BOARD OF TRUSTEES

PROPOSAL FOR BOARD ACTION: CONSENT AGENDA

**Public School Academy Board of Directors: Method of Selection, Appointment, and Removal**

**Project Description:**

After reviewing the exigent appointment process, the Center for Charter Schools believes that this process cannot adequately protect the University Board from a situation where an academy governing board and the educational service provider simultaneously resign. The challenges in recruiting, interviewing and appointing a new board (or at least three members who could meet as a quorum), and have the new board contract with a new educational service provider, is time consuming and cannot be accomplished quickly. Accordingly, the Center recommends that the University Board charter contracts include a revision to a provision regarding the appointment of a conservator/manager on a temporary basis to address situations such as the en masse resignation of an academy governing board.

The conservator/manager would have all the powers and duties of the academy's governing board and would function in the board's place upon appointment. The conservator/manager would be designated by the University President or his or her designee upon consultation with the University Board Chair. The current conservator/manager provision required the action of the full University Board to appoint a conservator/manager. In order for this change to occur, the University Board's Method of Selection, Appointment and Removal Policy must be amended.

PROPOSED RESOLUTION: CONSENT AGENDA

**Public School Academy Board of Directors: Method of Selection, Appointment, and Removal**

BE IT RESOLVED, That the policy titled Public School Academy Board of Directors: Method of Selection, Appointment, and Removal as amended and dated February 15, 2018, is adopted and replaces the Public School Academy Board of Directors: Method of Selection, Appointment and Removal approved and dated December 7, 2006, July 12, 2007 and July 14, 2011; and Be it further

RESOLVED, That these provisions shall be implemented with new charter contracts and shall be phased in as existing charter contracts are reissued. This applies to new and existing charter contracts issued under Part 6A, Part 6E or MCL 380.1311b to MCL 380.1311m of the Revised School Code. ## **Public School Academy Board of Directors: Method of Selection, Appointment and Removal**

The Central Michigan University Board of Trustees declares that the method of selection, length of term, and number of board members shall be as follows.

### **Method of Selection and Appointment**

The Central Michigan University Board of Trustees ("University Board") shall prescribe the method of appointment for members of an academy's board of directors. The director of the charter schools office is authorized to develop and administer an academy board selection and appointment process that includes an *Application for Public School Academy Board Appointment* and is in accord with these policies:

- a. The University Board shall appoint the initial and subsequent academy board of directors by resolution, except as prescribed by subparagraphs d and e. The director of the charter schools office shall recommend qualified individuals to the University Board, and ensure that the board of directors includes representation from the local community where the academy is located.
- b. The academy board of directors, by resolution and majority vote, shall nominate its subsequent members, except as provided otherwise. The academy board of directors shall recommend to the director of the charter schools office at least one nominee for each vacancy. Nominees shall submit the *Application for Public School Academy Board Appointment* for review by the charter schools office. The director of the charter schools office may or may not recommend the appointment of a nominee submitted by the academy board. If the director of the charter schools office does not recommend the appointment of a nominee submitted by the academy board, he/she may select and recommend another nominee or may request the academy board submit a new nominee for consideration.
- c. An individual appointed to fill a vacancy created other than by the expiration of a term shall be appointed for the unexpired term of that vacant position.
- d. Under exigent conditions, and with the approval of the University Board's chair and the president, the director of the charter schools office may appoint a qualified individual to an academy's board of directors. All appointments made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any appointments made under this provision.
- e. In the event that the health, safety and welfare of an academy's students, property or funds are at risk, the president, after consulting with the University Board's chair, may appoint a person to serve as a conservator for the academy. Upon appointment, the conservator shall have all the powers of the academy's board of directors and shall act in the place and stead of the academy's board of directors. After the President appoints a conservator, the full Board of Trustees shall receive notice of the appointment as soon as possible. The president shall appoint the conservator for a definite term which may be extended in writing. During the conservator's appointment, the academy's board of directors, and all powers of the academy's board of directors, are suspended. The charter contract shall set forth any additional powers granted to the conservator during their appointment. All appointments made under this

provision must be presented to the University Board for final determination at its next regularly scheduled meeting.

### **Length of Term**

The director of an academy board shall serve at the pleasure of the University Board. Terms of the initial positions of the academy board of directors shall be staggered in accordance with *The Academy Board of Directors Table of Staggered Terms and Appointments* established and administered by the director of the charter schools office. Subsequent appointments shall be for a term of office not to exceed four (4) years, except as prescribed by *The Academy Board of Directors Table of Staggered Terms and Appointments*.

### **Removal and Suspension**

If the University Board determines that an academy board member's service in office is no longer necessary, then the University Board may remove an academy board member with or without cause and shall specify the date when the academy board member's service ends. An academy board member may also be removed as part of a reconstitution under the charter contract or from office by a two-thirds (2/3) vote of the academy's board of directors for cause.

With the approval of the University Board's chair and the president, the director of the charter schools office may suspend an academy board member's service, if in his/her judgment the person's continued presence would constitute a risk to persons or property, or would seriously impair the operation of the academy. Any suspension made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any suspensions made under this provision.

### **Number of Directors**

The number of members of the academy board of directors shall not be less than five (5) nor more than nine (9). If the academy board of directors fails to maintain its full membership by making appropriate and timely nominations, the University Board or its designee may deem that failure an exigent condition.

## **ARTICLE II**

### **RELATIONSHIP BETWEEN THE ACADEMY AND THE UNIVERSITY BOARD**

Section 2.1. Constitutional Status of Central Michigan University. Central Michigan University is a constitutionally established body corporate operating as a state public university. The University Board is an authorizing body as defined by the Code. In approving this Contract, the University Board voluntarily exercises additional powers given to the University under the Code. Section 9.1. Amendments. The University Board and the Academy acknowledge that the operation and administration of a public school academy and the improvement of educational outcomes over time will require appropriate amendment of this Contract. In order to assure a proper balance between the need for independent development of the Academy and the statutory responsibilities of the University Board as an authorizing body, the parties have established a flexible process for amending this Contract.

Section 9.2. Process for Amendment Initiated by the Academy. The Academy, by a majority vote of its Board of Directors, may, at any time, propose specific changes in this Contract or may propose a meeting to discuss potential revision of this Contract. The proposal will be made to the University Board through its designee. The University Board delegates to the Center Director the review and approval of changes or amendments to this Contract. ### **CONTRACT REVOCATION, TERMINATION, AND SUSPENSION**

Section 10.1. Statutory Grounds for Revocation. In addition to the other grounds for revocation in Section 10.2 and the automatic revocation in Section 10.3 of these Terms and Conditions, the University Board may revoke this Contract, pursuant to the procedures set forth in Section 10.6, upon a determination that one or more of the following has occurred:

- (a) Failure of the Academy to demonstrate improved pupil academic achievement for all groups of pupils or abide by and meet the educational goal and related measures set forth in this Contract;
- (b) Failure of the Academy to comply with all Applicable Law;
- (c) Failure of the Academy to meet generally accepted public sector accounting principles and to demonstrate sound fiscal stewardship; or
- (d) The existence of one or more other grounds for revocation as specified in this Contract.

Section 10.2. Other Grounds for Revocation. In addition to the statutory grounds for revocation set forth in Section 10.1 and the grounds for an automatic revocation set forth in Section 10.3, the University Board may revoke this Contract, pursuant to the procedures set forth in Section 10.6, upon a determination that one or more of the following has occurred:

- (a) The Academy fails to achieve or demonstrate measurable progress toward achieving the educational goal and related measures identified in this Contract;

- (c) The Academy is insolvent, has been adjudged bankrupt, or has operated for two or more school fiscal years with a Fund Balance Deficit;
- (d) The Academy has insufficient enrollment to successfully operate a public school academy, or the Academy has lost more than fifty percent (50%) of its student enrollment from the previous school year;
- (e) The Academy fails to fulfill the compliance and reporting requirements or defaults in any of the terms, conditions, promises or representations contained in or incorporated into this Contract or, during the term of this Contract, it is discovered by the Center that the Academy failed to fulfill the compliance and reporting requirements or there was a violation of a prior Contract issued by the University Board;
- (f) The Academy files amendments to its Articles of Incorporation with the Michigan Department of Licensing and Regulatory Affairs, without first obtaining the Center's approval;

- (h) The Academy's applicant(s), directors, officers, employees or agents have provided false or misleading information or documentation to the Center in connection with the University Board's approval of the Application, the issuance of this Contract, or the Academy's reporting requirements under this Contract or Applicable Law.

Section 10.3. Automatic Amendment Of Contract; Automatic Termination of Contract If All Academy Sites Closed; Economic Hardship Termination. Except as otherwise provided in this Section 10.3, if the University Board is notified by the Department that an Academy site is subject to closure under section 507 of the Code, MCL 380.507 ("State's Automatic Closure Notice"), then this Contract shall automatically be amended to eliminate the Academy's authority to operate certain age and grade levels at the site or sites identified in the State's Automatic Closure Notice. If the State's Automatic Closure Notice includes all of the Academy's existing sites, then this Contract shall automatically be terminated at the end of the current school year in which either the State's Automatic Closure Notice is received without any further action of the University Board or the Academy.

Following receipt of the State's Automatic Closure Notice, the Center Director shall forward a copy of the notice to the Academy Board and request a meeting with the Academy Board representatives to discuss the Academy's plans and procedures for the elimination of certain age or grade levels at the identified site or sites, or if all of the Academy's existing sites are included in that notice, then wind-up and dissolution of the Academy corporation at the end of the current school year. All Academy inquiries and requests for reconsideration of the State's Automatic Closure Notice, including the granting of any hardship exemption by the Department rescinding the State's Automatic Closure Notice ("Pupil Hardship Exemption"), shall be directed to the Department, in a form and manner determined by the Department. If the Department rescinds the State's Automatic Closure Notice for an Academy site or sites by granting a Pupil Hardship Exemption, the Academy is not required to close the identified site(s), but shall present to

the Center a proposed Contract amendment incorporating the Department's school improvement plan, if applicable, for the identified site(s).

If the Department elects not to issue a Pupil Hardship Exemption and the Center Director determines, in his or her discretion, that the closure of one or more sites as directed by the Department creates a significant economic hardship for the Academy as a going concern or the possibility of a mid-year school closure, then the Center Director may recommend to the University Board that the Contract be terminated at the end of the current school year (hereinafter "Economic Hardship Termination"). If the University Board approves the Economic Hardship Termination recommendation, then this Contract shall terminate at the end of the current school year without any further action of the parties.

The University Board's revocation procedures set forth in Section 10.6 do not apply to an automatic termination initiated by the State's Automatic Closure Notice or an Economic Hardship Termination under this Section 10.3.

Section 10.4. Grounds and Procedures for Academy Termination of Contract. The Academy Board, by majority vote of its Directors, may, at any time and for any reason, request termination of this Contract. The Academy Board's request for termination shall be made to the Center Director not less than six (6) calendar months in advance of the Academy's proposed effective date of termination. Upon receipt of an Academy request for termination, the Center Director shall present the Academy Board's request for termination to the University Board. A copy of the Academy Board's resolution approving of the Contract termination, including a summary of the reasons for terminating the Contract, shall be included with the Academy Board's request for termination. After receipt of the Academy Board's request for termination, the University Board shall consider the Academy's request no later than its next regularly scheduled meeting. The University Board shall make a final determination and vote on the proposed termination request within 90 days of receipt of the request from the Academy. The University Board may, in its sole discretion, waive the six (6) month advance notice requirement for terminating this Contract.

Section 10.5. Grounds and Procedures for University Termination of Contract. The University Board, in its sole discretion, reserves the right to terminate the Contract (i) for any reason or for no reason provided that such termination shall not take place less than six (6) months from the date of the University Board's action; (ii) if there is a change in Applicable Law that the University Board, in its sole discretion, determines impairs its rights and obligations under the Contract or requires the University Board to make changes in the Contract that are not in the best interest of the University Board or the University; or (iii) if exigent circumstances exist that the University Board determines, in its sole discretion, that termination of this Contract is required to protect the health, safety, or welfare of the Academy students, property, or funds that cannot be cured in a reasonable period as determined solely by the University Board, then such termination shall take effect at the end of the current Academy fiscal year. Following University Board approval, the Center Director shall provide notice of the termination to the Academy. If during the period between the University Board action to terminate and the effective date of termination, the Academy has violated the Contract or Applicable Law, the Contract may be revoked or suspended sooner pursuant to this Article X. If this Contract is terminated pursuant to this Section 10.5, the revocation procedures in Section 10.6 shall not apply.

