

MAP® Growth™ Optional Student Assessments Form

2021-2022

Name of Academy: _____

The Center covers the costs of the MAP Growth assessment for reading and math for grades 2-8.

Grades K-1 and/or High School MAP Growth

The Academy has the **option** of administering MAP Growth (MAP) assessments to kindergarten, first grade and/or high school students at the Academy's expense. If the Academy chooses to administer MAP assessments to kindergarten, first grade and/or high school students, the Center includes these grades in the organizational contract with NWEA. Given the multiple assessment administration options, the purpose of this section is to capture:

- The Academy's intentions regarding testing of these grades.
- The number of students the Academy will test for the applicable grades.
- The Academy's agreement to reimburse the Center for kindergarten, first grade and/or high school students at the current per-student price within 30 days of receipt of invoice. (Note: \$12.50 for MAP reading, math and language arts)
- The Academy is invoiced for **all** MAP assessments administered on this A11 form, plus overages, regardless of actual students tested, per contract terms with NWEA.

Intent to administer MAP:

- ☐ No, the Academy **will not** be utilizing MAP to assess any non-contractual grades (K, 1, High School). The Academy will instead administer a state-approved assessment, other than MAP, for kindergarten and first grade in fulfillment of compliance to the Michigan Third Grade Reading Law. The assessment that will be used is: _____. (Please proceed to the next section of the form)
- ☐ Yes, the Academy will administer MAP to kindergarten and first-grade students in fulfillment of compliance to Michigan's Third Grade Reading Law. (Please indicate number of students to be tested per grade level in the chart below)
- ☐ Yes, the Academy will administer MAP for high school students. (Please indicate number of students to be tested per grade level in the chart below)

Grade K	Grade 1

Grade 9	Grade 10	Grade 11	Grade 12

Grade 2 MAP Growth

The Academy has the **option** of administering MAP assessments to second-grade students. If the Academy chooses to administer MAP assessments to second grade, the Center will cover the cost of the assessments. The Center includes this grade in the organizational contract with NWEA. Given the assessment administration option, the purpose of this section is to capture:

- The Academy's intentions regarding testing of second grade.
- The number of students the Academy will test for second grade.

Intent to administer MAP:

- ☐ No, the Academy **will not** be utilizing MAP to assess the non-contractual second grade. The Academy will instead administer a state-approved assessment, other than MAP, for second grade in fulfillment of compliance

to the Michigan Third Grade Reading Law. The assessment that will be used is: _____.
(Please proceed to the next section of the form)

- ☐ Yes, the Academy will administer MAP to second-grade students in fulfillment of compliance to Michigan's Third Grade Reading Law. (Please indicate number of students to be tested in the chart below)

Grade 2

MAP Science

The Academy has the **option** of administering MAP's science assessment to grades 2-12 at the Academy's expense. If the Academy chooses to administer MAP science, the Center includes this assessment in the organizational contract with NWEA. Therefore, the purpose of this section is to capture:

- The Academy's intentions regarding the use of the MAP science test.
- The number of students the Academy will test for all applicable grades.
- The Academy's agreement to reimburse the Center for the MAP science assessment at the current per-student price of \$2.50 within 30 days of receipt of invoice. The Academy is invoiced for **all** MAP science assessments administered on this A11 form plus overages, regardless of actual students tested per contract terms with NWEA.

Intent to administer MAP science:

- ☐ No, the Academy **will not** administer MAP science to students. (Please proceed to the next section of the form)
- ☐ Yes, the Academy will administer MAP science to students. (Please indicate number of students to be tested per grade level in the chart below)

Grade 2	Grade 3	Grade 4	Grade 5	Grade 6	Grade 7	Grade 8	Grade 9	Grade 10	Grade 11	Grade 12

MAP Reading Fluency

The Academy has the **option** of administering the MAP Reading Fluency assessment to grades K-4 at the Academy's expense. If the Academy chooses to participate, the Center includes this tool in the Center's contract with NWEA. Therefore, the purpose of this section of the form is to capture:

- The Academy's intentions regarding the use of the MAP Reading Fluency assessment.
- The number of students the Academy will test utilizing MAP Reading Fluency for the applicable grades.
- The Academy's agreement to reimburse the Center for MAP Reading Fluency at the current per-student price of \$5.00 within 30 days of receipt of invoice. The Academy will be invoiced for **all** MAP Reading Fluency assessments requested on this A11 form, plus overages, regardless of the actual students tested, per contract terms with NWEA.

Intent to administer MAP Reading Fluency to students in grades K-4:

- ☐ No, the Academy will not administer MAP reading Fluency in grades K-4. (Proceed to the signature section of the form)
- ☐ Yes, the Academy will administer MAP Reading Fluency to students in grades K-4. (Please indicate number of students to be tested per grade level in the chart below)

Grade K	Grade 1	Grade 2	Grade 3	Grade 4

Notes

If you have any additional information you deem important for the Center to know regarding optional assessments, please include that information in the box below.

Certification:

I hereby certify that I have the authority to incur this Academy expenditure.
