Is Random Selection Drawing Necessary? Yes No

- (A) Set by the school. If the number exceeds the maximum enrollment noted in the Center contract, a contract amendment is required.
- (B) The number of students returning to the school for the 2023-2024 academic year. Students in preschool or pre-K programs may not be re-enrolled; they are to be considered "New Applicants".
- (C) The number of new applicants attending the school in 2023-2024. If a grade addition has been requested, applicants may not be accepted until final approval has been received.
