and deliver a statement in writing as reasonably requested and furnished by the other party certifying (if such in fact then is the case) that this Lease is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as modified, and stating the modifications), and the date to which the Rent and other charges, if any, have been paid in advance, and the amount of any security deposit held by Landlord, and whether or not there is any existing default hereunder by Landlord or School known to School or Landlord, or notice of default served by Landlord or School (including the details of such defaults as known to School or Landlord), and any other matters the requesting party reasonably may specify; it being intended that any such statement delivered pursuant to this paragraph may be relied upon by the requesting party and by any prospective purchaser, mortgagee or assignee of any mortgage or holder of other interests in the Property.

C. Plural and Singular Context. Wherever required in the context, the singular number shall include the plural number, the plural number shall include the singular number, and the use of any gender shall be deemed to include all genders, as appropriate.

D. Governing Law. This Lease is made pursuant to, and shall be construed and enforced in accordance with, the laws of the State of Michigan. The parties stipulate and agree that any action brought hereunder shall be brought only in an appropriate court in the State of Michigan and the parties waive any claim of forum non conveniens or transfer of any action to any other court. The parties agree that the State of Michigan has a substantial relationship to the parties and to the underlying transaction.

The mediator shall be a person selected by the parties, or if the parties cannot agree, then the mediator shall be selected in accordance with the rules of the American Arbitration Association. The mediation shall occur within sixty (60) days of either party's written request. Both parties agree to use all reasonable efforts to complete such mediation in a timely manner; provided, however if notwithstanding the reasonable efforts of both parties to coordinate such mediation within such period of time, the mediation cannot be timely completed then the parties shall no longer be subject to the requirement to mediate. The costs associated with such mediation shall be shared equally by the parties.

F. No Joint Venture. Any intention to create a joint venture or partnership relation between the parties is hereby expressly disclaimed, it being agreed that their only relationship is that of lessor and lessee.

G. Jury Trial Waiver. Landlord and School agree to waive the right to trial by jury.

H. Recitals. The parties hereby incorporate into this Lease the recitals contained in the preamble.

I. Time. As used herein, the word “day” shall mean a calendar day, unless otherwise specified. “Business Day” shall mean a day which is not a Saturday, Sunday or legal holiday in the State of Michigan and any time period which expires on a day which is not a Business Day shall be deemed to be postponed until the next Business Day.

J. Captions. The captions in this Lease are inserted for convenience of reference only and do not define, describe or limit the scope of this Lease or any term hereof.

K. Marketing. Upon the execution of this Agreement, Landlord shall not market the Property for lease or sale except and unless School is in default hereunder or School does not exercise its Option to Purchase.

L. Arm’s Length Agreement. This Lease Agreement transaction involves no related parties. Related parties include the EMO, ESMO owners, EMO employees, family members of EMO owners and employees, parent, subsidiary or affiliates of the EMO, as well as Academy Board members, Academy employees and family members of Academy Board members and Academy employees.

M. Force Majeure. Any delay or failure of any party (the “affected party”) in the performance of its required obligations under this Lease Agreement shall be excused if and to the extent caused by war, rebellion or insurrection; an act of God; fire; government statute or executive order, or any other order or regulation prohibiting or significantly inhibiting the performance of this Lease Agreement; riots; strikes, labor stoppages, lockouts or labor disputes to the extent such occurrences are not caused by the actions of the party seeking relief under this Section, accident, pandemic, or unforeseen national or global catastrophe, provided that (i) written notice of such delay or suspension is given by the affected party to the other party within a reasonable timeframe of knowledge of such event, which notice shall set forth in detail the nature of each delay or suspension; and (ii) the affected party shall use all commercially reasonable efforts to minimize the extent of such force majeure delay or suspension. Upon receipt of a notice of force majeure, the time for the affected party’s performance shall be extended for a period of time reasonably necessary to overcome the effect of such delay or suspension, and the parties agree to renegotiate the term, level of services, and/or payment set forth in the Lease Agreement to the extent possible to continue modified services under the Lease Agreement. Notwithstanding the foregoing, so long as Tenant is receiving its per pupil payments, it cannot claim a force majeure event, even if it is prohibited from occupying the Property due to a government mandate or health advisory. Specifically, if Tenant cannot occupy the Property due to the COVID or related/similar pandemic, but is still receiving funding from its public funding sources, then it cannot claim a force majeure event.

M. School Statutory Duties. No provision of this Lease Agreement shall interfere with the School Board’s exercise of its statutory, contractual and fiduciary responsibilities governing

the operation of the School. No provision of this Lease Agreement shall prohibit the School Board from acting as an independent, self-governing public body, or allow public decisions to be made other than in compliance with the Open Meetings Act.

N. Landlord Procurement. In the event the Landlord procures equipment, materials or supplies at the request of or on behalf of the School, the Landlord agrees to follow applicable competitive bidding laws and shall not include any added fees or charges with the cost of equipment, materials and supplies purchased from third parties (except that the Lessor may assess actual costs, such as taxes, shipping, permits, installation, or other similar expenses).

29. QUIET POSSESSION.

Landlord covenants that if and so long as there shall have occurred no Event of Default nor any Events of Bankruptcy affecting School, School shall hold, occupy and enjoy the Property during the term of this Lease, without hindrance or molestation by Landlord, but subject to all of the terms, conditions and provisions hereof. If Landlord's ownership of the Property terminates as a result of foreclosure of any deed of trust or mortgage on its interest therein, or sale of the Property by Landlord, School's possession of the Property under this Lease shall not be disturbed by such foreclosure or sale provided there is no Event of Default under this Lease and provided further that School shall not be subject to any Events of Bankruptcy.

30. DRAFT NOT BINDING.

Submission of this Lease in any number of drafts unexecuted by Landlord and School shall not constitute, nor shall any negotiations between Landlord and School constitute, a legally binding obligation of Landlord of any kind; it being agreed that this Lease shall only be binding upon Landlord when fully executed by Landlord and School with a counterpart fully executed original received by Landlord.

31. ARTICLES OF INCORPORATION; FINANCIAL STATEMENTS.

duly authorized to do so and this Lease constitutes the lawful obligation of and is legally binding on School.

B. School agrees to furnish its financial statements and those of any subtenant of all or any part of the Property, including without limitation balance sheets and income and expense statements, reasonably requested by Landlord within thirty (30) Business Days of receiving such written request.

RULES & REGULATIONS

1. School shall not construct, maintain, use or operate within the Property or elsewhere in the Building or on the outside of the Building, any equipment or machinery which produces music, sound or noise that is not related to normal school functions or which is unreasonably loud and audible beyond the Property.

2. The water and wash closets and other plumbing fixtures shall not be used for any purposes other than those for which they were constructed, and no sweepings, rubbish, or rags shall be thrown therein.

3. No cooking, except for cooking by School and its vendors, employees or agents for functions related to normal school functions shall be done or permitted by any tenant on the Property. No tenant shall cause or permit any unusual or objectionable odors to permeate from the Property.

4. Plumbing fixtures and appliances shall be used only for the purpose for which constructed, and no sweepings, rubbish, rags, or other unsuitable material shall be thrown or placed therein. The cost of repairing any stoppage or damage resulting to any such fixtures or appliances from misuse on the part of a tenant or such tenant's officers, agents, servants, and employees shall be paid by such tenant.

5. School shall not do anything, or permit anything to be done, in or about the Property, or bring or keep anything therein, that will in any way unreasonably increase the risk of fire or other casualty or obstruct or interfere with the rights of, or otherwise injure or annoy, other tenants, or do anything in conflict with the valid, pertinent laws, rules, or regulations of any governmental authority.

6. School shall not place a load upon any floor of the Building which exceeds the floor load allowed by applicable building code. Landlord may reasonably prescribe the weight and position of all safes and heavy installations which School desires to place in the Building so as properly to distribute the weight thereof. Landlord shall have the authority to reasonably prescribe the weight and position of safes or other heavy equipment which may overstress any portion of the floor. All damage done to the Building by the improper placing of heavy items which overstress the floor will be repaired at the sole expense of School. Landlord reserves the right to have Landlord's structural engineer review School's floor loads on the Building.

7. School shall not use or keep on the Property any flammable or explosive, fluid or substance, or any illuminating material in violation of applicable law.

8. If any governmental license or permit shall be required for the proper and lawful conduct of School's business, School, before occupying the Property, shall procure and maintain

such license or permit and submit it for Landlord's inspection. School shall at all times comply with the terms of any such license or permit.

9. School covenants and agrees that its use of the Property shall not cause a discharge of more than the design flow gallonage per day of sanitary (non-industrial) sewage allowed under the sewage discharge permit(s) for the Property. Discharges in excess of that amount, and any discharge of industrial sewage, shall only be permitted if School, at its sole expense, shall have obtained all necessary permits and licenses therefor, including without limitation permits from state and local authorities having jurisdiction thereof.

10. School shall not use or operate any electric or electrical devices or other devices that would unreasonably interfere with the operation of any device or equipment or radio or television broadcasting or reception from or within the Building.

11. School assumes full responsibility for protecting its space from theft, robbery and pilferage, which includes keeping doors locked and other means of entry to the Property and Building closed and secured.

Violation of these rules may be considered a default of School's lease after Landlord has provided School with written notice thereof and an opportunity and reasonable timeframe in which to cure such violation. Landlord reserves the right to rescind any of these Rules and Regulations and make such other and further rules and regulations not inconsistent with the express terms of the Lease as in the reasonable judgment of Landlord shall from time to time be needed for the safety, protection, and care of the Property, which Rules and Regulations when made and written notice thereof given to School shall be binding upon it in like manner as if originally herein prescribed. In the event of any conflict, inconsistency, or other difference between the terms and provisions of these Rules and Regulations, as now or hereafter in effect, and the terms and provisions of the Lease to which these Rules and Regulations are attached, the terms of the Lease shall control.

Landlord reserves the right, without Tenant’s consent: (a) to install, maintain, use, repair and replace pipes, ducts, conduits, wires and structural elements leading through the Leased Premises and serving other parts of the Property, (b) to make alterations or additions to, and improvements to, the Common Areas, to construct other buildings and improvements on the Property, to relocate the various buildings, parking areas and other Common Areas, to reduce the Common Areas, and change the configuration of the Property in any manner it deems fit, to close temporarily any Common Area to make repairs or changes, and to do such other acts in and to the Common Areas as in its judgment may be desirable to improve the convenience thereof, (c) to grant easements on the Property, to allow third parties to use all internal access ways constructed on the Property, to make boundary adjustments to the Property, and to dedicate for public use portions of the Property, including without limitation any public streets or any other improvements; provided, however, none of the foregoing shall materially interfere with Tenant’s use or quiet enjoyment of the School Building. Tenant shall not block, obstruct or in any manner interfere with the Common Areas, or any part thereof, by any means whatsoever.

2. **Occupancy.** Subject to the terms and conditions of this Lease, during the Term (as defined below), the Tenant will have the right to occupancy and use of the Leased Premises as follows:

- a. Commencing July 1, 2018 through June 30, 2021, (i) Tenant shall have the right to exclusive occupancy and use of the School Building, excluding the Religious Education Classrooms, and (ii) Tenant shall have the right to non-exclusive use of the Activities Building and Common Areas, in common with Landlord and anyone claiming by or through Landlord.
- b. Commencing July 1, 2021 throughout the expiration or earlier termination of the Term of the Lease, (i) Tenant shall have the right to exclusive occupancy and use of the School Building, and (ii) Tenant shall have the right to non-exclusive use of the Activities Building and Common Areas, in common with Landlord and anyone claiming by or through Landlord.

With respect to any part of the Leased Premises with respect to which Tenant has the right to non-exclusive use, any conflicts regarding use of such Property shall be determined in writing by the Pastor. The Parish shall provide the Tenant with a list of Parish representatives for each event, and such Parish representatives shall coordinate the Parish’s use of the Activities Building and Common Areas with Tenant.

Notwithstanding the foregoing, (i) Landlord shall have first priority in its right to use of the School Parking Lot Saturdays after 3 p.m., Sundays and other Holy Days for Mass parking and on Fridays during Lent, (ii) Landlord shall have first priority in its right to use the Fields and Religious

Education Classrooms after 6 p.m. and on weekends, and (iii) Landlord shall have first priority in its right to use the Activities Building upon fourteen (14) days written notice to Tenant, unless Tenant has a pre-scheduled function or event in such space scheduled prior to Landlord's giving its 14-day notice.

The Tenant shall provide to the Pastor keys and all access codes, if applicable, for the Leased Premises.

3. **Term.** The term of this Lease begins July 1, 2018 and ends June 30, 2023 (as it may be extended as provided below, the "Term"), unless earlier terminated as provided herein. Provided no Event of Default has occurred or exists, Tenant shall have one (1) option to extend the initial Term for a five (5) year period, from July 1, 2023 to June 30, 2028 ("Extension Period"), on the same terms and conditions in effect under the Lease immediately prior to the Extension Period. Tenant shall have no further right to extend the Term beyond the Extension Period. Such option to extend may be exercised only by giving Landlord written notice thereof no earlier than one (1) year and no later than six (6) months prior to the end of the initial Term.

4. **Use.** The Leased Premises are to be used and occupied only as a public school academy as defined in Act 362 of the Public Acts of 1993 of the State of Michigan (as amended) and for no other purpose.

5. **Rent.** The Tenant agrees to pay the Landlord, without demand, offset or deduction, as rental for the Leased Premises, on the first (1st) day of each and every month, in advance, the following (the "Monthly Base Rent Payment"):

(a) commencing July 1, 2018 and monthly thereafter through October 31, 2018, 50% of one-twelfth (1/12th) of ten percent (10%) of any and all amounts actually received by Tenant from (i) the per pupil enrollment/state student aid grant amount based on the State Board of Education counts of students enrolled at the Leased Premises whenever such counts may be taken (the "State Aid Amount") and/or (ii) tuition derived from students enrolled at the Leased Premises;

(b) commencing November 1, 2018 and monthly thereafter through February 28, 2019, 150% of one-twelfth (1/12th) of ten percent (10%) of any and all amounts actually received by Tenant from (i) the State Aid Amount and/or (ii) tuition derived from students enrolled at the Leased Premises; and

(c) commencing March 1, 2019 and monthly thereafter through the Term, one-twelfth (1/12th) of ten percent (10%) of any and all amounts actually received by Tenant from (i) the State Aid Amount and/or (ii) tuition derived from students enrolled at the Leased Premises.

Anything in this Lease to the contrary notwithstanding, in the event Tenant operates the Leased Premises as a Charter School and the State of Michigan in any way, whether by statute, administrative order or otherwise, changes the way in which it determines, calculates and/or distributes the State Aid Amount ("Rent Calculation Change"), the parties hereby agree that the rental amount paid by Tenant under this Lease shall be renegotiated by the parties. In the event the parties are unable to agree upon a new rental amount, Landlord shall have the right, in its sole and absolute discretion; to either (i) set the rental rate as the amount paid by Tenant on the first day of the month prior to the Rent Calculation Change, or (ii) terminate this Lease.

Tenant shall provide Landlord with copies of the forms submitted to the State of Michigan regarding the student count within fifteen (15) days after such information is submitted to the State of Michigan. The principal will apprise the pastor in writing regarding actual student enrollment twice yearly; the fall count in September, and the winter count in February. Based on the results of these student counts, the monthly rental shall be increased or decreased retroactively to the beginning of the month of the current student count date. Any overpayment or underpayment shall be reconciled with the next month's rent payment. Any further adjustments made to enrollment count or state aid will adjust rent retroactively as provided in this Paragraph. Anything in this Lease to the contrary notwithstanding, in no event shall the Monthly Base Rent Payment for the period from July 1, 2018 through the Term be less an amount based on (i) for the period from July 1, 2018 through August 31, 2019, 200 students, (ii) for the period from September 1, 2019 through August 31, 2020, 250 students, (iii) for the period from September 1, 2020 through August 31, 2021, 300 students, (iv) for the period from September 1, 2021 through August 31, 2022, 350 students, and (v) for the period from September 1, 2022 and at all times thereafter, 400 students.

All checks shall be payable to "Our Lady of Loretto," and shall be mailed to:

Pastor, Our Lady of Loretto Parish
17116 Olympia
Redford, Michigan 48240

If at any time payment of the monthly rental amount reserved under this Section is more than five (5) days past due, Tenant shall pay Landlord a late fee in the amount of ten percent (10%) of the amount past due. The parties agree that such a late fee represents a fair and reasonable estimate of the costs Landlord will incur by reason of a late payment. In the event that any monthly rental payment is more than ten (10) days past due, in addition to the late fee, Tenant shall pay Landlord interest on the unpaid amount at the rate of ten percent (10%) per annum commencing on the tenth (10th) day after such payment was due, until such payment is made. Acceptance of the late fee or interest under this Section shall in no event constitute a waiver of Tenant's default with respect to the overdue amount, nor prevent Landlord from exercising any of his rights and remedies. Except as may otherwise be expressly permitted in this Lease, rents shall not abate for any reason during the term hereof.

6. **Utilities.** Tenant shall pay all charges for gas charged to the School Building and Activities Building during the Term, and within ten (10) days of receipt of written notice from Tenant of the same, Landlord shall reimburse Tenant for ten percent (10%) of such gas charges. Landlord shall pay all charges for electric, water and sewer charged to the School Building and Activities Building, and upon written notice, Tenant shall reimburse Landlord for seventy percent (70%) of such charges ("Utility Charges"). Tenant shall pay its share of the monthly utility costs within ten (10) days of receipt of written notice from the Landlord of the same, as determined by the Landlord.

7. **Compliance With Laws.** Tenant agrees to comply promptly with all laws, orders, regulations, and ordinances of all municipal, county, state and federal authorities, and all easements and building and use restrictions of record, affecting the Leased Premises and the cleanliness, safety, occupation, and use of same, including without limitation the Americans with Disabilities Act of

1990 42U.S.C. 12101-12213 (1991), as amended. Tenant also agrees to observe all reasonable regulations and requirements of underwriters concerning the use and condition of the Leased Premises tending to reduce fire hazards and insurance rates, and not permit nor allow any rubbish, waste material or products to accumulate on the Leased Premises. Tenant shall not do or permit anything to be done in or about the Leased Premises that will in any way obstruct or interfere with the rights of other tenants, if any, or use or allow the Leased Premises to be used for any improper, immoral, unlawful or objectionable purpose, nor shall Tenant cause, maintain or permit any nuisance in, on or about the Leased Premises.

8. **Maintenance, Repairs, Snow Removal and Landscaping.** Except for the express obligations of the Landlord set forth below ("Landlord's Obligations"), during the entire term of this Lease, including any extension period, Tenant agrees, at its sole cost and expense, to maintain the entire Leased Premises and fixtures in good order, condition and repair at all times (including any replacements thereof if necessary in the event such item or component of the Leased Premises or fixture cannot be repaired). Tenant shall keep the Leased Premises in a clean, sanitary and safe condition at all times, including custodial services. Tenant hereby acknowledges and agrees that it is the intent of the parties that, other than the Landlord's Obligations, Landlord shall have no obligation whatsoever to repair or maintain or replace any portion of the Leased Premises.

