DR. LEONARD E. & LOUISE A. PLACHTA PUBLIC CHARTER SCHOOL SCHOLARSHIP APPLICATION

Established in 2011 by Louise A. Plachta, this scholarship is to honor the memory of her late husband, Dr. Leonard E. Plachta, who served as president of Central Michigan University from 1992 – 2000. During his time at CMU, Dr. Plachta played an instrumental role in pioneering Michigan's charter school movement and was integral in CMU's authorization of the first charter school in the state in 1994. Today, CMU is one of the largest university authorizers of charter public schools in the nation.

Both Dr. and Mrs. Plachta were born and raised in the city of Detroit. In order to give back to the community from which they came and provide inspiration and support to charter high school graduates, the Dr. Leonard E. Plachta scholarship was established. The scholarship is offered annually to a student who is graduating from a Detroit charter school authorized by CMU and will be attending CMU full time after graduation, or is currently a full time student at CMU.

It was Mrs. Plachta's hope that students who receive this assistance will be able to better develop a bold vision for the future, demonstrate courageous leadership and be models of integrity – thereby carrying on her husband's legacy.