Section 10.6. University Board Procedures for Revoking Contract. Except for the automatic revocation and procedures initiated by the State of Michigan set forth in Section 10.3, the University Board's process for revoking the Contract is as follows:

- (a) Notice of Intent to Revoke. The Center Director, upon reasonable belief that grounds for revocation of the Contract exist, shall notify the Academy Board of such grounds by issuing the Academy Board a Notice of Intent to Revoke for non-compliance with the Contract or

Applicable Law. The Notice of Intent to Revoke shall be in writing and shall set forth in sufficient detail the alleged grounds for revocation.

- (b) Academy Board's Response. Within thirty (30) days of receipt of the Notice of Intent to Revoke, the Academy Board shall respond in writing to the alleged grounds for revocation. The Academy Board's response shall be addressed to the Center Director, and shall either admit or deny the allegations of non-compliance. If the Academy's response includes admissions of non-compliance with the Contract or Applicable Law, the Academy Board's response must also contain a description of the Academy Board's plan and timeline for correcting the non-compliance with the Contract or Applicable Law. If the Academy's response includes a denial of non-compliance with the Contract or Applicable Law, the Academy's response shall include sufficient documentation or other evidence to support a denial of non-compliance with the Contract or Applicable Law. A response not in compliance with this Section shall be deemed to be non-responsive. As part of its response, the Academy Board may request that a meeting be scheduled with the Center Director prior to a review of the Academy Board's response.
- (c) Plan of Correction. Within fifteen (15) days of receipt of the Academy Board's response or after a meeting with Academy Board representatives, the Center Director shall review the Academy Board's response and determine whether a reasonable plan for correcting the deficiencies can be formulated. If the Center Director determines that a reasonable plan for correcting the deficiencies set forth in the Notice of Intent to Revoke can be formulated, the Center Director shall develop a plan for correcting the non-compliance ("Plan of Correction") which may include Reconstitution pursuant to 10.6(d) of these Terms and Conditions. In developing a Plan of Correction, the Center Director is permitted to adopt, modify or reject some or all of the Academy Board's response for correcting the deficiencies outlined in the Notice of Intent to Revoke. The Notice of Intent to Revoke shall be closed if the Center Director determines any of the following: (i) the Academy Board's denial of non-compliance is persuasive; (ii) the non-compliance set forth in the Notice of Intent to Revoke has been corrected by the Academy Board; or (iii) the Academy Board has successfully completed the Plan of Correction.
- (d) University Board's Contract Reconstitution Provision. The Center Director may reconstitute the Academy in an effort to improve student educational performance or to avoid interruption of the educational process. Reconstitution may include, but is not limited to, one of the following actions: (i) removal of 1 or more members of the Academy Board; (ii) termination of at-will board appointments of 1 or more Academy Board members in accordance with the Method of Selection, Appointment and Removal Resolution; (iii) withdrawing approval of a contract under Section 506 of the Code; or (iv) the appointment of a new Academy Board or a Conservator to take over operations of the Academy.

Except as otherwise provided in this subsection, reconstitution of the Academy does not prohibit the Department from issuing an order under section 507 of the Code, MCL 380.507, directing the automatic closure of the Academy's site(s).

- (e) Request for Revocation Hearing. The Center Director may initiate a revocation hearing before the University Charter Schools Hearing Panel if the Center Director determines that any of the following has occurred:
  - (i) the Academy Board has failed to respond to the Notice of Intent to Revoke as set forth in Section 10.6(b);
  - (ii) the Academy Board's response to the Notice of Intent to Revoke is non-responsive;

- (iii) the Academy Board's response admits violations of the Contract or Applicable Law which the Center Director deems cannot be remedied or cannot be remedied in an appropriate period of time, or for which the Center Director determines that a Plan of Correction cannot be formulated;
- (iv) the Academy Board's response contains denials that are not supported by sufficient documentation or other evidence showing compliance with the Contract or Applicable Law;
- (v) the Academy Board has not complied with part or all of a Plan of Correction established in Section 10.6(c);
- (vi) the Academy Board has engaged in actions that jeopardize the financial or educational integrity of the Academy; or
- (vii) the Academy Board has been issued multiple or repeated Notices of Intent to Revoke.

The Center Director shall send a copy of the request for revocation hearing to the Academy Board at the same time the request is sent to the Hearing Panel. The request for revocation shall identify the reasons for revoking the Contract.

- (f) Hearing before the University Charter Schools Hearing Panel. Within thirty (30) days of receipt of a request for revocation hearing, the Hearing Panel shall convene a revocation hearing. The Hearing Panel shall provide a copy of the notice of hearing to the Center and the Academy Board at least ten (10) days before the hearing. The purpose of the Hearing Panel is to gather facts surrounding the Center Director's request for Contract revocation, and to make a recommendation to the University Board on whether the Contract should be revoked. The revocation hearing shall be held at a location, date and time as determined by the Center Director and shall not last more than three hours. The hearing shall be transcribed and the cost shall be divided equally between the University and the Academy. The Center Director or his or her designee, and the Academy Board or its designee, shall each have equal time to make their presentation to the Hearing Panel. Although each party is permitted to submit affidavits and exhibits in support of their positions, the Hearing Panel will not hear testimony from any witnesses for either side. The Hearing Panel may, however, question the Center Director and the Academy Board. Within thirty (30) days of the revocation hearing, the Hearing Panel shall make a recommendation to the University Board concerning the revocation of the Contract. For good cause, the Hearing Panel may extend any time deadline set forth in this subsection. A copy of the Hearing Panel's recommendation shall be provided to the Center and the Academy Board at the same time that the recommendation is sent to the University Board.
- (g) University Board Decision. If the Hearing Panel's recommendation is submitted to the University Board at least fourteen (14) days before the University Board's next regular meeting, the University Board shall consider the Hearing Panel's recommendation at its next regular meeting and vote on whether to revoke the Contract. The University Board reserves the right to modify, reject or approve all or any part of the Hearing Panel's recommendation. The University Board shall have available to it copies of the Hearing Panel's recommendation and the transcript from the hearing. The University Board may waive the fourteen (14) day submission requirement or hold a special board meeting to consider the Hearing Panel's recommendation. The University Board may also direct that a portion of the Academy's state school aid funds be directed to fund the Academy's Dissolution account established under Section 10.9 of these Terms and Conditions.

Section 10.7. Contract Suspension. The University Board's process for suspending the Contract is as follows:

  - (i) has placed staff or students at risk;
  - (ii) is not properly exercising its fiduciary obligations to protect and preserve the Academy's public funds and property;
  - (iii) has lost its right to occupancy of the physical facilities described in Schedule 6, and cannot find another suitable physical facility for the Academy prior to the expiration or termination of its right to occupy its existing physical facilities;
  - (iv) has failed to secure or has lost the necessary fire, health, and safety approvals as required by Schedule 6;
  - (v) has willfully or intentionally violated this Contract or Applicable Law; or
  - (vi) has violated Section 10.2(g) or (h),

then the Center Director may immediately suspend the Contract, pending completion of the procedures set forth in Section 10.6. A copy of the suspension notice, setting forth the grounds for suspension, shall be sent to the Academy Board and to the Hearing Panel. If this subsection is implemented, the notice and hearing procedures set forth in Section 10.6 shall be expedited as much as possible.

- (b) Disposition of State School Aid Funds. - (c) Immediate Revocation Proceeding. If the Academy Board, after receiving a notice of Contract suspension from the Center Director, continues to engage in conduct or activities that are covered by the suspension notice, the Hearing Panel may immediately convene a revocation hearing in accordance with the procedures set forth in section 10.6(e) of this Contract. The Hearing Panel has the authority to accelerate the timeline for revoking the Contract, provided that notice of the revocation hearing shall be provided to the Center and the Academy Board at least five (5) days before the hearing. If the Hearing Panel determines that the Academy Board has continued to engage in conduct or activities that are covered by the suspension notice, the Hearing Panel may recommend revocation of the Contract. The University Board shall proceed to consider the Hearing Panel's recommendation in accordance with sections 10.6(f) through (h).

Section 10.8. Conservator; Appointment By University President. Notwithstanding any other provision of the Contract, in the event that the University President, in his or her sole discretion, determines

that the health, safety and welfare of Academy students, property or funds are at risk, the University President, after consulting with the University Board Chairperson, may appoint a person to serve as the Conservator of the Academy. Upon appointment, the Conservator shall have all the powers and authority of the Academy Board under this Contract and Applicable Law and shall act in the place and stead of the Academy Board. The University President shall appoint the Conservator for a definite term which may be extended in writing at his or her sole discretion. During the appointment, the Academy Board members and their terms in office are suspended and all powers of the Academy Board are suspended. All appointments made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. During their appointment, the Conservator shall have the following powers:

- (b) institute and defend actions by or on behalf of the Academy;

- (e) settle or compromise with any debtor or creditor of the Academy, including any governmental or taxing authority;

- (g) perform all acts necessary and appropriate to fulfill the Academy's purposes as set forth under this Contract or Applicable Law.

Section 10.9. Academy Dissolution Account. If the University Board terminates, revokes or fails to issue a new Contract to the Academy, the Center Director shall notify the Academy that, beginning thirty (30) days after notification of the University Board's decision, the University Board may direct up to \$10,000 from each subsequent State School Aid Fund payment, not to exceed a combined total of \$30,000, to a separate Academy account ("Academy Dissolution Account") to be used exclusively to pay the costs associated with the wind-up and dissolution responsibilities of the Academy. Within five (5) business days of the Center Director's notice, the Academy Board Treasurer shall provide the Center Director, in a form and manner determined by the Center, with account detail information and authorization to direct such funds to the Academy Dissolution Account. The Academy Dissolution Account shall be under the sole care, custody and control of the Academy Board, and such funds shall not be used by the Academy to pay any other Academy debt or obligation until such time as all the wind-up and dissolution expenses have been satisfied. An intercept agreement entered into by the Academy and a third-party lender or trustee shall include language that the third party lender or trustee acknowledges and consents to the funding of the Academy's dissolution account in accordance with this Contract. Any unspent funds remaining in the Academy's dissolution account after payment of all wind-up and dissolution expenses shall be returned to the Academy.

In addition, the Academy Board is responsible for approving all revisions and amendments to the annual budget. In accordance with the Master Calendar, revisions or amendments to the Academy's budget shall be submitted to the Center following Academy Board approval.
- (b) Unless exempted from transmitting under section 1219 of the Code, MCL 380.1219, the Academy, on or before July 7th of each school fiscal year, shall transmit to the Center for Educational Performance and Information ("CEPI") the budgetary assumptions used when adopting its annual budget pursuant to the Uniform Budgeting and Accounting Act, MCL 141.421 et seq.
- (c) The Academy shall not adopt or operate under a deficit budget, or incur an operating deficit in a fund during any fiscal year. At any time during the term of this Contract, the Academy shall not have an existing deficit fund balance, incur a deficit fund balance, or adopt a current year budget that projects a deficit fund balance. If the Academy has an existing deficit fund balance, incurs a deficit fund balance in the most recently completed school fiscal year, or adopts a current year budget that projects a deficit fund balance, all of the following apply:
  - (i) The Academy shall notify the Superintendent and the State Treasurer immediately upon the occurrence of the circumstance, and provide a copy of the notice to the Center;

The insurance must be obtained from a licensed mutual, stock, or other responsible company licensed to do business in the State of Michigan. The Academy may join with other public school academies to obtain insurance if the Academy Board finds that such an association provides economic advantages to the Academy, provided that each Academy maintains its identity as first named insured. The Academy shall list the University on the insurance policies as an additional insured as required by the University's insurance carrier. The coverage provided to the University as an additional covered person or organization will be primary and non-contributory with the University's insurance carrier. The Academy may expend funds for payment of the cost of participation in an accident or medical insurance program to insure protection for pupils while attending school or participating in a school program or activity. Other insurance policies and higher minimums may be required depending upon academic offerings and program requirements.