Landlord, after receiving notice from the Tenant, agrees to keep in good order and repair and to replace as Landlord in its sole determination deems necessary the roof and four outer walls of the School Building and the boilers in the School Building, except for damage to the roof or outer walls or boilers caused by Tenant or anyone Tenant permits to use the Leased Premises, which shall be the obligation of the Tenant. In addition, Landlord shall be responsible for contracting for trash disposal, maintenance of the lawn and landscaping of the School Building, and for snow and ice removal from the pavement, driveways, walkways and parking lots of the Common Areas. Tenant shall reimburse Landlord for the following (collectively, "Maintenance Costs"): (i) 50% of the costs for trash removal, dumpster and disposal, and lawn maintenance, landscaping and snow and ice removal within ten (10) days of receipt of written notice from the Landlord of same, and (ii) 50% of the cost of maintenance and repair of the boilers in the School Building, in each case within ten (10) days of receipt of written notice from Landlord of same. If Tenant utilizes any maintenance service personnel of Landlord or Parish, Tenant shall be billed separately for such use. In the event the boilers in the School Building need to be repaired or replaced at any time during the term of this Agreement, as determined by an engineering consultant selected by Landlord ("Consultant"), Landlord shall be responsible for the repair or replacement of the boiler and Tenant shall reimburse Landlord for a part of the cost thereof in the amount of the Boiler Reimbursement Amount. The "Boiler Reimbursement Amount" shall be the product of (a) the quotient of (i) 50% of the actual cost to repair or replace the boiler divided by (ii) the extended useful life of the boiler after the repair or the new boiler as determined by the Consultant ("Per Year Reimbursement Amount"), multiplied by (b) the number of years remaining in the current term of this Agreement (whether the initial term or any option term) rounded to the nearest half year. The Boiler Reimbursement Amount shall be payable on a monthly basis, payable along with and in the same manner (unless otherwise indicated by Landlord) as monthly rental ("Boiler Replacement Costs"). In addition, in the event Tenant exercises any option to renew provided for in this Agreement, if any, after the boiler is repaired or replaced by Landlord pursuant to this Section, Tenant shall be required to pay to Landlord concurrent with the notice to extend any such term, and as a condition precedent to the effectiveness of such notice, an amount equal to the number of years of such option term times the Per Year

Reimbursement Amount payable on a monthly basis, payable along with and in the same manner (unless otherwise indicated by Landlord) as monthly rental ("Additional Boiler Replacement Costs"). In the event Tenant fails to reimburse Landlord within thirty (30) days after receipt of Landlord's demand for reimbursement of the Boiler Replacement Cost or Additional Boiler Replacement Cost, if applicable, paid by Landlord ("Boiler Delinquency Date"), Tenant shall be required to pay to Landlord, on the Boiler Delinquency Date and every thirty (30) days thereafter until Landlord receives such reimbursement, in addition to the amount of such Boiler Replacement Cost or Additional Boiler Replacement Cost, if applicable, a late fee in the amount of ten percent (10%) of the outstanding amount of the Boiler Replacement Cost or Additional Boiler Replacement Cost, if applicable. Acceptance of the late fee or interest under this Section 8 shall in no event constitute a waiver of Tenant's default with respect to the overdue amount, nor prevent Landlord from exercising any of its rights and remedies.

9. **Licenses.** If the nature of the Tenant's business requires licensure, Tenant shall keep in effect a valid license to operate the Leased Premises for that purpose and provide Landlord with a current copy of the required license.

10. **Security.** Tenant agrees to provide any and all security for its use of the Leased Premises during the term of this Lease. Tenant hereby acknowledges that Landlord is not responsible for providing any security during Tenant's use of the Leased Premises and hereby releases Landlord Parties (as later defined) from any and all claims Tenant may have against Landlord arising from, or related to, security of the Leased Premises during the term of this Lease. In addition, Tenant hereby agrees to indemnify, defend (using counsel of Landlord's choice) and hold Landlord Parties (as later defined) harmless for any claim, expense or loss arising from, or relating to, security of the Leased Premises.

11. **Quiet Enjoyment.** The Landlord covenants that the Tenant, on payment of the rental at the time and in the manner aforesaid and performing all the foregoing covenants, shall and may peacefully and quietly have, hold, and enjoy the Leased Premises for the term aforesaid.

12. **Insurance.** The Tenant will procure and keep in effect during the term hereof commercial general liability insurance on an occurrence basis with limits of at least Two Million Dollars (\$2,000,000.00) per occurrence, with a Two Million Dollar (\$2,000,000.00) annual general aggregate insurance issued by a company acceptable to Landlord for benefit of the Landlord. Said policy shall name the Tenant and the Owner (as later defined), Landlord, the Archdiocese of Detroit, the Parish and the Pastor as additional named insureds. Tenant shall deliver a Certificate of Insurance to the Landlord. Such policy shall (a) contain cross-liability endorsements and shall include coverage for bodily injury, property damage, premises and operations, personal and advertising injury and contractual liability insurance that covers the indemnification obligations of this Lease; (b) be primary, not contributing with, and not in excess of coverage which Landlord may carry; (c) state that Landlord and other applicable Landlord Parties are entitled to recovery for the negligence of Tenant even though Landlord and such other Landlord Parties are named as additional insureds; (d) provide for severability of interest; (e) provide that an act or omission of one of the insured or additional insureds which would void or otherwise reduce coverage shall not void or reduce coverages as to the other insured or additional insured; (f) afford coverage after the term of this Lease (by separate policy or extension if necessary) for all claims based on acts, omissions, injury or damage which occurred or arose (or the onset of which occurred or arose) in whole or in part during the term of

this Lease; and (g) contain a provision that it may not be canceled without at least thirty (30) days prior written notice being given by the insurer to Landlord.

The insurance required hereunder shall be obtained from insurance companies authorized to conduct business in the State of Michigan and rated A+ or better by Best's Insurance Guide. Upon Tenant's failure to deliver a Certificate of Insurance, the Landlord may, at his option, immediately cancel this Lease upon written notice to Tenant. The limits of said insurance shall not limit any liability of Tenant hereunder. Not more frequently than every three (3) years, if, in the reasonable opinion of Landlord, the amount of liability insurance required hereunder is not adequate, Landlord shall promptly increase said insurance coverage as required by Landlord.

Tenant shall be responsible for securing any insurance it deems advisable on contents and tenant improvements or for business interruption and Landlord shall have no liability with respect to any loss to Tenant's personal property or improvements.

Landlord or the Parish shall maintain casualty insurance on the buildings in which the Leased Premises are located in such amounts and with such carriers as Landlord deems appropriate, in its sole and absolute discretion, which insurance is solely for the benefit of the Landlord and is not available for the benefit of the Tenant. Tenant shall reimburse Landlord or the Parish during the term hereof, as additional rent, for the insurance premiums for such casualty insurance carried by Landlord or the Parish covering the Leased Premises. Such payments shall be made by Tenant to Landlord or the Parish within thirty (30) days after receipt by Tenant of an invoice for such premiums.

13. **Indemnity.** Tenant shall indemnify, defend (using counsel satisfactory to Landlord in its sole discretion) and hold harmless Owner (as later defined), Landlord, the Archdiocese of Detroit, the Archbishop of Detroit, the Parish, the Pastor, and their respective employees, managers, partners, officers, directors, attorneys, contractors and agents (collectively, the "Landlord Parties" and each a "Landlord Party") from and against all claims, demands, liabilities, obligations, damages, penalties, causes of action, suits, judgments, and expenses (including attorneys' fees) arising from or related to (i) the occupancy, condition, operation or use of the Leased Premises, (ii) any accident, occurrence, injury to or death of persons, or loss of or damage to property occurring on or about the Leased Premises, (iii) use or misuse of any portions of the Leased Premises by a Tenant or any of Tenant's respective agents, contractors, employees, visitors, and invitees, or (iv) Tenant's failure to perform its obligations under this Lease. The obligations of Tenant under this paragraph arising by reason of any occurrence taking place during the term of this Lease shall survive any termination of this Lease.

14. **Alterations.** The Tenant may make no alterations, additions, or improvements to the Leased Premises without the Landlord's prior written consent. All such alterations, additions and improvements shall be at the expense of the Tenant and Tenant hereby indemnifies and holds Landlord Parties harmless from all costs, liability and loss of any kind and all claims of loss or liability, in any way arising out of or by reason of any such alterations, additions or improvements. Upon vacation of the Leased Premises, said improvements, additions and alterations shall, at Landlord's option, become the property of the Landlord. Tenant shall promptly remove all such alterations, additions and improvements required by Landlord to be removed and Tenant shall restore the Leased Premises after such removal to substantially their condition prior to the time such

alteration, addition or improvement was made. All furnishings and equipment which are not attached or affixed to the Leased Premises made or placed by Tenant upon the Leased Premises shall be the property of the Tenant, and the Tenant shall remove the same at the end of the term of this Lease.

If Landlord consents to Tenant's performance of any alteration or addition to the Leased Premises ("Work"), Tenant shall ensure that the Work shall be made in accordance with the Plans and Drawings (as defined below) and all applicable laws, regulations and building codes, in a good and workmanlike manner and in quality satisfactory to Landlord. In addition, prior to commencement of any Work, Tenant must submit to Landlord for approval, which approval Landlord may withhold in its sole and absolute direction:

- (i) a complete set of plans and specifications ("Plans") prepared and sealed by a registered architect or engineer,
- (ii) a complete set of drawings and specifications for mechanical, electrical and plumbing systems ("Drawings"); and
- (iii) a list of the contractors and subcontractors ("Contractors") who will perform the Work, together with proof of insurance and performance and labor bonds, in such amounts and with such carriers or sureties as Landlord may require in its sole and absolute discretion.

Landlord's approval of the Plans and Drawings for Tenant's alterations shall create no responsibility or liability on the part of Landlord for their completeness, design sufficiency or compliance with all laws, rules and regulations of governmental agencies or authorities. No person shall be entitled to any lien on the Leased Premises because of any labor or material furnished to Tenant in connection with any alterations or improvements by Tenant, and nothing in this Lease shall be construed to constitute a consent by Landlord to the creation of any lien. If any lien is filed against the Leased Premises as a result of a claim against Tenant for labor or material furnished to Tenant, Tenant shall cause the lien to be discharged of record within fifteen days after filing. If Tenant fails to cause the lien to be discharged within such time, Landlord may, without the obligation to do so, payoff the lien and Tenant shall reimburse Landlord for all costs and expenses incurred by Landlord to pay and discharge such lien, including, but not limited to, reasonable attorney fees ("Lien Expense"). Tenant shall indemnify Landlord Parties from any costs, including, but not limited to, reasonable attorney fees, in connection with any such lien.

15. **Eminent Domain.** If all or any part of the Leased Premises shall be taken as a result of the exercise of the power of eminent domain, this Lease shall terminate as to the part so taken as of the date of taking, and, in the case of partial taking, either Tenant or Landlord shall have the right to terminate this Lease as to the balance of the Leased Premises by notice to the other within thirty (30) days after such date; provided, however, that a condition to the exercise by Tenant of such right to terminate shall be that the portion of the Leased Premises taken shall be of such extent and nature as substantially to handicap, impede or impair Tenant's use of the balance of the Leased Premises. In the event of any taking, Landlord shall be entitled to any and all compensation, damages, income, rent, awards, or any interest therein whatsoever which may be paid or made in connection therewith, and Tenant shall have no claim against Landlord for the value of any unexpired term of this Lease or otherwise. In the event of a partial taking of the Leased Premises which does not result in a termination of this Lease, the rental thereafter to be paid shall be reduced on a per square foot basis.

16. **Taxes.** Any real property taxes, assessments, impositions or charges, whether general or special, including, but not limited to, any and all real estate taxes and assessments, personal property taxes and assessments and the like, assessed against the Leased Premises or any property of which they are a part, at any time, shall be paid by the Tenant where such taxes have resulted because of rental of the Leased Premises by Tenant or any party Tenant permits to use the Leased Premises.

Payment of all such taxes, assessments, impositions and charges shall be made on or before the last day when payment may be made without interest or penalty. Tenant may, when permitted by appropriate governmental authority, pay any tax, assessment or charge over a period of time.

Tenant agrees to exhibit to Landlord on demand any time following such date for payment of taxes, assessments, impositions or charges, receipts evidencing payments of all such taxes, assessments or charges so payable.

17. **Additional Rent.** All taxes, insurance, Utility Charges, Maintenance Costs, Boiler Replacement Costs, Additional Boiler Replacement Costs, if applicable, and any other costs and expenses that the Tenant assumes or agrees to pay under this Lease, together with all interest and late charges that may accrue thereon in the event of failure of Tenant to pay these items, and all other damages that Landlord may incur by reason of any default of the Tenant to comply with the terms and conditions of this Lease shall be deemed additional rent, and in the event of non-payment, Landlord shall have all the rights as herein provided for failure to pay rent.

18. **Assignment and Subletting.** Tenant covenants that it will not assign, sell, mortgage or in any manner transfer or encumber this Lease or any interest herein, or sublet the Leased Premises or any part or parts thereof or grant any concession or license or otherwise permit occupancy of all or any part thereof by others without in each case first obtaining the prior written consent of Landlord. The consent by Landlord to an assignment or subletting shall not in any way be construed to release Tenant from obtaining the express consent of the Landlord to any further assignment or subletting of any part of the Leased Premises nor shall the collection of rent by Landlord from any assignee, subtenant or other occupant be deemed a waiver of this covenant or the acceptance of the assignee, subtenant or occupant as a tenant hereunder or a release of Tenant from the further performance by Tenant of the covenants in this Lease on Tenant's part to be performed. In the event Landlord consents to any subletting, Landlord shall have the right, upon the occurrence of a default by Tenant under this Lease, to demand the sublessee to pay the rent due under the sublease directly to the Landlord to be applied to sums due Tenant under this Lease.

If Tenant is a limited liability company, corporation, partnership, the sale or transfer of fifty percent (50%) or more of such limited liability company's membership interests or corporation's voting shares or partnership's general partnership interests, as the case may be, shall be deemed to be an assignment of this Lease. If Tenant is a nonprofit corporation, then the occurrence of any of the following events also shall be deemed to be an assignment of this Lease: (i) during any twelve (12) month period, the change of thirty-five percent (35%) or more of the members of the Board of Directors; or (ii) a change in the name of Tenant or the nature of its business, generally, or in its affiliations or in its use of the Leased Premises, any of which, in the sole discretion of Landlord, is substantial; or (iii) in the event that the Tenant is currently affiliated with the Roman Catholic Church or any group or organization identified with, approved by or affiliated with the Roman

Catholic Church, any event which causes Tenant to lose such affiliation.

19. **Default.** The occurrence of any one or more of the following events (hereinafter referred to as "Events of Default") shall constitute a default or breach of this Lease by Tenant:

- a. if Tenant shall fail to pay rent or any other sum when and as the same becomes due and payable;
- b. if Tenant shall fail to perform or observe any other term hereof to be performed or observed by Tenant under this Lease;
- c. if Tenant or Guarantor (as later defined) shall make a general assignment for the benefit of creditors, or shall admit in writing its inability to pay its debts as they become due or shall file a petition in bankruptcy, or shall be adjudicated as insolvent or shall file a petition in any proceeding seeking any reorganization, arrangements, composition, readjustment, liquidation, dissolution or similar relief under any present or future statute, law or regulation, or shall file an answer admitting or fail timely to contest or acquiesce in the appointment of any trustee, receiver or liquidator of Tenant or Guarantor or any material part of its properties;
- d. if this Lease or any estate of Tenant hereunder shall be levied upon under any attachment or execution and such attachment or execution is not vacated within ten (10) days;
- e. if Tenant vacates, abandons or deserts the Leased Premises or Tenant fails to occupy the Leased Premises for more than thirty (30) consecutive days; and
- f. if there is a revocation, termination or other invalidation of any permit, license or authorization with respect to Tenant's use and/or occupancy of the Leased Premises, including, but not limited to, certificates of occupancy, business licenses or charters.

20. **Remedies.** Upon the occurrence of any an Event of Default, in addition to any other remedies which may be available to Landlord, Landlord may, at his option, after providing to Tenant any notice required under Michigan Law, do one or more of the following:

- a. Terminate this Lease and, upon such termination, this Lease shall come to an end and expire upon Landlord's termination, but Tenant shall remain liable for damages as provided in Section 21 hereof; or
- b. Either with or without terminating this Lease, Landlord may immediately or at any time after the Event of Default or after the date upon which this Lease shall expire, reenter the Leased Premises or any part thereof, without notice, either by summary proceedings or by any other applicable action or proceeding, (without being liable to indictment, prosecution or damages therefor), and may repossess the Leased Premises and remove any and all of Tenant's property and effects from the Leased Premises; or

- c. Either with or without terminating this Lease, Landlord may relet the whole or any part of the Leased Premises from time to time, either in the name of Landlord or otherwise, to such tenant or tenants, for such term or terms ending before, on or after the expiration of this Lease, at such rental or rentals and upon such other conditions, which may include concessions and free rent periods, as Landlord, in its sole discretion, may determine. In the event of any such reletting, Landlord shall not be liable for the failure to collect any rental due upon any such reletting, and no such failure shall operate to relieve Tenant of any liability under this Lease or otherwise to affect any such liability; and Landlord may make such repairs, replacements, alterations, additions, improvements, decorations and other physical changes in and to the Leased Premises as Landlord, in its sole discretion, considers advisable or necessary in connection with any such reletting or proposed reletting, without relieving Tenant of any liability under this Lease or otherwise affecting such liability;
 - d. Perform for the account of Tenant any default of Tenant under this Lease and immediately recover as expenses any expenditures made and the amount of any expenses (including legal fees) or obligations incurred in connection therewith, plus interest at the maximum legal interest rate allowed by law in the State of Michigan, from the date of any such expenditure. The payment of interest on such amount shall not excuse or cure any default by Tenant under this Lease.
 - e. Landlord shall have the right to recover the rental and all other amounts payable by Tenant hereunder as they become due and all other damages incurred by Landlord as a result of an Event of Default including, without limitation, attorney's fees and costs.
 - f. Accelerate all rental due for the balance of the term of this Lease and declare the same to be immediately due and payable.
 - g. Landlord shall have the right to enforce the Guaranty (as later defined).
21. **Recovery of Damages upon Termination.** Upon termination of this Lease by Landlord pursuant to Section 20(a) hereof, Landlord shall be entitled to recover from Tenant the aggregate of:
- a. the worth at the time of award of the unpaid rental which had been earned at the time of termination;
 - b. the worth at the time of award of the amount by which the unpaid rental which would have been earned after termination until the time of award exceeds the then reasonable rental value of the Leased Premises during such period;
 - c. the worth at the time of the award of the amount by which the unpaid rental for the balance of the term of this Lease after the time of award exceeds the reasonable rental value of the Leased Premises for such period; and
 - d. any other amount necessary to compensate Landlord for all the detriment

proximately caused by Tenant's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom.

The "worth at the time of award" of the amounts referred to in clauses (a) and (b) above is computed from the date such rent was due or would have been due, as the case may be, by allowing interest at the rate of three percent (3%) in excess of the prime rate as published in The Wall Street Journal or, if a higher rate is legally permissible, at the highest rate legally permitted. The "worth at the time of award" of the amount referred to in clause (c) above is computed by discounting such amount at the discount rate of the Federal Reserve Bank of Chicago at the time of award, plus one percent (1%). Tenant hereby waives any and all rights to set-off or recoup any present or future accounts, amounts, damages or claims arising as a result of or in connection with this Lease, any transaction, any incident, any occurrence or any other agreement between Landlord and Tenant against any of its present or future payments due Landlord under this Lease.

22. **Landlord's Cure.** All covenants, terms and conditions to be performed by Tenant under any of the terms of this Lease shall be at its sole cost and expense and without any abatement of rental. If Tenant shall fail to pay any sum of money, other than the payment of rent, required to be paid by it hereunder or shall fail to perform any other act on its part to be performed hereunder, Landlord may, but shall not be obligated so to do, and without waiving or releasing Tenant from any obligations of Tenant, make any such payment or perform any such other act on Tenant's part to be made or performed as in this Lease provided. Tenant shall reimburse all sums so paid by Landlord and all necessary incidental costs related thereto ("Reimbursable Expenses") within fifteen (15) days of receipt of written notice from Landlord of the amount due. All Reimbursable Expenses shall be deemed additional rental, and Landlord shall have (in addition to any other right or remedy of Landlord) the same rights and remedies in the event of the nonpayment thereof by Tenant as in the case of default by Tenant in the payment of rent.

23. **Tenant's Payment Obligations.** In the event Tenant fails to pay any sum of money, other than the payment of rent, required to be paid by Tenant under the terms of this Lease, including, but not limited to any Reimbursable Expenses, Lien Expense and Utility Charges ("Delinquent Payment"), within five (5) days of when due ("Delinquency Date"), Tenant shall pay to Landlord, on the Delinquency Date and every thirty (30) days thereafter until such payment is made, in addition to the amount of such Delinquent Payment, a late fee in the amount of ten percent (10%) of the amount of the Delinquent Payment. In the event such Delinquent Payment is more than ten (10) days past due, in addition to the late fee, Tenant shall pay to Landlord interest on the unpaid amount of the Delinquent Payment at the rate of ten percent (10%) per annum commencing on the tenth (10th) day after such Delinquent Payment was due, until such Delinquent Payment is made. Acceptance of the late fee or interest under this Section shall in no event constitute a waiver of Tenant's default with respect to the Delinquent Payment, nor prevent Landlord from exercising any of his rights and remedies set forth in this Lease.

