

## MAP® Growth™ Request to Exceed Five Percent Retesting Threshold

Name of School: \_\_\_\_\_

The Center for Charter Schools' retesting requirements indicate that no more than five percent of the students required to test per the charter contract may be retested during the fall or spring MAP Growth assessment window. The five percent retesting calculations are calculated separately for reading and math. Retesting that exceeds five percent may not occur without utilizing this form to request prior approval from the Center's director of research and data analytics. The purpose of this form is to document and seek approval for retesting of students that fall outside the established parameters and to document if approval is granted or denied.