Pursuant to Section 3.6 of these Terms and Conditions, the University requires that any Educational Service Provider or employee leasing company that enters into a contract with the Academy must obtain insurance coverage similar to the insurance coverage that is currently required for the Academy. Accordingly, any agreement between the Academy and an Educational Service Provider or employee leasing company shall contain a provision requiring the Educational Service Provider or employee leasing company to comply with the coverage requirements recommended by the University's insurance carrier. Furthermore, the agreement between the Educational Service Provider or employee leasing company and the Academy shall contain a provision stating that "in the event that the University's insurance carrier recommends any change in coverage by the Educational Service Provider or employee leasing company, the Educational Service Provider or employee leasing company agrees to comply with any changes in the type and amount of coverage as requested by the University or the University's insurance carrier within thirty (30) days after notice of the insurance coverage change."

The Academy also is limited in its authority to contract by the amount of funds obtained from the state school aid fund, as provided hereunder, or from other independent sources. The Academy hereby covenants not to sue the University Board, the University or any of its Trustees, officers, employees, agents or representatives for any matters that arise under this Contract. The Academy Board shall: (i) ensure that the Academy's physical facilities comply with all fire, health and safety standards applicable to schools; and (ii) possess the necessary occupancy certificates for the Academy's physical facilities. The Academy Board shall not occupy or use any facility until approved for occupancy by the Michigan Department of Licensing and Regulatory Affairs, Bureau of Construction Codes. Copies of these Certificate(s) of Use and Occupancy shall be incorporated into this Contract under Schedule 6 and in accordance with Article IX, as applicable.

Section 11.6. New Building Construction or Renovations. The Academy shall not commence construction on a new school building or the major renovation of an existing school building unless the Academy consults on the plans of the construction or major renovation regarding school safety issues with the law enforcement agency that is or will be the first responder for that school building. School building includes either a building intended to be used to provide pupil instruction or a recreational or athletic structure or field used by pupils.

Section 11.7. Criminal Background and History Checks; Disclosure of Unprofessional Conduct. - (a) Information to be provided by the Academy. In accordance with Applicable Law, the Academy shall make information concerning its operation and management, including, without limitation, information in Schedule 8 available to the public and the Center.
- (b) Information to be provided by Educational Service Provider. The agreement between the Academy and the Educational Service Provider shall contain a provision requiring the Educational Service Provider to make information concerning the operation and management of the Academy, including the information in Schedule 8, available to the Academy as deemed necessary by the Academy Board in order to enable the Academy to fully satisfy its obligations under paragraph 11.9 (a) above.

Section 11.10. Deposit of Public Funds by the Academy. The Academy Board agrees to comply with Section 1221 of the Revised School Code, being MCL 380.1221, regarding the deposit of all public or private funds received by the Academy. Such deposit shall be made within three (3) days after receipt of the funds by the Academy. Only Academy Board members or designated Academy Board employees may be a signatory on any Academy bank account.

Section 11.11. Nonessential Elective Course. If the Academy Board elects to provide nonessential elective courses to part-time pupils at a nonpublic school building, the Academy shall comply with Section 166b of the State School Aid Act of 1979, as amended, MCL 388.1766b. Prior to providing instruction, the Academy Board shall ensure that the Academy has sufficient documentation to qualify for part-time pupil funding under the State School Aid Act. The provision of nonessential elective courses by the Academy shall be incorporated into Schedule 7c of this Contract by amendment pursuant to Article IX of these Terms and Conditions, as applicable.

**WEST VILLAGE ACADEMY**

**ARTICLE I**  
**NAME**

This organization shall be called West Village Academy (the "Academy" or the "corporation").

**ARTICLE II**  
**FORM OF ACADEMY**

The Academy is organized as a non-profit, non-stock, directorship corporation.

**ARTICLE III**  
**OFFICES**

Section 1.       Principal Office. The principal office of the Academy shall be located in the state of Michigan.

Section 2.       Registered Office. The registered office of the Academy may be the same as the principal office of the Academy, but in any event must be located in the state of Michigan, and be the business office of the resident agent, as required by the Michigan Non-Profit Corporation Act. Changes in the resident agent and registered address of the Academy must be reported to the Michigan Department of Licensing and Regulatory Affairs and to The Governor John Engler Center for Charter Schools ("the Center.")

**ARTICLE IV**  
**BOARD OF DIRECTORS**

Section 1.       General Powers. The business, property and affairs of the Academy shall be managed by the Academy Board of Directors ("Academy Board"). The Academy Board may exercise any and all of the powers granted to it under the Michigan Non-Profit Corporation Act or pursuant to Part 6A of the Revised School Code ("Code"). The Academy Board may delegate such powers to the officers and committees of the Academy Board as it deems necessary, so long as such delegation is consistent with the Articles, these Amended Bylaws, the Contract and Applicable Law.

Section 2. Method of Selection and Appointment. The Central Michigan University Board of Trustees ("University Board") shall prescribe the method of appointment for members of an Academy's Board. The Center Director is authorized to develop and administer an academy board selection and appointment process that includes an *Application for Public School Academy Board Appointment* and is in accord with these policies:

- a. The University Board shall appoint the initial and subsequent Academy Board by resolution, except as prescribed by subparagraph d. The Center Director shall recommend qualified individuals to the University Board.
- b. The Academy Board, by resolution and majority vote, shall nominate its subsequent members, except as provided otherwise. The Academy Board shall recommend to the Center Director at least one nominee for each vacancy. Nominees shall submit the *Application for Public School Academy Board Appointment* for review by the Center. The Center Director may or may not recommend the appointment of a nominee submitted by the Academy Board. If the Center Director does not recommend the appointment of a nominee submitted by the Academy Board, he/she may select and recommend another nominee or may request the Academy Board submit a new nominee for consideration.
- c. An individual appointed to fill a vacancy created other than by the expiration of a term shall be appointed for the unexpired term of that vacant position.
- d. Under exigent conditions, and with the approval of the University Board's chair and the University President, the Center Director may appoint a qualified individual to the Academy Board. All appointments made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any appointments made under this provision.

Section 3. Length of Term. A Director of the Academy Board shall serve at the pleasure of the University Board. Terms of the initial positions of the Academy Board shall be staggered in accordance with *The Academy Board of Directors Table of Staggered Terms and Appointments* established and administered by the Center Director. Subsequent appointments shall be for a term of office not to exceed four (4) years, except as prescribed by *The Academy Board of Directors Table of Staggered Terms and Appointments*.

Section 4. Number of Director Positions. The number of director positions on the Academy Board shall not be less than five (5) nor more than nine (9) as determined by the University Board. If the Academy Board fails to maintain its full membership by making appropriate and timely nominations, the Center Director may deem that failure an exigent condition.

Section 5. Qualifications of Academy Board Members. To be qualified to serve on the Academy Board, a person shall, among other things: (a) be a citizen of the United States; (b) be a resident of the State of Michigan; (c) submit all materials requested by the Center including, but not limited to, the *Application for Public School Academy Board Appointment* which must include authorization to process a criminal background check; and (d) annually submit a conflict of interest disclosure as prescribed by the Center.

The members of the Academy Board shall not include (a) employees of the Academy; (b) any director, officer, or employee of a service provider that contracts with the Academy; (c) a Central Michigan University official or employee, as a representative of Central Michigan University.

Section 6. Oath of Public Office. All members of the Academy Board must take the constitutional oath of office and sign the *Oath of Public Office* before beginning their service. The *Oath of Public Office* shall be filed with the Center.

Section 7. Tenure. Each Director shall hold office until the Director's replacement, death, resignation, removal or until the expiration of the term, whichever occurs first.

Section 8. Removal and Suspension. If the University Board determines that the service in office of a Director of the Academy Board is no longer necessary, then the University Board may remove the Academy Board member with or without cause and shall specify the date when the Academy Board member's service ends. The Academy Board member may also be removed from office for cause by a two-thirds (2/3) vote of the Academy's Board.

With the approval of the University Board's chair and the University President, the Center Director may suspend the service of a Director of the Academy Board if, in his/her judgment, the person's continued presence would constitute a risk to persons or property, or would seriously impair the operation of the Academy. Any suspension made under this provision must be presented to the University Board for final determination at its next regularly scheduled meeting. The University Board reserves the right to review, rescind, modify, ratify, or approve any suspensions made under this provision.

Section 9. Resignation. Any Director may resign at any time by providing written notice to the corporation or by communicating such intention (orally or in writing) to the Center. Notice of resignation will be effective upon receipt or at a subsequent time if designated in a written notice. A successor shall be appointed as provided in Section 2 of this Article.

Section 10. Board Vacancies. A Director vacancy shall occur because of death, resignation, removal, failure to maintain residency in the State of Michigan, disqualification or as otherwise specified in the Code. Any vacancy shall be filled as provided in Section 2 of this Article.

Section 11. Compensation. A Director of the Academy Board shall serve as a volunteer Director. By resolution of the Academy Board, the Directors may be reimbursed for their reasonable expenses incident to their duties.

## **ARTICLE V MEETINGS**

Section 1. Annual and Regular Meetings. The Academy Board shall hold an annual meeting each year. The Academy Board must provide, by resolution, the time and place, within the State of Michigan, for the holding of regular monthly meetings. The Academy Board shall provide notice of the annual and all regular meetings as required by the Open Meetings Act.

Section 2. Special Meetings. Special meetings of the Academy Board may be called by or at the request of any Director. The person or persons authorized to call special meetings of the Academy Board may fix the place within the State of Michigan for holding any special meeting of the Academy Board called by them, and, if no other place is fixed, the place of meeting shall be the principal business office of the corporation in the state of Michigan. The corporation shall provide notice of all special meetings as required by the Open Meetings Act.

Section 3. Notice; Waiver. The Academy Board must comply with the notice provisions of the Open Meetings Act. In addition, notice of any meeting shall be given to each Director stating the time and place of the meeting, delivered personally, mailed, or sent by facsimile or electronic mail to the Director's business address. Any Director may waive notice of any meeting by written statement, facsimile or electronic mail sent by the Director, signed before or after the holding of the meeting. The attendance of

a Director at a meeting constitutes a waiver of notice of such meeting, except where a Director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

Section 4. Quorum. In order to legally transact business, the Academy Board shall have a quorum physically present at a duly called meeting of the Academy Board. A “quorum” shall be defined as follows:

<u># of Academy Board Positions</u>	<u># Required for Quorum</u>
Five (5)	Three (3)
Seven (7)	Four (4)
Nine (9)	Five (5)

A Director of the Academy Board who is absent from a meeting of the Academy Board due to military duty may participate in the meeting virtually, and that member’s virtual presence will count towards quorum and allow the absent member to participate in and vote on business before the Academy Board.

Section 5. Manner of Acting. The act of the majority of the Directors present at a meeting at which a quorum is present shall be the act of the Academy Board. No member of the Academy Board may vote by proxy, by way of a telephone conference or any other electronic means of communication.

Section 6. Open Meetings Act. All meetings of the Academy Board shall at all times be in compliance with the Open Meetings Act.

Section 7. Presumption of Assent. A Director of the Academy Board who is present at a meeting of the Academy Board at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless that Director's dissent shall be entered in the minutes of the meeting or unless that Director shall file a written dissent to such action with the person acting as the Secretary of the meeting before the adjournment thereof or shall forward such dissent by registered mail to the Secretary of the corporation immediately after the adjournment of the meeting. This right to dissent shall not apply to a Director who voted in favor of such action.

## ARTICLE VI COMMITTEES

Section 1. Committees. The Academy Board, by resolution, may designate one or more committees. Each committee is to consist of one or more Directors selected by the Academy Board. As provided in the resolution as initially adopted, and as thereafter supplemented or amended by further resolution, the committees shall have such powers as delegated by the Academy Board, except (i) filling of vacancies in the officers of the Academy Board or committees created pursuant to this Section; (ii) amending the Articles of Incorporation or Amended Bylaws; or (iii) any action the Academy Board cannot lawfully delegate under the Articles, Amended Bylaws or Applicable Law. All committee meetings shall at all times be in compliance with the Open Meetings Act. Each committee shall fix its own rules governing the conduct of its activities and shall make such reports to the Academy Board of its activities as the Academy Board may request.

