Compare and Contrast (To the Tune of Bippity Boppity Boo)

Compare and contrast ... Compare and contrast.

What's the same and what's different?

You can use characters, books, and more. What's the same and what's different?

Footloose Reading Song

We've been reading all day!

Why do that they say?

Reading all day ... For what?

So we told them what we thought.

Reading is appealing.
Look at the books all around.
No matter how you're feeling,
a good book can turn it around!
So you gotta just ...
Choose a book!
Come on and take a look!
You see it's the key!
Reading can take you where you wanna be!
Get on track!
C'mon and don't look back.
No time to snooze.

Everybody choose a good book!

You know reading is cool.
It helps you in school.
It will make you really smart!
You're turning pages and learning some,
some things you never knew.
If you just give them a try.
I'm trying to tell you.
Reading and help you fly high.
If you would just ...

Choose a book.
Come on and take a look.
You see it's the key.
Reading can take you where you wanna be!
Time to grow.
C'mom c'mom let's go!
No time to snooze.

Everybody choose a good book.

READ A GOOD BOOK! (3)

We hope that you'll stick around
and see that books can astound.
Now we hope you see what we've known.

Ahhhhh There's no excuse!
Just choose!
Come on and take a look!
You see it's the key!
Reading can take you where you wanna be.
Get on track!
C'mon and don't look back.
No time to snooze.
Everybody choose a good book!

A good book.
Come on and take a look.
You see it's the key.
Reading can take you where you wanna be.
Get on track!
Come on and don't look back!
No time to snooze.

Everybody choose. Everybody choose (x3)
Everybody choose a good book!