24. **Landlord's Rights and Non-liability.** Landlord shall have the right from time to time, without notice to Tenant, to inspect the Leased Premises to confirm Tenant's compliance with this Lease. Landlord shall not be responsible or liable to Tenant for any loss or damage that may be occasioned by or through the acts or omissions of persons occupying adjoining areas or any part of the area adjacent to or connected with the Leased Premises or any part of the structures or improvements on the Leased Premises or for any loss or damage resulting to Tenant or its property

from theft or a failure of the security systems, if any, in the structures or improvements on the Leased Premises, or for any damage or loss of property within the Leased Premises from any cause other than solely by reason of the gross negligence or willful misconduct of Landlord, and no such occurrence shall be deemed to be an actual or constructive eviction from the Leased Premises or result in an abatement of rents.

If Landlord shall fail to perform any covenant, term or condition of this Lease upon Landlord's part to be performed, and, if as a consequence of such default, Tenant shall recover a money judgment against Landlord, such judgment shall be satisfied only against the right, title and interest of Landlord in the Leased Premises and out of rents or other income from the Leased Premises by Landlord, or out of the consideration received by Landlord from the sale or other disposition of all or any part of Landlord's right, title and interest in the Leased Premises, and Landlord shall not be liable for any deficiency.

25. Controlling Law; No Other Agreement or Representatives; Time of Essence.

This Lease shall be governed by the laws of the State of Michigan. This Lease represents the entire agreement between the parties and there are no understandings, agreements, representations, or warranties, expressed or implied, other than those set forth in a written addendum or supplement executed simultaneously herewith, or as herein set forth fully or incorporated by specific reference, respecting this Lease or any real or personal property leased hereunder. Time is of the essence in this Lease.

26. Non-Waiver; Modifications. No waiver of any provision of this Lease, or a breach thereof, shall be construed as a continuing waiver, nor shall it constitute a waiver of any other provision or breach. The acceptance of part (but not all) of a rent installment(s) due Landlord hereunder shall not constitute a waiver of default hereunder for nonpayment of rent. The acceptance of all or part of a rent installment(s) due Landlord hereunder shall not constitute a waiver of any other type of default hereunder. No modification, alteration and/or amendment of this Lease shall be binding upon the other party hereto, unless the same shall be reduced to writing and signed by the party against whom it is sought to be enforced.

27. Notices. Whenever under this Lease provision is made for notice of any kind, unless otherwise expressly herein provided, it shall be in writing and shall be served personally or sent by registered or certified mail, with postage prepaid, to the address of Landlord or Tenant, as the case may be, as stated below, or such other address as either of the parties may subsequently designate in writing by notice to the other party in the manner required herein:

28. **Surrender.** The Tenant shall return said Leased Premises peaceably and promptly to the Landlord at the end of the term of this Lease, or at any earlier termination thereof, in as good condition as the same are now in or may hereafter to be put in, except for ordinary wear and tear. Upon termination of this Lease, whether by expiration of the term, abandonment or surrender by Tenant, process of law or otherwise, any personal property belonging to Tenant and left on the Leased Premises shall be deemed to be abandoned and may be removed and disposed of by Landlord at Tenant's expense.

29. **Damage to Leased Premises.** If the Leased Premises become wholly untenable through damage or destruction, this Lease shall automatically be terminated without any further action by the parties; if partially untenable, Landlord shall have the option of terminating this Lease at any time within thirty (30) days after such casualty. If Landlord does not terminate this Lease, the Landlord shall repair the Leased Premises with all convenient speed. The obligation of the Tenant to pay the monthly rental shall be abated during the time the Leased Premises are untenable and shall be partially abated during the time the Leased Premises are partially untenable. In no event shall Landlord be required to repair or replace Tenant's personal property, including, but not limited to, trade fixtures, furnishings or equipment. If Landlord is required or elects to repair or rebuild the Leased Premises as herein provided, Tenant shall repair or replace personal property, including, but not limited to, trade fixtures, furnishings and equipment, in a manner and to at least a condition equal to that prior to its damage or destruction.

30. **Right to Terminate.** This Lease may be terminated at any time by Landlord upon one hundred twenty (120) days written notice to Tenant in the event Landlord makes the determination to suppress, merge or close Our Lady of Loretto Parish ("Termination Notice"), which termination shall be effective as of the end of the current school year as of the date the notice is provided it being understood by the parties that a school year runs from July 1 to the following June 30.

31. **Successors and Assigns.** This Lease and each of the covenants, conditions, and agreements contained herein shall be binding upon each of the parties and upon their respective successors, representatives and assigns, and the benefits shall inure to each of the parties and to their respective permitted successors, representatives and assigns.

32. **"AS IS"; No Representations.** Tenant accepts the Leased Premises in its condition on the date of this Lease, "AS IS" and without any representations or warranties of any kind, express or implied, by Landlord. Tenant acknowledges that no representation, verbal or written, has been made by any broker, agent or employee of Landlord regarding the condition of the improvements on the Leased Premises. This Lease is not made in reliance upon any representation whatsoever.

33. **Security Deposit.** Tenant shall deposit \$20,000 with Landlord. Such deposit shall consist of (i) \$5,000 deposited by Tenant with Landlord as of the date hereof, and (ii) \$1,250 deposited each month by Tenant with Landlord, for a total combined amount equaling \$20,000, as security for the faithful performance of all of the covenants, conditions, and agreements of this Lease, but in no event shall the Landlord be obliged to apply the same upon rents or other charges in arrears or upon damages for the Tenant's failure to perform said covenants, conditions, and agreements; the Landlord may so apply the security at his option; and the Landlord's right to the possessions of the Leased Premises for non-payment of rent or for any other reason shall not in any event be affected by reason of the fact that the Landlord holds this security. The said sum, if not applied toward payment of rent in arrears or toward the payment of damages suffered by the Landlord by reason of the Tenant's breach of the covenants, conditions, and agreements of this Lease, is to be returned to the Tenant when this Lease is terminated, according to the terms, but in no event is the said security to be returned until the Tenant has vacated the Leased Premises and delivered possession to the Landlord. In the event that the Landlord repossesses himself of the Leased Premises because of the Tenant's default or because of the Tenant's failure to carry out the covenant, conditions, and agreements of this Lease, the Landlord may apply the said security upon all damages suffered to the date of said repossession and may retain the said security to apply upon such damages as may be suffered or shall accrue thereafter by reason of the Tenant's default or breach. The Landlord shall not be obliged to keep the said security as a separate fund, but may mix the said security with its own funds nor shall Landlord be required to obtain or account for any interest on said funds.

34. **Hold Over.** It is hereby agreed that in the event the Tenant herein holds over after the termination of this Lease, that thereafter the tenancy will be from month-to-month in the absence of a written agreement to the contrary. All terms of the previous lease will remain the same, except that the rent amount shall be increased to 150% of the previous rent amount.

35. **Brokers.** The parties hereto each represent to one another that no real estate brokers are involved in this transaction, except for CBRE. Landlord will pay CBRE a commission pursuant to a separate agreement between Landlord and CBRE. Each party indemnifies the other against the claims of any brokers and salespeople who allege that they represented a party or are entitled to a commission or fee as a result of this transaction.

36. **Headings.** The headings of this Lease are for purposes of reference only and shall not limit or define the meaning of any provisions of this Lease.

37. **Hazardous Materials.** Tenant will not use Hazardous Materials as hereinafter defined, on or at the Leased Premises in any manner that violates federal, state or local laws, ordinances, rules, regulations or policies governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials.

In the event Tenant uses or stores any Hazardous Materials on the Leased Premises, then with regard to such use or storage of any Hazardous Materials upon the Leased Premises, the Hazardous Materials shall be stored and/or used in compliance with all applicable federal, state and local laws and regulations; and without limiting the foregoing, Tenant shall not cause the Leased Premises to be used to generate, manufacture, refine, transport, treat, store, handle, dispose of, transfer, produce or process Hazardous Materials, except in compliance with all applicable federal, state and local laws and regulations, nor shall Tenant cause, as a result of any intentional or unintentional act or omission on the part of Tenant, the release of Hazardous Materials onto the Leased Premises.

With respect to the release of Hazardous Materials upon the Leased Premises caused by or resulting from the activities of Tenant, its employees or agents on the Leased Premises, Tenant shall: (i) to the extent required by applicable law, conduct and complete all investigations, studies, sampling and testing, and perform all remedial, removal, response and other actions necessary to clean up and remove all Hazardous Materials, on, under, from or affecting the Leased Premises in accordance with all applicable federal, state and local laws, ordinances, rules, regulations and policies, and in accordance with the orders and directives of all federal, state, and local governmental authorities; and (ii) defend, indemnify and hold harmless Landlord Parties from and against any claims, demands, penalties, fines, liabilities, settlements, damages, costs or expenses of whatever kind or nature, known or unknown, contingent or otherwise, arising out of, or in any way related to: (1) the presence, disposal, removal, or release of any Hazardous Materials on, over, under, from or affecting the Leased Premises or the soil, water, vegetation, buildings, personal property, persons or animals thereon; (2) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such Hazardous Materials; and (3) any violation of laws, orders, regulations, requirements or demands of government authorities which are based upon or in any way related to such Hazardous Materials, including, without limitation, reasonable attorneys' and consultants' fees, investigation and laboratory fees, court costs and litigation expenses.

For purposes of this Lease, "Hazardous Materials" includes, but is not limited to, any flammable explosives, radioactive materials, hazardous materials, hazardous wastes, hazardous or toxic substances or related materials defined in: (1) the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S.C. Section 9601 et seq.); (2) the Hazardous Materials Transportation Act, as amended (49 U.S.C. Section 1801 et seq.); (3) the Resource Conservation and Recovery Act, as amended (41 U.S.C. Section 9601, et seq.); (4) the Federal Water Pollution Control Act, 33 U.S.C. Section 1251 et seq.; or (5) Michigan's Natural Resources and Environmental Protection Act, as amended (M.C.L. 324.101 et seq.), including any regulations adopted or publications promulgated pursuant to the above-referenced statutes, or as otherwise defined, classified, characterized, listed or identified by any other federal, state or local and governmental law, ordinance, rule or regulation.

38. **Asbestos.** Tenant, at Tenant's sole cost and expense, hereby agrees to comply with all of the requirements under Michigan's Asbestos in Educational Facilities Act (MCL 388.861 et seq.) and the Asbestos Hazard Emergency Response Act (15 USC § 2601 et seq.)(collectively, the "Asbestos Laws") with respect to the Leased Premises, including, but not limited to, performing all of Landlord's obligations. All obligations of Tenant under this Section must be performed by accredited contractors approved by Landlord, in its sole and absolute discretion, and all contracts with such contractors shall expressly provide that Landlord is a third party beneficiary of such

contract. Tenant hereby indemnifies and holds Landlord Parties harmless from all costs, liability and loss of any kind and all claims of loss or liability, in any way arising out of or by reason of Tenant's failure to comply with this Section and/or the Asbestos Laws.

39. **Use Agreement.** Landlord has the right to exclusive use and occupancy of the Leased Premises under a use agreement between the fee title holder of the Leased Premises, Mooney Real Estate Holdings, a Michigan nonprofit corporation (together with its successors in title, the "Owner") and Landlord effective as of April 2, 2018 (as it may be amended from time to time, the "Use Agreement"). This Lease, as it may be amended, renewed or extended from time to time, is subject and subordinate to the Use Agreement, provided that if the Use Agreement is terminated for any reason, Tenant's rights under this Lease, as it may be amended, renewed or extended from time to time, with respect to the Leased Premises shall not be disturbed or interfered with by Owner and Owner will not join Tenant as a party defendant in any action or proceeding for the purpose of terminating Tenant's interest under this Lease, as it may be amended, renewed or extended from time to time, because of a termination of the Use Agreement. Rather, this Lease, as it may be amended, renewed or extended from time to time, shall automatically continue as a direct lease between the Owner, as landlord, and Tenant, as tenant, with the same force and effect as if the Owner, as landlord, and Tenant, as tenant, had entered into a lease as of the date of the termination of the Use Agreement, containing the same terms, covenants and conditions as those contained in this Lease, as it may be amended, renewed or extended from time to time, for a term equal to the unexpired term of this Lease, as it may be amended, renewed or extended from time to time, plus all remaining renewal terms (if any) existing as of said date. In the event of a termination of the Use Agreement, at Owner's request, Tenant shall enter into a separate lease directly with Owner consistent with the terms of this Lease, as it may be further amended, renewed or extended from time to time (although the failure to enter into a separate lease shall not modify or limit the operation or effect of the provisions hereof). Landlord represents and warrants to Tenant that Landlord has the right under the Use Agreement to enter into this Lease and to grant Tenant the rights in and to the Leased Premises granted hereunder, and that the Use Agreement provides for the continuation of this Lease, as it may be amended, renewed or extended from time to time, after termination of the Use Agreement as provided above. The provisions of this Section shall survive the termination, rejection or disaffirmance of the Use Agreement.

40. **Transfer of Leased Premises by Landlord.** Landlord reserves the right to sell, assign or otherwise transfer its interest in the Leased Premises without Tenant's consent. In the event of any such sale, assignment or transfer, the transferor shall automatically be relieved of any obligations or liabilities on the part of Landlord accruing from and after the date of such transfer and Tenant covenants and agrees to recognize such transferee as the Landlord under this Lease.

41. **Subordination.** This Lease and the rights of the Tenant hereunder are hereby made subject and subordinate to all mortgages now or hereafter placed upon the Leased Premises. Tenant covenants and agrees to execute and deliver on demand an instrument or instruments subordinating this Lease to the lien of any such mortgage or mortgages and hereby irrevocably appoints Landlord the attorney-in-fact of Tenant to execute and deliver any such instrument or instruments in the name of Tenant. In addition, Tenant agrees that, upon the request of Landlord or any mortgagee of Landlord, Tenant shall execute a estoppel certificate in form satisfactory to Landlord or any mortgagee of Tenant.

42. **Recording.** Neither party shall record this Lease or a copy thereof without the written consent of the other; however, upon the request of either party hereto, the other party shall join in the execution of a memorandum of this Lease for the purposes of recordation. Said memorandum of this Lease shall describe the parties, the Leased Premises, the term of this Lease and any special provisions, except rentals payable hereunder, and shall incorporate this Lease by reference.

43. **Signs.** No sign may be erected on the Leased Premises without the prior written consent of the Pastor. If such consent is given, the size, type, design, legend, and location must be in compliance with all applicable laws, including but not limited to, all applicable City of Redford ordinances. Provided such signage meets the foregoing requirements and such proposed signage conforms to normally observed industry standards, the Pastor shall not unreasonably withhold or delay his consent. Tenant hereby acknowledges and agrees to maintain, at Tenant's sole cost and expense, any sign erected by Tenant pursuant to this Section in good repair and working order at all times. In addition, Tenant hereby agrees to indemnify, defend and hold Landlord Parties harmless (using counsel of Landlord's choice) from and against any cost, expense, claim or liability, including reasonable attorneys' fees, arising from or related to any sign erected by Tenant on the Leased Premises or the maintenance thereof.

At the expiration or termination of this Lease, the Tenant shall promptly remove the sign and shall restore the Leased Premises and/or surrounding land to substantially their condition prior to installation of the sign. If the sign is not so removed within 30 days after the termination or expiration of this Lease, then the sign shall, at Landlord's option, be deemed to have been abandoned by Tenant and may be appropriated, sold, stored, destroyed, or otherwise disposed of by Landlord without notice to Tenant and without any obligation to account for such sign. All costs and expenses incurred by Landlord in connection with repairing or restoring the Leased Premises and/or surrounding land to the condition called for herein, together with the costs, if any, of removing the sign shall be invoiced to Tenant and shall be immediately due from and payable by Tenant.

44. **Attorneys' Fees.** If Landlord uses the services of an attorney in connection with (i) any breach or default in the performance of any of the provisions of this Lease, in order to secure compliance with such provisions or recover damages therefor, or to terminate this Lease or evict Tenant, or (ii) any action brought by Tenant against Landlord, or (iii) any action brought against Tenant in which Landlord is made a party, Tenant shall reimburse Landlord upon demand for any and all attorneys' fees and expenses so incurred by Landlord.

45. **Rules and Regulations.** Tenant shall faithfully observe and comply with the rules and regulations as issued by Landlord from time to time, if any, and, after notice thereof, all reasonable modifications thereof and additions thereto from time to time promulgated in writing by Landlord. Landlord shall not be responsible to Tenant for the nonperformance by any other tenant or occupant, if any, of the Leased Premises of any of such rules and regulations.

46. **Jury Waiver.** LESSOR AND LESSEE ACKNOWLEDGE THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL ONE, BUT THAT IT MAY BE WAIVED. EACH PARTY, AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF THEIR CHOICE, KNOWINGLY AND VOLUNTARILY, AND FOR THEIR MUTUAL BENEFIT, WAIVES ANY RIGHT TO TRIAL BY JURY IN

THE EVENT OF LITIGATION REGARDING THE PERFORMANCE OR ENFORCEMENT OF, OR IN ANY WAY RELATED TO, THIS LEASE.

47. **Severability; Authority.** Each provision of this Lease must be interpreted in a way that is valid under applicable law. If any provision is held invalid, the rest of this Lease will remain in effect. Each of the parties executing this Lease does hereby covenant and warrant that it is a fully authorized and existing corporation, limited liability company, partnership or other business entity, if applicable, that it has and is qualified to do business in the State of Michigan, that it has full right and authority to enter into this Lease, and that each and all of the persons signing on behalf of such entity are authorized to do so.

48. **Guaranty.** This Lease and Tenant's obligations hereunder are guaranteed by Distinctive Schools, Inc., an Illinois nonprofit corporation ("Guarantor") under a Guaranty made by Guarantor to Landlord dated of even date herewith, as it may be amended from time to time (the "Guaranty").

49. **Revocation or Termination of Contract.** . If the Tenant's Charter Contract issued by the Central Michigan University Board of Trustees is revoked, terminated or a new charter contract is not issued to the Tenant after expiration of the Tenant's Contract, unless such termination is attributable to the intentional acts or negligence of Tenant, Tenant shall have the right to terminate this Lease on written notice to Landlord, without penalty for early termination. Such termination shall not limit any recourse the Landlord has against the Tenant as it relates to Tenant's obligations under this Lease accruing prior to the date of termination.

50. **Amendment Caused By Academy Site Closure or Reconstitution.** In the event that the Tenant is required (i) to close an Academy site pursuant to a notice issued by the State School Reform/Redesign Officer under Section 507 of the Code, MCL 380.507; or (ii) to undergo a reconstitution pursuant to Section 507 of the Code, MCL 380.507, and Section 10.4 of the Charter Contract Terms and Conditions, and such closure of an Academy site or reconstitution causes an amendment to or termination of this Lease (which, in the case of an amendment to this Lease, must be acceptable to and approved in writing by the Landlord), unless such closure or reconstitution is attributable to the intentional acts or negligence of Tenant, the parties agree that this Lease shall be amended (provided such amendment is on terms which must be acceptable to and approved in writing by the Landlord) or terminated to implement the Academy site closure or reconstitution, with no cost or penalty to the Tenant, and the Landlord shall have no recourse against the Tenant or the University Board for implementing such site closure or reconstitution. This provision is not intended to limit any recourse the Landlord has against the Tenant as it relates to Tenant's obligations under this Lease accruing prior to the date of closure/reconstitution.

SECTION A

GOVERNANCE STRUCTURE

GOVERNANCE STRUCTURE

The People of Michigan through their Constitution have provided that schools and the means of education shall forever be encouraged and have authorized the Legislature to maintain and support a system of free public elementary and secondary schools. All public schools are subject to the leadership and general supervision of the State Board of Education and the Legislature has authorized an alternative form of public school designated a "public school academy" to be created to serve the educational needs of pupils and has provided that pupils attending these schools shall be eligible for support from the State School Aid Fund. The Legislature has delegated to the governing boards of state public universities, community college boards, intermediate school district boards and local school district boards, the responsibility for authorizing the establishment of public school academies. The University Board has approved the issuance of a contract conferring certain rights, franchises, privileges, and obligations of a public school academy to the Academy Board.

The Academy is incorporated as a Michigan nonprofit corporation, organized on a non-stock, directorship basis for the purpose of operating as a Michigan public school academy. The Academy shall conduct its affairs as a governmental entity exempt from federal income taxes under Section 115 of the United States Internal Revenue Code or any successor law. The Academy is a body corporate and is not a division or part of Central Michigan University. The relationship between the Academy and the University Board is based solely on the applicable provisions of the Code and the terms of this Contract.