## **ARTICLE VII OFFICERS OF THE BOARD**

Section 1.       Number. The officers of the Academy Board shall be a President, Vice-President, Secretary, Treasurer, and such assistant Treasurers and assistant Secretaries as may be selected by the Academy Board.

Section 2.       Election and Term of Office. The Academy Board shall elect the initial officers at its first duly noticed meeting. Thereafter, the officers of the Academy Board shall be elected annually by the Academy Board. If the election of officers is not held at the annual meeting, the election shall be held as soon thereafter as may be convenient. Each officer shall hold office while qualified or until the officer resigns or is removed in the manner provided in Section 3.

Section 3.       Removal. Any officer or agent elected or appointed by the Academy Board may be removed by the Academy Board whenever in its judgment the best interests of the corporation would be served thereby.

Section 4.       Vacancies. A vacancy in any office shall be filled by appointment by the Academy Board for the unexpired portion of the term.

Section 5.       President. The President of the Academy Board shall be a member of the Academy Board. The President of the corporation shall preside at all meetings of the Academy Board. If there is not a President, or if the President is absent, then the Vice-President shall preside. If the Vice-President is absent, then a temporary chair, chosen by the members of the Academy Board attending the meeting shall preside. The President shall, in general, perform all duties incident to the office of President of the Academy Board as may be prescribed by the Academy Board from time to time.

Section 6.       Vice-President. The Vice-President of the Academy Board shall be a member of the Academy Board. In the absence of the President or in the event of the President's death, inability or refusal to act, the Vice-President shall perform the duties of President, and when so acting, shall have all the powers of and be subject to all the restrictions upon the President. The Vice-President shall perform such other duties as from time to time may be assigned to the Vice-President by the President or by the Academy Board.

Section 7.       Secretary. The Secretary of the Academy Board shall be a member of the Academy Board. Section 8.       Treasurer. The Treasurer of the Academy Board shall be a member of the Academy Board. The Treasurer shall: (a) have charge and custody of and be responsible for all funds and securities of the corporation; (b) keep accurate books and records of corporate receipts and disbursements; (c) deposit all moneys and securities received by the corporation in such banks, trust companies or other depositories as shall be selected by the Academy Board; (d) complete all required corporate filings; (e) assure that the responsibilities of the fiscal agent to the corporation are properly carried out; and (f) in general perform all

of the duties incident to the office of Treasurer and such other duties as from time to time may be assigned by the President or by the Academy Board.

Section 9. Assistants and Acting Officers. The Assistants to the officers, if any, selected by the Academy Board, shall perform such duties and have such authority as shall from time to time be delegated or assigned to them by the Secretary or Treasurer or by the Academy Board. The Academy Board shall have the power to appoint any member of the Academy Board to perform the duties of an officer whenever, for any reason, it is impractical for such officer to act personally. Such acting officer so appointed shall have the powers of and be subject to all the restrictions upon the officer to whose office the acting officer is so appointed except as the Academy Board may by resolution otherwise determine.

Section 10. Salaries. Officers of the Academy Board, as Directors of the corporation, may not be compensated for their services. By resolution of the Academy Board, officers may be reimbursed for reasonable expenses incident to their duties.

Section 11. Filling More Than One Office. Subject to the statute concerning the Incompatible Public Offices, Act No. 566 of the Public Acts of 1978, being Sections 15.181 to 15.185 of the Michigan Compiled Laws, any two offices of the corporation except those of President and Vice-President may be held by the same person, but no officer shall execute, acknowledge or verify any instrument in more than one capacity.

## **ARTICLE VIII CONTRACTS, LOANS, CHECKS AND DEPOSITS; SPECIAL CORPORATE ACTS**

Section 1. Contracts. The Academy Board may authorize any officer or officers, agent or agents, to enter into any contract, to execute and deliver any instrument, or to acknowledge any instrument required by law to be acknowledged in the name of and on behalf of the corporation. Such authority may be general or confined to specific instances, but the appointment of any person other than an officer to acknowledge an instrument required by law to be acknowledged should be made by instrument in writing. When the Academy Board authorizes the execution of a contract or of any other instrument in the name of and on behalf of the corporation, without specifying the executing officers, the President or Vice-President, and the Secretary or Treasurer may execute the same and may affix the corporate seal thereto. No contract entered into, by or on behalf of the Academy Board, shall in any way bind Central Michigan University or impose any liability on Central Michigan University, its trustees, officers, employees or agents.

Section 2. Loans. No loans shall be contracted on behalf of the Academy and no evidences of indebtedness shall be issued in its name unless authorized by a prior resolution of the Academy Board. Such authority shall be confined to specific instances. No loan, advance, overdraft or withdrawal by an officer or Director of the corporation, shall be made or permitted unless approved by the Academy Board. No loan entered into, by or on behalf of the Academy Board, shall in any way be considered a debt or obligation of Central Michigan University or impose any liability on Central Michigan University, its trustees, officers, employees or agents.

Section 3. Checks, Drafts, etc. All checks, drafts or other orders for the payment of money, notes or other evidences of indebtedness issued in the name of the Academy, shall be signed by Academy Board members or Academy Board employees, which shall not include employees of the Academy Board's Educational Service Provider, and in such manner as shall from time to time be determined by resolution of the Academy Board.

Section 4. Deposits. All funds of the Academy shall be deposited from time to time to the credit of the corporation in such banks, trust companies or other depositories as the Academy Board may select, provided that such financial institution is eligible to be a depository of surplus funds under Section 1221 of the Revised School Code, being Section 380.1221 of the Michigan Compiled Laws.

Section 5. Voting of Gifted, Bequested or Transferred Securities Owned by this Corporation. Subject always to the specific directions of the Academy Board, any shares or other securities issued by any other corporation and owned or controlled by this corporation may be voted at any meeting of security holders of such other corporation by the President of this corporation or by proxy appointed by the President, or in the absence of the President and the President's proxy, by the Secretary or Treasurer of this corporation or by proxy appointed by the Secretary or Treasurer. Such proxy or consent in respect to any shares or other securities issued by any other corporation and owned by this corporation shall be executed in the name of this corporation by the President, the Secretary or the Treasurer of this corporation without necessity of any authorization by the Academy Board, affixation of corporate seal or countersignature or attestation by another officer. Any person or persons designated in the manner above stated as the proxy or proxies of this corporation shall have full right, power and authority to vote the shares or other securities issued by such other corporation and owned by this corporation the same as such shares or other securities might be voted by this corporation. This section shall in no way be interpreted to permit the corporation to invest any of its surplus funds in any shares or other securities issued by any other corporation. This section is intended to apply, however, to all gifts, bequests or other transfers of shares or other securities issued by any other corporation which are received by the corporation.

Section 6. Contracts Between Corporation and Related Persons. As required by Applicable Law, any Director, officer or employee of the Academy, who enters into a contract with the Academy, that meets the definition of contract under the statute on Contracts of Public Servants with Public Entities, Act No. 317 of the Public Acts of 1968, being sections 15.321 to 15.330 of the Michigan Compiled Laws, shall comply with the public disclosure requirements set forth in Section 3 of the statute.

The University Board authorizes the Academy Board to employ or contract for personnel according to the position information outlined in Schedule 5. However, the Academy Board shall prohibit any individual from being employed by the Academy, an Educational Service Provider or an employee leasing company involved in the operation of the Academy, in more than one (1) full-time position and simultaneously being compensated at a full-time rate for each of these positions. An employee hired by the Academy Board shall be an employee of the Academy for all purposes and not an employee of the University for any purpose. With respect to Academy Board employees, the Academy shall have the power and responsibility to (i) select and engage employees; (ii) pay their wages, benefits, and applicable taxes; (iii) dismiss employees; and (iv) control the employees' conduct, including the method by which the employee carries out his or her work. The Academy Board shall be responsible for carrying workers' compensation insurance and unemployment insurance for its employees. The Academy Board may contract with an Educational Service Provider or an employee leasing company to provide services or to provide personnel to perform services or work at the Academy. Before entering into an agreement with an Educational Service Provider or an employee leasing company to perform services or to provide personnel to perform services or work at the Academy, the Academy Board must first comply with the Educational Service Provider Policies issued by the Center. A copy of the agreement between the Academy Board and the Educational Service Provider or employee leasing company shall be included as part of Schedule 5.

The Academy shall comply with the Incompatible Public Offices statute, Act No. 566 of the Public Acts of 1978, of the Michigan Compiled Laws, and the Contracts of Public Servants With Public Entities statute, Act No. 371 of the Public Acts of 1968, of the Michigan Compiled Laws. The Academy Board shall

ensure compliance with Applicable Law relating to conflicts of interest. Language in this Section controls over section 1203 of the Code. The following shall be deemed prohibited conflicts of interest:

- (a) An individual simultaneously serving as an Academy Board member and an owner, officer, director, employee or consultant of an Educational Service Provider or an employee leasing company, or a subcontractor to an Educational Service Provider or an employee leasing company that has an ESP Agreement with the Academy;

- (f) An individual simultaneously serving as an Academy Board member and having an ownership or financial interest in any real or personal property leased or subleased to the Academy.

No person shall be appointed or reappointed to serve as an Academy Board member if the person's mother, mother-in-law, father, father-in-law, son, son-in-law, daughter, daughter-in-law, sister, sister-in-law, brother, brother-in-law, spouse or domestic partner:

- (a) Is employed by the Academy Board;

- (e) Is a current Academy Board member.

The Academy Board shall require each individual who works at the Academy to annually disclose any familial relationship with any other individual who works at, or provides services to, the Academy. For purposes of this sub-section, familial relationship means a person's mother, mother-in-law, father, father-in-law, son, son-in-law, daughter, daughter-in-law, sister, sister-in-law, brother, brother-in-law, spouse or domestic partner.

## **ARTICLE IX INDEMNIFICATION**

To the extent permitted by Applicable Law, each person who is or was a Director, officer or member of a committee of the Academy and each person who serves or has served at the request of the Academy as a trustee, director, officer, partner, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise, may be indemnified by the Academy. The corporation may purchase and maintain insurance on behalf of any such person against any liability asserted against and incurred by such person in any such capacity or arising out of his status as such, whether or not the corporation would have power to indemnify such person against such liability under the preceding sentence. If a breach cannot be remedied, the Academy and MM1 agree to work cooperatively to transition management and operations of the school without disrupting the school's operations. Until corrected, the Academy shall not deduct any amount from payment of its current invoice as a credit or setoff. Errors, upon verification, shall be corrected by an adjustment on the next invoice.
- 3.8 **Continuing Liabilities.** In the event that this Agreement is terminated, by either party, the Academy shall be responsible for any insurance or employment liabilities prepaid or incurred by MM1 with respect to the Worksite Employees in the ordinary course on a pro rata basis through the date of termination. Such charges shall be paid by the Academy to MM1 upon receipt of an invoice for such amounts.

- 3.9 **Unemployment Insurance Expense Reimbursement.** In the event of the sale, dissolution, liquidation, reorganization or closing of the Academy's business which causes MM1 to terminate or lay-off any Worksite Employee assigned to the Academy under this Agreement, the Academy agrees to promptly reimburse MM1 for claims paid for Worksite Employees and related charges incurred by MM1 with respect to such employees prior to such sale, dissolution, liquidation, reorganization or closing of the Academy's business.

**ADDENDUM**  
**TO EMPLOYEE MANAGEMENT SERVICES AGREEMENT DATED EFFECTIVE AS OF**  
**JULY 1, 2020, BY AND BETWEEN WEST VILLAGE ACADEMY, A MICHIGAN PUBLIC**  
**SCHOOL ACADEMY AND MM1, INC.**

This Addendum (this “Addendum”) to the above-entitled Employee Management Services Agreement (the “Agreement”) is effective the 1<sup>st</sup> day of July, 2020, by and between the West Village Academy, a Michigan public school academy (the “Academy”) and MM1, Inc., a Michigan Corporation (“MM1”) with reference to the following:

**RECITALS:**

WHEREAS, the Parties have entered into the above referenced Agreement with respect to provision by MM1 to the Academy of human resource related administrative services and Worksite Employees; and

WHEREAS, the Parties desire to supplement certain provisions of the Agreement to reflect their mutual understanding as to certain agreed upon changes; and

WHEREAS, all capitalized terms herein, unless otherwise defined or modified hereby, shall have the same meaning for such terms as set forth in the Agreement.

