

# MAP® Growth™ Optional Student Assessments Form

**2022-2023**

Name of School: \_\_\_\_\_

The Center covers the costs of the MAP Growth assessment for reading and math for grades 2-8.

## Grades K-1 and/or High School MAP Growth

The school has the **option** of administering MAP Growth (MAP) assessments to kindergarten, first grade and/or high school students at the school's expense. If the school chooses to administer MAP assessments to kindergarten, first grade and/or high school students, the Center includes these grades in the organizational contract with NWEA. Given the multiple assessment administration options, the purpose of this section is to capture:

- The school's intentions regarding testing of these grades.
- The number of students the school will test for the applicable grades.
- The school's agreement to reimburse the Center for kindergarten, first-grade and/or high school students at the current per-student price within 30 days of receipt of invoice. (Note: \$12.50 for MAP reading, math and language arts)
- The school is invoiced for **all** MAP assessments requested on this A4 form, plus overages, regardless of actual students tested, per contract terms with NWEA.

### Intent to administer MAP:

- No, the school **will not** be utilizing MAP to assess any non-contractual grades (K, 1, High School). The school will instead administer a state-approved assessment, other than MAP, for kindergarten and first grade in fulfillment of compliance to the Michigan Third Grade Reading Law. The assessment that will be used is: \_\_\_\_\_. (Please proceed to the next section of the form)
- Yes, the school will administer MAP to kindergarten and first-grade students in fulfillment of compliance to Michigan's Third Grade Reading Law. (Please indicate number of students to be tested per grade level in the chart below)
- Yes, the school will administer MAP for high school students. (Please indicate number of students to be tested per grade level in the chart below)

Grade K	Grade 1	Grade 9	Grade 10	Grade 11	Grade 12

## Grade 2 MAP Growth

The school has the **option** of administering MAP assessments to second-grade students. If the school chooses to administer MAP assessments to second grade, the Center will cover the cost of the assessments. The Center includes this grade in the organizational contract with NWEA. Given the assessment administration option, the purpose of this section is to capture:

- The school's intentions regarding testing of second grade.
- The number of students the school will test for second grade.

### Intent to administer MAP:

- No, the school **will not** be utilizing MAP to assess the non-contractual second grade. The school will instead administer a state-approved assessment, other than MAP, for second grade in fulfillment of compliance to the Michigan Third Grade Reading Law. The assessment that will be used is: \_\_\_\_\_. (Please proceed to the next section of the form)
- Yes, the school will administer MAP to second-grade students in fulfillment of compliance to Michigan's Third Grade Reading Law. (Please indicate number of students to be tested in the chart below)

Grade 2

## MAP Science

The school has the **option** of administering MAP's science assessment to grades 2-12 at the school's expense. If the school chooses to administer MAP science, the Center includes this assessment in the organizational contract with NWEA. Therefore, the purpose of this section is to capture:

- The school's intentions regarding the use of the MAP science test.
- The number of students the school will test for all applicable grades.
- The school's agreement to reimburse the Center for the MAP science assessment at the current per-student price of \$2.50 within 30 days of receipt of invoice. The school is invoiced for **all** MAP science assessments administered on this A4 form plus overages, regardless of actual students tested per contract terms with NWEA.

### Intent to administer MAP science:

- No, the school **will not** administer MAP science to students. (Please proceed to the next section of the form)
- Yes, the school will administer MAP science to students. (Please indicate number of students to be tested per grade level in the chart below)

Grade 2	Grade 3	Grade 4	Grade 5	Grade 6	Grade 7	Grade 8	Grade 9	Grade 10	Grade 11	Grade 12

## MAP Reading Fluency

The school has the **option** of administering the MAP Reading Fluency assessment to grades K-4 at the school's expense. If the school chooses to participate, the Center includes this tool in the Center's contract with NWEA. Therefore, the purpose of this section of the form is to capture:

- The school's intentions regarding the use of the MAP Reading Fluency assessment.
- The number of students the school will test utilizing MAP Reading Fluency for the applicable grades.
- The school's agreement to reimburse the Center for MAP Reading Fluency at the current per-student price of \$5.00 within 30 days of receipt of invoice. The school will be invoiced for **all** MAP Reading Fluency assessments requested on this A4 form, plus overages, regardless of the actual students tested, per contract terms with NWEA.

### Intent to administer MAP Reading Fluency to students in grades K-4:

- No, the school **will not** administer MAP reading Fluency in grades K-4. (Proceed to the signature section of the form)
- Yes, the school will administer MAP Reading Fluency to students in grades K-4. (Please indicate number of students to be tested per grade level in the chart below)

Grade K	Grade 1	Grade 2	Grade 3	Grade 4

## Notes

If you have any additional information you deem important for the Center to know regarding optional assessments, please include that information in the box below.

### Certification:

I hereby certify that I have the authority to incur this school expenditure.