The Academy Board shall have at least five (5), but no more than nine (9) members, as determined by the University Board. Academy Board members shall be appointed according to the terms of the Method of Selection, Appointment and Removal Resolution adopted by the University Board. The Academy Board has all the powers and duties permitted by law to manage the business, property and affairs of the Academy and for adopting policies by which the Academy shall be governed. The Academy Board is responsible for assuring that the Academy operates according to the Terms and Conditions of this Contract and Applicable Law. Contract Schedule 2: Amended Bylaws, set forth a further description of the Academy Board's governance structure.

Academy Board members shall serve in their individual capacity, and not as a representative or designee of any other person or entity. The Academy Board shall ensure compliance with Applicable Law relating to conflicts of interest and prohibited familial relationships, including Article IV, Sections 4.4 and 4.5 of the Terms and Conditions of this Contract.

Pursuant to applicable law and the Terms and Conditions of this Contract, including Article III, Section 3.6, the Academy Board may employ or contract for personnel according to the position information outlined in Schedule 5. Before entering into an agreement with an Educational Service Provider or an employee leasing company to provide services or to provide personnel to perform services or work at the Academy, the Academy Board must first comply with the Educational Service Provider Policies issued by the Center.

SECTION B

EDUCATIONAL GOAL AND RELATED MEASURES

EDUCATIONAL GOAL AND RELATED MEASURES

Pursuant to Applicable Law and the Terms and Conditions of this Contract, including Article VI, Section 6.2, the Academy shall achieve or demonstrate measurable progress for all groups of pupils toward the achievement of the educational goal identified in this schedule. Although an increase in academic achievement for all groups of pupils as measured by assessments and other objective criteria is the most important factor in determining the Academy's progress toward the achievement of the educational goal, the Center also considers other factors. Upon request, the Academy shall provide the Center with a written report, along with supporting data, assessing the Academy's progress toward achieving this goal. In addition, the University expects the Academy will meet the State of Michigan's accreditation standards pursuant to state and federal law.

Educational Goal to be Achieved

Prepare students academically for success in college, work and life.

Measures to Assist In Determining Measurable Progress Toward Goal Achievement

To assist in determining whether the Academy is achieving measurable progress toward the achievement of this goal, the Center will annually assess the Academy's performance using the following measures.

Measure 1: Student Achievement

The academic achievement of **all students who have been at the academy for one or more years¹** in grades 3-8 will be assessed using the following measures and targets:

Sub Indicator	Measure	Metric	Target
Against a Standard:	The percentage of students meeting or surpassing the current, spring, grade-level national norms ² on the NWEA Growth reading and math tests administered in the spring.	Distribution (which will be in the form of percentages): Exceeds $\geq 70.0\%$ Meets $\geq 50.0\%$ Approaching $\geq 30.0\%$ Does not meet $< 30.0\%$	50%
In the event that performance against the standard falls below these required expectations, "measurable progress towards the achievement of this goal" will be defined using the following measures and targets:			
Over Time:	The percentage of students meeting or surpassing spring grade-level national norms over time (CY-AVG(PY1+PY2+PY3)).	Trend score (which will be in the form of $-x$ to $+x$): Exceeds $\geq 6.0\%$ Meets $\geq 3.0\%$ Approaching $\geq 1.0\%$ Does not meet $< 1.0\%$	3.0%
Comparison Measure:	The percentage of students categorized as proficient or advanced on the most recent state assessment will surpass the school's Composite Resident District (CRD) percentage.	Portfolio Distribution (which will be in the form of $-x$ to $+x$): Exceeds $\geq 10.0\%$ Meets $\geq 5.0\%$ Approaching $\geq 0.0\%$ Does not meet $< 0.0\%$	5.0%

¹ One or more years students (also called 1+ students) are students who are enrolled in the academy on or before count day and are still enrolled at the end of a given academic year.

² Grade level national norms are updated periodically by NWEA following comprehensive norming studies. The Center will use the most updated national norms published by NWEA and will inform the Academy when the norms are updated and how the updated norms may impact analysis and performance reporting.

Measure 2: Student Growth

The academic growth of all students in grades 3-8 at the Academy will be assessed using the following measures and targets:

Sub Indicator	Measure	Metric	Target
Against a Standard:	The median of student growth percentiles (MGP) reflecting fall-to-spring scaled score growth on the reading and math NWEA Growth tests.	MGP: Exceeds $\geq 65^{\text{th}}$ Meets $\geq 50^{\text{th}}$ Approaching $\geq 45^{\text{th}}$ Does not meet $< 45^{\text{th}}$	Reading: 50 Math: 50
In the event that performance against the standard falls below these required expectations, “measurable progress towards the achievement of this goal” will be defined using the following measures and targets:			
Over Time:	The percentage of students making at least one year’s growth over time (CY-AVG(PY1+PY2+PY3)).	Trend score (which will be in the form of $-x$ to $+x$): Exceeds $\geq 6.0\%$ Meets $\geq 3.0\%$ Approaching $\geq 1.0\%$ Does not meet $< 1.0\%$	3.0%
Comparison Measure:	The mean student growth percentile reflecting growth on the two most recent state assessments will surpass the school’s Composite Resident District.	Portfolio Distribution (which will be in the form of $-x$ to $+x$): Exceeds $\geq 10.0\%$ Meets $\geq 5.0\%$ Approaching $\geq 0.0\%$ Does not meet $< 0.0\%$	5.0%

SECTION C

The Academy community will cultivate, practice and celebrate our values through teamwork and interpersonal relationships to build the kind of enriching community it wants to benefit from and support.

PRIORITIES FOR 2022/23 SCHOOL YEAR

Distinctive Schools (“DS”) was founded on the ideas of social justice, access to high-quality education regardless of zip code, social emotional learning, and innovation. These commitments remained strong during the COVID-19 response and continue to be a call to action to combat the inequities and challenges of education that were exacerbated by the pandemic and rebuild stronger and better than ever before. Distinctive Schools has launched a multi-year commitment to three key areas of focus: Mental Health and Wellness; Learning Acceleration; and Diversity, Equity, and Inclusion (“DEI”). Each key area is defined by unique attributes and action steps, however all three priority areas are interconnected.

PROGRAM ALIGNMENT TO MISSION, VISION & VALUES

The Academy learning model, which aims to prepare capable, high-achieving, future-ready students, is intentionally delivered through three core lenses: Personalized Learning; Social Emotional Learning; and Diverse Learning (Special Education & Language Learning). Because the Academy believes that education is most effective when it incorporates the needs of the whole child, the Academy’s pedagogical mindset values the integration and intertwining of social, emotional, and academic learning. To ensure all students find success in the DS Learning Model, the Academy incorporates a Multi-Tiered System of Supports (“MTSS”), a prevention-based framework for improving learning outcomes for all students through a layered (tiered) continuum

of evidence-based supports. These supports integrate the academic and social emotional needs of students to foster lifelong success.

The DS Learning Model has successfully shifted from one with a traditional focus on teaching to one with a focus on deep learning. Using a strengths-based approach, coupled with real-time feedback generated from short-cycle assessment data, Academy educators coach students in the development of strong and positive student identity and agency. In turn, students become confident, well-rounded, resilient members of the learning community and are well-positioned for success in college, career, and life.

PERSONALIZED LEARNING PRACTICES#

Personalized learning promotes student-centered opportunities that promote students owning the cognitive lift and developing agency and a strong identity which is key in the DS model. Students are active partners in their education and teachers strive to design learning experiences that provide students with the right content, at the right time, in the right place, using the right mode of instruction. The Academy's personalized learning model places a clear and steadfast emphasis on the process of learning and that learning experiences are designed around students' individual or collective strengths, interests, and goal areas. Teachers plan lessons to support students in mastering grade level standards while simultaneously addressing targeted skills and close any academic gaps.

The Academy, alongside DS, has adopted the LEAP Learning Framework to guide the personalized learning work. The four core personalized learning practices can be seen in DS classrooms: Learner Profiles, Personalized Learning Paths, Flexible Learning Environments, and Competency-Based Progressions.

- **Flexible Learning Environments:** The needs of learners drive the design of the learning environment to ensure environments, staffing plans, space design and time allocations contribute to supporting in meeting individual goals.
- **Learner Profiles (“LP”):** The LP is a two-way communication tool and vehicle for students to convey individual learning needs and student preferences, strengths and goals. LPs capture important information about each learner beyond test scores and achievement levels; personal stories, attributes and weaknesses are conveyed, which help guide planning, instruction and learning. The LP serves as a catalyst for conversation, negotiation and creative problem-solving, which promotes meaningful, student-centered learning and a strong sense of student agency.
- **Personal Learning Paths (“PLP”):** Each student has a customized path that responds and adapts based on his/her strengths, needs, interests and goal areas. The PLP is designed to support students in achieving grade level standards and targeted skills to extend learning and/or close learning gaps. Plans are adaptable and responsive to learner needs and are strengthened when students and parents are true partners in planning.
- **Competency Based Progression:** Each student follows an individual path to support progress toward mastery of all appropriate state standards. Teachers design student learning opportunities based on student assessment data, needs, interests and goals. To ensure that students learn and grow toward well-defined targets and goals, students are

continually assessed and monitored so learners are able to advance toward new targets and goals as soon as students are ready. The academic day includes opportunities for mastery of grade level standards and targeted skills instruction to close learning gaps.

CURRICULUM AND INSTRUCTION

In order to deliver an exceptional educational experience for children, one that is consistent with the Academy's mission and strives to ensure college and career readiness, the Academy uses an array of resources and tools to deliver a standards-aligned curriculum according to the parameters defined by each state in which DS serves. Curriculum and instruction are planned to support students in college, career, and life readiness. This requires intentional planning, rigorous tasks, access to grade level standards and work, and a strong belief in students' ability to reach his/her goals.

The DS model provides a balance of grade level standards with targeted skill instruction to strategically address student goals and close any learning gaps. To this end, curriculum resources are carefully selected to provide access to rigorous, grade level standards and personalized, differentiated learning opportunities. Personalized learning mindset and practices are combined with whole class, small group and individual instruction to provide learning opportunities to meet individual and collective needs.

DS educators engage in rich professional learning to strengthen the use of proven instructional strategies, best-practice pedagogy, and innovation to create rich learning environments in which to learn and grow. Professional educators are equipped to design highly engaging learning experiences for Academy students, and educators expertly weave standards together in complex instruction in order to meet the rigorous outcomes set forth by the curriculum. Educators collaborate regularly with the support and expertise of the campuses' instructional leaders and employ effective blended learning practices to leverage technology in support of excellent teaching and learning. DS educators bring the curriculum to life through the expert use of a variety of core tools, supports, and resources.

K-4 Core Curricular Tools and Resources

- ***Move This World*** provides a digital library of videos with grade specific exercises and explicit instruction in student wellness and social emotional learning, and sets the tone for a supportive and positive classroom culture. Each video coaches students and educators through creative exercises that explicitly teach core social emotional learning skills and provide opportunities for practice, discussion, planning, and goal setting. As a result, students learn how to better manage their emotions, develop empathy for others, build skills for more effective communication, and improve their overall wellbeing.
- ***Benchmark Advance***[®] is a comprehensive English Language Arts ("ELA") tool in which foundational phonics skills, reading, writing, and word study are integrated to create a balanced literacy model using a workshop approach. Units are built upon essential questions in which students uncover the key knowledge and skills and rich enduring understandings through reading and rereading rich texts. Students read closely, annotate text, support thinking with evidence, and discuss their thinking and analysis with peers within independent, guided, and collaborative learning opportunities. Social studies and science content is integrated into the units. Weekly, unit, and interim assessments provide

multiple opportunities to demonstrate mastery and provide personalized instruction. Benchmark Adelante® and English Language Development kits are used to provide native language and language support for English Learners (“EL”) as they gain proficiency in English.

- ***Handwriting Without Tears® (K-1)*** A developmentally appropriate sequence and multi-sensory approach to support students in mastering legible and fluent handwriting. An interim assessment provides opportunities to assess growth and functionality of grip and handwriting.
- ***Heggerty (K-2)*** is a daily phonemic and phonological awareness activities to support early literacy. Students may refer to this as the “blue book” in kindergarten and “yellow book” in first and second grades.
- ***EngageNY*** is a standards aligned math resource that articulates modules of study through a rigorous, differentiated and targeted approach to ensure every domain of the Common Core Learning Standards for Math are addressed in a year-long scope and sequence. Mathematical Practice Standards are interwoven to deepen student learning and develop mathematical mindsets. Students engage in daily formative assessments through exit slips. Progress is monitored through mid-module and end-of-module assessments.
- ***Box Cars & One-eyed Jacks®*** are math manipulatives and games to help students develop a strong conceptual understanding of mathematics and to strengthen their process skills aligned to the Standards of Mathematical Practice.
- ***Mystery Science*** is an inquiry-based, online resource aligned to the Next Generation Science Standards (“NGSS”). Each lesson begins by asking a question and uses children’s natural curiosity to help them develop a plan to systematically investigate and collect evidence and guides them to develop an independent conclusion.
- ***i-Ready®*** is a digital program providing personalized instruction and competency-based pathways for students in reading and mathematics. A diagnostic assessment identifies a student’s current level of performance and customizes a personalized plan based upon strengths and areas of focus. Students participate in guided lessons, digital instruction and practice, as well as teacher-led small groups.

The Academy incorporates a MTSS, a prevention-based framework for improving learning outcomes for all students through a layered (tiered) continuum of evidence-based supports. The regional MTSS team has identified core beliefs and commitments to support MTSS mindsets, processes, and structures. These beliefs and commitments ensure that all efforts are in alignment with network values and the Strategic Plan.

The daily schedule includes a What I Need (“WIN”) block at each grade level. This time is focused on providing personalized, competency-based pathways for each student which could include reinforcement, remediation, or extension of grade level skills. Digital programs, small groups or 1:1 instruction and workshops are used to support the learning. Often, teachers will address any system level (grade or class) needs based upon data. Tier 2 and/or 3 interventions, as determined by the campus problem solving team, can also be administered during the WIN block. This time is dedicated to providing supports in reading and math in Tiers 1 for all students and Tiers 2 and 3 for some students.

SOCIAL EMOTIONAL LEARNING

The Academy believes strong academic instruction and learning happens best when the academic, social, and emotional needs of the whole child are addressed and met. To ensure students’ success, well-being and character, the Academy aims to develop self-awareness, self-regulation, collaborative relationships and responsible decision-making skills that are needed to be healthy, well-rounded and successful global citizens. DS strives to help children and adults alike to broaden views of success and have a reliable toolkit to tackle the challenges of the future.

Intended to help educators navigate the challenges of preparing students for an unknown future, with unknown and rapidly changing demands and circumstances, The Next Generation Learning Challenges (“NGLC”) organization presented its MyWays Framework. The Framework distills research and sparks ideas for educational change that honors and nurtures the whole child.

Inclusive of the tenets of the MyWays Framework, DS developed its own Social Emotional Learning (“SEL”) Framework to guide its work alongside the Personalized Learning Framework to support the whole child. The DS SEL Framework provides educators with a quality foundation to establish students’ overall self-awareness, self-regulation, collaborative relationships, and responsible decision-making. Explicit guidance on student, classroom and school-wide supports promote the students’ development of the following core competencies as defined by the MyWays Habits of Success: academic behaviors, self-direction and perseverance, positive mindsets, learning strategies, and social skills and responsibilities. SEL in DS is addressed through four core areas of community, social justice, mindsets, and culture.

All Academy students engage in explicit and daily SEL instruction and dedicated time for community gathering. The core curricular tool of Move This World provides a scope and sequence that is developmentally appropriate for the grade level to support students in developing social and emotional competencies. Additionally, each middle school learner has a staff mentor that provides guidance and support in meeting deadlines, navigating challenges, project planning, study habits, and developing a strong academic identity. Mentors meet weekly for 10-15 minutes or as needed. This relationship provides 1:1 time for students and fosters a trusting relationship to support academic or social goals.

To assist students in their development of positive mindsets, particularly when faced with challenges, the Academy uses a PRIDE Framework to convey the attributes of a Distinctive Schools learner: Problem-solving, Responsibility, Integrity, Drive, and Empathy. The PRIDE Framework was built off a more traditional Positive Behavioral Interventions and Supports model and is used to embed, social, emotional, and behavioral supports at the student, classroom, and school levels. The language of the PRIDE Framework is consistent and common across the entire Distinctive Schools network, and school teams highlight explicit SEL instruction through the letters of PRIDE (learner attributes). The PRIDE Framework provides support and structures to help students manage their emotions and feelings. Whether faced with anger, stress, frustration, disillusionment, sadness, inattentiveness or any number of social challenges, students learn to use the PRIDE Framework as a tool to help them cope with life’s difficulties in and beyond the classroom.

DIVERSE LEARNING

Special Education Students

When making educational placement decisions for students with disabilities, the Academy will ensure that parents are contributing members of the Individualized Educational Program (“IEP”) team, and together the team will make decisions that are subject to requirements regarding provision of the least-restrictive environment. When determining how services will be delivered to students with disabilities, the Academy will follow all Special Education Rules as issued by the Michigan Department of Education. If a child with a current IEP enrolls in the Academy, the Academy will implement the existing IEP to the extent possible or will provide an interim IEP agreed upon by parents until a new IEP can be developed. IEPs will be developed, revised and implemented in accordance with the Individuals with Disabilities Education Improvement Act (“IDEIA”) and state law and regulations.

The Academy will fully comply with federal laws and regulations governing children with disabilities as follows:

1. The Academy is responsible for providing a free, appropriate public education to children with disabilities enrolled in the Academy that have been determined through an IEP to require Special Education programs and services.
2. The Academy will ensure that children who are suspected of having disabilities are properly evaluated by a multidisciplinary team, as defined in the Michigan Special Education Rules, and that children who have already been identified are re-evaluated by the multidisciplinary team at least every three years.
3. When a multidisciplinary team determines that a special education student requires Special Education programs and services, the Academy will ensure that the IEP is fully implemented in accordance with IDEIA and reviewed on an annual basis or more frequently as determined by the IEP team.

IEPs drive all instruction for Academy students with special needs. The Academy implements a specialized curriculum based on the needs of the student and their least restrictive environment. The Academy meets IEP requirements in the personalized learning model because instruction is tailored for all students based on individual needs. Another layer of accountability for the special education students is the legal IEP in which the Academy identifies and implements all services outlined by the team.

English Language Learners

The Academy serves a diverse population including English Language Learners (“ELL”). The mission of the Academy is to ensure all students, including ELL, attain the highest level of academic success and language proficiency. Academy leaders and teachers leverage ELL students’ home languages, cultural assets and prior knowledge and actively engage parents as participants, contributors and cultural liaisons to the school community. To ensure ELL students reach academic goals and growth targets, language development practices and cultural responsiveness plans are integrated into daily instruction.

The Academy follows the WIDA™ standards that align with the DS curriculum framework to provide students, educators and parents with a set of clear expectations leading to college and career readiness. The Academy focuses on preparing every teacher to teach academic language and challenging content to all students, including ELL students. ELL staffing is dependent on the language and number of students receiving services. All teachers must be skilled in how to support ELL students as students acquire content knowledge, while also progressing towards English proficiency. The core literacy curriculum was intentionally chosen and designed to align instruction in bilingual classes to ensure appropriate access in diverse education settings.

Advanced and Above Grade Level Learners

The personalized learning model and blended instructional approach is designed to advance all learners, regardless of grade level. Digital adaptive programs provide personalized pathways for students that may go beyond grade level. Small group instruction and deep learning experiences provide opportunities for deeper investigation of topics. Formative assessment data is to drive student readiness to demonstrate mastery in order to move on to the next concept within the PLP.

Educational Development Plan

One element of the DS Middle School model is dedicated time for students to learn about themselves, interests, needs and strengths, both academic and social-emotional. This time is embedded into the school day and integrated into projects, tasks, LP and community-time activities. The goal is for students to understand who they are today and to identify potential interests to begin planning future high school, college and career opportunities. Staff takes time to reinforce that every student can go to college or trade school after high school and that today's experiences are part of the personal journey. Explicit connections to future career goals or educational needs are referenced during projects and learning. Teachers will use tools, resources, and curriculum from SuccessBound to support students in thinking beyond high school and potential career opportunities.