NOW, therefore for valuable consideration, receipt of which is hereby acknowledged, the Parties agree as follows:

1. CAO/Superintendent. The Academy shall employ its CAO/Superintendent who will work on-site at the Academy and report directly and only to the Academy Board. The CAO/Superintendent is addressed in the Administrative Services Agreement executed contemporaneously herewith. MM1 shall have no authority to hire, direct, supervise, evaluate, discipline or fire the CAO/Superintendent.

2. On-site Supervision and Worksite Employee Evaluation. MM1 and the Academy shall select a Worksite Employee assigned to a staff/administrative position at the Academy to serve as the “Liaison.” The Liaison shall bear the responsibility to coordinate and monitor the evaluation and supervision of teaching, maintenance and administrative personnel, as well as the other duties and obligations of MM1. MM1 and the Principal shall jointly conduct all performance evaluations of Worksite Employees. The Principal shall assist with human resources and personnel matters on the Academy’s premises during normal business hours and shall coordinate with and advise MM1 as to the status of such matters at such times as requested by MM1’s home office. MM1 and the Principal shall determine the procedures to be followed by Worksite Employees in the day-to-day performance of their job duties.

3. Personnel Requirements. The Academy, through its CAO/Superintendent, shall advise MM1 of the teachers, instructors, and administrators required by the Academy to perform its mission, as provided in the budget adopted by the Academy Board. Job descriptions and qualifications shall be consistent with Schedule 5 of the Contract (as defined in the Agreement). MM1 shall comply with the Code with respect to the evaluation and compensation systems. (See Sections 1249 and 1250 of the Code). By July 15, 2020, the Academy Board shall adopt a personnel classification and pay plan and provide such plan to MM1. The Academy Board shall notify MM1 of any significant changes in the level of funding provided to the Academy.

4. Worksite Employee Handbook and Policies. MM1 shall provide the Academy with its handbook of personnel policies and procedures, which policies and procedures guide MM1 with respect to the discipline, layoff or termination of Worksite Employees. If a Worksite Employee has a problem or dispute regarding a co-worker, a student, parent, or any other matter, the Worksite Employee shall first bring the problem or dispute to the attention of the MM1 Liaison. If the problem or dispute is not resolved in a reasonable time period, the Worksite Employee shall take the matter to MM1 and the Principal of the Academy. If the issue continues and is related to a co-

worker the issue is to be resolved by MM1. If the issue continues and is related to a student or parent, the issue shall be referred to the Academy Board.

5. Personnel Issues. In the event the Academy Liaison becomes dissatisfied with the performance of any individual Worksite Employee, the Principal shall notify MM1, in writing, setting forth the nature of the dissatisfaction. Upon receipt of such notice MM1 agrees to promptly begin to investigate the incident and to determine if the Worksite Employee should be removed from the premises during the investigation based on the severity of the incident. The determination of any disciplinary action to take (or not taken) with respect to the Worksite Employee including termination, shall be solely that of MM1.

6. Compensation and Benefits. MM1 shall present to the Academy Board, on a frequency established by the Academy, the level of compensation and fringe benefits provided to Worksite Employees.

7. Authority. Neither MM1 nor any provision of this Agreement and Addendum shall interfere with the Academy Board's duty to exercise its statutory, contractual and fiduciary responsibilities governing the operation of the Academy. This Agreement and Addendum shall not in any way restrict the Academy Board from acting as an independent, self-governing public body, or allow public decision to be made other than in compliance with the Open Meetings Act.

8. Governmental Immunity. This Agreement and Addendum does not in any way require the Academy Board to assert, waive or not waive its governmental immunity.

9. Deposit of Funds. No provision of this Agreement and Addendum shall affect the right of the Academy Board to direct that the deposit of all funds received by the Academy be placed in the Academy's depository account as required by law. The signatories on the Academy's accounts shall solely be properly designated Academy Board member(s) or Academy Board employees. Interest income earned on Academy's accounts shall accrue to the Academy.

10. Payment. The Academy Board shall either pay or reimburse MM1 for approved fees or expenses upon properly presented documentation and approval by the Academy Board or a properly designated Academy Board member. The Academy Board may advance funds to MM1 for the fees or expenses associated with the Academy's operation provided that satisfactory documentation for the fees and expenses are supplied for Academy Board ratification at its next regularly scheduled meeting. No corporate costs of MM1 shall be charged to, or reimbursed by, the Academy.

11. Academy Records. The financial, educational and student records pertaining to the Academy are Academy property and shall be kept confidential, and are subject to the provisions of FOIA and the Code. All records shall be kept in accordance with applicable State and Federal requirements.

12. Access to MM1 Records. All financial and other records of MM1 related to the Academy shall be made available to the Academy, the Academy's independent auditor, who shall be solely selected by the Academy Board, and the Authorizer upon request,

13. Purchases. All equipment, materials and supplies purchased by MM1 on behalf of or as agent of the Academy, shall be and remain the property of the Academy. MM1 agrees to comply with the Code including, but not limited to, Sections 1267 and 1274 of the Code, MCL 380.1267 and MCL 380.1274, as if the Academy were making these purchases directly from a third party supplier or vendor. If MM1 procures equipment, materials and supplies at the request of or on behalf of the Academy, MM1 shall not include any added fees or charges with the cost of equipment, materials and supplies purchased from third parties.

14. Proprietary Rights. All curriculum and educational materials that (i) are both directly developed and paid for by the Academy; or (ii) were developed by MM1 at the direction of the Academy Board with Academy funds, shall be the sole proprietary property of the Academy.

Curriculum or educational materials previously developed or copyrighted by MM1, or that are developed by MM1 from funds from the Academy paid to MM1 as part of MM1's fee for services, shall be the sole proprietary property of MM1. All educational materials, from any source, including from MM1, and teaching techniques used by the Academy, are subject to disclosure under the Code and the FOIA.

15. Personnel Responsibility. MM1 shall be exclusively responsible for administration and provision of benefits, salaries, workers' disability compensation, unemployment compensation and liability insurance and for maintenance of Worksite Employees' personnel files and all other employee records required by state and/or federal law and the Charter Contract for Worksite Employees and other employees working on Academy operations irrespective of whether the ESP receives an advancement of its costs or the payment of services from the Academy.

16. Marketing and Development. Marketing and development costs paid by or charged to the Academy shall be limited to those costs specific to the Academy program as approved by the Academy Board, and shall not include any costs for the marketing and development of the business of MM1.

17. Performance Evaluation of MM1. The Academy Board may develop and implement a process for the review and evaluation of the performance by MM1 under this Agreement. The policies and procedures providing for any such evaluation process shall be provided in writing to MM1. The Academy Board shall communicate in writing to MM1 the results of any such performance review.

18. Compliance with Academy's Contract. MM1 agrees to perform its duties and responsibilities under this Agreement in a manner that is consistent with the Academy's obligations under the Academy's Charter Contract issued by the Central Michigan University Board of Trustees. The provisions of the Academy's Charter Contract shall supersede any competing or conflicting provisions contained in this Agreement.

19. Additional Cost of Compliance With Academy's Contract. Any additional costs of compliance because of changes mandated by CMU will be borne by the Academy and MM1 equally, provided that any additional costs to MM1 shall be limited to its duties and obligations under this Agreement. The Academy and MM1 enter into this Agreement with the full understanding that the Educational Service Provider Policies, as amended June 1, 2018 (the "Policies") issued by CMU's Charter Schools Office may undergo revisions. The Academy and MM1 agree to amend the Agreement within sixty (60) days of the effective date of CMU's revised Educational Service Provider Policies to conform with such new policies, or as soon as mandated by CMU.

20. Required Disclosure. On an annual basis, MM1 shall provide the Academy Board all of the same information that a school district is required to disclose under section 18(2) of the State School Aid Act, MCL 388.1618(2), for the most recent school fiscal year in which the information is available. Within thirty (30) days of receiving the information under section 18(2), the Academy Board shall make this information publicly available on its website, in a form and manner prescribed by the Michigan Department of Education. All policies of insurance required of Lessee shall name Lessor as a named insured.

**8. Damage By Fire or Other Casualty; Eminent Domain.**

a. Lessee shall give immediate notice to Lessor of fire or other casualty at the Leased Premises.

b. In the event the Property shall be damaged or destroyed in whole or in part by fire or other casualty (including the taking of all or part of the Property for any public or quasi-public use or right of eminent domain), Lessee shall have the right, but not the obligation, to terminate this Lease by giving written notice to Lessor of its election to terminate, notice to be given within ninety (90) days after the occurrence of the damage or destruction. Lessee shall vacate and surrender the Property to Lessor within thirty (30) days of giving such notice, without prejudice, however, to the parties' respective rights and remedies under this Lease prior to termination, and any rent shall remain due through the earlier of the date of such termination or the date in which the Leased Premises became untenable for Lessee's purposes. Lessee shall not have the right to terminate this Lease if the fire or other casualty is caused wholly or in part by the negligent or willful act of Lessee so long as Lessee or Lessor obtains satisfactory business interruption insurance at a reasonable cost.

c. If the fire, casualty, repairing or rebuilding of the Leased Premises shall render the Leased Premises untenable in whole or in part, a proportionate reduction of the annual rent due thereafter shall be allowed from the date of the occurrence of such casualty until the date the Lessor completes the repairs to the Leased Premises. Such reduction shall be computed on the basis of the ratio which the floor area of the Leased Premises rendered untenable bears to the total leasable floor area of the Leased Premises. To the extent permitted by law, Lessor shall not be liable for any delay in the repair or restoration of the Property, provided that Lessor completes the repairs within a reasonable period of time.

9. **Indemnification.** To the extent permitted by law, Lessee shall defend, indemnify and hold harmless Lessor and Lessor's agents and employees from and against any and all claims, demands, causes of action, liabilities and costs of any nature and character, including reasonable attorneys' fees and court and settlements costs, attributable to Lessee's use or operations of the Leased Premises. Such indemnification shall not include claims covered by Lessor's fire and extended insurance coverage but shall include, without limitation, any damage to, or loss, destruction or theft from the Leased Premises and any other property of Lessor resulting from the activities of Lessee or its agents, employees or invitees.

10. **Compliance with Policies, Laws and Regulations.** Lessor and Lessee will comply with all applicable laws, rules, and regulations related to the Property, the Leased Premises and this Agreement. Lessee shall also comply with all reasonable written policies given to Lessee by Lessor concerning the Leased Premises and activities thereon as long as the same are not inconsistent with this Lease and/or do not substantially interfere with Lessee's right to use the Property for its intended purpose. Lessee shall supervise its students on the Leased Premises appropriately during school hours and school activities. Lessor and Lessee shall comply with all rules, regulations and policies (including but not limited to leasing and financing policies) of Lessee's Charter authorizer, including site and facility review requirements, insurance requirements, and all applicable obligations of the Charter Contract. In the event of inconsistency between this Lease and the Charter Contract and/or the rules, regulations and policies of Lessee's Charter authorizer, it is acknowledged and agree that the Charter Contract and such rules, regulations, and policies shall govern.

11. **Improvements.** Lessee shall make no improvements to the Leased Premises without Lessor's prior written consent, which shall not be unreasonably withheld. Upon termination of this Lease for any reason, Lessee shall pay any costs to restore the Leased Premises to place them in the same condition as when initially leased by Lessee and with permanent improvements consented to by Lessor, normal wear and tear excepted.

**12. Assignment and Subletting.** Lessee may not sublet or assign this Lease without Lessor's prior written consent. Lessor will not unreasonably withhold such consent if the proposed subtenant or assignee's use of the Leased Premises is financially stable, their intended use is compatible with this Lease, and such proposed subtenant or assignee provides Lessor with a detailed description of its proposed activities, organizational documentation and financial information acceptable to Lessor.

