2023-2024

Name of School: _____

The Center for Charter Schools will conduct drop-in visits during the testing window to provide support, find best practices that can be shared with other schools, as well as to ensure consistent administration of the MAP Growth tests.

Please complete the following schedule for the grades required to test under the charter contract in reading and math, with the **start and end times** listed for each day that testing will occur. Also indicate make-up testing days and note if there will be a pause in testing for a lunch break as this information is helpful for scheduling drop-in visits.