ASSESSMENT

DS uses a rigorous plan and related protocols for measuring learning outcomes for grade level content and targeted skill instruction. Frequent progress monitoring and checks for understanding are intentionally planned into daily lessons. Digital content includes adaptive programs that measure learning and provide PLPs for students. Individual student growth is measured within the context of the research document, *Measuring Growth Toward College Readiness: Using MAP (Measures of Academic Progress) Scores to Predict Success on the ACT Test Benchmark Scores* (Robert A Theaker, Northwest Evaluation Association, Portland, Oregon, Clay S. Johnson, University of Arkansas), where the MAP Growth assessments were used to connect third through 11th grade student growth with college readiness. Specifically, the Academy administers the NWEA MAP Growth assessments each fall, winter and spring to inform instruction, set growth targets mapped from the SAT addendum to the original study and gauge overall academic progress. Teachers use these data to inform instruction with concentrated flexible learning groups.

In addition to the MAP Growth assessments, the Academy also participates in all state required assessments. Data from these assessments, in-class demonstrations of learning and digital programs are used to monitor progress and allow for flexible groupings around discrete skill instruction based on relevant needs.

There is no value to administering assessments unless the data are used in a timely manner to impact instruction. Knowing this, the Academy's schedule allows for daily collaborative meeting time between teams of teachers. Data are ever present at these meetings, and scrutinized to ensure all students are progressing toward growth targets. Dynamic groupings and skill-focused instruction are modified based on patterns revealed across platforms, which include digital programs and in class assessments. The instructional coach leads the process in which data is analyzed and instructional implications are planned with teachers. The Coach ensures teachers have access to all data through program logins and share documents charting results. All individual student assessment results are available in a student's LP. Teachers work collaboratively to set individual growth targets for each student. Students take an active role in understanding learning goals through their PLP; this can be the most powerful influence on student achievement of all. All levels of the Academy organization are focused on monitoring and analyzing student performance data. Based on the analysis, plans are adjusted at the Academy, classroom and individual student level. Professional development is reexamined and aligned with updated plans. This level of responsiveness promotes continuous improvement in teaching and learning and in corresponding improved academic results.

The Academy believes investing in and developing teachers' professional capacity is fundamental to improving student achievement and engagement. The Academy uses the DS Teaching Framework, created with teachers, by teachers, and for teachers, based on the work of Charlotte Danielson and the Teacher Advancement Program ("T.A.P."), to define and support best practices in instruction. The framework includes eight instructional indicators, each of which is defined by

a concrete set of descriptors that articulate a continuum of expertise ranging from Emerging to Distinctive.

ASSESSMENT							
Emerging (1)		Developing (2)		Effective (3)		Distinctive (4)	
A	Student work neither aligns to the objective nor requires students to interpret information and think analytically.	A	Student work aligns to the objective but rarely require students to interpret information and think analytically.	A	Student work both aligns to the objective and usually requires students to interpret information and think analytically.	A	Student work aligns to the objective and consistently requires students to interpret information and think analytically.
B	Teacher does not use formative assessment results to drive instruction, identify differentiated student supports, or to determine student groupings.	B	Teacher uses the results of at least one formative assessment tool to drive instruction, but inconsistently uses these same results to identify differentiated students supports or student groupings.	B	Teacher consistently uses the results of multiple formative assessments (independent work, program data, etc.) to drive instruction, identify differentiated student supports, and to determine student groupings.	B	Students use formative assessments results to take ownership of their learning process by identifying and analyzing mistakes, seeking help from the teacher or a peer, and determining the support needed to achieve mastery.
C	Expectations and assessment criteria have not been determined in planning process and, as a result, are not clearly communicated to students.	C	Expectations and assessment criteria are determined in planning process, but are not clearly communicated to students.	C	Expectations and assessment criteria are clearly communicated for successful student performance. (i.e.- rubric, checklist, mastery)	C	Students self- or peer-evaluate using assessment criteria to reinforce, relearn, or extend the lesson/objective.
D	Lesson does not include an assessment.	D	Lesson includes an assessment but teacher has no system for collecting assessment data, or only uses data to determine the grade rather than to inform future instruction.	D	Teacher has an efficient system for collecting and using lesson assessment data to inform future instruction (exit ticket, anecdotal notes, charts, portfolios, program data, etc.)	D	Teacher implements intentional system for using lesson assessment data immediately and creates differentiated assessments based on these results.

PROFESSIONAL LEARNING AND COACHING MODEL

As an innovative organization, the Academy's understanding of best practices in instruction continues to evolve. In order to ensure that the framework aligns to and supports current instructional beliefs and values, a cohort of various DS stakeholders composed of both teachers and teacher leaders serving in a wide range of roles, convenes annually to review and revise the language of the framework. The team makes content recommendations based on the most current research in the field and the team's experience in using the framework in the classroom. Upon the finalization of the framework, each campus then devotes a significant amount of professional learning time at the beginning of the year analyzing and discussing the revisions, their purpose, and most importantly, what the revisions mean when applied in the classroom.

In mirroring the work done with Academy students, the Academy uses a strengths-based approach to support teachers' professional growth. The framework is a tool for both teachers and leaders; it provides a common language for all members of the DS instructional team and supports ongoing collaboration and reflection on best practice. Leaders use the framework for informal and formal observations and to guide conversations about instruction, and teachers use the framework to identify instructional strengths and needs and to identify a personalized trajectory of professional growth.

To directly support teachers in the development of best practice teaching and learning, instructional coaches at each campus lead job-embedded professional learning. Teachers and coaches collaboratively identify points of practice from the DS Teaching Framework and engage in a Collaborative Coaching cycle that is defined by co-creating a student-centered goal, identifying and implementing an instructional strategy, and monitoring progress towards the goal. Instructional coaching is an integral part of the instructional model and allows for teachers to engage in continuous improvement.

A cornerstone of the DS model is hiring and retaining top talent, with a special emphasis on building a diverse team – one that reflects the diversity of the children and families the Academy serves. Professional growth, support and regular opportunities for collaboration with colleagues are critical to teacher retention. These priorities are fulfilled by the role of Instructional Coach. DS instructional coaches utilize a *coaching from within* model and each have a full-time teaching assignment. This ensures that our best teachers are in front of students and provide real-time leadership, model classrooms, conduct observations, and lead feedback conversations with peers. Grade level and content team meetings occur multiple times per week where staff can analyze data and plan data informed responses for students. These meetings engage teachers in collaborative planning around the standards and needs of each student. DS follows the research of Joyce and Showers, which indicates coaching and collaboration on the Academy level provides greater impact on achievement than sourcing outside professional development.

Personalized Professional Learning

Instructional Coaches and mentors provide job-embedded professional learning and peer-to-peer coaching and support in order to support continuous improvement through the Collaborative Coaching Cycle. The coach strives to create a strong, trusting relationship that supports open, honest dialogue, and the exchange of constructive feedback and reflection. Once established, the coach creates conditions for learning and refining practices such as observing a classroom, modeling a lesson, or professional reading. Finally, teachers engage in practicing the skill or strategy with opportunities for observation, feedback, and support checklists. There are times that Instructional Coaches will provide directive or facilitative conversations.

DS guides instructional improvement through reflective coaching on instructional best practices as identified in the DS Teaching Framework. During the course of a school year, teachers receive multiple formal evaluations from a school director and instructional coach that require teachers to self-score according to the guidelines of the DS Teaching Framework. Self-scores are compared to the evaluator's scores along with coaching steps to identify areas of reinforcement and refinement. Follow-up steps are identified from the formal evaluations to support the teacher's implementation of refinement suggestions. Additionally, every teacher and leader creates a Professional Growth Plan ("PGP"). The PGP is a student-centered experience, meaning that the learner drives the learning. While some shared expectations are put in place to ensure continuity across the organization and to provide a solid foundation for learning, each person has a high degree of autonomy with regards to meeting these expectations. Teachers must connect their PGP to the Campus Growth Plan ("CGP"); similarly, leader PGPs connect to the Professional Standards for Educational Leaders. Teachers and leaders choose a question, problem or topic to investigate and reflect on the learning process throughout the year. While the PGP is a learning opportunity that provides all DS members a way to pursue a personal area of interest, the ultimate goal is to share the deep learning and "Pay-it-Forward" to colleagues so others can gain from the learning. The Academy leaders and staff will craft an individual PGPs each year.

Staff collaboration plays a significant role in improving teaching and learning. DS believes in providing on-going, job embedded professional development for all staff through delivery of the instructional model. An annual calendar is established with a corresponding weekly schedule. In this process, school teams identify areas for improvement and organize collaborative teacher teams to research and implement strategies designed to improve student learning outcomes. Individuals

or teams meet to conduct action research, co-plan implementation of a strategy, view models of strategy or analyze student work to determine the effectiveness of the strategy. Schools implement two to four cycles per school year.

ACADEMIC REVIEW TEAM AND PROGRAM EVALUATION

DS conducts Academic Review Visits two times per year. The DS Academic Review provides leaders the opportunity to reflect on and discuss instructional trends at the Academy level and identify actionable next steps that lead to improved instructional practice and gains in student achievement. The process also allows Academic Team members to identify instructional trends at the network level and supports needed in terms of Leadership Academy, professional development and cross-campus collaboration. DS believes that collaboration, reflection and feedback are essential components of professional growth. The Academic Review is a co-constructed process in which DSs' campus and network leaders participate in an observation cycle designed to identify instructional trends over time to both celebrate progress and identify points of practice at both the campus and network level.

The Campus Growth Plan ("CGP") functions as a school improvement plan for each academic year and is the core tool used to define and monitor success and performance of the school and organization. The CGP identifies clear goals and priority areas based on the previous year's culture and academic data and is monitored quarterly. The Academy reviews annual and historical data trends and determines priority goal areas. Goals are developed around academic areas (e.g., math, literacy), student culture (identify affirmation, attendance, office referrals etc.), priority groups (special education subgroup, race, gender, etc.) and a strategic initiative goal (e.g. enrollment). Each goal and its corresponding action steps provide a "road map" of changes and actions to put in place in order to improve the student growth, development, and achievement and ensure that all students succeed.

The Academy instructional leadership teams (e.g., principal, assistant principal, dean, and instructional coaches) deeply analyze progress toward annual CGP goals, review standardized tests, common assessments, school culture, attendance, and behavior data. The result of the data dive is to identify areas of celebration, attention, and priorities and put appropriate next steps in place.

The Academy shall comply with all Applicable Law regarding requirements affecting personnel employed by or assigned to the Academy including (but not limited to): qualifications, evaluation systems, criminal background checks and unprofessional conduct disclosures. All administrators or other person whose primary responsibility is administering instructional programs or as a chief business official shall meet the certification and continuing education requirements as described in MCL 380.1246. Except as otherwise provided by law, the Academy shall use certificated teachers according to state board rule.

Administrator and Teacher Evaluation Systems. The Academy Board shall adopt and implement for all teachers and school administrators a rigorous, transparent, and fair performance evaluation system that complies with the Code. If the Academy enters into an agreement with an Educational Service Provider, then the Academy Board shall ensure that the Educational Service Provider adopts a performance evaluation system that complies with MCL 380.1249.

Performance Evaluation System. During the term of this Contract, the Academy shall not assign a pupil to be taught in the same subject area for 2 consecutive years by a teacher who has been rated as ineffective on his or her 2 most recent annual year-end evaluations per the Code. If the Academy is unable to comply with this provision of the Code and plans to assign a pupil to be taught in the same subject area for 2 consecutive years by a teacher who has been rated as ineffective on his or her 2 most recent annual year-end evaluations per the Code, the Academy Board shall notify the pupil's parent or legal guardian that the pupil has been assigned to be taught in the same subject area for a second consecutive year by a teacher who has been rated as ineffective on his or her 2 most recent annual year-end evaluations. Reporting Structure

All positions are employed by Entrepreneurial Ventures in Education, Inc., and are outlined in the Educational Service Provider Agreement included in this Schedule.

Position Responsibilities

Following are the categories into which Academy staff fall. Descriptions for all positions employed by or assigned to the Academy are available at the Academy.

School Administrator(s)

As stated above, all administrators or other person whose primary responsibility is administering instructional programs or as a chief business official shall meet the certification and continuing education requirements as described in MCL 380.1246. In addition to the position titles identified in MCL 380.1246, the Michigan Department of Education ("MDE") will deem an administrator working

at a district or school level to be “administering instructional programs” if the person’s position description or day-to-day duties include any or all of the following elements *:

1. Responsibility for curriculum. This includes final or executive decisions which directly impact what should be taught to students and how it should be delivered, as well as what learning outcomes are expected, often following a philosophy of research, best practices, and continuous improvement providing equitable access to all students.
2. Responsibility for overseeing district or school improvement plan design or implementation. This includes a vision and a method for execution of plans regarding incorporating student assessment, using student performance and school safety data to drive decision-making, the use of information technology to support improvement, professional development, and overall student achievement.
3. Oversight of instructional policies. This includes the creation, modification, and recommendation of final policy regarding any aspect of how teachers implement, deliver, and support curriculum. Whether or not making specific financial decisions in support of these policies is part of the oversight role, this person still has final decision-making responsibility for instruction.
4. Executive-level reporting on academic progress to a governing authority. This includes providing updates, documentation, data, or presentations in an official or executive capacity to a governing body regarding progress on student learning goals—whether or not these reports are tied to expenditures related to the successful delivery of the instruction.
5. Supervision and evaluation of direct reports responsible for instruction. This includes providing executive leadership for employees who report to the individual, and providing direction to establish work priorities and decision-making. This involves evaluation of educator efficacy as well as general work performance of staff.

(*This statement and numbered items that follow it were taken directly from the February 23, 2017, Memorandum issued by the MDE.)

Instructional Staff

As stated above, except as otherwise provided by law, the Academy shall use certificated teachers according to state board rule. Individuals that are considered instructional staff are responsible for implementing the Academy’s curriculum, developing assessments and monitoring student progress. Instructional staff whose main responsibility is working with students with disabilities must modify instructional techniques in order to enhance learning for all students.

Non-Instructional Staff

The staff that fall into this category are not required to hold an administrator certificate or a teaching certificate. The individuals in this category support the Academy’s pursuit of its mission, vision, and educational goals.

EDUCATION SERVICES PROVIDER AGREEMENT

This Education Services Provider Agreement (the “Agreement”) is made and entered into as of the 1st day of May 2023, by and between **Entrepreneurial Ventures in Education, Inc.**, a Massachusetts based non-profit corporation, and its subsidiary Phalen Leadership Academies (collectively referred to as “EVE”), and **Discovery Creative Pathways f/k/a Distinctive College Prep** (“DCP” or the “Academy” and together with EVE, the “Parties”), a Michigan non-profit corporation and public school academy formed under Part 6A of the Revised School Code, as amended (the “Code”).

WHEREAS, DCP operates under the direction of a Board of Directors (the “Board”) and is authorized pursuant to a contract (the “Charter Contract”) issued by the Central Michigan University Board of Trustees (“Authorizer”).

WHEREAS, DCP operates two separate school campuses (DCP Redford Academy and DCP Harper Woods) under one charter contract issued by the aforementioned Authorizer.

WHEREAS, EVE is a Massachusetts based non-profit corporation authorized to transact business in the State of Michigan, and providing direct educational services to public school academies. EVE has the ability to implement a comprehensive educational program and training methodologies for DCP; and

WHEREAS, DCP desires to engage EVE to perform those services as a direct educational service provider pursuant to this Agreement.

WHEREAS, it is intended that DCP shall accomplish its mission by utilizing the services of EVE. DCP hereby acknowledges this intent and approves this Agreement for direct educational services of DCP by EVE.

NOW, THEREFORE, for good and valuable consideration, including the mutual promises and benefits contained in this Agreement, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

ARTICLE I:

CONTRACTUAL RELATIONSHIP

A. **Authority.** DCP has been granted the Charter Contract by the Authorizer to organize and operate a public charter school, together with the powers necessary or desirable for carrying out the educational program set forth in the Charter Contract. DCP is authorized to contract with a private entity to provide educational services, provided that the management

agreement shall comply with the Authorizer's Educational Services Provider requirements (the "ESP Policies").

B. Agreement. Acting under and in the exercise of such authority, DCP hereby contracts with EVE for specified functions relating to the provision of direct educational services and school support activities of DCP.

C. Status of the Parties. EVE is a Massachusetts non-profit corporation and is not a division or a part of DCP. DCP is a public charter school authorized by the Code, and is not a division or part of EVE. The relationship between EVE and DCP is based solely on the terms of this Agreement. The Parties to this Agreement intend that the relationship between them created by this Agreement is that of an independent contractor, and that, except as expressly set forth in paragraph D below, no employee of EVE shall be deemed to be an agent of DCP. EVE is solely responsible for its acts and the acts of its agents, employees, and subcontractors. Employees of EVE, even those assigned to work exclusively at DCP, are not employees of DCP.

D. Designation of School Officials for Purposes of FERPA. Agents and employees of EVE having a legitimate educational interest in student record information, are hereby designated by the Board as "school officials" of DCP such that they are authorized access to educational records of the DCP's students under 20 U.S.C. § 1232g, the Family Educational Rights and Privacy Act ("FERPA"). "Legitimate educational interest" shall be defined as having a responsibility for helping the student achieve one (1) or more of the educational goals of DCP or if the record is necessary in order for the employee to perform an administrative, supervisory, or instructional task or to perform a service or benefit for the student or the student's family.

During the term of this Agreement, the Academy may also disclose confidential data and information to EVE, and its respective officers, directors, employees and designated agents to the extent permitted by applicable law, including without limitation, the Individuals with Disabilities Education Act ("IDEA"), 20 USC §1401 et seq., 34 CFR 300.610 -300.626; Section 504 of the Rehabilitation Act of 1973, 29 USC §794a, 34 CFR 104.36; the Michigan Mandatory Special Education Act, MCL 380.1701 et seq.; the Americans with Disabilities Act, 42 USC §12101 et seq.; the Health Insurance Portability and Accountability Act ("HIPAA"), 42 USC 1320d - 13200d-8; 45 CFR 160, 162 and 164; and social security numbers, as protected by the federal Privacy Act of 1974, 5 USC §552a; and the Michigan Social Security Number Privacy Act, MCL 445.84.

Except as permitted under the Code, or under a separate vendor contract with corresponding confidentiality provisions, Contractor shall not sell or otherwise provide to a for-profit business entity any personally identifiable information that is part of an Academy student's education records. However, in order to fulfill obligations under this contract, it is understood that EVE will need to share personally identifiable information to certain vendors to support the school's operations. If Contractor receives information that is part of an Academy student's education records, Contractor shall not sell or otherwise provide the information to any other person except as permitted under the Code or pursuant to this provision of the contract.

For purposes of this section, the terms “education records” and “personally identifiable information” shall have the same meaning as those terms in section 1136 of the Code, MCL 380.1136.

Except as set forth in this paragraph D, no agent or employee of EVE shall be deemed to be an agent of DCP.

ARTICLE II:

WARRANTIES AND REPRESENTATIONS

A. **Representation.** DCP represents that it has the authority under State law to execute, deliver, and perform this Agreement, to incur obligations provided for under this Agreement, to incur obligations provided for under this Agreement and to contract with EVE for EVE to provide the services set forth in this Agreement on behalf of the Academy.

B. **Certification As to Pending Claims.** DCP certifies that, as of the date of this Agreement, there are no pending actions, claims, suits, or proceedings, to the knowledge of the Academy, threatened or reasonably anticipated against or affecting the Academy, which if adversely determined, would have a material adverse effect on the ability of the Charter Academy to perform its obligations under this Agreement. Further, the Academy warrants that the information it has furnished EVE concerning the Academy’s facilities, finances, revenues, student enrollment and staffing is accurate and the latest information available at the time of the execution of this Agreement.

C. **Authority of EVE.** EVE represents and warrants that it is a non-profit corporation organized and existing under the laws of the State of Massachusetts, with lawful power and authority to enter into this Agreement, acting by and through its duly authorized officers.

ARTICLE III:

TERM

A. **Term.** This Agreement shall become effective July 1, 2023 and shall expire on June 30, 2027. However, the term of this Agreement is subject to a continued Charter Contract from the Authorizer and continued state per capita funding.

B. **Renewal.** At the end of the Term, DCP and EVE may mutually agree to extend the Agreement which shall be documented in a written amendment to this Agreement signed by both parties and will be done in a manner consistent with the Authorizer's ESP Policies. Under no circumstances, however, shall this Agreement extend beyond the term of the Charter Contract.