**13. Entry on Leased Premises.** Lessor may, after school hours and with a representative of Lessee, enter the Leased Premises for purposes of inspection, after giving Lessee twenty-four (24) hours advance written notice. Lessor may enter the Leased Premises in the case of emergency involving a threat to the life, health or safety of any individual at any time.

**14. Default by Lessee and Lessor's Remedies.** If the rental or any other charges payable by Lessee under this Lease shall be unpaid for a period of fifteen (15) days or more or if either Lessor or Lessee fails to perform any of the other terms, conditions or covenants of this Lease to be observed and performed respectively by Lessor or Lessee hereunder for more than thirty (30) days after receiving written notice of such default (it being agreed that a default the rectification of which reasonably requires longer than said thirty (30) day period shall be deemed cured within such period if a party commences the rectification thereof within such thirty (30) day period and completes the same with due diligence); or if Lessee shall vacate or abandon the Leased Premises or suffer this Lease to be taken under any writ of execution, attachment or other process of law; or, if this Lease shall by operation of law pass to any person(s) other than Lessee or other than a party to whom Lessee is authorized to assign this Lease by the provisions hereof (such as a successor public school academy); or, if Lessee should file a voluntary petition in bankruptcy, make an assignment for the benefit of creditors, enter into an agreement whereby control of its business is lost to a committee of creditors, be subject to the judicial appointment of a receiver or similar officer to take possession of said leasehold estate or the Leased Premises, or be subject to the filing of a petition by, for or against the Lessee under the bankruptcy laws; then Lessor or Lessee, as applicable and subject to paragraph 2b. hereof, shall have the right to exercise all of its rights or remedies at law or in equity.

**15. Notice.** Any notice, consent, payment or other communication required or permitted to be given to a party hereto shall be deemed to have been given, if personally delivered, or, if mailed by certified or registered mail, return receipt requested, first class postage prepaid and addressed as follows:

If to Lessor: Mike Younis, Managing Member  
Younis Enterprise, LLC.  
5728 Schaefer Rd.  
Dearborn, Michigan 48126

If to Lessee: President or Board Liaison Officer  
West Village Academy  
3530 Westwood St.  
Dearborn, Michigan 48124

or at such other addresses or to representatives as the parties may from time to time designate in writing in the foregoing manner.

**16. Right of First Refusal.** If Lessor shall receive a bona fide offer for the purchase of all or any portion of the Property, Lessor shall give Lessee the right of first refusal to purchase the Property on the terms and conditions of the offer so made provided Lessor has, in its sole discretion, decided to sell the Property in accordance with such terms. Such right of first refusal shall be extended by Lessor giving to Lessee written notice of the particular offer received by Lessor together with a summary of such offer, and requiring Lessee to execute a purchase agreement within Sixty (60) days after mailing of such notice on the terms set forth in such third party offer. If such purchase agreement with Lessee is not signed within said sixty (60) day period, Lessor shall have the right to accept the third party offer free of the rights of Lessee under this paragraph, provided however that the Lease shall remain in effect through the remainder of its terms or renewal term(s). Lessee's right of first refusal shall continue throughout the term of this Lease and such right of first refusal shall terminate upon the termination of this Lease for any reason. Lessor, however, is under no obligation to accept purchase offers from third parties.

**17. Liability.** Lessor may seek recovery against Lessee as permitted by this Lease and applicable laws, but covenants not to sue the officers or directors of Lessee in any capacity. Lessee shall pay all of its costs and attorney fees for enforcing the terms of this lease, including for non-payment of any sums due under this lease, or failure to perform any term or covenant, or any other breach or default of this Lease.

**18. Recording.** This Lease may not be recorded in any register of deeds by Lessee.

**19. Attornment.** This Lease shall be subordinate at all times to the lien of any mortgage or deed of trust now or hereafter placed upon the interest of Lessor in the Leased Premises; provided, however, that any subsequent mortgage shall be subject to the interest granted by this Lease. Lessee agrees to execute and deliver such instruments as may be desired by Lessor or by any mortgagee subordinating this Lease to the lien of any present or future mortgage or deed of trust. At such time, Lessor agrees to obtain from such mortgagee an agreement that so long as Lessee is not in default, such mortgagee shall recognize Lessee's rights hereunder.

**20. Successors and Assigns.** This Lease is binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

**21. Severability.** If any term or provision of this Lease is held invalid or unenforceable, such holding shall not affect the remainder of this Lease and the same shall remain in full force and effect.

**22. Entire Agreement.** This Lease represents the entire agreement of Lessor and Lessee with respect to the Property and shall not be amended without the prior written consent of all parties. Without limiting the breadth of the foregoing, this Lease shall supersede and replace a similar document signed June 8, 2017.

**23. Governing Law.** This Lease shall be governed by, and interpreted in accordance with, the laws of the State of Michigan.

24. **Charter Contract.** Lessee's obligations under this Lease are and shall be contingent upon Lessee obtaining and maintaining its charter contract to operate West Village Academy as a Michigan public school academy (the "Charter") and the approval of the Lease and the Property in accordance with the requirements of the Charter. Furthermore, in the event that the Charter is terminated, suspended, or non-renewed during the Term or any Renewal Term of this Lease, Lessor acknowledges that this Lease shall automatically terminate without penalty or further charge to the Lessee.

25. **Amendment Caused By Lessee Site Closure or Reconstitution.** In the event that the Lessee is required (i) to close an Academy site pursuant to a notice issued by the State School Reform/Redesign Officer under Section 507 of the Code, MCL 380.507; or (ii) to undergo a reconstitution pursuant to Section 507 of the Code, MCL 380.507, and Section 10.4 of the Charter Contract Terms and Conditions, and such closure of site or reconstitution causes an amendment to or termination of this Lease, the parties agree that this Lease shall be amended or terminated to implement the site closure or reconstitution, with no cost or penalty to the Lessee, and the Lessor shall have no recourse against the Lessee or the University Board of its Authorizer for implementing such site closure or reconstitution.

26. **Nondiscrimination.** Lessor agrees not to discriminate against (i) any employee or applicant for employment with respect to any matter directly or indirectly related to employment, or (ii) any provision or receipt of services under this Agreement, due to race, color, religion, sex, national origin, or disability. Breach of covenants recited in this paragraph shall be regarded as a material breach of this Lease.

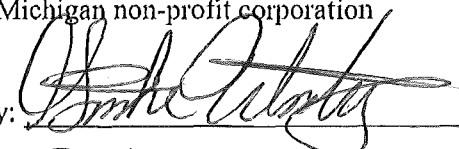

IN WITNESS WHEREOF, Lessor and Lessee, by their duly authorized representatives, have indicated their agreement to all of the terms of this Lease by executing the same hereinbelow in multiple copies, all of which shall be deemed an original copy, this 18 day of July, 2017.

**SECTION A**

**GOVERNANCE STRUCTURE**

## **GOVERNANCE STRUCTURE**

The People of Michigan through their Constitution have provided that schools and the means of education shall forever be encouraged and have authorized the Legislature to maintain and support a system of free public elementary and secondary schools. All public schools are subject to the leadership and general supervision of the State Board of Education and the Legislature has authorized an alternative form of public school designated a "public school academy" to be created to serve the educational needs of pupils and has provided that pupils attending these schools shall be eligible for support from the State School Aid Fund. The Legislature has delegated to the governing boards of state public universities, community college boards, intermediate school district boards and local school district boards, the responsibility for authorizing the establishment of public school academies. The University Board has approved the issuance of a contract conferring certain rights, franchises, privileges, and obligations of a public school academy to the Academy Board.

The Academy is incorporated as a Michigan nonprofit corporation, organized on a non-stock, directorship basis for the purpose of operating as a Michigan public school academy. The Academy shall conduct its affairs as a governmental entity exempt from federal income taxes under Section 115 of the United States Internal Revenue Code or any successor law. The Academy is a body corporate and is not a division or part of Central Michigan University. The relationship between the Academy and the University Board is based solely on the applicable provisions of the Code and the terms of this Contract.

The Academy Board shall have at least five (5), but no more than nine (9) members, as determined by the University Board. Academy Board members shall be appointed according to the terms of the Method of Selection, Appointment and Removal Resolution adopted by the University Board. The Academy Board has all the powers and duties permitted by law to manage the business, property and affairs of the Academy and for adopting policies by which the Academy shall be governed. The Academy Board is responsible for assuring that the Academy operates according to the Terms and Conditions of this Contract and Applicable Law. Contract Schedule 2: Amended Bylaws, set forth a further description of the Academy Board's governance structure.

Academy Board members shall serve in their individual capacity, and not as a representative or designee of any other person or entity. The Academy Board shall ensure compliance with Applicable Law relating to conflicts of interest and prohibited familial relationships, including Article IV, Sections 4.4 and 4.5 of the Terms and Conditions of this Contract.

Pursuant to applicable law and the Terms and Conditions of this Contract, including Article III, Section 3.6, the Academy Board may employ or contract for personnel according to the position information outlined in Schedule 5. Before entering into an agreement with an Educational Service Provider or an employee leasing company to provide services or to provide personnel to perform services or work at the Academy, the Academy Board must first comply with the Educational Service Provider Policies issued by the Center.

**SECTION B**

**EDUCATIONAL GOAL AND RELATED MEASURES**

## EDUCATIONAL GOAL AND RELATED MEASURES

Pursuant to Applicable Law and the Terms and Conditions of this Contract, including Article VI, Section 6.2, the Academy shall achieve or demonstrate measurable progress for all groups of pupils toward the achievement of the educational goal identified in this schedule. Although an increase in academic achievement for all groups of pupils as measured by assessments and other objective criteria is the most important factor in determining the Academy's progress toward the achievement of the educational goal, the Center also considers other factors. Upon request, the Academy shall provide the Center with a written report, along with supporting data, assessing the Academy's progress toward achieving this goal. In addition, the University expects the Academy will meet the State of Michigan's accreditation standards pursuant to state and federal law.

### **Educational Goal to be Achieved**

Prepare students academically for success in college, work and life.

### **Measures to Assist In Determining Measurable Progress Toward Goal Achievement**

To assist in determining whether the Academy is achieving measurable progress toward the achievement of this goal, the Center will annually assess the Academy's performance using the following measures.

#### **Measure 1: Student Achievement**

The academic achievement of **all students who have been at the academy for one or more years<sup>1</sup>** in grades 3-8 will be assessed using the following measures and targets:

<b>Sub Indicator</b>	<b>Measure</b>	<b>Metric</b>	<b>Target</b>
<b>Against a Standard:</b>	The percentage of students meeting or surpassing the current, spring, grade-level national norms <sup>2</sup> on the NWEA Growth reading and math tests administered in the spring.	Distribution (which will be in the form of percentages): Exceeds $\geq 70.0\%$ Meets $\geq 50.0\%$ Approaching $\geq 30.0\%$ Does not meet $< 30.0\%$	50%
In the event that performance against the standard falls below these required expectations, "measurable progress towards the achievement of this goal" will be defined using the following measures and targets:			
<b>Over Time:</b>	The percentage of students meeting or surpassing spring grade-level national norms over time (CY-AVG(PY1+PY2+PY3)).	Trend score (which will be in the form of $-x$ to $+x$ ): Exceeds $\geq 6.0\%$ Meets $\geq 3.0\%$ Approaching $\geq 1.0\%$ Does not meet $< 1.0\%$	3.0%
<b>Comparison Measure:</b>	The percentage of students categorized as proficient or advanced on the most recent state assessment will surpass the school's Composite Resident District (CRD) percentage.	Portfolio Distribution (which will be in the form of $-x$ to $+x$ ): Exceeds $\geq 10.0\%$ Meets $\geq 5.0\%$ Approaching $\geq 0.0\%$ Does not meet $< 0.0\%$	5.0%

<sup>1</sup> One or more years students (also called 1+ students) are students who are enrolled in the academy on or before count day and are still enrolled at the end of a given academic year.

<sup>2</sup> Grade level national norms are updated periodically by NWEA following comprehensive norming studies. The Center will use the most updated national norms published by NWEA and will inform the Academy when the norms are updated and how the updated norms may impact analysis and performance reporting.

