

THE GOVERNOR JOHN ENGLER
**CENTER FOR
CHARTER SCHOOLS**
CENTRAL MICHIGAN UNIVERSITY

MASTER CALENDAR OF REPORTING REQUIREMENTS / 2024-25

The Governor John Engler Center for Charter Schools at Central Michigan University continues to work diligently to streamline the regulatory reporting process for schools. Simplifying the reporting process means schools have more time to devote to living their mission and preparing students academically for success in college, work and life.

The Master Calendar of Reporting Requirements is designed to help schools anticipate and plan the work to complete reporting requirements as efficiently as possible. The Calendar includes document and submission details for state, federal and University submission requirements. This document is available on our website at www.TheCenterForCharters.org, which also includes forms and sample templates.

As your partner, we are committed to making the Calendar as helpful and user-friendly a tool as possible. We value any feedback you may have on how we can simplify the regulatory process. Please contact either your school lead or Amy Van Atten-Densmore, the Center's director of school operations, for further clarification or assistance.

CALENDAR CHANGES SUMMARY

The Calendar is color-coded into two categories: **State/Federal-Required or General Reminder** and **University Required**.

In conjunction with the Calendar, the Center has developed Notes that provide additional information for specific submissions (see page nine). A form-numbering system is cross-referenced throughout the Calendar. The Calendar also contains hyperlinks to resources, forms, and source information. We recommend you download this PDF of the Calendar to your computer to ensure you can utilize all of the hyperlinks.

The Center has an online version of the Calendar available at www.TheCenterForCharters.org. The online resources include forms, sample templates and Calendar files for downloading directly into Microsoft Outlook and Google Calendar.

New Submission Item:

Rater Reliability Training Verification – Recent changes to the Revised School Code impact evaluation systems for teachers and school administrators. The changes include a requirement that each individual conducting an evaluation shall complete a rater reliability training by September 1, 2024 and every three years thereafter. The Center is monitoring compliance with the legal requirement by asking schools to certify in Epicenter that the training for each individual was completed.

Please reference MCL 380.1249 and MCL 380.1249a to ensure your school is aware of the specific requirements related to the training.