C. **Review by CMU.** The parties acknowledge that this Agreement is subject to the review of CMU and shall be subject to termination in the event that CMU does not provide its non-disapproval this Agreement.

ARTICLE IV: **FUNCTIONS OF EVE**

A. **Responsibility.** Contractor shall be responsible, and accountable to the Board, for the administration, operation and performance of the Academy, in accordance with appropriate sections of the Code and the Contract. Contractor shall use its best efforts to perform the obligations and responsibilities of the Academy under the Code and the Contract on behalf of the Academy or to assist the Academy in performing those obligations and responsibilities. No provision of this Agreement shall be deemed to interfere with the Board's exercise of its statutory, contractual and fiduciary responsibilities governing the operation of the Academy, or prohibit the Board from acting as an independent, self-governing public body, or allow public decisions to be made other than in compliance with the Open Meetings Act.

B. **Educational Services.** Under the direction of the Board, EVE shall be responsible for providing direct educational services to DCP. Such functions include but are not limited to:

1. Implementation and administration of the educational program.

wage and benefits administration, training, and technical assistance) necessary to support those employees;

7. Supervision of the school support services programs including food service and facilities maintenance;
8. Preparation of required authorizer, local, state, and federal reports with prior review by the Board.

EVE shall implement the educational goals and programs set forth in the Charter Contract, including, but not limited to, methods of pupil assessment, admission policy and criteria, school calendar and school day schedule, age and grade classifications for pupils to be enrolled, and methods to be used to monitor performance towards targeted educational outcomes. In the event that EVE determines that it is advisable to modify the educational goals and programs set forth in the Charter Contract, EVE will provide written notification to the Board specifying the proposed changes it recommends and the reasons for the proposed changes. No changes in the educational goals and programs shall be implemented without the prior written approval of the Board and a Charter Contract amendment approved by the Board and Authorizer. EVE shall provide the Board with periodic written

reports specifying the level of achievement of each of the Academy's educational goals set forth in the Charter Contract and detailing its plan for meeting any educational goals that are not being attained, such reports to be submitted on a regular periodic basis and upon request of the Board.

E. **Subcontracts.** It is anticipated that EVE will utilize subcontracts to provide some of the services it is required to provide to the Academy under this Agreement. EVE may not subcontract the management, oversight, or operation of the teaching and instructional program without the specific prior written approval of the Board. Except as described in the previous sentence, Board approval of subcontracts is not required unless the cost for these subcontracted services exceeds the funds appropriated for that purpose of the Academy's approved budget or Board approval is required by the Charter Contract or by the Board's procurement policy. EVE will receive no additional fee as a result of subcontracting of any services, all of which shall be provided without markup. Any services to be provided by EVE that are included in the management fee, but are performed by a subcontractor, shall not be charged to, reimbursed by or passed through as an additional cost to the Academy.

F. **Place of Performance.** Instructional services other than field trips will normally be performed at the facilities of the Academy. EVE may perform functions other than instruction, such as purchasing, professional development, and administrative functions at off-site locations, unless prohibited by applicable law. The Academy shall provide EVE with the necessary office space at the sites to perform all services described in this Agreement.

If the Academy should expand to other locations in the future, such expansion will be accomplished by amendments to this Agreement and the Charter Contract.

G. **Acquisitions.** All acquisitions made by EVE for the Academy using any funds belonging to the Academy, including, but not limited to, instructional materials, equipment, supplies, furniture, computers, and other technology, shall be owned by and remain the property of the Academy. EVE shall comply with the Revised School Code (including, but not limited to, sections 1267 and 1274 of the Code, MCL 380.1267 and MCL 380.1274) as if the Academy were making these purchases directly from a third-party supplier or vendor. EVE will not add any fees or charges to the cost of the equipment, materials, and supplies purchased from third Parties when it seeks reimbursement for the cost of these acquisitions from the Academy. All supplies, materials, and equipment procured for the Academy by EVE shall be inventoried by an acceptable method of inventory, and an inventory of the Academy equipment shall be maintained so that it can be clearly established which property belongs to the Academy.

H. **Pupil Performance Standards and Evaluation.** EVE is responsible for and accountable to the Board for the performance of students who attend the Academy. EVE shall implement pupil performance evaluations which permit evaluation of the educational progress of each student, using measures of student and school performance required by the Charter Contract and such additional measures as shall be mutually agreed upon between the Board and EVE, which are consistent with the Charter Contract.

I. **Student Recruitment.** EVE shall be responsible for the recruitment of students subject to the provisions of the Charter Contract and the policies adopted by the Board. Students shall be selected in accordance with the procedures set forth in the Charter Contract and in

compliance with the Code and other applicable law. EVE shall follow all applicable procedures regarding student recruitment, enrollment, and lottery management, and shall be responsible for publication of appropriate public notices and scheduling of open houses, as may be required.

J. **Student Due Process Hearings.** EVE shall provide students with procedural and substantive due process in conformity with the requirements of state and federal law regarding discipline, special education, confidentiality, and access to records, to the degree that it is consistent with the Academy's own obligations. The Board shall retain the right to provide due process as required by law and to determine whether any student will be expelled.

K. **Legal Requirements.** EVE shall provide educational programs that meet the requirements imposed under the Code and the Charter Contract, unless such requirements are or have been waived.

L. **Rules and Procedures.** The Board shall adopt rules, regulations, and procedures applicable to the Academy, and EVE is directed to enforce the rules, regulations, and procedures adopted by the Academy. EVE shall assist the Board in its policy making function by recommending the adoption of reasonable rules, regulations, and procedures applicable to the Academy.

M. **School Year and School Day.** The school year and the school day shall be as provided in the Charter Contract and as defined annually by the Board.

N. **Authority.** EVE shall have authority and power necessary to undertake its responsibilities described in this Agreement except in the case(s) wherein such power may not be delegated by law.

O. **Additional Programs.** The services provided by EVE to the Academy under this Agreement include, but are not limited to, providing the educational program described in the Charter Contract, as the same may change from time to time. The Board may decide to provide additional programs, including, but not limited to, summer school. The Academy may also purchase additional services from EVE at a mutually agreeable cost which will be documented in a written amendment to this Agreement.

P. **Annual Budget Preparation.** EVE will prepare and provide the Board with a proposed annual budget that shall conform to the State of Michigan's requirements and in a form satisfactory to the Board and to the Authorizer. The budget shall contain object level detail and comply with public accounting standards. The budget shall include anticipated revenues and projected expenses and costs reasonably associated with operating the Academy and the educational program including, but not limited to, the projected cost of all services and educational programs provided to the Academy, rent and lease payments, debt service, maintenance and repairs to the Academy facilities, supplies and furnishings necessary to operate the Academy, taxes, insurance premiums, utilities, professional fees, and other costs and expenses connected to the operation of the Academy. EVE nor any owner, officer or employee of EVE shall be designated as the Chief Administrative Officer ("CAO") of the Academy, but an EVE employee may assist the CAO in carrying out their duties.

The proposed budget shall be submitted to the Board for approval not later than thirty (30) days prior to the date when the approved budget is required to be submitted to the Authorizer. EVE may not make deviations from the approved budget between major function areas without the prior approval of the Board.

Q. Academy Financial Health. EVE shall do all things reasonably and professionally required to prevent the Academy's finances from experiencing any operating or fund balance deficits and shall do all things reasonably and professionally required to keep the Academy solvent.

R. Disclosure of Information Pursuant to MCL 388. On an annual basis, EVE shall provide the Academy Board all of the same information that a school district is required to disclose under section 18(2) of the State School Aid Act, MCL 388.1618(2), for the most recent school fiscal year in which the information is available. Within thirty (30) days of receiving the information under section 18(2), the Academy Board shall make this information publicly available on its website, in a form and manner prescribed by the Michigan Department of Education.

S. Restriction on Providing Personally Identifiable Information. Except as permitted under the Code, EVE shall not sell or otherwise provide to a for-profit business entity any personally identifiable information that is part of a Academy student's education records. If EVE receives information that is part of a Academy student's education records, EVE shall not sell or otherwise provide the information to any other person except as permitted under the Code. For purposes of this section, the terms "education records" and "personally identifiable information" shall have the same meaning as those terms in section 1136 of the Code, MCL 380.1136.

T. Procedures for Addressing Breach of Protected Information. Immediately upon discovery of a confirmed or suspected Breach, EVE shall report both orally and in writing to the Academy. In no event shall the report be made more than two (2) business days after EVE knows or reasonably suspects a breach has or may have occurred. In the event of a suspected breach, EVE shall keep the Academy informed regularly of the progress of its investigation until the uncertainty is resolved. EVE's report shall identify: (i) the nature of the unauthorized access, use or disclosure, (ii) the Protected or Private Information accessed, used or disclosed, (iii) the person(s) who accessed, used and disclosed and/or received Protected or Private Information (if known), (iv) what EVE has done or will do to mitigate any deleterious effect of the unauthorized access, use or disclosure, and (v) what corrective action EVE has taken or will take to prevent future unauthorized access, use or disclosure. (vi) EVE shall provide such other information, including a written report, as reasonably requested by the Board.

(1) Coordination of Breach Response Activities. In the event of a breach, EVE will: a. Immediately preserve any potential forensic evidence relating to the breach; b. Promptly (within 2 business days) designate a contact person to whom the Academy will direct inquiries, and who will communicate EVE's responses to Academy inquiries; c. As rapidly as circumstances permit, apply appropriate resources to remedy the breach condition, investigate, document, restore the Academy's service(s) as directed by the Academy, and undertake appropriate response activities; d. Provide status reports to the Academy on breach response

activities, either on a daily basis or a frequency approved by the Academy; e. Coordinate all media, law enforcement, or other breach notifications with the Academy in advance of such notification(s), unless expressly prohibited by law; f. Make all reasonable efforts to assist and cooperate with the Academy in its breach response efforts; and g. Ensure that knowledgeable EVE staff are available on short notice, if needed, to participate in Academy-initiated meetings and/or conference calls regarding the breach.

In addition, the Board is responsible for determining the budget reserve amount included as part of the Academy's annual budget, for implementing fiscal policies that will assist the Academy in attaining the stated budget reserve amount, and for approving necessary amendments to the budget to reflect necessary deviations from the adopted budget. The budget may be amended from time to time as deemed necessary by the Board.

I. **Academy Funds.** The Board shall determine the depository institution of all funds received by the Academy. All funds received by the Academy shall be deposited in the Academy's depository account. Signatories on Academy Board accounts shall solely be Board members and/or properly designated Academy Board employees. Administrative/view online access to the Board/Academy depository account and any other Board controlled accounts shall also be given to Board-designated EVE employees. All interest or investment earnings on Academy accounts shall accrue to the Academy. The Board shall pay its obligations under this Agreement on a consistent and timely basis. No provision of this Agreement shall alter the Board treasurer's legal obligation to direct that the deposit of all funds received by the Academy be placed in the Academy's depository account as required by law.

J. **Governmental Immunity.** The Board shall have the sole power to determine when to assert, waive, or not waive its governmental immunity.

All evaluations conducted by the Board or a representative of the Board will be provided to EVE in writing, no later than thirty (30) days following the conclusion of the evaluation. ARTICLE VI:

FINANCIAL ARRANGEMENT

A. **Academy's Source of Funding.** The major source of funding for the Academy is State School Aid received pursuant to the State School Aid Act, Act 94 of 1979, as amended ("State School Aid"). State School Aid payments are based upon the number of students enrolled in the Academy. The Academy will also receive other payments as may be available from state and federal sources for specific programs and services.

B. **Other Revenue Sources.** In order to supplement and enhance the State School Aid payments and improve the quality of education at the Academy, the Board and EVE, with prior Board approval, shall endeavor to obtain revenue from other sources. In this regard:

1. The Academy and/or EVE shall solicit and receive donations consistent with the mission of the Academy.
2. The Academy and/or EVE may apply for and receive grant money, in the name of the Academy. EVE shall provide advance written notification to the Board of any grant applications it intends to make.
3. To the extent permitted under the Code, EVE may charge fees to students for extra services such as summer programs, after school programs, and athletics, and EVE may charge non-Academy students who participate in such programs.
4. All funds received by EVE or the Academy from such other revenue sources shall inure to and be deemed the property of the Academy.

C. **Compensation for Services.** The Academy shall pay EVE an annual management fee for each school year during the term of this Agreement. The amount of this annual fee shall be twelve percent (12%) of the sum of: (a) all funds the Academy receives directly or indirectly under Paragraph A attributable to the school year during which EVE provides services under this Agreement less amounts retained by the Authorizer, plus (b) all funds that the Academy receives directly or indirectly under Paragraph B (except for individual donations, obtained without the assistance of EVE, that are made to the Academy). The amount of the annual fee is subject to reduction in a mutually agreeable amount by the Parties in any school year if extenuating circumstances make payment of the entire annual fee inappropriate.

EVE's annual management fee shall be paid in equal monthly installments, which shall be made on or about the 20th day of the months for the school year of DCP during which EVE provides services under this Agreement, commencing with the start of the 2023-2024 school year. EVE will cooperate with the Academy to modify the exact date of any monthly installment payment to coordinate with the timing of the funds received by the Academy, provided that all monthly installment payments must be remitted within thirty (30) days of the original payment date of such monthly installment payment. All payments shall be made through an electronic funds transfer directly to EVE.

1. Upon execution of the initial education services agreement, the School shall pay EVE a total transition fee of \$89,000.00 (eighty-nine thousand dollars and zero cents). This fee shall cover the comprehensive analysis and working with prior management company - Distinctive Schools to transition services for the Harper Woods and Redford DCP campuses prior to the commencement of the 2023-2024 school year Fee payments.

D. Reasonable Compensation. EVE's compensation under this Agreement is reasonable compensation for services rendered. EVE's compensation for services under this Agreement is not based, in whole or in part, on a share of net profits from the operation of the Academy.

E. Payment of Educational Program Costs. In addition to the Academy's obligation to reimburse EVE for the compensation of certain EVE employees under Article VII, all costs reasonably incurred in providing the educational programs at the Academy shall be paid by the Academy in accordance with the annual budget approved by the Board. Such costs shall include, but shall not be limited to, curriculum materials, professional learning and development required by the state or other governmental entities, textbooks, library books, computers and other equipment, software, and supplies utilized at the Academy for educational purposes, services provided pursuant to subcontract that are not included in the management fee, building payments, maintenance, utilities, capital improvements, and marketing and development costs. Marketing and development costs paid by or charged to the Academy shall be limited to those costs specific to the Academy program, and shall not include any costs for the marketing and development of EVE. The Board shall pay or reimburse EVE monthly for approved fees and expenses upon properly presented documentation and approval by the Board. In paying costs on behalf of the Academy, EVE shall not charge any additional amounts or markups. Any costs reimbursed to EVE that are determined by the independent audit not to be reasonably incurred on behalf of the educational program of the Academy shall be promptly returned to the Academy by EVE. No corporate costs of EVE shall be charged to, or reimbursed by the Academy. Furthermore, all costs for the educational program, marketing, and/or development costs as described supra, shall be aligned with the Academy's budget.

F. EVE Costs. The annual management fee set forth in Article VI, Section C is intended to compensate EVE for all expenses it incurs for the administrative, financial, and management services EVE is required to provide under this Agreement, including, but not limited to, expenses associated with budgeting, accounting, board support, employee recruitment, hiring, and training, and compliance. EVE will provide sufficient professional and non-professional staff in these areas and is responsible for their compensation. The costs to be paid by EVE under this Paragraph do not include payments for personnel provided pursuant to Article VII (B), (C), and (D) that are to be reimbursed by the Academy under Article VII (A) or educational program costs under Article VI (E).

G. Other Public School Academies. The Academy acknowledges that EVE has entered, or will enter into, management agreements with other public/charter school academies. EVE shall separately account for reimbursable expenses incurred on behalf of the Academy and

other public school academies, and only charge the Academy for expenses incurred on behalf of the Academy. EVE must maintain separate accounts for the receipt of the Academy funds and payment of expenses. Comingling of the Academy funds with EVE funds or funds of other schools is strictly prohibited.

H. **Financial Reporting.** At least monthly, EVE shall provide the Board with a monthly cash flow analysis, an aged report of accounts payable, a bank reconciliation, and a written report detailing the status of the budget to actual revenues and a detailed schedule of expenditures at an object level for review and approval by the Board. EVE shall present the Board with a balance sheet and a statement of revenues, expenditures, and changes in fund balance at each regularly scheduled meeting. All financial reports must explain any variances from the approved budget and shall contain recommendations for necessary budget corrections. These reports shall be provided to the Board finance committee and the Board members at least one week prior to each regularly scheduled Board meeting. EVE shall provide special reports as necessary to keep the Board informed of changing conditions.

I. **No Other Financial Relationships.** Other than the financial arrangements described in this Agreement, EVE and the Academy shall have no other financial relationships. No lease, promissory notes or other negotiable instruments, lease-purchase agreements, or other financing agreements between the Academy and EVE shall be permitted, and such arrangements are strictly prohibited.

J. **Access to Records.** EVE shall keep accurate financial records pertaining to its operation of the Academy, together with all the Academy financial records prepared by or in the possession of EVE (the “Records”), and retain all of these records in accordance with applicable state and federal law and the authorizer requirements. Financial, educational, operational, and student records that are now or may in the future come into the possession of EVE remain the Academy’s records and are required to be returned by EVE to the Academy upon demand, provided that EVE may retain copies of records necessary to document the services provided to the Academy and its actions under the Agreement. EVE acknowledges that said records are subject to the provisions of the Michigan Freedom of Information Act. The Parties shall maintain the proper confidentiality of personnel, student, and other records as required by law. All Academy records shall be physically or electronically available, upon request, at the Academy’s physical facilities. The financial, educational, operational, and student records pertaining to the Academy are public documents subject to disclosure in accordance with the provisions of applicable law. This Agreement shall not be construed to restrict the Authorizer’s or the public’s access to these records under applicable law or the Charter Contract.

K. **Audit Report Information.** EVE will make all finance and other records of EVE related to the Academy available to the Academy, the Academy’s independent auditor selected by the Board and the Authorizer upon request. EVE staff will fully cooperate with the Academy’s independent auditor.

L. **Bankruptcy of ESP Principal or Officer.** EVE shall notify the Academy’s Board if any principal or officer of EVE, or EVE (including any related organizations or organizations in which a principal or officer of EVE served as a principal or officer) as a

corporate entity, has filed for bankruptcy protection in the last six (6) months or within any applicable preference period, whichever is longer.

M. **Conflict of Interest.** EVE shall have a written conflict of interest policy, a copy of which shall be made available to the Board upon request. EVE shall not execute contracts with any third Parties for services to be provided to or on behalf of the Academy where there is a conflict of interest between EVE and the third party or the Academy and the third party.

ARTICLE VII:

PERSONNEL AND TRAINING

A. **Personnel Responsibility.** EVE is responsible for providing the Academy with qualified Administrators and teachers, instructional support, pupil support, food service, secretarial, security, and other staff required to operate the Academy within the staffing and compensation levels approved by the Board in its annual budget (the “School Employees”). EVE shall have the authority to select, evaluate, assign, discipline, transfer, and terminate the employment of all School Employees, with the exception of the Board employees, if any, consistent with applicable law and the provisions of this Agreement. EVE, in its sole discretion, may subcontract with an employee leasing agency (the “Leasing Agency”) to provide the School Employees; such School Employees will be employees of the leasing agency. EVE shall make payments to the retirement plan for school staff that is approved by the Board. Prior to the first payroll, EVE will provide the Board with a detailed listing of the anticipated compensation and fringe benefit costs for all School Employees.

B. **Payroll.** The Board will reimburse EVE for the cost of the salaries, fringe benefits, and social security withholdings of employees assigned to the Academy, provided that these costs are not higher than anticipated and approved in the annual budget. EVE accepts full liability and is responsible for paying all salaries, benefits, payroll taxes, worker’s compensation, unemployment compensation and liability insurance for its employees leased to the Academy or working on Academy operations irrespective of whether EVE receives an advancement of its costs or the payment of services from the Academy. At the request of the Board, EVE will provide payroll services for employees of the Board. All records pertaining to teacher and administrator certification, as well as a copy of the employee handbook, shall be maintained physically on site or be directly accessible at all the Academy’s facilities. Neither EVE, nor the leasing agency shall execute contracts with its staff assigned to the Academy that contain non-compete agreements of any nature.