## **Measure 2: Student Growth**

The academic growth of all students in grades 3-8 at the Academy will be assessed using the following measures and targets:

<b>Sub Indicator</b>	<b>Measure</b>	<b>Metric</b>	<b>Target</b>
<b>Against a Standard:</b>	The median of student growth percentiles (MGP) reflecting fall-to-spring scaled score growth on the reading and math NWEA Growth tests.	MGP: Exceeds $\geq 65^{\text{th}}$ Meets $\geq 50^{\text{th}}$ Approaching $\geq 45^{\text{th}}$ Does not meet $< 45^{\text{th}}$	Reading: 50 Math: 50
In the event that performance against the standard falls below these required expectations, “measurable progress towards the achievement of this goal” will be defined using the following measures and targets:			
<b>Over Time:</b>	The percentage of students making at least one year’s growth over time (CY-AVG(PY1+PY2+PY3)).	Trend score (which will be in the form of $-x$ to $+x$ ): Exceeds $\geq 6.0\%$ Meets $\geq 3.0\%$ Approaching $\geq 1.0\%$ Does not meet $< 1.0\%$	3.0%
<b>Comparison Measure:</b>	The mean student growth percentile reflecting growth on the two most recent state assessments will surpass the school’s Composite Resident District.	Portfolio Distribution (which will be in the form of $-x$ to $+x$ ): Exceeds $\geq 10.0\%$ Meets $\geq 5.0\%$ Approaching $\geq 0.0\%$ Does not meet $< 0.0\%$	5.0%

**SECTION C**

**EDUCATIONAL PROGRAMS**

## **EDUCATIONAL PROGRAMS**

Pursuant to Applicable Law and the Terms and Conditions of this Contract, including Article VI, Section 6.3, the Academy shall implement, deliver, and support the educational programs identified in this schedule.

### **History**

West Village Academy (“Academy”) was established in 1999 and is authorized by Central Michigan University to provide students a quality education in kindergarten through eighth grades. The Academy is located in Dearborn and serves students in the surrounding communities including Detroit, Inkster, Taylor and Dearborn Heights.

### **Mission Statement**

We strive to prepare all students for lifelong learning by cultivating critical and innovative thinking skills. Our safe, nurturing and family-oriented learning environment will support the development of the whole child with restorative practices and academic scholarship through evaluation, intervention and mastery of grade level standards. The outcome will be a leader ready to promptly contribute to the fields of academia or industry.

### **Vision Statement**

We are striving to nurture productive, remarkable people who believe they can achieve excellence beyond their potential, with a love that supports a culture of lifelong learning that breeds resilience in an ever-changing world.

### **Educational Beliefs**

The Academy believes in the importance of daily focus on academic achievement and the incorporation of rigorous activities requiring independent thinking and problem-solving skills. All stakeholders are responsible for imparting positive self-worth to each student in a nurturing and respectful school.

### **Fulfillment of the Academy’s Mission, Vision and Values**

The Academy confidently believes in the conscious involvement of families and the community in the development and advancement of student achievement. Students come from various backgrounds and cities across the state of Michigan. In spite of the differences, the common thread is the parents’ desire for the best possible education for the students. The Academy encourages parents to be involved in the decision making for their students and Academy program planning, implementation and evaluation.

Parents provide a pool of resources and expertise about students. Epstein (2001) emphasizes the importance of parent’s need to feel supported by the school. The Academy invites parents into the classrooms, encourages frequent conversations with staff and promotes participation in the offered programs. The outcomes result in student and parent awareness of academic expectations and progress, as well as strengthening teacher connections with the home and cultural background. Additionally, the Academy hosts events throughout the year to engage families in learning and celebrating achievements. The primary purpose is to enhance student achievement through a collaborative effort.

### **How the Educational Program is to be Delivered (Mode of Instruction)**

The Academy is committed to offering programs and learning opportunities which will prepare students academically for success in college, work and in life. The Academy offers face to face and Distance learning programs. The Distance Learning Program allows an additional opportunity for a rigorous and consistent learning environment with limited interruption and will allow students who would normally miss school due to illness and/or other factors to have the opportunity to still log into class and participate in learning. The Distance Learning Program is designed for the purpose of creating a learning environment free from the following impediments:

- Safety issues related to any communicable diseases
- Medical reason
- Behavioral infractions (that would have normally result in suspension and/or expulsion)
- Inclement weather
- Any unforeseen circumstances causing school closure
- Personal issues of students to help avoid absenteeism

The Distance Learning Program allows the Academy the ability to attract and maintain the enrollment of students who are looking for the on-line environment and/or for families who would normally have high absenteeism.

The delivery of the educational programs (Face-to-Face or Distance Learning) is through an innovative approach of blending standards-based grading, the learning cycle model and “Flipped Classroom” (Bergmann & Sams, 2012). Standards-based grading involves measuring students' proficiency on well-defined course objectives (Tomlinson & McTighe, 2006). The learning cycle model is using the researched-based lesson planning model of Madeline Hunter (2010) and infusing it with technology to support student learning. A flipped classroom is a type of blended learning where students are introduced to content at home and practice working through it at school. This is the reverse of the more common practice of introducing new content at school, then assigning homework and projects to be completed by the students independently at home. In this blended learning approach, face-to-face interaction is mixed with independent study—usually via technology. In a common Flipped Classroom scenario, students might watch pre-recorded videos at home, then come to school (Face-to-Face or Distance Learning) to do the homework, armed with questions and at least some background knowledge.

### **Researched-Based Instructional Strategies**

The Academy employs the belief that all students will be successful and provides a myriad of strategies including differentiated instruction, small group instruction, cooperative learning and small group intervention sessions to reach the needs of all students. MTSS is a multi-tiered system of support that promotes deeper knowledge of differentiated instruction and interventions. MTSS is designed to provide both academic and behavioral services to improve outcomes for all students (Glover & Vaughn, 2010). “All students” includes every student on the performance continuum (i.e., high achieving, grade-level, low achieving, English language learners, and students with disabilities). MTSS consists of an academic system, formerly known as response to intervention (“RtI”), and a behavioral system, which is also referred to as Positive Behavioral Interventions and Supports (“PBIS”). MTSS and progress monitoring is being utilized for all grades, kindergarten through eighth grade.

A primary instructional strategy the Academy utilizes is differentiated instruction. Tomlinson (2009) defines differentiated instruction as the process of “ensuring that what a student learns, how he/she learns it, and how the student demonstrates what he/she has learned is a match for that student’s readiness level, interests, and preferred mode of learning.” The instructional staff is required to demonstrate modes of differentiation in planning and in execution of effective instruction and assessments. The Academy believes students benefit from receiving information in different forms and at different levels which results in increased academic achievement.

The Academy also employs the use of small group instruction. Danielson (1996) contends small group instruction supports a belief that learning occurs within a social context and that grouping students in a variety of ways to promote interactions furthers student’s thinking. The Academy provides flexible grouping to ensure fluid transition as students master content and basic skills.

In addition to differentiating instruction and small groups, the Academy uses cooperative learning to deliver instruction. David Johnson and Roger Johnson (1999) indicate that cooperative learning greatly impacts student achievement. Cooperative grouping provides positive interdependence, face-to-face interaction, individual accountability and interpersonal skills. Each component engages the use of problem-solving skills. Teachers actively infuse the use of cooperative grouping across core academic content areas to engage each learner.

Small group instruction is also used as a form of intervention. Additionally, the Academy’s paraprofessionals work with small groups of students, under the direction of the classroom teacher, to provide prescriptive instruction to ensure that mastery of foundational and problem-solving skills are being developed for all students in core academic areas.

In a continued effort to ensure mastery of foundational and problem-solving skills, extended learning opportunities are utilized to provide targeted assistance to students. Silva (2007) states that extending time to the students who have the greatest need can improve student learning and successfully close the achievement gap between poor and minority students and their more affluent peers. The Academy believes extended learning time will provide identified students with an opportunity to increase achievement levels in the core academic areas.

The Academy utilizes MTSS as a means of supporting students that are considered “at-risk”. David Fuchs and Lynn Fuchs (2006), suggests that schools “identify a subgroup of students that has non-responders that may emerge” within the first month of school (Fuchs & Fuchs, p. 93).

At-Risk Group: These groups are defined by the Academy’s designation of “At-Risk”.

The NWEA® percentile scale is broken into five categories:

At Risk Group 1 (ARG 1) 0 - 30 percentile

At Risk Group 2 (ARG 2) 31 - 45 percentile

At Risk Group 3 (ARG 3) 46 - 61 percentile

At Risk Group 4 (ARG 4) 62 - 77 percentile

At Risk Group 5 (ARG 5) 78 - 99 percentile

The criterion for monitoring is the Spring NWEA MAP® Growth™ percentile rankings, as well as the previous year’s assessment data. Grade level interventions are prescribed to all students based

on the Grade Level Continuum from NWEA. This list of standards describes the areas that students have not mastered. In conjunction with grade level standards, students seen by grade level interventionists work on these additional standards.

Essential to MTSS/RtI, is progress monitoring. Once an at-risk group is identified for students, their responsiveness to general education is monitored (Fuchs & Fuchs, p. 93). Responsiveness is gauged on improvement of weekly criterion assessments. The interventionist conducts small group pull outs working on the standards identified by the general education teacher as well as pushing into the classroom as scheduling permits.

Students in grades K-5 receive an array of specialized interventions to help them meet their individual growth targets, such as but not limited to: Sylvan Learning Center, computer learning programs (IXL and Study Island), small group pull-out/push-in, after-school tutoring, etc. Middle School students have an intervention class that meets daily and the students work primarily on individualized plans. The instructor for middle school monitors all students and assesses them weekly in order to determine mastery of the Michigan Academic Standards (“MAS”).

The Academy also provides extended learning through afterschool programs. Little et al., (2008), maintains that sustained participation in a quality afterschool program yields the best gains for program participants. The Academy believes that providing these opportunities to identified students will assist in the goal to provide a myriad of learning options for students that is designed to reach learners at various levels and propel them to attain higher academic achievement.

### **Success in college, work and life**

The Academy’s curriculum sustained an update in the summer of 2018. The Academy’s curriculum combines and embeds the latest research and alignment in the MAS, instruction and assessments.

The Academy’s curriculum assists educators in creating rigorous lessons and assessments in the core academic areas, leading to high performance by all students. The Academy curriculum incorporates differentiating instruction, accommodating diversity, challenging independent thinkers, promoting problem solving and providing opportunities for student intervention.

The Academy incorporates technology and 21st century skills needed for success in college and work. The educational program is designed to assist students in attaining mastery of the MAS. The curriculum, instruction, assessments and intervention programs are all designed to prepare students for mastery of the standards. The specific outcome indicators used to monitor these goals are the Academy’s curriculum, the NWEA MAP® Growth™ tests and the Educational Development Plan (“EDP”).

The Academy’s curriculum is continuously being updated to become completely aligned with the MAS for each content area. Additionally, the MAP® Growth™ test equips the Academy with a timely update on academic progress by providing immediate scores and objectives for students to improve. The assessment details the targeted learning objectives for the students to successfully attain in second, fifth and eighth grade. The Academy is able to use this data to determine student

readiness for the SAT<sup>®</sup>. In addition, the data is used to provide necessary interventions for students who did not master the suggested targets.

In the continuous effort to prepare students for college, work and life, students create an EDP. An EDP is a document that reflects student educational and career goals along with methods to achieve the goals and student activities and achievements. Every student develops an EDP beginning in the seventh grade, as required in the revised school code (380.1278b(11)), and the plan is reviewed and revised as needed during the eighth grade.

The EDP is utilized as a secondary planning tool to direct the student's educational plan and career path. Each student's EDP goals are designed to extend beyond graduation. The plan may also identify special resources and support for the student's success in a personal curriculum. The scope of a student's planning can include career awareness or exploration activities, work-based activities and course selections that prepare students for a greater understanding of quality career options and the achievement of career goals.

The Academy further promotes success through Xello. Xello is an online career guidance and planning system that enables students to discover careers, explore education and training options, and build a portfolio which include assessment results, career surveys, career exploration information and training options.