C. **Criminal Background Checks.** EVE agrees that no individuals shall be assigned to perform any services under this Agreement that has not cleared the requisite criminal background check pursuant to applicable law. The Board may require that the results of criminal background checks are received, reviewed, and used (subject to a verification process) by a qualified governmental employee acting on behalf of the Academy and/or the Board, only as permitted by law to confirm that the individual does not have a criminal history in violation of the Code. The Board shall require the qualified governmental employee to provide a letter with a determination for assignment indicating if the individual is in compliance with the requirements of the Code or not. EVE shall not assign to the Academy any individual for whom EVE has

received determination of non-assignment. Additionally, EVE shall perform unprofessional conduct checks on each Academy employee pursuant to 1230(b) of the Code.

D. **School Leader.** EVE will have the authority, consistent with applicable law, and with input from the Board, to select and supervise the School Leader (“School Leader”) and to hold that individual accountable for the success of the Academy. At the request of the Board, EVE will review the performance of the School Leader with the Board. The School Leader may be a EVE employee, or an employee of the Leasing Agency. EVE agrees to provide the Board an opportunity to meet with the School Leader prior to placement and to inform the Board in advance prior to taking any action that would alter the employment status of the School Leader. Upon receipt of written notification indicating that the Board is not satisfied with the performance of the School Leader, EVE agrees to review the School Leader’s performance and report its findings to the Board. If EVE concurs with the Board findings and there is no resolution to the problems, EVE will provide a replacement School Leader. The School Leader shall have an administrator’s certificate covering the applicable grade levels of the Academy. The employment agreement with the School Leader and the duties and compensation of the School Leader shall be determined by EVE, but that individual must be assigned on a full-time basis to the Academy and may not be providing services to any other school or academy without the prior approval of the Board. If the Superintendent of EVE is designated as the School Leader, the Superintendent need not be assigned to the Academy on a full-time basis.

E. **Teachers.** As part of the annual budgeting process, EVE shall make a recommendation to the Board regarding the number of teachers and the applicable grade levels and subjects required for the operation of the Academy pursuant to the Charter Contract. EVE shall provide the Academy with such teachers, qualified in the grade levels and subjects required, as are required by the Academy. The Board, however, shall ultimately decide the number of teachers, the applicable grade levels, and subjects taught at Academy as prescribed in the Charter Contract. Such teachers may, at the discretion of EVE, work at the Academy on a full or part-time basis. If assigned to the Academy on a part-time basis, such teachers may also work at other schools operated by EVE in the same city. Each teacher assigned to or retained by the Academy shall be a highly qualified teacher with a valid teaching certificate or temporary special permit issued by the Michigan Department of Education under the Code, to the extent required under the Code and the Every Student Succeeds Act. Teachers employed by the Leasing Agency shall not be considered teachers for purposes of continuing tenure under applicable law, and shall not be considered employees of the Academy or the Board.

F. **Support Staff.** As part of the annual budgeting process, EVE shall make a recommendation to the Board regarding the number of support staff required for the operation of the Academy pursuant to the Charter Contract. EVE shall provide the Academy with such support staff, qualified in the areas required, as are required by the Academy. Such support staff may, in the discretion of EVE, work at the Academy on a full or part-time basis. If assigned to the Academy on a part-time basis, such support staff may also work at other schools operated by EVE in the same city. Each support staff employee assigned to or retained by the Academy shall have received the training and hold the certificates, degrees, or licenses legally required for the position to which they are assigned under the Code and Every Student Succeeds Act.

G. Training. EVE shall ensure training is provided to the School Leader, teachers, and paraprofessionals on a regular and continuing basis and shall insure that School Employees receive all training required by law. The School Leader, teachers, paraprofessionals, and other support staff employees shall receive such other training as EVE determines is reasonable and necessary under the circumstances.

ARTICLE VIII:

TERMINATION OF AGREEMENT

A. Termination by the School for Cause. This Agreement may be terminated by DCP for a material breach of this Agreement, as well as, violation of the charter contract, state or federal law. If the agreement is cancelled for any other reason (except for reasons defined in this section and section C below), the management fee for the remainder of the term shall be payable upon termination.

This Agreement may be terminated by the School for cause prior to the end of the term specified in Article III in the event that EVE should fail to remedy a material breach within a period reasonable under the circumstances, which shall not be longer than sixty (60) days after notice from the School. A material breach by EVE may include, but is not limited to, a failure to carry out its responsibilities under this Agreement, such as a failure to account for its expenditures or to pay operating costs (provided funds are available to do so); or violating the Charter Contract or applicable law. In order to terminate this Agreement for cause, the Board is required to provide EVE with written notification of the facts it considers to constitute material breach and the period of time within which EVE has to remedy this breach. If the material breach is not remedied, then once the established time in which to cure the material breach has expired, the Board may terminate this Agreement by providing EVE with written notification of termination consistent with the dispute resolution provisions contained in Article XIII, Paragraph L of this Agreement. However, if EVE has substantially cured the issue within the time period provided, the contract shall remain in full force and effect. If the Parties do not agree upon whether a material breach of contract has in fact occurred, the Parties shall submit to a dispute resolution process as outlined in Article XIII, section L below before any action is taken by the Board to terminate the agreement.

B. Termination by EVE for Cause. This Agreement may be terminated by EVE if DCP defaults on payments to EVE or if the Board fails to give consideration to the recommendations of EVE regarding the operation of DCP. EVE will act in accordance with the dispute resolution provisions contained in Article XIII, Paragraph L of this Agreement. In the event of termination under this clause, EVE will endeavor to work with the Academy to transition services to a new provider in a manner that is minimally disruptive to the operation of the School, consistent with subparagraphs F and H below.

C. **Revocation or Termination of Charter Contract.** If the Academy's Charter Contract issued by the Central Michigan University Board of Trustees is revoked, terminated or a new charter contract is not issued to the Academy after expiration of the Academy's Charter Contract, this Agreement shall automatically terminate on the same date as the Academy's Charter Contract is revoked, terminated or expires without further action of the parties.

D. **Change in Law.** If any federal, state, or local law, regulation, or court decision has a material adverse impact on the ability of either party to carry out its obligations under this Agreement, then either party, upon written notice to the other, may request renegotiation of the Agreement. If the Parties are unable or unwilling to renegotiate the terms within ninety (90) days after said notice, the party requesting the renegotiation may terminate this Agreement on one hundred-twenty (120) days further written notice.

E. **Academy Site Closure.** In the event the Academy is required (i) to close an Academy site pursuant to a notice issued by the Michigan Department of Education under Section [507] [528] [561] of the Code, MCL [380.507][380.528][380.561]; or (ii) to undergo a reconstitution pursuant to Section [507][528][561] of the Code, MCL [380.507][380.528][380.561], and the Charter Contract, and such closure of a Academy site or reconstitution causes an amendment to or termination of this Agreement, the parties agree that this Agreement shall be amended or terminated to implement the Academy site closure or reconstitution, with no cost or penalty to the Academy, and EVE shall have no recourse against the Academy or the University Board for implementing such site closure or reconstitution.

F. **Effective Date of Termination.** In the event this Agreement is terminated by either party prior to the end of the term specified in Article III, absent unusual and compelling circumstances or pursuant to section C of this Article, the termination will not become effective until the end of the school year in which this Agreement was terminated.

G. **Rights to Property upon Termination.** Upon termination of this Agreement, anything purchased with state school aid funds (or other Academy funds) shall remain the exclusive property of the Academy. EVE shall have the right to reclaim any usable property or equipment (including, but not limited to, desks, computers, copying machines, fax machines, and telephones) that were purchased by EVE with EVE funds. Fixtures and building alterations or any kind are the sole property of the Academy.

H. **Transition.** The Academy Board and EVE agree to make all efforts necessary to remedy a breach of this Agreement in order to continue school operations until completion of the then-current school fiscal year. If a breach cannot be remedied, the Academy Board and EVE agree to work cooperatively to transition management and operations of the school without disrupting the school's operations. Upon termination or expiration of this Agreement or if this Agreement is terminated due to a Charter Contract revocation, reconstitution, termination or non-renewal, EVE shall, without additional charge (i) close the financial records on the then-current school fiscal year which includes, but is not limited to, the completion and submission of the annual financial audit, state and federal grant reporting and all other associated reporting within required timelines established by the appropriate local, state or federal authority; (ii) organize and prepare student records for transition to the new ESP, self-management or in the case of a school closure, transfer to a student's new school as designated by the student's parent / legal

guardian or to a person or entity authorized to hold such records; (iii) provide for the orderly transition of employee compensation and benefits to the new ESP or self-management without disruption to staffing, or in the case of school closure, final payment of all employee compensation, benefit and tax obligations related to services provided by the ESP to the Academy; (iv) organize and prepare the Academy's records, both electronic and hard-copy, for transition to the new ESP, self-management or dissolution; and (v) provide for the orderly transition to the new ESP, self-management or dissolution of all Academy-owned assets including, but not limited to, furniture, fixtures, equipment and real estate. This includes any keys, login information and passwords related to any Academy asset.

S. Code, Section 101 and the Academy shall own all copyright and other proprietary rights to such instructional materials, training materials, curriculum, lesson plans, and any other materials. Agreement. In addition, and to the extent permitted by law, the Academy shall reimburse EVE for any and all reasonable legal expenses and costs associated with the defense of any such claim, demand, or suit. In addition, EVE shall reimburse the Academy for any and all reasonable legal expenses and costs associated with the defense of any such claim, demand, or suit. The indemnification requirements of this paragraph may be met by the purchase of insurance in a form and amounts acceptable to the Academy.

D. Indemnification of Central Michigan University. The parties acknowledge and agree that Central Michigan University, its Board of Trustees, and its members, officers, employees, agents or representatives (collectively "University") are deemed to be third party beneficiaries for purposes of this Agreement. As third party beneficiaries, EVE hereby promises to indemnify, defend and hold harmless the University from and against all demands, claims, actions, suits, causes of action, losses, judgments, liabilities, damages, fines, penalties, demands, forfeitures, or any other liabilities or losses of any kind whatsoever, including costs and expenses (not limited to reasonable attorney fees, expert and other professional fees), of settlement and prosecution imposed upon or incurred by the University, and not caused by the sole negligence of the University, which arise out of or are in any manner connected with the University Board's approval of the Academy's application, the University Board's consideration of or issuance of a Contract, EVE's preparation for or operation of the Academy, or which are incurred as a result of the reliance by the University upon information supplied by EVE, or which arise out of EVE's failure to comply with the Contract or applicable law. The parties expressly acknowledge and agree that the University may commence legal action against EVE to enforce its rights as set forth in this section of the Agreement.

In the event the University or M.U.S.I.C. requests any change in coverage by ESPs, EVE agrees to comply with any change in the type of or amount of coverage, as requested, within thirty (30) days after notice of the insurance coverage change. of the Academy's Contract shall supersede any competing or conflicting provisions contained in this ESP Agreement.

Any action or inaction by EVE that is not cured within sixty (60) days of notice thereof which causes the Contract to be revoked, terminated, suspended or which causes the Contract to be put in jeopardy of revocation, termination or suspension by Central Michigan University is a material breach.

Tab 2

EDUCATIONAL PROGRAMS

Pursuant to Applicable Law and the Terms and Conditions of this Contract, including Article VI, Section 6.3, the Academy shall implement, deliver, and support the educational programs identified in this schedule.

Overview

Discovery Creative Pathways (“Academy”) is a charter school serving kindergarten through eighth grade students. The Academy is located in Detroit and aims to provide a quality education to all students. The Academy creates a positive, safe and nurturing environment for children. The core elements of our Academy are exceptional educators, rigorous instruction, stimulating enrichment, blended learning and fostering partnerships with families. We believe that with the right education, all children can fulfill their tremendous innate potential.

Mission

The mission of Discovery Creative Pathways (“Academy”), an educational practice leader committed to social justice and the elevation of access and achievement in historically underserved communities, is to support each child in becoming an engaged and curious learner, a confident self-advocate, and a creative problem-solver by setting high expectations and nurturing a positive culture that honors diversity, collaboration, and optimism.

Vision

The Academy’s ultimate vision is that our scholars master key academic skills and demonstrate strong character and values, including honesty, service to others, a superior work ethic and a strong vision for and belief in their futures. The Academy aims to ensure all children attending the Academy have access to a rigorous, personalized education, as well as opportunities that support their growth as individuals.

Educational Belief Statements

- We believe all children can learn and accept the responsibility for ensuring quality learning occurs.
- We believe in academic, social and personal success for each of our students.
- We believe clear, focused and measurable educational goals are necessary to guarantee student achievement.
- We believe education is a collaborative process between staff, students and families.
- We believe parental involvement is an integral part of student success.
- We believe in putting Children First. We work to ensure that all interactions and decisions put our scholars first.
- We believe in Respect. We show it, and we expect it from others.
- We believe in continuous improvement. All students and staff should try to get better and better every day.
- We believe with superior effort, we can achieve all things.
- We believe in gratitude: demonstrating gratefulness for all that we have done and the opportunity to serve.

The Academy's educational program utilizes best practices in data-driven instruction and differentiated learning to deliver instruction in core subject curricula and to create a uniquely rigorous and personalized learning experience for every child. Scholar academic success is the Academy's primary focus. The core pillars of the Academy's evidence-based educational program include:

Highly effective, data-driven educators

The Academy focuses on selecting and developing exceptional educators who are able to use assessment data to continuously improve the quality of instruction. New teachers and leaders are hired and are able to meet the Academy's standard of excellence through a very rigorous, multi-stage screening process that consists of an online application; phone interview; in-person interviews; observation of the candidate's classroom teaching; modeling of data-driven teaching; and completion of intensive pre-service professional development. The Academy ensures educators have the skills needed to deliver data-driven instruction through regular feedback from exceptional school leaders, mentoring from highly effective peers and coaches and ongoing professional development. In this way, the Academy places or supports the development of an effective and data-driven teacher in every classroom. Researchers have consistently found that a teacher's level of effectiveness and data competency have a direct influence on student achievement (Carlson, Borman, & Robinson, 2011) and the racial achievement gap in metropolitan districts (Hanushek et al. 2005).

Rigorous, frequent assessments

Based on scope and sequence documents, teachers implement regular formative and benchmark assessments to evaluate student mastery of content in reading, writing and math. Assessments are designed to be both highly rigorous and to align to state standards. Academy teachers also gain a holistic look at children's progress through state assessments; Common Formative Assessments ("CFA") tied to state standards; Checking for Understanding ("CFU") exit tickets and quizzes that target specific standards; as well as diagnostic assessments and qualitative data (such as scholar, parent and teacher surveys). Consistent and rigorous evaluation of student performance is correlated with both higher quality instruction and higher academic achievement (Delisio, 2007; Peariso, 2006; Rothman, 2006). A study by Shanahan, Hyde, Mann, and Manrique (2005), conducted for students from an urban school district, found that combining standards-based curriculum guides with benchmark assessments was correlated with a statistically significant gain in student achievement.

Extensive differentiated, small-group, and standards-aligned instruction

One of the unique core components of the Academy, beyond the regular assessments implemented, is the time scholars spend in small-group and one-to-one instruction. Consistently providing differentiated instruction that targets specific standards, based on the results of assessment data, has been one of the core reasons for the strong growth of Academy scholars. The impact of providing extensive differentiated instruction on elementary students' achievement is well-documented. In a study of third grade students receiving differentiated instruction, researchers found that these students increased scores on the state exam (Parsons, 2004; McAdamis, 2001). Beecher & Sweeney (2008) found that using differentiation with all students drastically reduced racial achievement gaps and improved attitudes about school.

Rigorous and aligned curricula

The Academy utilizes cumulative, rigorous, standards-aligned and evidence-based academic curricula to push students to perform beyond the required expectations of the assigned grade level in the main subject areas of literacy and math. The Academy uses research-based, vertically-aligned curricula, such as HMH Into Reading[®] and Into Literature[®], and Eureka Math^{2™}, Mystery Science and Michigan Association of Intermediate School Administrators (“MAISA”) social studies, which have been developed by some of the nation’s leading researchers and have a proven track record of raising student achievement for all student populations (Educational Research Institute of America, 2009). Teachers utilize or develop customized pacing guides for English language arts (“ELA”) and math that align with the Michigan Academic Standards (“MAS”), and these plans guide the specific skills taught and the academic standards a child should master each week.

Enrichment experiences

The extensive amount of experience within Academy staff has proven that children learn most effectively when engaged. Each day, scholars may take courses in art, music and physical fitness. In addition, scholars may also hear from inspirational guest speakers; participate in educational field trips to college campuses, professional workplaces, museums and cultural landmarks; and lead service projects to build connections to communities and the future. In an intensive, longitudinal study following students attending an urban elementary school (Beecher and Sweeny, 2008), researchers found that enrichment learning resulted in increased positive attitudes toward school, increased student engagement in learning and increased student performance on district and state assessments. Students also made significant gains on closing the achievement gap between ethnic and socioeconomic groups.

Strong Partnership between the Academy and Home

A strong partnership between the Academy and home is critical to the individual success of each student. The Academy has established programs and practices to enhance parent involvement and reflect the specific needs of students and families. The Academy recognizes the importance of family engagement on student achievement and has a proven process for engaging families. Some of the elements of this process include training teachers to effectively communicate with parents; creating a welcoming environment for families; holding regular meetings with parents where families and teachers dive in depth into a scholar’s academic and behavioral progress; and hosting fun events throughout the year that celebrate student progress. Research bears out the importance of parental involvement. When parents are involved, students have higher test scores, increased motivation and better attendance (Rose, Gallup, & Elam, 1997). Family participation is in fact twice as predictive of students’ academic success as family socioeconomic status (Walberg, 1984).

Evidence and research tell us that the educational program outlined above will ensure academic success for scholars at the Academy.

Curriculum

Consistent with the Academy’s evidence-based and data-driven approach, curricula are selected through a rigorous vetting process that examines each curriculum’s evidence base and ease of use in differentiation. The Academy’s curricula aligns with the MAS, and these standards are followed in determining the subject area content and skills scholars should master for each grade level.

To engage students in learning, the Academy promotes positive teacher-student interactions by working together to create a safe and orderly learning environment. Teachers support and extend students' learning by engaging students in instructional dialogue. Students are also supported through the Positive Behavioral Intervention and Supports ("PBIS") framework. This proactive, team-based framework for creating and sustaining safe and effective schools helps prevent problem behavior, develop pro-social skills and use data-based problem solving for addressing existing behavior concerns.

The Academy believes in providing and ensuring high quality services to students of all populations in the following ways:

Serving Students of Color

The Academy is one of the very few organizations dedicated to serving children of color whose senior leaders are primarily of leaders of color. The Academy's commitment guides the approach to staffing, in that there is a highly rigorous selection process for educators who understand the scholars' needs and who have a track record of improving outcomes for students of color. The Academy selects educators who have high expectations for all children, and the Academy model is built to help scholars value self-worth and elevate confidence. The Academy supports all children in achieving at high levels by utilizing mastery-based academic scaffolding; providing personalized and data-driven instruction; acknowledging scholars for demonstrating academic growth and not just absolute grades; and helping scholars prepare for postsecondary education from a young age. The Academy approach has been highly successful at raising the achievement of African American scholars.

Serving Economically Disadvantaged Students

At the Academy, the vast majority (95%) of the children served come from low-income families. The Academy is dedicated to providing children in under-resourced communities with access to a high-quality education. Many students come to the Academy having previously attended under-resourced schools, and so may be performing multiple years below grade level. The Academy ensures students receive the care and support needed to overcome these challenges. The staff selection process focuses on ensuring that caring educators with a deep commitment to and a proven track record in helping raise the achievement of economically disadvantaged students are hired. A level of personalization is provided that children need, through data-driven small-group and one-to-one intervention, to catch up academically. Additionally, out-of-class learning opportunities are provided that help scholars envision successful futures, and form partnerships with local service providers to help children and families living in poverty overcome the challenges faced each day.

Serving Students with Disabilities and Special Education Students

When making educational placement decisions for students with disabilities, the Academy will ensure that parents are contributing members of the Individualized Educational Program ("IEP") team, and together the team will make decisions that are subject to requirements regarding provision of the least-restrictive environment. When determining how services will be delivered to students with disabilities, the Academy will follow all Special Education Rules as issued by the Michigan Department of Education. If a child with a current IEP enrolls in the Academy, the Academy will implement the existing IEP to the extent possible or will provide an interim IEP

agreed upon by parents until a new IEP can be developed. IEPs will be developed, revised and implemented in accordance with the Individuals with Disabilities Education Improvement Act (“IDEIA”) and state law and regulations.