### **Extended Learning Opportunities and Interventions**

The Academy's curriculum is flexible and designed to ensure all students master the MAS. Teaching and learning requires being pliable because the learner may be performing at varying levels across content areas. The Academy utilizes an array of extended learning opportunities, including after school tutorials, along with reading and mathematics enrichment teachers to meet the needs of all learners.

The instructional schedule is adjusted to meet the needs of each student based on their academic level. Students receive instruction during daily intervention/enrichment hour to focus on reading and math skills at each student's instructional level. The Academy also utilizes differentiated instruction to ensure that advanced students are provided with instruction that is challenging, matched to a student's readiness level, and promotes higher-order thinking. Michigan Virtual<sup>™</sup> ("MV") is used as an intervention and extension resource for eligible students, as determined by their RIT score, to continue improvement in measured growth. Students participating in MV courses are not awarded letter grades via transcript by the Academy; students may be eligible to receive high school credit for courses upon matriculation to high school.

Based upon individual learning types, the Academy embraces that some students need concentrated intervention for academic achievement. The Academy utilizes an Instructional Support Team ("IST") to assess the needs of academically and behaviorally challenged students. Following the RtI model, the team empowers educators with techniques and instructional strategies to maximize learning and positive behavior in the classroom. In some cases, continual support is provided by reading and mathematics specialists to provide foundational skills instruction.

The reading and math specialists work with students to provide targeted instruction for intervention. The students who are not performing at grade level receive prescriptive instruction. The intervention is targeted for enrichment based on assessment data collected by the Academy. The preferred method for the Academy is to exhaust all intervention options for the identified students before recommending special education evaluations. Special education services are offered in the least restrictive environment. After categorizing the disability, goals and objectives are developed and frequently monitored. The Multidisciplinary Education Team (“MET”) includes a certified special education teacher, a general education teacher, administration and parents. The MET works collaboratively on behalf of the student in a systemic and ongoing basis to ensure student achievement occurs.

When making educational placement decisions for students with disabilities, the Academy will ensure that parents are contributing members of the Individualized Educational Program (“IEP”) team, and together the team will make decisions that are subject to requirements regarding provision of the least-restrictive environment. When determining how services will be delivered to students with disabilities, the Academy will follow all Special Education Rules as issued by the Michigan Department of Education. If a child with a current IEP enrolls in the Academy, the Academy will implement the existing IEP to the extent possible or will provide an interim IEP agreed upon by parents until a new IEP can be developed. IEPs will be developed, revised and implemented in accordance with the Individuals with Disabilities Education Improvement Act (“IDEIA”) and state law and regulations.

The Academy will fully comply with federal laws and regulations governing children with disabilities as follows:

1. The Academy is responsible for providing a free, appropriate public education to children with disabilities enrolled in the Academy that have been determined through an IEP to require Special Education programs and services.
2. The Academy will ensure that children who are suspected of having disabilities are properly evaluated by a multidisciplinary team, as defined in the Michigan Special Education Rules, and that children who have already been identified are re-evaluated by the multidisciplinary team at least every three years.
3. When a multidisciplinary team determines that a special education student requires Special Education programs and services, the Academy will ensure that the IEP is fully implemented in accordance with IDEIA and reviewed on an annual basis or more frequently as determined by the IEP team.

English Language Learners may receive additional paraprofessional support, as well as additional small group instruction from the Academy’s reading and math specialists. All intervention strategies mentioned above are utilized as supplemental services during and after school hours.

### **Assessments**

Assessments are a vital component of the instructional process with the main goal being to improve achievement. The Academy believes that assessments are important tools used to determine what knowledge base students currently have and what path is necessary to ensure mastery of the

designated MAS. The Academy utilizes several assessments to evaluate if students have mastered these standards including the Developmental Reading Assessment® (“DRA”), MAP® Growth™ tests and the state’s assessment.

### **The Michigan Literacy Progress Profile (“MLPP”)**

The MLPP is a system of assessments and interventions to guide the literacy development for elementary students to become independent and lifelong readers. The MLPP contains a wide variety of assessment tools and instructional strategies; such as guided reading, incremental data in oral language, as well as analysis of reading comprehension skills. These strategies provide appropriate instructional experiences to scaffold a child’s literacy growth. The purpose of these tools is to provide teachers and parents with information about what an individual child knows and can do independently while progressing toward becoming a strategic thinker, reader and writer.

### **NWEA MAP® Growth™ Tests**

The data received from the MAP® Growth™ tests develops into a powerful communication tool for both students and parents. It is a computer adaptive test that provides real time responses for how each child is performing- regardless of age or grade. The Academy shares the fall, winter and spring results with each student and parent. Student performance is represented in high above, well below or right at grade level performance. The goal of each student is to move continually up the scale. It has been the experience of the Academy that students and parents take ownership of individual performance when informed how to interpret and improve the data received. The MAP® Growth™ tests will help parents set goals, chart academic growth, deepen engagement and understand their child’s learning. Teachers use the data to differentiate instruction, identify instructional resources, and collaborate with parents on each child’s needs.

### **Michigan State Assessment**

### **Program Evaluation**

The Academy employs several methods of evaluation used to determine the effectiveness of the implementation, delivery and support of the educational program.

Effective teaching is a key component to ensuring the full implementation of the educational program. Teachers are observed regularly through administrative and peer reviews. This allows for constructive feedback to be translated, improving instructional practices. Professional development opportunities are offered at the individual and school wide level. Continual training enhances instructional practices, as well as cooperation with other teachers. Additionally, grade level teams are provided weekly times of collaboration. The Academy encourages transparency of the outcomes indicators.

All stakeholders evaluate the success of the educational program to implement changes needed to ensure adequate growth in all classrooms. The school improvement team evaluates the effectiveness of the educational program components identified in the school improvement plan. The team reviews the Academy's data (e.g., MAP<sup>®</sup> Growth<sup>™</sup>, state assessment) to implement changes needed to ensure adequate growth in all classrooms. In addition to the school improvement team monitoring the program, the Academy obtains feedback through surveys and questionnaires. The surveys and questionnaires are developed for parents, staff and students to obtain targeted feedback on several topics including the effectiveness of the educational program. The results are tabulated and shared with the Academy community and then used to make necessary adjustments to improve the delivery of the educational program.

Pursuant to Applicable Law and the Terms and Conditions of this Contract, including Article VI, Sections 6.6 and 6.16, the Academy shall comply with the application and enrollment requirements identified in this Schedule.

### **Enrollment Limits**

The Academy will offer kindergarten through eighth grade. The maximum enrollment shall be 525 students. The Academy Board will annually adopt maximum enrollment figures prior to its application and enrollment period.

### **Requirements**

Section 504 of the Code provides that public school academies shall not charge tuition and shall not discriminate in its pupil admissions policies or practices on the basis of intellectual or athletic ability, measures of achievement or aptitude, status as a student with a disability, or any other basis that would be illegal if used by a Michigan school district. However, a public school academy may limit admission to pupils who are within a particular range of age or grade level or on any other basis that would be legal if used by a Michigan school district and may give enrollment priority as provided below.

- Academy enrollment shall be open to all individuals who reside in Michigan. Except for a foreign exchange student who is not a United States citizen, a public school academy shall not enroll a pupil who is not a Michigan resident.
- Academy admissions may be limited to pupils within a particular age range/grade level or on any other basis that would be legal if used by a Michigan school district.
- The Academy shall allow any pupil who was enrolled in the Academy in the immediately preceding school year to enroll in the Academy unless the appropriate grade is not offered.
- No student may be denied participation in the application process due to lack of student records.
- If the Academy receives more applications for enrollment than there are spaces available, pupils shall be selected for enrollment through a random selection drawing.

The Academy may give enrollment priority to one (1) or more of the following:

- A sibling of a pupil enrolled in the Academy.
- A pupil who transfers to the Academy from another public school pursuant to a matriculation agreement between the Academy and other public school that provides for this enrollment priority, if all of the following requirements are met:
  1. Each public school that enters into the matriculation agreement remains a separate and independent public school.
  2. The Academy shall select at least 5% of its pupils for enrollment using a random selection process.
  3. The matriculation agreement allows any pupil who was enrolled at any time during elementary school in a public school that is party to the matriculation agreement and who was not expelled from the public school to enroll in the public school academy giving enrollment priority under the matriculation agreement.

- A child, including an adopted child or legal ward, of a person who is employed by or at the Academy or who is on the Academy Board.

### **Matriculation Agreement**

- The Academy Board may enter into a matriculation agreement with another public school pursuant to section 504(4) of the Code.
- However, before the Academy Board approves a matriculation agreement, the Academy shall provide a draft copy of the agreement to the Center for review.
- Any matriculation agreement entered into by the Academy shall be added to this Schedule 7f through a contract amendment approved in accordance with Article IX in the Terms and Conditions of this Contract.

### **Application Process**

- The Academy shall make reasonable effort to advertise its enrollment openings.
- The Academy's open enrollment period shall be a minimum of two weeks (14 calendar days) in duration and shall include evening and weekend times.
- The Academy shall accept applications all year. If openings occur during the academic year, students shall be enrolled. If openings do not exist, applicants shall be placed on the official waiting list. The waiting list shall cease to exist at the beginning of the Academy's next open enrollment period.
- In the event there are openings in the class for which students have applied, students shall be admitted according to the official waiting list. The position on the waiting list shall be determined by the random selection drawing. If there is no waiting list, students shall be admitted on a first-come, first-served basis.
- The Academy may neither close the application period nor hold a random selection drawing for unauthorized grades prior to receipt of written approval from the Center.

### **Legal Notice or Advertisement**

- The Academy shall provide legal notice or advertisement of the application and enrollment process in a local newspaper of general circulation. A copy of the legal notice or advertisement shall be forwarded to the Center.
- At a minimum, the legal notice or advertisement must include:
  1. The process and/or location(s) for requesting and submitting applications.
  2. The beginning date and the ending date of the application period.
  3. The date, time, and place the random selection drawing(s) will be held, if needed.
- The legal notice or advertisement of the application period shall be designed to inform individuals that are most likely to be interested in attending the Academy.
- The Academy, being an equal opportunity educational institution, shall be committed to good-faith affirmative action efforts to seek out, create and serve a diverse student body.

### **Re-enrolling Students**

- The Academy shall notify parents or guardians of all enrolled students of the deadline for notifying the Academy that they wish to re-enroll their child.
- If the Academy Board has a sibling preference policy, the re-enrollment notice must also request that the parent or guardian indicate whether a sibling(s) seeks to enroll for the upcoming academic year.
- An enrolled student who does not re-enroll by the specified date can only apply to the Academy during the application period for new students.
- An applicant on the waiting list at the time a new application period begins must reapply as a new student.
- After collecting the parent or guardian responses, the Academy must determine the following:
  1. The number of students who have re-enrolled per grade or grouping level.
  2. The number of siblings seeking admission for the upcoming academic year per grade.
  3. If space is unavailable, the Academy must develop a waiting list for siblings of re-enrolled students.
  4. The number of spaces remaining, per grade, after enrollment of current students and siblings.

### **Random Selection Drawing**

A random selection drawing is required if the number of applications exceeds the number of available spaces. Prior to the application period, the Academy shall:

- Establish written procedures for conducting a random selection drawing.
- Establish the maximum number of spaces available per grade or age grouping level.
- Establish the date, time, place and person to conduct the random selection drawing.
- Notify the Center of both the application period and the date of the random selection drawing, if needed. The Center may have a representative on-site to monitor the random selection drawing process.

The Academy shall use a credible, impartial individual who is not employed by, under contract with, a member of the Board of, or otherwise affiliated with the Academy to conduct the random selection drawing. Further, the Academy shall:

- Conduct the random selection drawing in a manner that is open to parents, community members and members of the public who want to observe the process.
- Use numbers, letters, or another system that guarantees fairness and does not give an advantage to any applicant.

The Academy shall notify applicants not chosen in the random selection drawing that they were not selected and that their name has been placed on the Academy's official waiting list for openings that may occur during the academic year. Students shall appear on the official waiting list in the order they were selected in the random selection drawing.