The Academy will fully comply with federal laws and regulations governing children with disabilities as follows:

1. The Academy is responsible for providing a free, appropriate public education to children with disabilities enrolled in the Academy that have been determined through an IEP to require Special Education programs and services.
2. The Academy will ensure that children who are suspected of having disabilities are properly evaluated by a multidisciplinary team, as defined in the Michigan Special Education Rules, and that children who have already been identified are re-evaluated by the multidisciplinary team at least every three years.
3. When a multidisciplinary team determines that a special education student requires Special Education programs and services, the Academy will ensure that the IEP is fully implemented in accordance with IDEIA and reviewed on an annual basis or more frequently as determined by the IEP team.

The Academy implements policies and procedures to ensure all students with disabilities and special education students are served as required by law. Additionally, built into the Academy’s model are several components that ensure all scholars’ needs are identified and met. These include (1) providing a Multi-Tiered System of Support (“MTSS”) system to identify the specific special education interventions needed by each scholar; (2) ensuring that general educators are participants in the development, review, implementation and revision of the IEP for each scholar with a disability; and (3) providing targeted professional development workshops that convey best practices for working with special scholar populations. In addition, the Academy provides a range of additional services to retain students from special populations at high rates that may include: (1) social-emotional instruction that targets key skills; (2) partnerships with local service agencies such as mental healthcare providers and specialized therapy providers; (3) utilizing a school-wide behavior management system that utilizes fair and consistent rules, aligned incentives and positive reinforcement to promote pro-social behavior; and (4) partnering effectively with parents to ensure a child’s specific needs are being met.

Serving Limited English Proficiency/English Language Learner (“ELL”) Students

The Academy has a series of strategies in place for meeting the needs of ELL students, and ensures the Academy’s approach is appropriate according to Michigan standards. ELL scholars spend as much time in the mainstream classroom as possible, to ensure the greatest academic and social achievement for ELL students. Teachers are given extensive, ongoing professional development on how best to serve ELL scholars. ELL scholars are assessed using the WIDA™ standardized test to determine English capabilities. If it is determined the scholar meets the legal definition of ELL, then the scholar will have access to services designated for ELL students, including auxiliary texts, supplemental curricular tools and time with staff members specifically trained in best practices to serve ELL scholars. Special education staff or providers also consider the language needs of the child as those needs relate to the child’s IEP.

Curriculum Flexibility

The Academy's curriculum is flexible to meet the needs of all learners (e.g., advanced, below grade level, special education and ELL). Teachers provide accommodations, adapt instructional methods and make conscious modifications to lesson plans to meet individual needs. The curriculum provides students with access to content material combined with engaging instruction and thoughtful assignments. The flexibility within the curriculum allows teachers to implement best practice instructional strategies as well as to approach higher level thinking skills.

As a Title I building, the Academy provides supplementary assistance when needed to ensure each student's success. Additionally, the curriculum covers comprehension, phonics, basic fact understanding and skills. The Academy also tries to stretch student's intellectual growth by working with the student's existing knowledge base to modify, combine and extend or deepen understanding.

MTSS Teams

The MTSS teams are organized, representative groups that collaborate and communicate to ensure that learners are provided with whole child support and coordinate and evaluate activities across the system. The teams create sustainable and engaging school climates to support successful implementation of the MTSS and learner achievement. (As referenced in the Michigan Department of Education's Practice Profile for Multi-Tiered Systems of Supports, Version 4.5.)

Reading and Math Interventions

The Academy provides Reading and Math Interventions utilizing a variety of methodologies, strategies and programs.

- ***Small Group Instruction-Reading:*** Students are assessed and placed into small groups for specific, targeted systematic intervention instruction. These intervention lessons take place 5 days per week, for 30 minutes per lesson. Resource Programs utilized include Fountas and Pinnell's Leveled Literacy Intervention for middle school, mCLASS Burst for elementary and Direct Instruction Corrective Reading.
- ***Small Group- Pull-Out Instruction-Math:*** Students are pulled out or aside in the classroom into small groups for specific, targeted, small group instruction lessons based on the students' CFU and CFA data. These intervention lessons take place 2-3 days per week, for 15-30 minutes per lesson.
- ***Blended Learning:*** Academy students are engaged in a Blended Learning environment to actively and regularly participate in differentiated activities through on-line learning platforms. Students utilize the online learning programs for at least 30 minutes per week. Resource programs utilized include Edgenuity® and Reading A-Z (Raz Kids).
- ***Small Group Instruction-In Class:*** K-5 Academy classes have a designated daily workshop block when teachers conduct guided reading and math lessons for targeted small groups of students in class. Reading and Math Workshop blocks are at least 60 minutes, daily. Grades 6-8 Academy classes have a designated daily intervention block when teachers conduct intervention lessons and activities for targeted small groups of students in class. Reading and Math Intervention blocks are between 45-60 minutes, daily.

Tutoring Programs

After-School Tutoring: Classroom teachers and support staff offer specialized instruction to students in order to facilitate mastery of content standards. Instructional staff extend the content of the regular curriculum by providing after school tutoring opportunities for students. Edgenuity programs are incorporated for student enrichment and practice.

In-School Tutoring: The Academy hires qualified Teacher Assistants and Teacher Interns who provide additional small group lessons and instruction both in the classroom as a push-in intervention support and pull-out small group lessons.

Assessments

The Academy implements state-mandated standardized assessments, norm- referenced tests and computer adaptive assessments as required.

Summative Assessments

Students are assessed utilizing the NWEA® MAP® Growth™ annually, in the fall and spring. Students in grades 3-8 take the ELA, mathematics and science assessments. Students in grades kindergarten-2 take the ELA and mathematics assessments. All 3rd-8th grade students take part in the state assessment program. Students in grades 3, 4, 6 and 7 complete the ELA and mathematics assessments and students in grades 5 and 8 will complete the ELA, mathematics, science and social studies assessments. Students identified as needing alternate state assessments take the MI-Access™ assessment. ELL students are given the WIDA™ Access for ELLs each winter.

Formative Assessments

Classroom assessments are formative in nature and are used by teachers and administrators to determine student acquisition of knowledge. These assessments align with the overall instructional plan, and include program-based assessments and daily CFU assessments. Teachers utilize these assessments to determine reteaching and remediation necessities. The NWEA MAP Learning Continuum is used to identify skills for small group instruction.

Fountas and Pinnell Benchmark Assessment System (“BAS”)

Benchmark screening takes place 3 times per year to identify students with needs and to compare results to targets. The Fountas & Pinnell BAS evaluates student reading and comprehension ability with reliable and robust universal screening that is aligned to the Leveled Literacy Intervention System, and determines each child's instructional level for guided reading.

Common Formative Assessments (“CFA”)

CFAs are completed weekly in math and reading. Math CFAs are fluency and standards based. Reading CFAs include cold or fresh reads, paired reading, close reading and vocabulary. Both Reading and Math CFAs include constructed response questions or performance tasks.

Students with special needs are assessed utilizing a variety of specific assessments for occupational therapy, social work, speech and psychological screenings. Academics are assessed via the Brigance Assessment. Teachers are expected to identify formative assessments in lesson plans and conduct regular checks for understanding during instruction. Students are also taught how to use formative feedback to maximize their own learning:

- **Questioning:** Teachers are trained to use appropriately rigorous levels of questioning based on Bloom's Taxonomy and Webb's Depth of Knowledge to ascertain students' content knowledge and conceptual understanding.
- **Observation:** Teachers are expected to document anecdotal evidence of student learning, especially through interactions during one-on-one conferencing and small-group instruction.
- **Adaptive software assessments:** Computer-based content offer built-in assessments that provide immediate feedback. This allows both students and teachers to determine mastery and pace instruction appropriately. Moreover, parents can monitor students' learning and administrators can evaluate programs and teachers.

----------------------------------	-----------------------------	----------------------

All of these layers of assessment help the Academy keep building on scholar growth, and ensure strong ongoing monitoring, tracking and adjustments throughout the year.

The Academy uses assessment data to enhance student achievement in the following ways:

First, on regular basis, student achievement data is aggregated and student learning trends are assessed. Grade-band Cluster teams use the results of assessment data to conduct formal “data-dives” and create concrete action plans for raising student achievement. Explicit training is provided to teachers and grade-level teams on how to properly administer assessments, collect data, analyze results and develop action and/or reteach plans. In these meetings, teachers and grade level teams carefully structure all lesson plans in core subjects to align to the MAS, as well as to provide a clear progression of skill based on scholars’ beginning of year testing scores. Scholars’ performance on the state assessment and on other diagnostic and summative assessments are then used during quarterly meetings to evaluate scholar growth.

Secondly, teachers utilize the results of assessment data during weekly grade-level planning meetings, where the data are disaggregated based on student groups, need and proficiency. During weekly planning sessions, Academy educators analyze assessment data to identify struggling students who need remediation or advanced students who need additional challenges; to design weekly lessons based on clear skills and objectives outlined by pacing guides in math and ELA; and to identify the best resources to use to meet student needs during the upcoming week.

On a daily basis, teachers use assessment data to ensure scholars receive multiple, personalized and data driven touch points. Within small group sessions, teachers are able to differentiate assignments by assigning specific standards to work on according to each scholar’s performance on assessments. Based on the results of interim assessments, for example, educators are able to categorize each scholar’s mastery of key skills and standards in core subjects as “green,” “yellow,” or “red,” which indicate a child’s level of academic need. Using data generated by these assessments, teachers are able to group scholars according to the color-coded “performance band” and provide curriculum-based, skill-building exercises that target specific standards and skill deficits. Scholars who have mastered standards are able to expand the breadth of knowledge through guided assignments in teacher-led small groups; rigorous assignments that tap into student interests during independent study; and higher grade-level materials that teachers provide for students to work on at home.

The Academy also knows that parents play a critical role in ensuring a child’s achievement. That is why parents are provided with regular communications summarizing their child’s performance on assessments. Additionally, newsletters and progress reports are sent home to families regularly and parents are encouraged to utilize the PBIS management system and student information system for on demand student academic and behavioral reports. Parents of scholars who are referred to MTSS are notified upon creation of the Scholar Action Plan and are updated as new interventions are implemented. In addition, families are engaged through monthly family events.

Transition

To ensure incoming sixth grade students make a successful academic transition, Academy leaders and teachers implement activities and structures to address social, developmental and learning needs of young adolescents. Academy support staff provide comprehensive orientation programs for teachers, students and families, including older siblings, who strongly influence attitudes and perceptions of transitioning students. During professional development sessions and grade level meetings, the teaching staff becomes more knowledgeable about the needs and concerns of young adolescents in transition. The Academy leadership supports teachers' efforts to address transitioning students' social, developmental and academic needs. The goal is to create a climate that values students as well as helps students understand and cope successfully with the challenges of transition. To address gaps in reading, the Academy implements the Corrective Reading program to increase the reading decoding and comprehension skills of transitioning students. Additionally, the Academy institutes tutoring sessions, small group intervention sessions and sometimes one on one academic support in reading and mathematics. As the Academy fully implements and delivers the Educational Program and provides additional support services, learning gaps will diminish and the confidence of transition students will grow.

Educational Development Plans (“EDP”)

Seventh graders are introduced to the software program Career Cruising (“CC”) in a workshop during the homeroom class period. Students take an interest inventory, pick two career pathways and list short- and long-term goals. The interest inventory called “Matchmaker” generates a potential career list. Students can then explore these careers using the extensive database in the program. All of this information is saved in a password protected electronic file called an EDP. Students can access their personal file at the Academy or at home using a computer, an internet connection and their personal login information. CC components that support the Michigan EDP include:

- A variety of online skill and interest assessments, including Career Matchmaker;
- Opportunities to search hundreds of careers of interest to students;
- An "electronic filing cabinet" in which to record work and volunteer experiences, awards and certificates;
- A vehicle to identify personal and career goals;
- A huge catalog of post-secondary education options, including the military, trade schools, community colleges and universities.

Program Evaluation

The Academy utilizes several strategies to determine the effectiveness of the implementation, delivery and support of the Educational Program. As a part of the Phalen Leadership Academies (“PLA”) network, Academy teachers set goals that must be approved by the building leadership each fall. These goals are input into the PLA Coaching Cycle Platform. Goals include one academic scholar growth goal and one educator development goal connected to feedback from the PLA Coaching Cycle Domains. Each teacher has an announced, scheduled Mid-Year Evaluation, which includes a 30-45 minute classroom observation, and a Final Evaluation conducted near the end of the academic year and includes an unannounced 30-45 minute observation. Within a week of both observations post-observation conferences take place with the teacher and building leader. During this meeting it will be determined if goals were met. These steps are all documented in the Coaching Cycle Platform. Ongoing observation and coaching take

place throughout the year for all teachers utilizing the PLA Coaching Performance Level Indicators Rubric and Platform. Teachers are given a comprehensive score for each indicator, and are Tiered into 3 levels to determine frequency of coaching and observation support. Coaching conversations take place after each observation and bite-sized goals are developed together based on rubric indicators and goals.

Another mechanism used to gather information is surveys. The Academy administers surveys to staff, parents and students to collect perception data. Perception data may be used to inform curricular and instructional decisions, instituting changes or modifications to courses that serve to improve the academic needs of all students.

The Academy has a defined meeting rhythm that allows for not only efficient teamwork, but also for thoughtful deliberation over school programming and instruction. Daily Huddles take place with the leadership team members to identify the top priorities for the day. Weekly Tactical meetings with the PLA network allows leaders to identify top 2 metrics and quarterly priorities and to identify challenge areas and brainstorm solutions. Quarterly Step-Back meetings help to determine areas of improvement and steps to move forward. Annual Planning, School Improvement Team (“SIT”), PLC, PBIS, MTSS and Cluster Team Meeting minutes are used to evaluate the Educational Program and, when necessary, assist in designing programmatic revisions.

The program evaluation also focuses on three major goals, the desired outcomes, activities and indicators of success as identified in the Academy’s School Improvement Plan (“SIP”). The SIP is designed to improve the quality of teaching and learning in the Academy so greater numbers of students achieve proficiency in the core academic subjects. The SIP also provides a framework for analyzing problems and addressing instructional issues. The program goals, along with the planned interventions, activities and indicators for success (referenced in the Academy’s SIP) are considered ambitious but achievable.

In addition, the Academy examines assessment data (e.g., perform item analysis) as a tool to determine academic interventions and curricular changes. Staff reviews assessment data from NWEA MAP to decide where students have misconceptions, determine what each grade level needs to be prepared for the next grade level and prepare lessons and assessments to meet these identified areas.

Finally, the Academy takes part in the PLA Instructional Review Process. This review provides proactive academic support for the Academy, through a process that occurs at the beginning of each school year as well as the end of each school year and finalizes the School Quality Review (“SQR”). The Instructional Review is conducted by members of the National PLA Team and focuses on the six domains of the Academic Priorities for Success: Effective Leadership, Effective Instruction, Climate and Culture, Collaborative Staff, Curriculum, Assessments, and Interventions and Support Systems. The process includes a survey that is sent out to staff, leadership self-assessment, leadership interview, observations of all classrooms, discussion of alignment and next steps with school leaders and identification of SQR score.

Contract Amendment No. 4

Tab 1

Section 10.4. Grounds and Procedures for Academy Termination of Contract. The Academy Board, by majority vote of its Directors, may, at any time and for any reason, request termination of this Contract. The Academy Board's request for termination shall be made to the Center Director not less than six (6) calendar months in advance of the Academy's proposed effective date of termination. Upon receipt of an Academy request for termination, the Center Director shall present the Academy Board's request for termination to the University Board. A copy of the Academy Board's resolution approving of the Contract termination, including a summary of the reasons for terminating the Contract, shall be included with the Academy Board's request for termination. After receipt of the Academy Board's request for termination, the University Board shall consider the Academy's request no later than its next regularly scheduled meeting. The University Board shall make a final determination and vote on the proposed termination request within 90 days of receipt of the request from the Academy. The University Board may, in its sole discretion, waive the six (6) month advance notice requirement for terminating this Contract.

Section 10.5. Grounds and Procedures for University Termination of Contract. The University Board, in its sole discretion, reserves the right to terminate the Contract (i) for any reason or for no reason provided that such termination shall not take place less than six (6) months from the date of the University Board's action; (ii) if there is a change in Applicable Law that the University Board, in its sole discretion, determines impairs its rights and obligations under the Contract or requires the University Board to make changes in the Contract that are not in the best interest of the University Board or the University; or (iii) if exigent circumstances exist that the University Board determines, in its sole discretion, that termination of this Contract is required to protect the health, safety, or welfare of the Academy students, property, or funds that cannot be cured in a reasonable period as determined solely by the University Board, then such termination shall take effect at the end of the current Academy fiscal year. Following University Board approval, the Center Director shall provide notice of the termination to the Academy. If during the period between the University Board action to terminate and the effective date of termination, the Academy has violated the Contract or Applicable Law, the Contract may be revoked or suspended sooner pursuant to this Article X. If this Contract is terminated pursuant to this Section 10.5, the revocation procedures in Section 10.6 shall not apply.

Tab 2

Section 6. Contracts Between Corporation and Related Persons. As required by Applicable Law, any Director, officer or employee of the Academy, who enters into a contract with the Academy, that meets the definition of contract under the statute on Contracts of Public Servants with Public Entities, Act No. 317 of the Public Acts of 1968, being sections 15.321 to 15.330 of the Michigan Compiled Laws, shall comply with the public disclosure requirements set forth in Section 3 of the statute.

The University Board authorizes the Academy Board to employ or contract for personnel according to the position information outlined in Schedule 5. However, the Academy Board shall prohibit any individual from being employed by the Academy, an Educational Service Provider or an employee leasing company involved in the operation of the Academy, in more than one (1) full-time position and simultaneously being compensated at a full-time rate for each of these positions. An employee hired by the Academy Board shall be an employee of the Academy for all purposes and not an employee of the University for any purpose. With respect to Academy Board employees, the Academy shall have the power and responsibility to (i) select and engage employees; (ii) pay their wages, benefits, and applicable taxes; (iii) dismiss employees; and (iv) control the employees' conduct, including the method by which the employee carries out his or her work. The Academy Board shall be responsible for carrying workers' compensation insurance and unemployment insurance for its employees. The Academy Board may contract with an Educational Service Provider or an employee leasing company to provide services or to provide personnel to perform services or work at the Academy. Before entering into an agreement with an Educational Service Provider or an employee leasing company to perform services or to provide personnel to perform services or work at the Academy, the Academy Board must first comply with the Educational Service Provider Policies issued by the Center. A copy of the agreement between the Academy Board and the Educational Service Provider or employee leasing company shall be included as part of Schedule 5.

The Academy shall comply with the Incompatible Public Offices statute, Act No. 566 of the Public Acts of 1978, of the Michigan Compiled Laws, and the Contracts of Public Servants With Public Entities statute, Act No. 371 of the Public Acts of 1968, of the Michigan Compiled Laws. The Academy Board shall ensure compliance with Applicable Law relating to conflicts of interest. Language in this Section controls over section 1203 of the Code. The following shall be deemed prohibited conflicts of interest:

- (a) An individual simultaneously serving as an Academy Board member and an owner, officer, director, employee or consultant of an Educational Service Provider or an employee leasing company, or a subcontractor to an Educational Service Provider or an employee leasing company that has an ESP Agreement with the Academy;

- (f) An individual simultaneously serving as an Academy Board member and having an ownership or financial interest in any real or personal property leased or subleased to the Academy.

No person shall be appointed or reappointed to serve as an Academy Board member if the person's mother, mother-in-law, father, father-in-law, son, son-in-law, daughter, daughter-in-law, sister, sister-in-law, brother, brother-in-law, spouse or domestic partner:

- (a) Is employed by the Academy Board;
- (b) Works at or is assigned to work at the Academy;
- (c) Has an ownership, officer, policymaking, managerial, administrative non-clerical or other significant role with the Academy's Educational Service Provider or employee leasing company; and
- (d) Has an ownership or financial interest in any school building lease or sublease agreement with the Academy.
- (e) Is a current Academy Board member.

The Academy Board shall require each individual who works at the Academy to annually disclose any familial relationship with any other individual who works at, or provides services to, the Academy. For purposes of this sub-section, familial relationship means a person's mother, mother-in-law, father, father-in-law, son, son-in-law, daughter, daughter-in-law, sister, sister-in-law, brother, brother-in-law, spouse or domestic partner.
